PAK IGNORE DELHI PROTEST: BORDER PACT WITH CHINA

Pakistan and China yesterday signed a protocol to the so-called boundary agreement concluded two years ago.

Under the terms of the boundary agreement, a joint boundary demacration commission was appointed to delimit a 300-mile long frontier between the Chinese province of Sinkiang and Pakistan-held Kashmir.

India had protested against the signing of the agreement on the ground that Pakistan had no common frontier with China as she was in illegal occupation of the Indian territory which she calls 'Azad Kashmir'. India had also objected to her ceding to China 2,000 square miles of territory in the area.

MORE RELIEF FOR LOW-GRADE STAFF

Chief Minister Nijalingappa hinted at the Mysore Assembly that the State Government might offer some more relief to class four employees.

He, however, said these employees could not expect any relief immediately.

The Chief Minister said: 'I quite appreciate the concern of the members of these unfortunate people. I have also a lot of sympathy for them. But let me work it out. Let them not expect anything immediately'.

PAK MUST STOP FIRING

India has made it clear to Pakistan that the four-point agreement announced on March 22 for a cease-fire on the West-Bengal-East-Pakistan region is in the nature of a 'package deal' and all the four proposals 'hang together'.

So long as there is no cease-fire, the proposals for transit facilities to Pakistani officials to Dahagram through Indian territorry and for a meeting of Chief Secretaries of East Pakistan and West Bengal is not become operative.

Mysore Varsity Budget

Mysore, Mar. 30

The Senate of the Mysore University at its extraordinary meeting held yesterday approved the budget estimates for 1965 66.

The total receipts are estimated at Rs.1,19,38,500 with an opening balance of Rs. 7,60,264. The expenditure is Rs.1,21,67,010 with a closing balance of Rs. 5,31,754.

Under the receipts the University expects to get a block grant of 37 43 lakhs and an additional grant for developmental schemes of Rs. 18 lakhs from the State Government; fees Rs 26.89 lakhs and Rs. 29.12 lakhs from UGC for development schemes and post-graduate departments.

Under expenditure Rs 2 lakhs each had been provided for purchase of additional lands for Manasagangotri and forequipment and books. Rs 1 lakh for development of Kukkarahalli tank; Rs. 2 lakhs for quarters for non teaching staff; Rs. 2 lakhs for University press; Rs. 1 54 lakhs for Oriental Research Intitute; Rs. 1.25 lakhs for the University Library and Rs. 24.90 lakhs for building programmes in Manasagangotri.

Vice Chancellor Shrimali said that the Mysore University suffered a great financial loss due to the formation of the Bangalore University. He said there was a loss of Rs. 7 lakhs from the examination fees due to the transfer of Bangalore colleges to that University. As such it was but right that the State Government should make good of the loss.

Dr. Shrimali said recently by observing economy some scolarships had been introduced But the Government had questioned as to why those scholarships had been introduced. He said the University should have the freedom to spend the grants allotted to it in the best manner the university liked.

Speaking on the budget, Sri J. B. Mallaradhya said that there should be no discrimination between the UGC and the University scales of pay for the teaching staff.

Sri T S Rajagopala Iyengar suggested that they should start a college for each faculty and such colleges should be a model one to the other colleges.

Sri Narahari Rao said that since the University engineering college at Bangalore had been taken over by the Bangalore University, they should start an engineering college of its own in Mysore.

Sri D M. Rudriah said that instead of creating more officers they should provide more funds to give relief to the staff. He also wanted more funds for biological science.

Replying, Sri A. G. Ramachandra Rao said that the University was persuing the question of UGC scales of pay to the teaching staff. It was the ambition of the Mysore University to start one college in each faculty.

Police Official Shoots Himself

C. S Rachaiahnavar, a sub-inspector working at Mercara, is reported to have shot himself dead with a revolver yesterday at Chickballapur.

He was staying with a local sub-inspector. He has left two letters, one to his girl friend and another to a friend requesting him to present his gold ring to his girl friend. The letter also said: 'Nobody is responsible for my action'.

NO IMMEDIATE N-THREAT FROM CHINA

India's Defence Minister Chavan told the Lok Sabha that the immediate and the real threat from China was the conventional weapons threat and not the nuclear weapons.

He said the Government's information did not indicate that China had tactical nuclear weapons for use in the immediate future.

GOLD AND NOTES STOLEN

Cash and jewels worth over Rs. two lakhs were stolen from a safe in a shop yesterday night at Chamarajanagar.

According to Sri Dutturanga Setty, owner of the the shop three tins containing 100 rupee notes, another of 10 rupee notes and 1,000 tolas of gatti (bullion) gold were in the safe.

400 Killed In Chile Quake

More than 400 people were killed and thousands injured and rendered homeless in a devastating earthquake that shook Chile yesterday.

The quake which lasted one minute and 22 seconds, caused widespread destruction in an area of 17,000 square miles in Central Chile. Unofficial estimates put the toll of the dead and missing as high as 600, but no clear details were available.

The copper mining village of El Cobre, 22 miles north of Chile, disappeared when a dam burst and dumped an estimated two million tons of mud and water on it. None of the 400 people there escaped the 30-foot deluge from the reservoir.

CHANGE LANGUAGES ACT

Chief Minister Nijalingappa informed the State Assembly that the Government of Mysore has requested the Centre to amend the Official Languages Act to give legal sanction to Nehru's assurance to the south on the use of English.

He said the State had urged the Centre to increase the assistance for the spread of Hindi.

The Chief Minister said that teaching of Hindi had been made compulsory from the sixth to tenth standards from 1962-63.

Show-Cause Notice To Civic Chief ?

Mysore, Mar. 31

At the City Municipal Council yesterday Sri Srikanta Sharma asked the President whether he has received a show cause notice under section 23 (3) of the Municipalities Act by the Government.

The Section refers to the removal of the Municipal President by the Government for misconduct etc.

The President, Sri Venkataliingiah said that the matter was confidential and was under correspondence. "It will be divulged at the appropriate time" he added.

MIG FIGHTERS

The Lok Sabha was informed by Defence Minister Chavan that the Soviet Union would complete delivery of the promised three squadrons of MIG fighters by the end of this year.

He said that India had sought some aircraft from United States as part of the Government's programme to rapidly build up a strong air force.

Step-Motherly Treatment By Govt.

CITY FATHERS' GROUSE

Mysore, Mar. 31

Many of the members who spoke in the Municipal Council meeting yesterday felt that the importance of Mysore City was gradually declining due to the step-motherly treatment by the Government.

Messrs. Srikanta Sharma, M. K. Lingiah, B. C. Lingiah and Chikkarangappa suggested starting of a receiving station of the All India Radio, a flying club, evening classes and air linking of Mysore City.

Sri M.N. Thimmiah said that there were some deaths due to cholera and urged for taking precautionary measures as there were many jathras going around the city.

Smt. Soundaramma wanted the conversion of the Municipality into a corporation.

Sri B.C Lingiah criticised the working of the telephone department.

RLY. TICKET IN HINDI

A railway ticket printed in Hindi only was exhibited in the Rajya Sabha by Miss Murry Naidu, who asked how could non-Hindi people understand the particulars.

Prime Minister Shastri while assuring her he would make enquiries into the matter, said that instructions were that tickets should contain particulars in three languages, regional, Hindi and English. He was surprised to see the unilingual ticket.

NO FRESH TAXES

CYCLE TAX REDUCED

CIVIC BUDGET PRESENTED

Mysore, Apr. 1

The Civic Budget for 1965-66, placed before the Council yesterday, proposes no fresh taxes. On the other hand, it has recommended to reduce the cycle tax from Rs. 3 to Rs. 2

The Municipal Commissioner, Sri J. T. Viswanathan, presenting the budget said that though the budget closed with a deficit balance of Rs. 2,74,578 yet the one significant factor was that without resorting to additional taxation it had become possible to provide considerable additional amenities to the citizens.

The major schemes suggested were Rs. 1 lakh for construction of sports stadium. Rs. 1.50 lakhs for schools and hospitals, Rs. 1 lakh each for octroi godown and for Municipal office extension, Rs. 2.40 lakhs for lorries and road rollers, Rs. 50,000 for beaf and pig slaughter houses, Rs. 31,254 for intensification of immunization scheme, Rs.25,000 for starting a municipal dispensary and Rs. 93,000 for miscellaneous works. From loans the schemes proposed were construction of shops in Dhanvanthri Road, second stage of water supply scheme under which supply of completely filtered water to the city is proposed, under ground drainage scheme costing Rs. 1.28 lakhs and Rs. 9 lakhs third out-fall works.

The Managing Committee accepting the proposals of the Commissioner has recommended the reduction in cycle tax.

According to it the estimated receipt was Rs. 1,83,32,190 with an opening balance of Rs 7,02,782 and the expenditure Rs. 1,89,79,890 with a surplus of Rs. 55,082

Mysore New Governor

Bangalore, Apr. 3

Sri V. V. Giri assumed charge as the Governor of Mysore yesterday.

He was sworn in by the Chief Justic, Sri Hombe Gowda at the Raj Bhavan.

In a broadcast talk from the Bangalore station of the AIR, the new Governor appealed to the entrepreneurs both indigenous and foreign, to come and establish their ventures in Mysore State and avail themselves of the facilities and opportunities afforded by the State Government.

Sri Giri said Mysore had made a name for itself historically and culturally with a long tradition extending over many centuries. "Industrially also the State has made rapid progress. But there are mighty potentialities which await further development". He mentioned in this context 'the new temple like Sharavathy' which have great potentialities of developing the entire State and providing the basic wherewithal for everyone,

Poultry Farm In City

Mysore, Apr 5

Mysore City will have a modern big Rs. 10-lakh poultry farm soon, to be started as a limited stock concern.

The local Chamber of Commerce and Industry, which met yesterday under the presidentship of Sri F. K. Irani, accepted the scheme in principle.

The scheme envisages the starting of a farm on a tenancy plot with about one million birds.

Dr. Amla and Dr. Pande of the Central Food Technological Research Institute, explained the importance of the scheme.

NO IMPOSITION OF HINDI

Union Education Minister Chagla stated yesterday that the Government of India was carefully considering all aspects of the language question.

He said the assurances of the late Prime Minister Nehru to continue the English language as long as the non-Hindi States wanted it 'will be carried out'.

Sri Chagla said it was unfortunate that the people of non-Hindi States should think that there was any attempt on the part of the Union Government to impose Hindi on them. "I want any suspicion on the part of the non-Hindi-speaking people to be completely removed so that they do not repeat those unfortunate incidents which we witnessed on January 26 last".

AIR SERVICES FOR MYSORE CITY

Mysore, Apr. 5

Mysore City would be air-linked from the next winter schedule. This assurance had been given by Sri Kanungo, the Minister for Aviation to Sri M.S.V. Raghavan, an industrialist of Mysore City, who met him recently at Delhi.

Sri Raghavan disclosed this yesterday at a meeting of the local Chamber of Commerce and Industry.

Centre For Venomous Bites

Mysore, Apr. 6

Dr. A.K. Haridass, District Governor-304, South Lions International, inaugurated yesterday, a relief centre for venomous bites, sponsored by the Lions Club of Mysore.

This is the first centre opened at the residence of Sri B.N. Rudrappa, retired civil judge, in the fourth main road at Vontikoppal, which offers treatment without an anti-venom serum.

The Governor complimented Sri Rudrappa for his humanitarian work.

Sri Rudrappa said that nearly a lakh of people died of shake bite in the country annually while in Mysore District alone 200 persons died of this cause.

He said the patient should be brought to him within eight hours of being bitten and no other treatment should have been given. The treatment for cobra bites took only 15 minutes but it took three to four days to treat a viper bite, he added.

Sri Shanmukiah, Club President proposed a vote thanks.

KREMLIN SNUBS AYUB

Russia has refused to halt arms aid to India during the Soviet leaders' talks with Pakistan President Ayub Khan.

The Soviet Union had stuck to its support for India on the Kashmir question.

Third World War Predicted

A Mexican star-gazer, who claims to have predicted the assassination of President Kennedy and Chile's recent earthquake, has also predicted a third world war for the period between 1965 and 1971.

According to him, this period will be the most disastrous one of the century.

30 MORE MEDICAL COLLEGES

Union Health Minister Sushila Nayyar stated yesterday that 30 new medical colleges were proposed to be established during the Fourth Plan. There are at present 83 medical colleges in the country

RURAL WORKS PLAN

A sum of Rs. 5 crores will be spent this year on the Rural Works Programme, which seeks to provide additional employment opportunities to agricultural workers during the slack season. It now covers 995 C.D. Blocks.

MACHINE TOOL PLANTS

The Government of India has decided to establish two new machine tool plants in the publice sector with assistance from Czechoslovakia, a medium heavy machine tool plants in Gujarat and a grinding machine tool in Rajasthan.

Govt. Comes Down On Abdullah

The Lok Sabha was told by External Affairs Minister Swaran Singh that the Government has decided to cancel forthwith all endorsements other than those necessary for the Haj pilgrimage on the passports of Sheikh Abdullah and party.

He said the countries concerned were being informed of this decision. The passports would be valid only up to April 30. If the Sheikh went to China on a Pakistani passport, it would mean he had taken up Pakistani citizenship, he added.

The present passport did not permit the Sheikh to go to Pakistan.

Sri Swaran Singh said it was a highly prejudicial act for Abdullah to have met Chinese Premier Chou in a bid to seek Chinese support in regard to Kashmir and to have accepted to visit China.

INDIA HAS 223 SHIPS

India's shipping at the end of the Third Plan will be about two million tons, including ships for which orders have been placed and those under constructions.

India has now 223 vessels, totalling 1.4 million GRT in operation, compared to 4.8 lakh GRT at the end of the Second Plan.

NEHRU PORTRAIT UNVEILED

Mysore, Apr. 6

Sri K. Puttaswamy, Minister for Municipal Administration, on Sunday, unveiled the portrait of the late Prime Minister Nehru, at Mysore Co-operative Society.

Sri B. N. Kenge Gowda, President of the society welcomed the gathering.

EXPORT PROMOTION SCHEMES

The Lok Sabha was informed by Commerce Minister Manubhai Shah that the Government would continue the export promotion schemes.

He said that if the Government felt the need to modify any particular export promotion scheme, the interests concerned would be consulted and sufficient notice would be given to them.

CORRUPT RUSSIAN TO DIE

The chief engineer of a candy factory in the Soviet Union was sentenced to death and 20 others imprisoned for swindling the Government Candry Trust.

It was stated that the group stole 68,678 roubles from the factory. They substituted cheaper ingredients in candy and sold some without accounting for the money.

The Soviet newspaper Pravada reported last week a man had been sentenced to be shot for organising a 2 lakh rouble racket in the illegal sale of knitted goods made by handicapped workers in Moscow.

MORE HYDEL PROJECTS

A considerable portion of the additional power-generating capacity to be installed in the country in the future Plans would be through development of water power sources, says the annual report of the Ministry of Irrigation and and Power for 1964-65.

For the Third Plan, 62 hydel schemes with an aggregate potential of 12 million kw had been selected for detailed investigations with assistance from the United Nations Special Fund. Investigations on 50 sites have already been taken up. Investigations on the remaining 12 sites are to be taken up shortly.

Curb on Refugee Inflow

External Affairs Minister Swaran Singh explained in the Lok Sabha the reasons for sealing the Indo-Pakistan border banning the entry into India of displaced persons without migration certificates.

He said that although the sense of insecurity among the East Pakistan minorities persisted because of the Pakistan Government's failure to take the required measures to reassure the minorities, there was at present no such acute number of minorities fled Pakistan.

The Government of India has, therefore, decided that while normal facilities to persons in East Pakistan to migrate to India should continue, the uncontrolled influx of large numbers of people from East Pakistan without any valid travel documents across the Indo-Pakistan border was no longer justified and should be stopped.

He said another reason wat that India's readiness to receive persons from East Pakistae without any travel documents lent itself to malpractics.

The House was told that about 8,20,000 non refugees not belonging to minorities had also infiltrated into India. The long border could not be left open for security reasons.

OUT PAY PANEL FOR NGOS

Finance Minister Jatti on Wednesday rejected a demand for the appointment of a commission to go into the pay structure of the State NGOs.

Replying to the debate on a non-official resolution of Mr. M. C. Narasimhan in the Mysore Legislative Council, Mr. Jatti said such a commission would only delay the matter by a year or more.

Mr. Narasimhan's resolution urged the Government to revise the pay-scales of the employees on the basis of the principle of living wages, and reduce the gap between the Central and State pay-scales immediately. An amendment, moved by Mr. J. B. Mallaradhya, sought the appointment of a Pay Commission to examine the question.

Mr. Narasimhan withdrew his resolution after the Minister's reply. Mr. Mallaradhya's amendment was rejected by the House.

CHOU NOT FOR PEACE TALKS ON VIETNAM

Chinese Prime Minister Chou En-lai yesterday told U. N. Secretary-General U Thant that a solution to the Vietnam conflict was upto the parties directly involved.

It is a rejection of U Thant's proposals for seven-nation negotiations.

A U N spokesman, when asked about these reports, said, "no comment".

Mr. Chou had taken the view that neither Peking nor Hanoi had any direct involvement in the South Vietnam situation, and the problem there had to be solved by representatives of the Vietcong, who were waging "a war of liberation", and the U.S.

GOVT. WARNS

The Government is keeping a close watch on the activities of Left Communists and will not hesitate to arrest those indulging in anti-national activities, Home Minister Nanda told Mr. P R. Chakravarti in the Lok Sabha yesterday.

Mr Nanda said about 1,000 Left Communists found indulging pro-Chinese activities were under detention. Two had since been released because they gave a written undertaking dissociating themselves from Left Communists activities.

Kutch Border Disturbed

Pakistan has disturbed the status quo on the Kutch-Sind border in the Kanjarkot area and illegally stationed two "standing posts" within Indian territory.

Home Minister Nanda, who conveyed this information to the Lok Sabha yesterday assured a concerned House that the Government "is taking and will continued to take effective measures to remove intrusions and ensure the integrity of the Indian border".

Mr. Nanda, who recently visited the area, was making a statement in reply to a call attention motion tabled by Mr. D.C. Sharma and others.

Mr. Nanda disclosed that despite reminders Pakistan had not shown any disposition to have a meeting at the official level to discuss the matter.

FAST BY OPPOSITION TOMORROW

The entire Opposition in the Mysore Legislature has decided to go a fast on April 9 to protest against the proposed increase in land revenue rates, if the Government did not withdraw its resolution on settlement Reports currently under discussion in the Legislative Assebly.

Edited, Printed & Published by G. L. SWAMY at Samachar, Press, J. M. Palace Road, Mysore.

PM CONFERS WITH OPPOSION LEADERS

Prime Minister Shastri yesterday called a conference of Opposition leaders to discuss Pakistani intrusions into Indian territory on the Kutch-Sind border.

The meeting was attended by Home Minister Nanda, Defence Minister Chavan, External Affairs Minister Swaran Singh, Parliamentary Affairs Minister S.N. Sinha, Minister of State in the Home Ministry J.L Hathi and Gen. J.N. Chaudhuri, Chief of the Army Staff.

It was explained to the Opposition leaders that the Pakistanis had disturbed the status quo in contravention of the procedure laid down for dealing with any dispute on border demarcation.

Cholera In City

Mysore, Apr. 9

There has been an outbreak of cholera in the City, according to a press note of the Municipal Commissioner.

There were 78 suspected cases of which 13 proved fatal between April 1 and 6 Out of 78 attacks, only two proved to be cholera and both these patients survived after treatment.

Two localities mostly affected are Mandi and Lashkar Mhallas. Stray cases have been reported from Kannegowdana Koppal, Asokapuram and Sunnadakeri.

The health authorities are taking vigorous measures to prevent the spread of cholera.

Ten teams are daily working in all the mohallas and so far they have inoculated 30,000 people.

The Municipal Commissioner has appealed to the public for cooperation in reporting immediately all cases of vomitting and diarrhoea; preventing the sale of cut fruits, ice candy and other eatables; getting themselves inoculated and drinking boiled water and boiling everything they eat.

All the hotels have been alerted and they have been strictly instructed to observe thorough cleanliness.

The Commissioner and the Health Officer are paying surprise visits to some of the hotels and have taken action against those whose sanitary conditions were bad. They have also been going round and getting removed and destroyed all cut fruits, ice candy and overripe fruits.

Pak Attack Repulsed

ARMY TAKES OVER ON KUTCH BORDER

The Indian army has been moved into the Kanjarkot area of the Kutch-Sind border after Saturday's serious clash between attacking Pakistani regulars and Indian border police.

In the clash, 31 Pakistanis were killed and four Pakistani soldiers were captured.

The casualties on the Indian side were two killed, three wounded and four missing.

According to the information given by the captured prisoners, there were about 3,500 regular Pakistani solders in the area. Some of the equipment used by them was of American make.

The prisoners said the Pakistan troop movement towards the border started in the second week of March. Orders for the attack on the Indian police position were given on the afternoon of April 7. They came on to the border on April 9 and attacked the Indian position.

Home Minister Nanda stated yesterday that the Kutch border area was quiet up till now and there were no fresh incidents.

RURAL WORKS SCHEME

The Planning Commission is considering the question of providing Rs. 100 crores for an expanded rural man power programme in the first three years of the Fourth Plan.

At the end of 1964, the rural works programme was in operation in 778 blocks and it was being extended to some blocks in 1965 as against the Third Plan target of providing employment to 2.5 million persons for 100 days a year, about 350,000 persons are likely to be covered in the current year of the plan.

It is now proposed to step up the number to 750,000, 1,500,000 and 2,500,000 in the first three years, respectively of the Fourth Plan.

FAMILY PLANNING

Resistance to some of the methods of the National Family Planning Programme is wearing off and a wide spread acceptance of the programme has been created all over the country, according to the annual report of the Union Health Ministry for 1964.

Analysis of birth rates in selected areas showed a trend towards reduction in birth rate.

There were 150 sterilisation units in operation in different parts of the country.

MEMORIAL TO NEHRU

As a memorial to Nehru, the Union Health Ministry has prepared a comprehensive scheme for the development of facilities for rehabilitation of the physically handicapped.

The scheme comprises the setting up of 15 regional rehabilitation centres for giving service to difficult cases in the form of surgical treatment and fitting of prosthesis.

Rehabilitation units will be attached to the orthopaedic departments of medical colleges all over the country. Besides, 500 audiological units, 100 visual units, 15 eye banks and two logopaedic institutes will also be set up.

Indian Army Retakes Kutch Post

Indian Army patrols had reoccupied Sardar post in Kutch on Saturday.

This was announced by Home Minister Nanda in the Lok Sabha yesterday.

Firing Still

Union Home Minister Nanda informed the Lok Sabha that after a lull on April 10 and 11, the Pakistanis opened fire again yesterday morning in the Sardar post area in Kutch.

He said the Government had informed the United Nations Security Council and the Governments of friendly nations about the grave happenings which have dangerous possibilities if Pakistan persists in its aggressive posture in the Kutch-Sind border.

STATE'S FOURTH PLAN OUTLAY

Bangalore, Apr. 13

The Mysore Government has provisionally suggested an outlay of Rs. 500 crores for the State's Fourth Plan.

FAKE DRUG LAB UNEARTHED

A well-furnished laboratory-cum miniature factory for manufacture of spurious drugs was unearthed yesterday in a colony at Agarpara, about eight miles from Calcutta.

Three persons, including the owner of the factory, had been arrested.

Pakistanis Will Be Pushed Out

Prime Minister Shastri declared in the Lok Sabha that India was determined to push out the Pakistani intruders from the Kanjarkot area on the Kutch-Sind border.

He said as certain steps would have to be taken this would take a little time. But if talks between the two sides were to take place, then India would insist on Pakistan vacating the area as a condition.

The Prime Minister said that India would take up the matter of Pakistan using U. S. weapons with the U.S. Government immediately.

India's First Rocket

The first Indian rocket is expected to be produced early next year, said Prime Minister Shastri in the Lok Sabha.

Five technical officers of the establishment had returned from France after training and were installing the machinery for making rockets.

YELANDUR CHOLERA AREA

The Deputy Commissioner has issued a notification prohibiting the congregation of people for the jatra at B. R. Hills from April 16 to 25.

The entire Yelandur Taluk has been declared as cholera threatened area.

Land Ceilings

Transfers of land made after Nov. 18, 1961, the date on which the Mysore Land Revenue Bill was passed, are to be disregarded both for determining the extent of land for resumption as also for determining the ceiling area, according to the provisions of the Mysore Land Reforms Amendment Bill, which was introduced yesday at the Mysore Assembly.

STATE PLEA ON PAY SCALES REJECTED

Bangalore, Apr. 13

Finance Minister Jatti disclosed in the Assembly yesterday that the Centre had rejected the State Government plea for financial assistance to bring the gulf between the Central and State Government employees.

He said that there was no need for appointing a Pay Commission as the recent increase in pay and dearness allowances was consistent with the financial position of the State.

MUSIC INSTITUTE BY RAMAN

Bangalore, Apr. 13

Dr. C. V. Raman announced here yesterday that he was starting an Institute of Music and Musical Sounds at Madras. Another institute devoted to human physiology was coming up next to his Raman Institute in Bangalore, he said.

Cholera In City

Mysore, Apr. 13

162 cases of Cholera had been reported in the City since April 1, of which 20 proved fatal.

So far 90,000 people had been inoculated.

Rebel Congressmen Asked To Join PSP

Mysore, Apr. 14

The local Devanga Sangha, felicitated Sri K. M. Naganna, Mayor of Bangalore Corporation, Sri B. G. Veeranna, Corporator, Bangalore and Sri M T. Srikantiah, MLC, here yesterday, at a function held at Kadiah's choultry.

Sri M.V. Bhojiah, welcomed the gathering.

Sri S. Sivappa, leader of the Opposition in the State Assembly, who presided, extended an invitation to Sri Channiah and other dissident Congressmen to join the Praja Socialist Party.

He hailed the decision of Sri Channiah to quit the Congress and said it augured well for the growth of democracy.

Mayor Naganna thanked the Sangha for the honour done to him and others.

The Mayor deprecated what he called the action of the Government in having recently arrogated itself the powers normally enjoyed by the Corporation. Leaving sanitation work, the recent Municipal Bill had snatched all powers of Corporation and vested them in the Government. It is a sad thing, he said.

Messrs. B. K. Puttiah, E P. Nanjappa and B.V. Banumiah also spoke.

Sri Channiah and some other dissident Congressmen were present on the occasion.

Sri S. Basavanna proposed a vote of thanks.

Pak Charge Refuted

The Kutch-Sind border near Kanjarkot has been free of incidents since Monday evening.

Pakistani forces fired at Indian positions for some time on Monday afternoon but there was no casualties on the Indian side.

An Indian official spokesman yesterday denied a Karachi report that India had launched an offensive against the Pakistanis in the Kanjarkot area on Monday.

The report had stated that the Pakistanis had repulsed an Indian offensive, damaging two Indian tanks and destroying four others. 'This is a pure fabrication', the spokesman said.

The Indian spokesman said that it was not the Indian forces that opened fire but the Pakistani forces. After two days of lull, Pakistani forces opened artillery fire for about two hours in the morning and again in the afternoon on Monday and the Indian forces returned the fire. Some Pakistani armoured cars were also seen in the Indian territory.

PAK CLAIMS DING AREA OF KUTCH

A Pakistan Foreign Office spokesman stated yesterday the Ding area of Rann of Kutch, now occupied by Pakistani forces, was not Indian territory and never had been.

MAHAVEER JAYANTI

Mysore, Apr. 14

Mahaveer Jayanti was celebrated here yesterday at the Cooperators' Home, organised by the local Jain Sangh.

Finance Minister Jatti who presided said that in a world torn between feelings of passion and hatred, the message of Lord Mahaveer had assumed great significance.

Sri B. Shivamurthy Sastry speaking appealed to the people to live up to the teachings of Mahaveer.

Sri Mahavir Prasad welcomed the gathering.

Sri Sohan Rai Jain proposed a vote of thanks.

RISE IN WORLD TOURISTS

More than 10 5 crore foreign tourist arrivals were recorded throughout the world in 1964. This represents an increase of 15 per cent on 1963. International tourist receipts are estimated to have risen to more than 10 000 million dollars in 1964.

EVENING POLYTECHNICS

Education Minister Kanthi hinted yesterday that the Government of Mysore may set up evening polytechnics, on the model of the Scoool of Engineering Studies, organised by the Defence Technical Training Association, in Bangalore.

A note handed over to the Government of India by Pakistan had blamed the Indians for creating the present tense situation in Rann of Kutch.

Hotels To Be Closed In City

Mysore, Apr. 14

The Municipal Commissioner, Sri J. T. Viswanathan, in a Press note issued today has sought the co-operation of the public to eradicate cholera in the city by getting inoculated and requesting them not to eat or drink in restaurants and hotels which are dirty and unclean. Action is being taken to get all these places temporarily closed.

So far there had been 150 attacks and 20 deaths. From last two or three days of the cases admitted to the E. D. Hospital very few were found to be cholera and many others were just cases of vomiting or diarehea. There had been no deaths amongst those admitted in the last two or three days, he said.

KANAKADASA CENTENARY

Mysore, Apr. 14

SAFETY OF WORKERS

Union Labour Minister Sanjivayya stated yesterday that the safety of workers in industry is of great social and economic importance, as the social cost of human misery resulting from accidents, occupational diseases was more than the purely economic loss.

The loss to the community on account of accidents had not been estimated but according to rough estimates, the man day lost alone were about 10 million every year.

On a rough calculation, workers lost nearly Rs.four crores annually, apart from the loss of production and other indirect losses.

The Minister said the worker should develop safety consciousness. As such it had been decided that the workers should be given suitable training. The setting up of a national safety council was also being considered, be added.

Independent Panel For Graft Probe

Prime Minister Shastri told a meeting of the Congress Parliamentary Party's executive committee yesterday that he was thinking of setting up a panel of independent persons to investigate corruption complaints against Ministers or other highly placed politicians.

He said that the difficulty in handling allegations against Ministers at the party level was that the party could not have access to official documents and therefore it was not competent to decide a complaint.

Sri Shastri said there was no question of forming such an agency immediately. The Government had inquired into complaints so far received and had given its decisions.

DISSENSIONS IN CONGRESS

Smt. Vijayalakshmi Pandit, M. P. has expressed "concern" over the 'increasing dissensions' in the Congress ranks and said if early and effective steps were not taken such dissensions might "spell disaster".

Speaking at a public meeting in Haridwar, she said "instead of thinking in terms of solutions to common problems, peoples' representatives have started meeting their personal interests".

PM CAN TAKE ACTION AGAINST CM

The Union Education Minister, Sri M.C. Chagla, stated in New Delhi yesterday that the Prime Minister had the right under the Constitution to take action against a State Chief Minister on charges of corruption.

He said the Constitution was not that of a federation but that of a union. If the President referred charges of corruption against a Chief Minister to the Prime Minister, the latter could take action on those charges, even if the majority of the State Legislature passed a vote of confidence in the Chief Minister.

HOTELS CLOSED IN MYSORE DISTRICT

TO CHECK CHOLERA EPIDEMIC

Mysore, April. 16

All hotels, cafes and restaurants or any place where articles of food are prepared or exposed for sale or distributed including the sale of cut-fruits in Mysore City and all taluk headquarters in Mysore District are ordered to be closed for three weeks from yesterday.

Since the Municipal Commissioner has reported that it was not possible to root out the cholera epidemic despite taking all measures and as the Health Officer has also reported the prevalance of cholera in almost all the taluks of the district, the Deputy Commissioner has issued the order for the closure of hotels, excepting hotels serving meals to the boarders.

He has also prohibited the assemblage of jatras, fairs and shandies in the entire district for one month.

2-YEAR PUC COURSE

VICE-CHANCELLORS' SUGGESTION

Mysore, Apr. 17

The Vice-Chancellors of Mysore, Bangalore and Karnataka Universitieswho met here onThursday have suggested a 2-year Pre-University Course under the complete academic control of the Universities so as to improve the standards of education in universities. Steps should be taken for starting the courses from 1966-67.

They have also suggested a three-year Honours Course with one major subject and one or two minor subjects and admissions to these courses should be made on consideration of merit only.

There should be a university examination at the end of each year to the 3-year Degree courses and also for the 2 year Masters' Degree courses.

Admission to XI standard in higher secodary schools has to be in conformity with the rules and regulations of the universities and that the annual examination should be conducted by universities only.

It was desirable, they have said, to establish similarities among the universities in the State in regard to the pattern of various courses.

Among other recommendations are: migration facility should be granted to students liberally; model rules of affiliation commended by the UGC should be followed; the minimum age for admission to university should be fixed at 15 plus for PUC and 16 plus for degree courses; and candidates seeking admision to engineering and medical courses should have obtained not less than 45 per cent of marks.

Dr. K.L. Shrimali, Vice-Chancellor of the Mysore University, who presided, expressed the hope that periodical meetings of Vice-Chancellors in the State would go a long way in promoting the cause of higher education.

Dr. D.C. Pavate, Vice-Chancellor of the Karnatak University referred to the growing deterioration of standards in higher education among the Indian Universities, and urged the importance of improving the curriculum of the subjects taught in the universities. He stressed restriction on admission at all courses and hoped to follow a common pattern of studies in the universities in the State.

Dr. K.C. Nayak, Vice-Chancellor of the University of Agricultural Sciences and Dr. B.D. Laroia, Vice-Chancellor of Bangalore University generally endorsed the views expressed by Dr. Pavate.

Pak's Flagrant Aggression

PM's WARNING

Prime Minister Shastri stated yesterday that if the dispute over the Kutch-Sindh border was not solved through negotiations, India would have to adopt other measures to get the aggression vacated.

He told the Congress workers at Allahabad that India had accepted the Pakistani proposal to discuss the issue.

"We are prepared to hold talks to find out a solution". But he warned that if no solution was found the nation must be prepared.

The Prime Minister said there had been some activities on India's borders for the past few months. China had been massing her troops on the borders.

He said the China-Pakistan alliance had posed a great threat to the country's security. 'What they will do, nobody knows'.

Shastri said 'Pakistan has been committing flagrant acts of aggression on our borders for the last three months. This has increased the threat of an attack on our country'.

Sri C. Masilamoney proposed a vote of thanks.

ARCHAEOLOGICAL DEPT. CRITICISED

The four-man committee, headed by the renowned archaeologist, Mr. Mortimer Wheeler, which investigated into the affairs of the Archaeological Survey of India has criticised severely the working of the Department. It has found a tendency in the organisation to attempt too much without completing the projects already taken up.

PUBLICATION OF MYSORE HISTORY

The Bombay University intends to publish records from the French National Archives in Paris relating to the history of Mysore and Maharashtra with English and Marathi translations.

The University has already secured microfilms of those records through Dr. Hatackar.

Prof. Parikh, Rector of the University said the records which covered 6 000 pages constituted a source material for the history of Mysore and Maharashtra.

KANJARKOT IS DISPUTED AREA

Pakistani Foreign Minister Bhutto has said that the Kanjarkot post was a territory in dispute which covered nearly 3,500 miles.

He said it was not undisputably' Indian territory as claimed by India.

The Minister said the dispute had arisen because the territory was not in India's possession, but on the evidence of history and by law it belonged to Pakistan.

He said the Indian border post at Kanjarkot belonged to Pakistan.

PM APOLOGISES TO PEOPLE

Prime Minister Shastri yesterday apologised to the people of Allahabad who were disappointed in not being able to welcome him.

The Prime Minister admonished the officials responsible for diverting his motorcade from Bamrauli airport to a different route from the one fixed earlier to avoid a black-flag demonstration.

Sri Shastri said: 'Just because some people thought it fit to demonstrate to express their displeasure against me, the route should not be changed. Once a programme has been fixed no change should be made in it'.

RISE IN FARM OUTPUT

A substantial improvement in agricultural production during 1964 65 has been envisaged by the annual report of the Department of Agriculture. Union Ministry of Food and Agriculture. Rice production is expected to be 38.5 million tons against the previous year's record of 36 5 million tons.

Edited, Printed & Published by G. L. SWAMY at Samachar, Press, J. M. Palace Road, Mysore.

KAMARAJ'S VIEW ON ACT AMENDMENT

Congress President Kamaraj stated in Madras yesterday that amending the Official Languages Act for continued use of English can only be a temporary solution. Since it was not possible to use English as an associate language for ever, a permanent solution would have to be found. It is only in that way recurrence of the language controversy can be avoided, he said.

P. M. POSTPONES U. S. VISIT

Prime Minister Shastri has postponed his proposed visit to the United States until autumn on a special request from President Johnson. The reason for the request is that there would be heavy pressure on President Johnson's time during June.

NAGA REBELS

India yesterday strongly protested against Pakistan's deliberate encouragement to the Naga hostiles in their acts of violence and depredations in Nagaland.

INDIA SEEKS AID FROM JAPAN

India has asked Japan for 120 million dollars worth credit for the fifth year of its Third Plan.

Japan so far has granted a total of 220 million dollars worth credit to India-all during India's Third Plan period, to finance developmental purchases in Japan.

STOP BOMBING

Prime Minister Shastri stated yesterday that the United States should stop bombing North Vietnam during efforts to start negotiations.

NO-WAR PACT WITH PAK RENEWED

Prime Minister Shastri yesterday renewed India's offer of a "no-war pact" with Pakistan.

He told a public meeting at Bara village near Allahabad that India was prepared to settle the border problem with Pakistan peacefully but if Pakistan continued to occupy our territory and resorted to the use of force then India would have no alternative but to meet that challenge. It would be in the interests of both countries to peacefully demarcate the border through talks, he added

Pak Tactics Exposed

The Government of India yesterday regretted the 'utterly negative' response of Pakistan to its proposal for a conference at any acceptable level with a view to removing tension on the Kutch-Sind border.

A Press release issued by the External Affairs Ministry said that Pakistan had 'resorted to unconstructive, agitational and propagandist tactics'.

'It appears much to our regret that Pakistan is not at all eager to grasp the hand of peace and cooperation extended by us to put an end to tensions and to restore peace and normalcy on the frontiers'.

'India's offer is clear, unequivocal, honourable and aimed solely at the restoration of peace. It is for Pakistan to accept it. If she rejects it, the responsibility for all the consequences will be solely Pakistan's.

The release said that Pakistan's claim to Kanjarkot was utterly invalid and untenable was proved beyond doubt by the simple fact that Pakistan had persistently refused to attend a meeting of the survey experts.

'Pakistan now pretends that she had held occupancy of Kanjarkot for the past seven years. But only a month ago, on March 1, Pakistan Government in a formal note to the Indian High Commissioner categorically stated: 'It is not correct that the Kanjarkot fort has been occupied by the Indus Rangers (Pakistan police). As recently as March 1, Pakistan did not claim to have established post in Kanjarkot. Now Pakistan gibly invents a seven-year-old established post in the same Kanjarkot fort. Nothing could be more transparently mendacious'.

PROBE INTO M V. TAX PATTERN

Union Minister of States for Transport Raj Bahadur announced in the Lok Sabha yesterday that a high level committee will go into various aspects of motor vehicles taxation and investigate whether the tax pattern impeded road transport development in India. He admitted that the level of motor vehicles taxation in India was "among the highest in the world".

NDF ACCOUNTS IRREGULAR

Prime Minister Shastri informed the Lok Sabha yesterday that the National Defence Fund accounts were found to be irregular. It related to Rs 20 38 lakhs out of which Rs.19.23 lakhs had been credited.

No Suburban Railway For Bangalore

Railway Minister Patil made it clear yesterday at Bangalore that railway lines were not sanctioned on a quota basis for the States but purely on the criterion of quicker results. It was all a question of priorities, national security needs topping the list.

About the request by the Mysore Chamber of Commerce for a stop to increasing the railway freights, the Minister said the Railways, the biggest public enterprise in the country, were also a 'victim' in the increased maintenance costs. They had to pay an extra Rs. 29 crores as salaries and would have to meet an additional bill for Rs 14 crores for 14-lakh employees due to higher cost of living. 'Where is the reservoir of money' for the railways, he asked and warned that if the Railways became a losing proposition, 'India's economy will go to dogs'.

About the demand for a suburban railway for Bangalore, Sri Patil pointed out that the Bombay suburban system had an annual loss of Rs. 1 to 1.5 crores.

The Minister said that with the scientific advance and electronic devices, they could make more use of existing trains instead of increasing them to meet the growing demands.

SUBSIDY FOR SINKING WELLS

Revenue Minister Krishnappa told the Mysore Assembly that the Government would give subsidy for sinking wells if they were completed within three years of being sanctioned.

He said a subsidy of Rs. 500 would be paid if the wells were constructed in a year. The amount would be progressively reduced in next two years and no subsidy would be available after three years.

The Minister stated that 748 wells were sunk under the subsidy-loan scheme in Mysore District during the Third Plan. He said 264 were completed within six months.

From this year, he said, the land mortgage bank would advance loans for sinking wells.

PAILWAN MAHADEV DIES

Mysore, Apr. 20

Pailwan Mahadev died yesterday due to Cholera in Kanegowdana Koppal. He was aged 30.

DECISION ON LANGUAGES ACT

Sri Satya Narayan Sinha, the Parliamentary Affairs Minister told the Lok Sabha that the Government will soon decide on amending the Official Language Act.

He held out an assurance that the entire metre-guage would one day disappear and broad-guage would take its place.

Tobacco Stimulates Intellect

Prof. Daniel Dovet, the Nobel Medicine Prize-winner has stated that tobacco stimulates the intellect.

He said that he had made experiments on animals whose life had analogies to that of man. These tests had shown that a moderate use of tobacco produces a stimulating effect on intellectual capacity'.

ACTION AGAINST CHINESE EMBASSY

Prime Minister Shastri assured the Lok Sabha yesterday that the Government would consider how it should deal with the objectionable activities of the Chinese Embassy in New Delhi.

SOVIET TRANSMITTERS

The Lok Sabha was informed by Minister Indira Gandhi that the Government has decided to accept the Soviet offer of two medium wave transmitters of 500 kws. each.

Edited, Printed & Published by G. L. SWAMY at Samachar, Press, J. M. Palace Road, Mysore.

PM'S POLICY PLEDGE

Prime Minister Shastri stated yesterday he would carry out his policies and in this endeavour he needed the support and co-operation of the people which 'is my real strength'.

He said the moment he felt it was difficult to carry out his policies, he would not remain in office.

PRESIDENT RESUMES OFFICE

President Radhakrishnan, who returned to Delhi yesterday from London after a successful eye operation, has resumed his duties.

SACK GOA GOVERNMENT

The Goa, Daman and Diu anti-merger convention has urged the Union Government to take immediate steps for the removal of the Goa Government for its unconstitutional behaviour.

The convention said the Goa Government had used the Assembly for propagating the merger of the territory with Maharashtra, practised rank partiality in selection of Government employees and showed disrespect to the local languages, traditions and institution by the 'deliberate Maharashtrianisation' of the territory.

Evolve A Standard Meal

GIRI TELLS FOOD INSTITUTE

Mysore. Apr. 21

Governor Giri yesterday called upon the food technicians in the country to see as to how best, with the resources that are available, food produced could be properly preserved and made available to the public without wastage.

He was inaugurating the FAO International Food Technology Training Centre at the CFTRI started with assistance from the Canadian "freedom from hunger campaign". It will train food technologists in South-East Asian countries.

Dr. Parpia, Director of the CFTRI, welcomed the gathering.

Sri Giri suggested to the Food Institute to evolve a standard meal which would be both cheap and provide the specific amount of calories. This standard meal could be introduced in schools, colleges, hospitals and factories where today the people were to depend on ordinary hawkers and pedlars. It was very unfortunate, he said, that they were not able to remedy the situation of unhygenic and unwholesome food being distributed and sold.

The Governor mentioned his experience of tackling the food crisis six months ago as the Governor of Kerala. "We started a few hotels in different parts of the State where cheap and nutritive standard meal were supplied to the people. I myself visited one started at Trivandrum and partook the lunch that was supplied at a nominal price of 40 paise. I should say that it was good and tasty".

Dr. Shrimali, who presided, said food technology occupied an important place in world planning today. He stressed that there should be a closer collaboration between the Food Institute and the University and he was happy that the Mysore University had decided to start a post graduate course in food technology through this international centre.

Representatives from various countries participating in the Orientation Course addressed the gathering.

Dr. Gall, Director of the Centre, proposed a vote of thanks.

BIG LOSS IN KHADI BOARD

Bangalore, Apr. 21

The internal audit of the Mysore State Khadi and Village Industries reveals a loss of Rs. 16.46 lakhs during 1957-58 to 1959 60. The loss consists Rs. 5.35 lakhs in cash in all the 23 centres and Rs.11.11 lakhs of stock in 12 centres of the Board.

No Centre's Assurance

Bangalore, Apr. 21

Chief Minister Nijalingappa stated in the Assembly yesterday that if Prime Minister Shastri had assured Maharashtra Chief Minister that the Goan issue would be solved in a month, it was not correct.

"We do not believe that the Prime Minister would have given such an assurance. We are clear that if any such assurance had been given it is not clear. We have made our stand clear to the Centre in many ways", he said

The resolution adopted by the Goa Legislature favouring merger of Goa with Maharashtra did not reflect the public opinion in Goa, he added.

KALYAN MANDIR OPENED

Mysore, Apr. 21

Governor Giri regretted yesterday that people were forgetting the Gita and Mahatma Gandhi.

Declaring open the Kalyan Mantap at the Udipi Sri Krishna Mandir in Narayana Sastry Road, the Governor said that as India was facing a crisis political, national and international, it was time we learnt great principles adumbrated by Lord Krishna from the points of view of diplomacy, segacity and tactfulness as taught to Arjuna.

Speaker Vaikunta Baliga, who presided, called upon the philonthrophists to emulate Sri K. Seetharama Rao in serving the public cause.

Sri K. Seetharama Rao welcomed the gathering.

Sri Agaram Rangiah proposed a vote of thanks.

P. M. Cancels U.S. Visit

Prime Minister Shastri has cancelled his visit to the United States, announced the External Affairs Minister, Sri Swaran Singh, in the Lok Sabha yesterday.

Sri Shastri declared that he would visit Canada but the dates may be altered.

The Prime Minister also informed that he did not propose to visit New York for his lunch engagement with the U. N. Secretary General.

Sri Swaran Singh told the House that the Indian Ambassador in Washington had told the U. S. Secretary of State that the unusual manner of the postponement is likely to cause misunderstanding in India".

RICE SUPPLY IN LEAN PERIOD ASSURED

Bangalore, Apr. 21

Revenue Minister Krishnappa assured in the Assembly yesterday that the State Government had taken all steps to ensure adquate supply of foodgrains during the coming four lean months.

He said that restrictions on inter-district movement of foodgrains would be removed only after building up a buffer stock of two lakh tonnes.

NO WHEAT STOCK

Finance Minister Krishnamachari informed the Lok Sabha that the buffer stock of wheat with the Centre had exhausted because of "very large demands". Supplies of wheat from foreign sources in May would be over 8 lakh tonnes. There would, therefore, be no difficulty in meeting the needs of the States, he added.

Prompt Justice

A teenager K.S. Raman, who felt aggrieved, went to the Chief Justice of the Patna High Court, Sri Narasimhan, to seek justice and got it.

The Chief Justice after hearing him, forthwith constituted a Division Bench, who held the court on Sunday night at the residence of one of the Judges.

The case arose out of cancellation of the name of Raman from the list of students sent in for the B.A. examination of the Patna University by the Principal of the Patna College. The boy represented his case to the Vice Chancellor who rejected his plea. He then approached the Chief Justice.

The Bench issued directions to the Vice Chancellor and the Principal to admit the boy to the examination without prejudice to their contentions at the final hearing.

Raman sat for his examination on Monday.

PUBLIC MEETING

Mysore, Apr. 22

A public meeting under the auspices of Mysore District Unit of Vishva Hindu Parishad, will be held tomorrow at 6-30p.m. at the Co-operators' Home.

Sri Swamiji of Suttur Mutt will preside.

Sri S.S. Apte, General Secretary of Vishva Hindu Parishad will address the gathering.

MOTION AGAINST NANDA RULED OUT

In the Lok Sabha yesterday, an attempt was made to haul up Home Minister Nanda on a charge of breach of privilege of the House but it failed.

The charge against Sri Nanda was that he had tried to 'bully' the Chairman of the Public Accounts Committee in the lobby about the Bharat Sevak Samaj.

Sri Nanda in a letter to the Speaker had stated that what he told the Chairman of PAC constituted a private conversation. He had no intention of saying anything derogatory to the PAC and if any contrary impression was created, he was sorry for it.

The PAC Chairman Sri Morarka supported Sri Nanda's contention that the conversation was private.

The Speaker ruled out the privilege motion

NO AUSSIE WHEAT DEAL

Union Food Minister Subramaniam, who returned yesterday from a tour of Australia said there was no big wheat deal in the offing. He said they themselves were facing unprecedented drought conditions and so were not quite sure about the crop position.

LANGUAGE ISSUE

The Congress Working Committee yesterday decided to meet again on June 1 and 2 to take a final decision on the language issue.

MP SUSPENDED

Sri Hem Barua, PSP member was named by the Speaker and suspended from the service of the Lok Sabha for a week.

As Sri Barua repeatedly interrupted the Prime Minister when he was intervening during the discussion on the call attention motion on the Pakistani firing on the Punjab Chief Minister, Speaker Hukum Singh pulled up the member remarking 'there should be a limit. I have tolerated it enough'.

The incident was sparked off by a Congress member Sri Bhattacharya who charged Sri Barua with 'playing to the gallery' while putting questions. Sri Barua retorted with 'Damn it, damn it'.

Sri Barua also shouted at the Speaker.

PAK GETTING READY FOR MASSIVE WAR

SITUATION GRAVE, SAYS P.M.

Prime Minister Shastri stated yesterday that the latest Pakistani aggression on the Kutch Sind border confronts India with a very serious situation and India would resist with all the strength at its command.

He said: "We have to face a difficult situation but we cannot afford to sit quiet and not defend our frontiers with all the strength at our command."

Sri Shastri said India had agreed to the proposals made by Pakistan for talks. But instead of favourably responding to it, Pakistan had made a frontal attack against India. India must resist the attack and must stop those moves.

"I am sure the country will not feel demoralised in any shape or form and we will all stand together to fight our menace. The Government of India will certainly discharge its responsibility fully."

Simultaneously, Pakistan's aggressive activity, including unprovoked firing, had intensified at several places on the Kashmir cease fire line.

Except for intermittent Pakistan shelling and firing at several points on the Kutch Sind border, Saturday's heavy attacks have been followed by a comparative lull. This lull might be either due to the need for replenishments or reformation of Pakistan forces for fresh attacks.

PAK ORDERS MOBILISATION

Pakistan had ordered ebt mobilisation of her armed forces, cancelled military leave and ordered the recall of its Army, Navy and Air Force reservists.

Pakistan had placed on the alert its forces along the East Pakistan border.

China's Intrusion In Ladakh

India has strongly protested against China's intrusion in the Ladakh sector of the Sino-Indian border.

The Government has also protested against the persistent Chinese refusal to recognise India's special relations with Sikkim.

The Government in its note to Peking on April 1, said that a Chinese military patrol intruded approximately six miles west of the so-called 'line of actual control' in the Chip-Chap river valley region Ladakh. By this intrusion, the Chinese Government has not only introduced military personnel in 20 kilometre demilitarized zone but also crossed the line of actual control in the western sector, contrary to the provisions of the Colombo proposals and the unilateral declaration of the Chinese Government itself.

NO FOREIGN MILITARY BASES

Union Minister Swaran Singh stated in the Lok Sabha that the Government was opposed to the establishment or maintenance of foreign military bases in the territory of other countries. "There is no question of our revising this policy", he said.

INDIAN TROOPS ALERTED

Defence Minister Chavan announced in the Lok Sabha that the Indian armed forces have been alerted.

He said these 'measures are necessary in view of Pakistan's action, both in the Rann of Kutch and in ordering general mobilisation.

The Defence Minister told the House that on Sunday, Pakistani forces with tanks mounted another attack and this was on the Indian position at Biarbet, six miles south of the border. The attack was beaten back with losses to Pakistan. Again on Monday morning Pakistan attacked Biarbet with an infantry brigade and armoured forces.

He said 'We are undoubtedly passing through difficult times. But I am heartened by the fact that the morale of our people and the forces is high and they are determined to resist any offout to our sovereignty and territorial integrity at any cost".

PM ASSURES FIRM STEPS

Prime Minister Shastri said that the situation on the Sind Kutch border had assumed serious proportions and added that India would deal with it firmly and effectively.

He said that for Pakistan to mount attacks on India and on top of it demand withdrawal of Indian forces from their own territory was wholly wrong and unjust and 'we cannot consider any such proposal'.

PAK BENT ON BORDER STRIFE

Defence Minister Chavan said that it seemed to be the intention of Pakistan to keep all the borders of India alive.

He said during the period March 25 to 31, Pakistan had committed 64 violations of the ceasefire line in Jammu and Kashmir and India had lodged complaints in all the cases with the U. N. military observers.

Sri Chavan said that some American arms and equipment had been found in the border and India had brought this to the notice of the American Government.

The Pakistani army carrying out attacks on the Kutch-Sind border for the last few weeks had been employing aircrafts to take pictures of the Indian side.

Pakistan has massed troops along the border with Tripura State.

PSP SUPPORT

The Praja-Socialist Party has pledged its 'fullest support' to the Government in its resolve to repulse the Pakistani aggression.

SUMMER INSTITUTES OPENED

Mysore, Apr. 27

Vice-Chancellor Shrimali yesterday inaugurated three summer institutes in Physics, Chemistry and Teacher Educators for college teachers in the Regional College of Education.

The institutes are sponsored by the University Grants Commission in co-operation with the U. S. Agency For International Development.

Forty-five teachers are participating in the six-week long summer institutes.

The objective of the summer institutes is to discuss the current trends in the subject and to explore the possibility of incorporating modern ideas in teaching.

Dr. Shrimali said that these institutes were best examples of the international co-operation. It was his desire that the Mysore University should have a permanent summer institute.

Sri G. Chaurasia, Principal, Regional College of Education, welcomed the gathering.

Dr. S. Chandrasekhar introduced the five American consultants, who also spoke.

Dr. G. Narayan proposed a vote of thanks.

★ The Central Government employees will get increased dearness allowance with retrospective effect from March 1, following the rise in the cost of living. The increases range from Rs. 5 to Rs. 20.

FORCE OUT THE AGGRESSORS

The All-India Hindu Mahasabha has called upon the Government to face realistically and boldly the situation created by the wilful and planned attacks by Pakistan and China.

In a resolution adopted at the Patna session on Sunday, the Sabha has said that force was the only language that aggressors would understand. It should be used unsparingly to stop them.

The Mahasabha asked Government to give up its policy of negotiations and agreements and suggested a five point defence plan to remove aggressors from our borders.

It demanded an increase in the military strength of the country, equipping the army with modern weapons, including nuclear weapons, mobilisation and training of Hindu youths, arming the borders and removal of all doubtful elements from the five mile belt along the Indo-Pakistan borders.

FAIR PRICE SHOPS

Union Labour Minister Sanjivayya stated yesterday that the Centre is preparing a law to make it obligatory for establishments employing 300 or more workers to set up consumer co-operatives or fair price shops. The concerned Bill will be introduced soon, he added.

SMUGGLER HELD

The customs authorities at the Santa Cruz airport arrested a British national who arrived in Bombay from Tokyo. He was carrying contraband articles-highly concentrated patent drug-worth Rs. 25,000.

NO AFFECT ON INDIA'S DEFENCE

The Lok Sabha was informed by Defence Minister Chavan that the recent cut of 100 million pounds in British military aid programme announced in the U. K. budget, would not affect India as no British capital investments in India were involved.

He said that the British cut would not have any adverse effect on India's defence programmes.

PLANNED URBAN GROWTH

A publicity drive is to be started in the States to create an awareness of the benefits of planning urban development and the people can play in building a better life for themselves.

NEW POLICY ON CO-OPERATION

Union Minister for Co-operation, Sri S. K. Dey has stated that a new policy of co-operation was being worked out in consultation with the Planning Commission.

STOP QUIBBLING

Smt. Vijayalakshmi Pandit stated yesterday at Hyderabad that "it is time we stop prevaricating and do something clearly and definitely on Pakistan's aggression against India'.

She said it will be foolish if people forget that the purpose of Pakistan's so-called alliances with her friends and foes is to embarrass, weaken and bully India. So we have to take up the challenge and we have to be alert about it.

Mysore, Apr. 28

There were 14 attacks and 2 deaths from cholera on Monday in the city according to a press release from the MunicipalHealth Officer.

The total attacks and deaths was 385 and 45 since April 1.

So far 1,81,741 persons have been innoculated.

STERN ACTION AGAINST GOONDAS

Union Home Minister Nanda told the Lok Sabha that the Government was considering steps for making the provisions of law more stringent to deal with those who created communal trouble.

He said that it had been noted that certain 'goonda elements and gangs of criminals' took advantage during disturbances. These persons had resources and were trained to do 'dark deeds'. Strategy would have to be evolved to deal with them sternly.

HITLER WANTED TO INVADE INDIA

Adolf Hitler had given orders to the German Army in 1941 to plan an attack on India via Afghanistan, according to a documentary survey of Hitler's 'Operation Orient' published in 'New Times', Moscow.

Hitler's plans were to attack India from the west while the Japanese were advancing into India from the east.

HEAVY TOLL FOR PAKISTAN

The Pakistani Army brigade which attacked the Indian Army posts at Biar bet on Monday retreated to the north later in the day, after sustaining 140 casualties and leaving six tanks destroyed.

The Indian Army post which sustained less than ten deaths also withdrew a little to the South.

There has been no fighting since Monday evening. Comparative lull prevailed on Tuesday with desultory shelling. Indian troops continue to patrol vigorously in different sectors of the Kutch Sind border.

The attrition tactics of the Indian forces have taken a heavy toll of the Pakistani personnel and equipment at minimum losses to themselves.

The official spokesman disclosed that Pakistan Army had sustained over 300 casualties and a total of 10 tanks were destroyed from April 9 till Monday.

The Indian Army and Police sustained a total of 65 casualties during the same period.

STATE-LEVEL FARM PLANS

The Planning Commission is thinking in terms of State-level agricultural Plans which will be included in the proposed National Agricultural Plan forming part of the Fourth Plan.

INDIA HEEDED U.S. COUNSEL

India refrained from aerial attack against the Chinese during their invasion of India in 1962 at the instance of the United States.

This was disclosed by Prof. Galbraith, former U. S. Envoy in India, in a letter published in the 'New York Times'.

He said in 1962 when the conflict between China and India erupted into open fighting, our policy was to help the Indians on the ground and persuade them not to commit their prestige and that of the Chinese by carrying the attack into the air. 'It was my most useful contribution to avoidance of what might have been a costly and otherwise disastrous conflict'.

CREDIT TO FARMERS

Sri Bhagat, Union Planning Minister stated yesterday that the Centre may set up an agricultural credit corporation. He said provision of more credit to the farmers was a 'must' and the Government was considering methods.

GIFT TO THE BLIND

Union Health Minister Sushila Nayyar yesterday offered to donate her eyes after death to the eye bank.

Sino-Pak Threat Will Be Faced

Defence Minister Chavan assured the Lok Sabha that Indian defence are mobilised to meet a forces simultaneous attack on Indian territory by both China and Pakistan.

He said that the present Chinese concentrations and Pakistan activities should be read together.

Mysorean Drowned In Saving US Child

A 35-year-old Fulbright scholar from Mysore City was drowned near Baton Rouge, Louisiana, in the United States, on Saturday, after rescuing a deaf and dumb American child.

The victim was Ambale Venkataram, a lecturer of Mysore University, who was working for his doctorate at LouisianaState University.

He had gone with his wife and children for a picnic. He jumped into the water when he saw a child raising his arms wildly in the river. Although Venkataram could not swim, he was able to push the child safely into the hands of other rescuers. But he himself was pulled under by the current and drowned.

ULTIMATUM TO PAKISTAN

Nation Ready To Drive Out Aggressor

Prime Minister Shastri yesterday warned Pakistan that if it 'discards reason and persists in its aggressive activities', against India, the Indian Army would defend the country choosing its own strategy and development of manpower and equipment in the manner which it deems best'.

He, however, hoped that 'the point of no return' would not be reached and that Pakistan would agree to cease-fire in accordance with its own proposals of April 13 which India had accepted.

The Prime Minister rejected Pakistan's belated claims to areas in Kutch as wholly untenable.

Sri Shastri said that the armed forces were defending our frontiers with exemplary valour and that the people of India stood solidly behind the men of the forces.

The Lok Sabha yesterday solemnly affirmed with hope and faith, the 'firm resolve of the Indian people to drive out the aggressor from the sacred soil of India'.

The House placed on record its high appreciation of the valiant struggle of the police force as well as of men and officers of the armed forces while defending the frontier.

It also paid its homage to the martyrs who had laid down their lives in defending the honour and integrity of the Motherland.

Prime Minister Shastri told the House that if Pakistan 'still sticks to her present attitude well there is a limit to patience and we certainly have to meet the situation as firmly and effectively as possible'.

U.S. PROTEST

The United States Government has lodged a protest with the Pakistan Government on the use of American military equipment, specially Patton tanks, against India in the fighting along with Kutch-Sind border.

CONGRESS REBELS TO FORM RIVAL PARTY

The dissident Congressmen in Mysore State, at a meeting held yesterday at Bangalore, decided to form a new political party with the object of defeating the Congress and to secure for the State 'pure, efficient and honest administration.'

The meeting was attended by 250 persons, including the leadees of PSP, SSP, Swatantra parties.

The Lok Sabha was informed by Deputy Food Minister Chavan that sugar production during the current year was likely to exceed the expected figure of 30 lakh tonnes.

STOP USE OF FORCE: PM ASKS AYUB

Prime Minister Shastri yesterday appealed to President Ayub Khan to stop use of force on the border.

India would not allow Pakistan to alter the Kutch-Sind international border simply because it was undemarcated, he said.

Sri Shastri said India wanted to avoid a major conflagration and was prepared for talks if Pakistan even now adopted a reasonable attitude. But it was impossible to tolerate any changing of the border by force.

OIL REFINERIES

The second stage of the Barauni refinery consisting of another one million tonne of refining capacity and the kerosene refining unit is expected to be commissioned by the middle of 1965

The third stage including the lubricating oil plant will be commissioned by the end of September, 1965

The first one million tonne unit of this refinery was commissioned for trial operation in July last year.

CEASE-FIRE RUMOURS

Several members in the Lok Sabha yesterday pressed for an assurance from the Government that it would not agree to a cease-fire with Pakistan in the Rann of Kutch without withdrawal of Pakistani forces from Indian territory.

There were widespread rumours that a cease-fire agreement with Pakistan would be signed. But a Government spokesman merely said that Britain and the United States were continuing their efforts to bring it about.

FERTILISER OUTPUT

With the completion of four fertilizer projects, which are at present under implementation, the Fertilizer Corporation of India is likely to develop in another three years an over-all production capacity of 637,000 tonnes of nitrogen and 153,500 tonnes of phosphate.

Pak Aggression Condemned

Mysore, May 1

The unprovoked aggression of Pakistan on the borders of India was condemned here yesterday by the City Municipal Council.

In an unanimous resolution moved by the chair, Sri M. Venkatalingiah, the Council unequivocally supported the Government's military action taken to defend the country's borders. It offered deep sense of sorrow for the martyrs.

The Council also resolved to convene a citizens' meeting to mobilise public opinion.

Many members spoke condemning Pakistan's aggression.

The Mysore Pradesh Congress Committee Executive, meeting yesterday at Bangalore, has condemned Pakistan aggression in Kutch. It gave its full support to the Government in fighting the aggression.

8 INDIANS KILLED IN BIARBET AREA

There was a lull in the fighting in the Rann of Kutch.

Pakistan troops which were moving South-west from Biarbet in brigade strength on Wednesday had not gone further. They were within a mile or two of Biarbet. Indian troops had not been in contact with them.

WILSON PLAN FOR CEASE FIRE

Prime Minister Shastri declared in the Lok Sabha that India will not accept anything which is not consistent with her declared stand on the Kutch Sind border.

He said that discussions for cessation of fighting on the Kutch-Sind border were proceeding on the basis of a message addressed simultaneously to India and Pakistan by the British Prime Minister, Mr. Harold Wilson. But he declined in the public interest to reveal the details of the British proposal.

Defence Minister Chavan also refrained from making any statement on the Kutch situation, in the interest of security of the army.

CEASE FIRE ONLY ON STATUS QUO ANTE

India will not agree to any cease fire proposal in the Rann of Kutch unless Pakistan restores the status quo on January 1.

The Union Cabinet which met yesterday took this decision.

An official spokesman described the Pakistan claim that they had killed 300 Indian soldiers as highly exaggerated. He said India had only a company each at Point 84 and at Biarbet. The total strength of the two companies was only 260.

Indian casualties was so far were 8 killed, 30 wounded and 45 missing.

YOUTH DROWNED

Mysore, May 1

19 year-old Marigowda is reported to have been drowned in the Lalithadri Lake near Chamundi Hills, yesterday, while he was swimming.

MERCHANT HELD

Mysore, May 1

The Nazaroad Police arrested Mohamed, a merchant in Nazarbad for selling rice in excess of the controlled rate and have registered a case against him.

PAK TURNS DOWN DELHI TERMS

Pakistan yesterday refused to accept international attempts to procure a cease-fire in the Rann of Kutch.

The fighting could not end on terms suggested by Indian Prime Minister Shastri, said an official spokesman. He said if India wants a cease fire it should withdraw its troops to their original position. Unless this is done, Pakistan is not prepared to discuss any proposals.

PAK BID TO WRECK IRWIN FAILS

A Pakistani attempt to blow up a passenger train near Silchar railway station on Thursday night failed by a few minutes.

The explosion took place a mile from Silchar station, killing two persons, both suspected to be saboteurs. But it was too early for the train.

Silchar is the southern most plains district of Assam bordering Sylhet District of East Pakistan.

ENGLISH SPEAKING UNION

Mysore, May 1

Under the auspices of the local branch of the English Speaking Union of the Commonwealth, the ace singers from Bangalore, 'Spartans', will render western hit tunes tomorrow at 6 p.m. at the Rotary Children's Library.

US GUNS USED BY PAKISTAN

The Government of India yesterday released another aerial photograph which shows one of the American 106 m.m. recoilless guns being used by Pakistani forces in fighting in Kutch. It was taken by the IAF pilot, Flying Officer Barbare, who took the pictures of the American Patton tanks.

WASTAGE OF FOREIGN EXCHANGE

The public accounts committee has expressed regret that the Union Government spent Rs. 31.38 lakhs as commitment charges because it was slow to make use of loans from the World Bank.

The Government entered into an agreement with the Bank in 1961 for a loan equivalent to 35 million dollars in various currencies to meet part of the foreign exchange needed to buy coal mining machinery for the private sector. Withdrawals from the loan began only in January 1963. As a result, the Government had to pay commitment charges on the withdrawn balances.

Record Rice Crop

Union Food Minister Subramaniam told the Lok Sabha about the measures being taken by Government to achieve self-sufficiency at least in cereals by the end of the fourth plan.

The measures include streamlining of the administration and reorganisation of research besides expansion of agricultural credit, in connection with which the Government was thinking of setting up an agricultural credit bank.

He said already the level of agricultural production had been raised and the current year's (1964-65) production of foodgrains had reached a 'new height' at 87.2 million tonnes. It is included a record rice crop of 36.5 million tonnes.

The Minister stated that to effect greater coordination between the Centre and the States, the Government of India was considering a proposal to appoint a senior officer in each State for liasion work.

STUDENT STABS TEACHER

A teacher of the Government Multi Purpose High School of Nalgonda in Andhra Pradesh was attacked with a knife by a student. The teacher, Sri Ramachandra Rao, was said to have detected some students indulging in malpractices in the examination. One of the culprits got enraged at this and attacked him.

UN TOLD OF PAK AGGRESSION

India has told the United Nations Security Council that if Pakistan continued its aggression in the Kutch, it should be responsible for the consequences.

FERTILIZER PROJECTS

The Durgapur fertilizer project, which will incorporate the latest technological processes, will be the biggest of all fertilizer production units so far built in India. The factory will produce a wide range of high analysis complex granular fertilizers and straight nitrogenous fertilizers.

The Urea Plant of the Trombay fertilizer project and the nitro-phosphate plant are likely to be commissioned during the first half of 1965.

It is also proposed to set up a methanol plant as an adjunct to the project. It is expected to be commissioned by Oct. 1965.

The fertilizer project at Namrup is expected to be commissioned early in 1967. It is designed to produce 45,000 tonnes of nitrogen per year.

The Gorakhpur fertilizer project is expected to start trial runs by the end of 1966. The factory will go into production during the first half of 1967. It is designed to produce 80,000 tonnes of nitrogen.

COPS HELD FOR ROBBERY

Four constables of Madras City have been arrested in connection with a road side robbery on Sunday night in the city when a clerk was relieved of cash.

The clerk working in a lorry shed was stopped on the road by the police constables who intimidated him and took over the cash on his person amounting to Rs. 30.

Hotels To Be Re-Opened With Restriction

Mysore, May 3

The special meeting of the Municipal Council yesterday authorised the Commissioner to act on the advice of the health authorities in making suitable recommendations for the re-opening of hotels and bakeries in the city on the representation made by the hoteliers.

The Council felt that as Cholera still existed with cases being reported precautionary measures were still needed.

Members who spoke criticised the collection of rubbish and debris in many parts of the city.

Sri S.N.R. Khaleel blamed the municipal health staff and the Commissioner for not taking precautionary measures earlier itself, resulting in spreading of cholera.

Earlier, the Commissioner stated that till May 1 the total number of attacks were 441 and 49 deaths, including 9 attacks and 1 death on that day.

He suggested that hotels could be opened at restricted hours and be restricted to serve only certain dishes.

It is understood that the Commissioner will recommend to the Additional District Magistrate to allow the hotels to work at restricted hours serving restricted food dishes for three weeks.

PAK AMMUNITION DUMP DESTROYED

A huge ammunition dump built up by the attacking Pakistani army near Biarbet in the Rann of Kutch went up in flames on Friday evening, hit by accurate Indian shelling. The dump was evidently built to mount an offensive.

As the flames leaped up, Pakistani soldiers were seen running back to their side of the border. Ten vehicles of the Pakistani brigade operating on this front also broke cover and were seen fleeing north home to safety.

C.M.'s 'Emotional Outbursts'

CHANNIAH'S COMMENT

Mysore, May 3

Sri S. Channiah, President of the convention of the new political party formed by the Congress dissidents in Mysore State, in a statement issued today referred to Chief Minister Nijalingappa's comment on them as 'good riddance of bad rubbish' and said "it only shows that a man descends to abuse where he has no case to stand on. Abuse results from emotional outbursts. Using his colleagues for 30 years to achieve his own purpose, it is but natural that the Chief Minister should lose his balance and speak senselessly about the new Party and his past colleagues. I refrain from descending to his level and I leave the matter to the good sense of the people to judge'.

About the Chief Minister demanding the resignation of the dissident members from the Legislature before joining the new Party, Sri Channiah asked 'did he (Sri Nijalingappa) give a similar advice to the members of the other parties whom he has taken to the Congress party recently? Double standards are of no avail', he said.

Sri Channiah said that the first meeting of the adhoc committee for choosing the name and constitution of the Party will be held on May 7 at Bangalore.

LIFT CURB ON PULSE MOVEMENT

Union Food Minister Subramaniam stated yesterday at Madras that the Government of India has asked the State Governments to remove all informal restrictions on the movement of pulses.

He said there was at present no control on the movement and prices of pulses. There were still some informal restrictions in the State, which he thought were causing difficulties.

PAK HELD GUILTY

Brig. Gen. Tibbets and Col. Williams of the U. S. military aid mission in New Delhi visited the forward area in the Kutch-Sind border to check on Pakistan's allegations that India was using U.S. military aid.

The US observers were understood to have been convinced of the Indian charge that Pakistanis were using American tanks.

They were allowed to go to any place in Indian territory to investigate whether the Indian army was using American aid equipment.

P. M'S ASSURANCE

Prime Minister Shastri has assured the leaders of parliamentary groups that the Government would not agree to a cease fire in Kutch till Pakistan vacated Kanjarkot.

The next convention of the Party is likely to be held in Hubli by the end of May or first week of June.

NGO's Chief Dismissed

The Government of Mysore has terminated the services of Miss Mary Devasia, president of the State Non-Gazetted Officers Association.

She was served with a notice to this effect on April 30.

The Government had served a show-cause notice asking her to explain why her services should not be terminated in view of certain criticisms made by her at the conference of the NGOs at Mysore in 1963.

She submitted her reply on April 28

The joint council of action of the employees, which met yesterday, condemned the Government cation and served a notice on the Government to reinstate her before May 7, failing which the council would take suitable action.

WAR PREPARATIONS IN PAKISTAN

A war atmosphere is being created in Pakistan.

Students have taken over traffic duties in big cities and policemen have been relieved for other duties.

The black-out practice has been started and civil defence preparations are in full swing.

In cinemas, slides are exhibited to incite people to prepare themselves and public meetings and rallies are asking people to get ready for 'jehad'.

NO POLITICIANS IN TRADE UNIONS

Union Labour Minister Sanjivayya yesterday criticised the existing pattern of trade unions being led by politicians.

He said the existence of various political parties having an immediate interest in the working class, at times for purely political purposes, has not always served the cause of genuine trade union leadership.

India Ready To Face Any Situation

Defence Minister Chavan declared in the Lok Sabha that India would face up to any situation that might be created by Pakistan, including that of a total war threatned by President Ayub Khan.

He said that 'these speeches break no bones here'.

The Government, he added, had taken note of Gen. Ayub Khan's speech as well as the reported concentration of Pakistani troops along the cease-fire line in Kashmir and beyond.

The Defence Minister said 'the situation is being assessed hour to hour and day to day. Arrangements of our forces are being made accordingly.'

TWO FOREST DIVISIONS FOR MYSORE

Mysore, May 4

The present Mysore Forest Division has been bifurcated into two divisions-Mysore North Forest Division with headquarters at Mysore and the Mysore South Forest Division at Chamarajanagar, with effect from May 1.

LULL BROKEN

After three days of lull, Pakistani forces resorted to heavy shelling on Indian posts on the Kutch-Sind border last evening.

The shelling started at 4 p.m. and continued till late in the evening.

INDIA WILL MEET AYUB'S CHALLENGE

—SAYS SHASTRI

Prime Minister Shastri yesterday warned that the threat from Pakistan to India's freedom was 'real, continuing and immediate' and has to be met with all our resources and with all our might.

In the Rajya Sabha, the Prime Minister referred to the threat of a total war held out by President Ayub Khan and said it would not deter India from performing her rightful duties. No Government in the world worth its name, would allow its territories to be annexed by force by an aggressive neighbour.

He urged Ayub Khan to 'think a little more carefully' of the consequences of the line of action Pakistan had chosen to pursue.

Sri Shastri said India had been greatly restrained 'not because it was unprepared to President Ayub's challenge but because we feel that reason would prevail over aggression.'

He warned Pakistan that the sands of time are running out. 'If the Government of Pakistan persists in its aggressive posture, the Government of India will be left with no alternative except to think how best to defend the territorial integrity of the Motherland.'

NGOs Mass Fast

The non-gazetted officials of the Mysore Government at its meeting held yesterday at Bangalore, issued an ultimatum to the Government to reinstate their association president, Miss Mary Devasia, in service before May 7, failing which the association would organise mass fasting by NGOs on May 8 and follow this up with suitable action.

The meeting decided to retain Miss Devasia as the president of the association for all time to come even if this meant the association itself losing the recognition from the Government.

The mass fasting will be held between 7 a.m. and 7 p.m. on May 8 in front of Vidhana Soudha at Bangalore and before District offices in other places in the State.

BIG PAK BUILD UP

There was heavy concentration of Pakistani troops on Assam border.

This was confirmed by the State's Industry Minister Tripathi He said this posed a serious threat not only to Assam but to the whole eastern region.

Pakistani troop concentration is also reported on Tripura border. Reports of similar concentration of troops on West Bengal border are pouring in from the districts.

Pak Abandons Ding

Pakistan Army has vacated their standing post at Ding, about 2000 yards inside the Indian territory and withdrawn to their own territory.

The abandonment of Ding followed heavy shelling by Indian troops at Sardar post and vigorous patrolling upto the border.

15 ATTACKS AND 2 DEATHS FROM CHOLERA

Mysore, May 4

There were 15 cases of vomitting and diarrhoea admitted to the E. D. Hospital on Monday.

Two deaths were reported on that day, of which one patient aged 55 years was from Asoka Road and another from Vidyaranya puram.

Since March 25, total attacks from cholera was 456 and 51 deaths

So far 1,86,665 persons have been inoculated.

PAY REVISION PANEL

The Government of Mysore, yesterday officially announced the increased rates of dearness allowance and compensatory-cum-house rent allowance to its employees, effective from April 1.

The Government also announced the appointment of a committee with Finance Minister Jatti as the chairman to make suitable recommendations to revise the scales of pay wherever necessary on the pattern obtaining in Madras.

School Manager Jailed

Pitchai Pillai, manager and correspondent of Saraswathi Higher Elementary School, Madurai, was sentenced to two years rigorous imprisonment and a fine of Rs. 1,000.

35 girls and a woman were killed when the school building collapsed on April 4 last year.

The prosecution alleged that the accused caused the death of 36 persons through a rash or negligent action of his in constructing the massive building in utter disregard of the basic principles of engineering and in a manner that endangered human life.

DMK SUPPORT

Sri C. N. Annadurai, MP and general secretary of the Dravida Munnetra Kazhagam, while assuring the Government of the 'unstinted and solid support' of his party, stated that the present situation in the country called for unity—unity of parties for pooling their strength and resources for the common cause of annihilating aggression'.

No Cease-Fire Without Status Quo ante

Prime Minister Shastri stated yesterday that the British proposals for a cease-fire in Kutch were in conformity with India's stand that the position on the border should be restored to that existing on January 1

He told newsmen after meeting the opposition leaders that the British Government had been told that India took its stand on the map of the border prepared before Independence and on which partition was based in 1947. He said that he had made it clear to the British Government that he would stick to the pre-partition map drawn by the British Government.

Sri Shastri said that he had made it clear to the opposition leaders that he had not agreed to a cease-fire at all and that he adhered to the position that a cease-fire and the restoration of the status quo ante should be simultaneous.

The Prime Minister reiterated in the Lok Sabha that there would be no cease fire in Kutch unless the principle of restoration stats quo ante was agreed by Pakistan.

He said that India had rejected outright a proposal made by the British Prime Minister that there should be a cease-fire for one week.

He informed the House that further details on the British proposals were received late last night and 'we are examining them in the light of the basic principles which I have already placed before this House'.

Pakistan's New Provocations

The East Pakistan Rifles are continuously using tactics to frighten the civilian population on the Indian side of the border.

They frighten the border villagers by occasionally opening fire. They opened fire on the Tripura border on May 2 and 3. Similar intermittent firing was also reported from Assam border.

Pakistan has evacuated the civilian population from its side of the border.

At least one division of Pakistan army has been deployed all along the border.

Pakistani aircraft are also reported to have flown over Tripura and Assam recently.

DEFENCE COUNCIL MEETING

The National Defence Council meeting in New Delhi today will take into account possibilities and potentialities of border disputes with Pakistan. It will also suggest measures to strengthen the Indian armed forces to meet the threat to the country from Pakistan and China.

CHOLERA SITUATION

Mysore, May 7

PATNAIK'S WEALTH

Finance Minister Krishnamachari told the Lok Sabha that the enquiries made by the Government showed that newspaper reports claiming that Sri Biju Patnaik, former Chief Minister of Orissa had amassed Rs. 10 crores were not correct.

Inquiries regarding the tax liabilities of Patnaik were in progress.

No De Facto Ceasefire

There would be no ceasefire without a simultaneous agreement about the restoration of the status quo ante in the Rann of Kutch, declared Prime Minister Shastri in the Lok Sabha.

He denied that the lull in the Kutch Sind area was a de facto cease fire. 'There is shelling going on sometimes. When they shell, we retaliate'.

Sri Shastri said at present there was no question of discussing anything beyond the cease-fire and restoration of the status quo ante.

India, it is learnt, will refer the question of delineation of the boundary between Sind and Kutch and not the the territorial dispute to a three man tribunal.

It has been made clear that before India refers demarcation of the border to a tribunal, Pakistan must accept a cease-fire and should simultaneously begin to withdraw its forces from the Rann of Kutch so as to restora the position prevailing on Jan. 1.

The United Kingdom had suggested that the dispute should be referred to a tribunal.

India's Envoy Recalled From Rhodesia

As a mark of disapproval of the White minority Government's actions, India has withdrawn its mission in Southern Rhodesia.

India said it viewed the political developments in Rhodesia leading to General Elections (yesterday) as a possible step towards unilateral declaration of independence by the Ian Smith Government.

The withdrawal of the mission was to express India's solidarity with the people of Rhodesia struggling for their rights.

The Security Council of the United Nations yesterday adopted an Asian-African sponsored resolution calling on Britain and all U. N. members not to accept a unilateral declaration of independence for Southern Rhodesia by the minority Government.

SPEAKER NOT TO APPEAR BEFORE COURT

The Lok Sabha yesterday directed Speaker Hukum Singh not to appear or be represented before the Circuit Bench of the Punjab High Court to answer a writ petition filed by Sri Madhu Limaye, Socialist MP against him for 'curtailing' a member's rights under the Constitution.

Prime Minister Shastri said that he shared the feelings of members that in its internal working and procedures 'this House is definitely and completely sovereign'.

TELLICHERRY MYSORE RAIL LINK

Deputy Railway Minister Sham Nath told the Lok Sabha that the Kerala Government had proposed the inclusion in the Fourth Plan of the Tellicherry-Coorg-Mysore railway line.

Reconnaissance engineering and traffic surveys carried out during 1957-58 revealed that the line would not be financially justified.

The plan proposals had not yet been finalised but it was unlikely that the link would be included in the Fourth Plan, he said.

NGOs Mass Fast

Mysore, May 8

The NGOs throughout the State commenced this morning a 12 hour mass fast in front of District or Taluk Offices to protest against the decision of the Government in terminating the services of Miss Mary Davasia, President of NGOs Association.

In Mysore City, hundreds of NGOs commenced the fast in front of the District Office at 7-30 a.m.

A delegation of the State NGOs met the Governor, Sri Giri, and submitted a memorandum urging him to see that Miss Davasia was reinstated.

KANAKADASA STATUE INSTALLED

Mysore, May 8

A four-foot statue of Sri Kanakadasa was installed yesterday at Sosale Vyasarajapura as part of the fourth centenary celebrations of the saint. It was unveiled by Deputy Minister Y. Ramachandra

The Swamiji of Vyasaraja Mutt speaking said that the installation of the Statue at Vyasarajapura was significant because Sri Kanakadasa was patronised by Sant Vyasaraya.

The Divisional Commissioner, Sri Narasimha Murthy, presided.

Hoteliers Warned

Mysore, May 8

The Municipal Commissioner and the Health Officer yesterday paid surprise checks on some of the hotels in Devaraj, Mandi and Lashkar Mohallas in the city and found that some hoteliers had not given the undertaking of running of the hotels under certain restricted conditions. They were all strictly warned against running the concerns without obtaining necessary orders from the Health Officer.

They also found that some hotels were found running even beyond the restricted hours and some hotels had exposed eatables. They have all been warned that if health conditions were not observed, their licenses would be permanently cancelled.

JANTA PAKSHA

The new political party founded by the dissident Congressmen in Mysore State is named as 'Janatha Paksha' or 'Janata Party.'

Its flag will be a white and green bicolour with the emblem of the plough in the centre.

This decision was taken yesterday by the ad hoc committee which met at Bangalore.

India Can't Wait For Ever

SHASTRI TELLS PAK

Prime Minister Shastri declared yesterday that if Pakistan desired an early settlement of the Kutch issue, it must at an early date say yes or no to the British proposals. 'One cannot allow the negotiations on the cease-fire proposals to linger on for ever.'

He warned Pakistan that if it resorted to violence, 'we will not hesitate to retaliate with violence.' The country would rise as one man to defend its territorial integrity. 'Dignity and honour cannot be compromised,' he said.

Sri Shastri addressing a Freedom Fighters' Conference, at Delhi, said: 'We on our part have made quite clear to Britain that India desired a peaceful settlement and is prepared to have the border demarcated, provided Pakistan vacates its aggression and the status quo ante as on January 1 is restored'.

DENOUNCE ANTI-INDIAN TIRADE

The conference of State Ministers and Directors of Information and Publicity, held at Delhi, has called for a positive campaign to denounce anti-Indian propaganda by Pakistan.

It called for an aggressive propaganda instead of defensive approach to Pakistan propaganda to forcefully present India's views.

Make United Karnataka A Reality

KANNADA LITERARY MEET CHIEF's PLEA

Addressing the 45th Kannada Literary Conference, yesterday at Karwar, President K Shankara Bhat called on Kannadigas to make the dream of united Karnataka a reality.

He said it was high time that hearts of Kannadigas united, because without emotional integration political unity would be fruitless.

Though critics spoke of literature and life as different, Sri Bhat was of the view that they were essentially one. The purity of ideals and environments of a literary man would be reflected in his works. Literature was the cream of language and the words formed the base.

Today's keynote was variety. Modern Kannada writers were alive to improving the prose style, he said. Sri Bhat said it would not be wrong to call the present a 'literary era'.

Chief Minister Nijalingappa inaugurating the conference said that freedom and solidarity in the country were of the supreme importance. He would not hesitate to oppose linguistic divisions if they came in the way of national unity.

The Chief Minister referring to the threat of foreign aggression, called upon writers to create only heroic literature for the next ten years so as to instil courage and inspire young and old in defending the country.

Home Minister Patil inaugurated the Art and Liberary Exhibition.

Sri Damodar Chittal, Chairman of the Reception Committee welcomed the gathering.

Pak Driven Off In Rajasthan Border

After a 90 minute encounter inside the Indian territory in Barmer District of Rajasthan, the Indian border police beat back Pakistani Rangers.

Pakistan has also concentrated her troops along the Depalpur canal near Hussainiwala head works across the border of Ferozepore district. Pakistanis had also dug trenches there.

Punjab Home Minister Darbara Singh said most of the villages on the Pakistan border had been evacuated and there was no new cultivation whatsoever there, while on the Indian side he saw the civilian population doing their normal work.

The East Pakistan Rifles continued intermittent firing in the Laitilla-Dumbbari sector of the Assam-Pakistan border till Monday evening. There was no casualty.

NEW TENT

Poppy, a new light-weight tent developed by the Army Ordanance Corps, enables more Jawans to live in greater comfort than the comparable tent at present in use.

Using no heavy poles and few dispensable tent-pegs, the Poppy can be erected in less than six minutes by two men.

By simply adding fine netting at the door of the Poppy the occupants can secure themselves against snakes, mosquitos and other jungle pests, and at the same time dispense with necessity of carrying individual mosquito nets.

INDIA WILL STICK TO NON-ALIGNMENT

SHASTRI HAILS SOVIET SUPPORT

Prime Minister Shastri who arrived in Moscow yesterday received a thunderous ovation from the Soviet people.

Speaking at a Kremlin banquet given by the Soviet Government, the Prime Minister said that Soviet understanding and support had greatly enabled India to continue to pursue the policy of non-alignment.

He affirmed that India was determined in the 'context of today' to adhere to the policy of non-alignment and peaceful co-existence as it was the best means to preserve 'our independence and sovereignty.'

Sri Shastri thanked the Soviet Government for consistently supporting India's policy of non-alignment and said, 'your support to us on some vital issues concerning India has been deeply appreciated by our Government and the people and has forged unbreakable bonds of friendship between us. We have adhered to this policy of non-alignment in spite of serious pressures and threats to our independence and territorial integrity to which we have been subjected.'

He described his visit as 'truly a voyage of discovery'.

Sri Shastri said: 'I fully share your view, Mr. Prime Minister, that close and friendly ties which have developed between our two countries are in the interest of our peoples and world peace itself'.

He declared that the world must immediately tackle the urgent problem of checking spread of nuclear weapons before it became too late.

Soviet Aid For India's Fourth Plan

The Soviet Premier Kosygin told India's Prime Minister Shastri that Russia will double its trade with India by 1970.

India is certain to get Rs. 5 7 million it has sought as Soviet aid for the Fourth Plan.

In his talks with the India's Prime Minister, Soviet Premier Kosygin declared that Russian assistance to India will be unlimited both in political and economic fields.

Prime Minister Shastri told the Soviet Premier that both China and Pakistan had one motive in committing aggression against India and that was to make India give up its policy of non-alignment.

These countries, he said, had no real border disputes with India because India's borders were historic and well known. These disputes were created as an excuse to serve their own purposes

He also explained the Indian viewpoint on the Rann of Kutch issue. The Soviet reaction was that a peaceful settlement should be reached.

The Soviet Premier Kosygin has accepted the invitation of Prime Minister Shastri to visit India sometime in October.

This brings the toral to 595 attacks and 69 deaths.

So far 1,90,799 persons have been inoculated.

ELIMINATE NUCLEAR WEAPONS

Prime Minister Shastri stated in Moscow that Soviet Russia should "bestow the most serious consideration to evolving appropriate measures to halt the atomic menace."

He said the detonation of a second atomic bomb by China further underlined the urgency of fighting the nuclear menace. Unless effective measures were taken to control the nuclear menace, the world might reach the point of no return, the Prime Minister said.

Sri Shastri, speaking at the Kremlin rally held in his honour, said that Indo-Soviet friendship was not only a stabilising factor for peace in the south East Asia, but throughout the world. Soviet Premier Kosygin assured India that in its efforts to develop its relations with other countries, the Soviet Union would not do anything at the expense of the Soviet-Indian friendship. He said that Prime Minister Shastri's visit to the Soviet Union was very fruitful and it signifed a new stage in the relations between the countries.

A NEW HIGH YIELDING GRASS

A new high-yielding and succulent grass has been evolved at the Indian Agricultural Research Institute, New Delhi, by a combination of Elephant grass and bajra. The yield corded at Pusa institute was 1,152 quintals (3000 maunds of superior forage per acre). Is is best suited to warmer places and gives its best when planted in the beginning of summer. Apart from phenomenal growth properties Pusa Giant Napier Grass contains 50 per cent more protein and 12 per cent more sugar that other grasses and is therefore very nutritious and palatable.

A.ICC SESSION IN BANGALORE

The next session of the A.I.C.C. will meet in Bangalore.

The M.P.C.C. has suggested to the A.I.C.C. that it would be convenient to hold the session by the end of July, because of the Parliamentary by-elections in June.

MAO STANCS

Three days after the second atomic test, China denied that she intended the slightest "concession" to restorepeace to Vietnam.

A commentary in the People's Daily seemed to reject not only the idea of "the dropping of any pre conditions" but also that of a "neutralisation" of South Vietnam or even of all Vietnam.

WAXING OF FRUITES

Waxing, a cheap and simple device perfected by the Central Food Technological Research Institute, Mysore, indicates major possibilities of improvement in the marketing of fruits and vegetables in India.

Extensive large scale trials conducted on practically all commercial fruits and vegetables by the Institute show that waxing of fruits like mangoes and oranges and of vegetables like potatoes, tomatoes adds many days to their storage life.

In addition to enhancing the life of frutts and vegetables, waxing imparts a good shine on treated fruits. This increases their market value.

The process of waxing is simple and cheap. Any cultivator can easily wax fruits and vegetables on the farm itself and it will cost him less than 13 paise for 100 fruits like mangoes, oranges and apples and about 6 paise per bunch of bananas containing 100 fingers.

INDIA READY TO MEET PAK THREAT

The Government of India has taken a serious view of the concentration of Pakistani troops along the broder between India and East Pakistan and asked the Government of Pakistan "immediately to withdraw their forces from the broder areas in the interest of maintaining peaceful conbitions".

In a note delivered to the Pakistan High Comission Delhi the Government of India said reports had been received that Pakistan armed forces "have been indulging in highly provocative and aggressive activitics causing tension on the broder."

IND-SOVIET PEACE PLEDGE

The joint communique issued at the end of Mr. Lal Bahadur Shastri's visit to the Soviet Union records the agreement of the two sides that the use of force for the settlement of international disputes, including border and territorial disputes, "is not permissible" and they should be settled by peaceful negotiations.

The conflict between India and Pakistan in the Rann of Kutch has found no specific mention in the communique, but the condemnation of the use of force in the settlement of "border and territorial disputes"-a phrase whica coverse the Indian as well as the Pakistani descriptions of the Sind-Kutch border problem is an implied censure of Pakistan's resort to arms.

Accent On Food Output

Mysore's tentative proposal of a Rs. 500 crore outlay for the fourth plan, among other things, chiefly aims at food self-sufficiency by 1971, a sector in which not much spectacular results could be achieved during the present plan period due to various reasons.

The Mysore plan is to raise the level to be achieved at the end of the Third Plan period of 48.54 lakh tonnes to 60.48 lakh tonnes by the end of 1971 to enable the State to feed a possible population of 31 million, at the rate of 15 ounces of cereals and three ounces of pulses a day.

JP'S DISTANT HORIZON

Sri Jayaprakash Narayan said that though after Mahatma Gandhi, the concept of Sarvodaya, which aimed at the ideal "good for all" had been pushed to the background some word had been done in this direction by individuals so far and there were indications in the country of unhering unhuman and social transformation by means of love, persuasion, and service.

Mysore Plan In Doldrums

The Chief Minister, Mr. S. Nijalingappa, lamented that the Centre had not treated Mysore fairly in respect of Central and for plan implementation and consequently the Third Plan would not be as much of a success at expected earlier.

The Chief Minister in his hourlong address to the State Development Council, which met here today pointed out that while the neighbouring States of Andhra and Madras had received about 66 per cent of their plan needs as Central and Mysore had secured only about 56 per cent.

Mr. Nijalingappa added that if the State had been treated like Madras obout Rs 25 crores would have been available for plan implementation. Together with the quantum of Central assistance, the Centre was insisting on payment of interest and capital on loans secured to push through gigantic projects like the Sharavathy and Tungabhadra even before the projects begin to yield returns.

Pressmen Study Tour

Mysore, May 28

The Director of Publicity & Information, Government of Mysore, had arranged a 10 day study tour for the journalists of Mysore Division and Bellary District consisting of about 25, from May 17, to enable them to acquaint themselves with the development works in the northern part of the State.

Our representative, who participated in the tour, commencing from this article will write a series of articles on the places visited and the progress made in these areas. (Ed)

The first day's programme was a straight drive to Munirabad, a distance of about 280 miles. As it was a long journey it did not consist visit to any place. Still, on the way we visited Brahmagiri, a hillock about 2 miles away from the Hiriyur Bellary main road. As there was no motorable road, we had to walk the distance in the afternoon hot sun. On the hillock we saw an edict of Asoka. On a big rock there is in the writing, a message of love and compassion. The translation of the same we could read with great difficulty as it was obliterated mostly.

From there we drove straight to Munirabad reaching at 11p.m. (Contd.)

Pay Rise For Teachers In Fourth Plan

Mysore, May 28

Education Minister Kanthi disclosed here yesterday that it was the object of the Government to increase the salary of primary school teachers from Rs. 100 to 200 and that of high school teachers from Rs. 200 to 400 during the fourth plan period.

He said that the Government would spend Rs. 40 crores for education in the fourth plan.

He was presiding over the valedictory function of the two day conference of Local Body High School Employees Association.

Sri Srinivasa Rao welcomed the gathering. Sri C. B. Narasimha Murthy presented a memorandum and Sri A. R. Krishnaswamy read a report.

Sri R.V. Srinivasa Murthy of Konanur and Sri D.V. Keshava Iyengar of Hassan, recipients of the National Award for Teachers were felicitated.

The Education Minister deploring the low percentage of passes in the SSLC examination particulary in the old Mysore area, attributed it to the prevalance of private tuition.

He said that Rs. 12-lakh scholarship given to students went waste as it was received at the end of the academic year and did not serve the purpose.

Sri Kanthi wanted that the All India Service posts should be reserved on a quota basis as only five per cent could successfully compete in the English medium. He was of the view that justice would not be done if such posts were thrown open on competitive basis.

Chief Minister Nijalingappa presiding over the conference on Wednesday said that Government would sanction a 25 per cent bonus to the high school teachers if they brought out cent per cent passes in the SSLC examination.

Sri K. Puttaswamy, Minister for Municipal Administration who inaugurated said that steps would be taken to prouide necessary facilities to the teachers of the local body high schools.

Tungabhadra Project

Mysore, May 29

On May 18, the Pressmen visited the Rs. 108 crore Tungabhadra Project. The project is proposed to irrigate an area of 12 72 lakhs. The complete irrigated area on the Mysore side is 8.72 lakhs. The maximum height of the dam being 162 feet and the length 8,006 feet, it has submerged 90 villages. With 3 power houses it generates 99,000 kws. of power. The Superintending Engineer, Sri V. D. Kulkarni, took us around the project.

After the visit to the project, we left for Hampi, to see the archaeological and historical monuments of the Vijayanagar Empire.

Here we visited the Vittala temple constructed by Devaraya II who ruled from 1422-46. In the temple we saw the 100-pillared-hall with some of the pillars being musical ones, and the huge monolithic chariot. From there we went to see the Purandara Mantapa, where recently the celebrations of fourth centenary of Saint Purandaradasa took place. On the way we saw the King's Balance where Krishnadevaraya used to weigh himself in gold. We also visited the Queen's Bath where the queen used to take her bath. Then we went to the Hajara Rama Temple to see the carvings of the epic Ramayana. On the way to the Lotus Mahal in the Zenana enclosure, we saw the Mara Navami Dibba where the Dasara court used to be held. We also saw the Elephant Stables where housed a Museum of Vijayanagar sculptures. A new museum building is proposed to be constructed at Kamalapura to house about 1,200 sculptural pieces. The 22 foot monolithic statue of Ugra Narasimha was most impressive. After visiting the Virupakasha temple we returned back to Munirabad.

Hampi is full of remains of the Vijavanagar Empire which flurished in the year 1336 to 1565 Except the Sri Virupaksha Temple, all others including the palaces are in ruins.

In the afternoon, the Kampli Co Operative Sugar Factory was visited and Sri Kalimullah, Managing Director, took us around. (contd.)

Upper Krishna Project

Mysore, May 31

The third day, the newsmen journey was to Gulbarga, covering a distance of over 200 miles from Munirabad. After reaching Gulbarga, feeling the unbearable hot breeze all through, we visited the Darga, a Muslim shrine. The Darga, about 550 years old, was constructed by Aurangazeb. It has beautiful Turkish Iranish art paintings and quotations from Quran in the interior of the dome. We also visited Sri Sarana Basaveswara temple, where the samadhi of Sri Basaveswara lies.

On May 20, on our way to Bijapur, we stopped at Talikote, where the battle of Talikote, which brought an end to the pompous Vijayanagar Empire in 1565, was fought. From a distance we saw the ruined fornt.

Our next stop was at Almatti Dam (Upper Krishna Project). The project envisages construction of two dams on the river Krishna, one at Almatti and the other at Siddapur in Bijapur district, irrigating 12 lakh acres in the arid areas of Bijapur, Gulbarga and Raichur districts. It will cost Rs. 115 crores. It will submerge 113 villages and also the railway bridge on Gadag-Hotgi section, which will be later constructed at a higher level. When we visited the project, the work on the main dam, viz. foundation excavation was almost nearing completion. The project is proposed to be executed in three stages. The first stage will be completed by the end of the Fourth five-year plan. The Executive Engineer, Sri Channabasaviah, explained the salient features.

At Bagewadi, about 45 miles to Bijapur, we visited Sri Basaveswara temple. It is supposed to have been constructed by Jokanachari in 1100 A. D. Bagewadi is the birth place of Basavanna. The Chairman of the temple Sri S. B. Patil appealed for liberal contributions from the public to improve the temple. Then we arrived in Bijapur. (Contd.)

Inter-District Food Movement To Go

The Government of Mysore has decided to lift the ban on the inter-district movement of rice and jowar from June 5.

From the same time, the maximum prices fixed for various varieties of rice will also be removed with a view to seeing that quantities of the grain will flow into the market, minimising the harassment to the people.

These decisions were taken at the meeting of the Union Food Minister Subramanima with the State Ministers.

Hold Price-Line Thru' Co-ops.

Mysore, May 31

Labour Minister Devaraj Urs disclosed here yesterday that a committee has been constituted to review the cost of living index in the State.

Inaugurating the fifth session of the State unit of INTUC, the Minister said dearness allowance had to be linked with cost of living index in all industrial establishments. But he said that mere linking D.A. with cost of living index would not solve the problem. What was important was to hold the price line.

Sri Urs was of the opinion that the best way of holding the price line was through co-operatives.

He called upon the workers to be united at a time when the country was faced with external aggression and put forth their best efforts in increasing production in all fields.

Sri N.Keshava, President of State unit of INTUC presided.

Sri Bastin welcomed the gathering.

Sri A.Ramanna, General Secretary read the report.

Ghataprabha Project

Mysore, June 1

The President on May 21 visited the Ibrahim Rauza in Bijapur It is a place of beautiful architecture constructed in 1626 A. D. Gol Gumbaz was our next attraction. It is the tomb of seventh Adil Shah, Mohammed Adil Shah (1626 1656), of his wives and daughters. The floor area of the monument is 18,337 square feet, a vast area unsupported by pillars. The dome has an interior diameter of 125 feet 5 inches and a height of 198 feet. It is supposed to be one the largest domes in the world. Our whispers echoed loudly over ten times here. We were standing in the famous Whispering Gallery.

After meeting the local journalists and R. G. Dubey, M.P. we left Bijapur for Ghataprabha. The Ghataprabha Project is estimated to cost Rs. 50 crores. With two canals it will benefit 5.96 lakh acres in the areas of Belgaum and Bijapur, which are frequently subjected to famine. The implementation in three stages including the construction of a storage dam at Hidkal costing Rs. 20 crores and a left bank canal of 44 mile length to irrigate 1,20,000 acres costing Rs. 5.54 crores which will be extended in the second stage to 71 miles at a cost of Rs 4.68 crores to bring in another 1.78 lakh acres, and the construction of the 123-mile right bank canal from to irrigate 2.98 lakh acres costing Rs. 20 crores. Under the first stage, which is in the final stages, 38,788 acres and in the second stage, which is more than half completed, about 4,888 acres have been brought under cultivation in 1964 65.

We visited the Hidkal dam project also. It is proposed to be completed by 1970 71 submerging 19,500 acres. The project will have a 3 mile-length tunnel. Executive Engineers Deshpande, Krishna Murthy and Markande Gowda took us around the projects.

Near the dam site there is the transit camp of the East Pakistan refugees-781 families comprising 3,525 persons living in 1,000 tents. Each family is paid a cash dole of Rs. 65 a month. The camp has a hospital and a school. The last batch had arrived on April 9. They were eagerly looking for their permanent rehabilitation.

4 STEEL PLANTS SUGGESTED

Chief Minister Nijalingappa has suggested to Prime Minister Shastri that four steel plants each with a capacity of 500,000 tonnes be set up in Mysore, Andhra, Madras and Goa.

This would solve the problem of selecting one site from these four States to establish the fifth public sector steel plant.

He, however, made it clear that the Hospet-Bellary area in Mysore State had the best claim to the fifth steel plant.

PLAN TO CHECK FOOD ADULTERATION

The Union Health Ministry has drawn up a Rs. 12-crore plan to check food adulteration.

The plan envisages a central organisation and five zonal units for the purpose.

The zonal units will have about 750 food inspectors at their disposal in addition to the State food inspectors. It is also proposed to set up a central laboratory in each zone for testing and research.

Mobile squads of food inspectors who could raid immediately the dealers in adulterated foodstuffs on receipt of reports, would also be created.

The Ministry has advised the State Governments to create a separate cell in the Health Department to coordinate the work of the food inspectors.

NOTICE SERVED ON NGOs

The Government of Mysore have issued a notice to the State NGOs Association asking as to why the recognition accorded to it should not be withdrawn as a non employee of the Government has been allowed to be an office-bearer of the Association.

The Association has replied that the present incumbent (Smt. Mary Davasia) continued in the office as the appeal against her termination is pending with the Government.

The Association reacting to the warning on the proposed strike ballot move, has said that the NGOs had been forced to this struggle by the 'unhelpful attitude' of the Government and 'they know fully well the consequences that will follow and are determined to face them.'

91 Killed In Mine Mishap

Malaprabha Project

Mysore, June 2

The sixth day of the Journalists tour consisted visits to small scale industries at Belgaum. We visited a cotton knitting unit and also the industrial estate. Then we went to the Malaprabha project.

Malaprabha river is a tributory of Krishna. The project envisages the construction of a storage dam at the Peacock Gorge near Manoli in Belgaum district and a 120-mile long right bank canal at a total cost of Rs. 20 crores. To construct the canal, a tunnel of nearly 3¼ miles length, one of the longest tunnels in the country, through the Yellamma Hills will have to be made. It will irrigate 3 lakh acres and will help to produce additional 1,34,000 tons of foodgrains a year. The height of the dam being 142 feet it will submerge 37 villages. The preparation of the foundation bed for the dam is under execution. The project is expected to be completed by the end of the Fourth Plan.

The project will bring happiness and prosperity to the people of Dharwar, Belgaum and Bijapur districts. It assures water supply to the villagers, who have to walk for miles now to fetch a pot of water for drinking. Besides this project, the Upper Krishna and the Ghataprabha projects will also remove the scarcity conditions in these districts and as well as in Raichur and Gulbarga districts which suffer chronically.

UPSC EXAMS IN ALL 14 LANGUAGES

ENGLISH AND HINDI AS OFFICIAL MEDIA

CONGRESS WORKING COMMITTEE'S DECISION

The Congress Working Committee yesterday agreed that the Official Languages Act should be amended to provide for the use of English in addition to Hindi for official purposes of the Union.

It also opted for prolonged bilingualism at the Centre and introduction of all the 14 regional languages mentioned in the Eighth Schedule of the Constitution as media of the UPSC examinations.

In the UPSC examinations, there will be compulsory papers in Hindi and English and in the case of candidates appearing in Hindi medium, a paper in any other non Hindi language.

Prime Minister Shastri told newsmen after the meeting that the consensus was in favour of regional languages as media of administration, education and UPSC examinations. Though there were differences initially, he was glad that the outstanding issues had been solved unanimously.

He said the Government will be formulating the bill which will come before the next session of Parliament.

Congress President Kamaraj said that no time limit had been set for the implementation of the resolution by the Government. The present arrangements would obviously continue till the new resolution was fully implemented.

He clarified that English would alone be the media of the UPSC examinations until such time as the regional languages would be in a position to become the media of these tests. English would also continue to be in use at the Centre until the legislatures of non-Hindi States agreed to an unilingual centre.

PROHIBITION ISSUE

The Congress Working Committee yesterday decided that the Government should examine the Prohibition issue in all its aspects, consult the States and then refer the Tek Chand panel report back to the committee.

During the discussion, Bihar, Madhya Pradesh and Jammu and Kashmir expressed their inability to extend it on the grounds of financial difficulties or loss of tourist trade.

West Bengal's Chief Minister Sen said that it was more a question of temperance than of prohibition.

INDIA WILL BE TOUGH

India will remain tough' in her basic stand in the current British efforts to bring about a cease fire in Kutch and restoration of status quo ante as on January 1 this year.

An official spokesman said that Pakistan's demand to link all the other border issues in the present cease-fire agreement is absolutely not acceptable to the Government of India'.

BIHAR GOVT. DOCTORS RESIGN

About 1,400 Government doctors yesterday submitted their resignations en masse in pursuance of a decision of the Bihar Service Association demanding parity in scales of pay with officials of other departments.

PAK FIRING

Pakistan has turned down the Indian request for a cease fire in the Latitilla-Dumobari sector of the Assam East Pakistan border, where unprovoked Pakistani firing continued for the 14th day.

YUGOSLAV AID

Yugoslavia has agreed to increase her present five-year credit of 40 million dollars to India by five million dollars.

2 PAKISTANIS KILLED

Two Pakistanis were killed in an encounter between the Indian patrol and the Pakistani troops on the Indian side of the cease fire line in Jammu and Kashmir on Sunday.

Another Suicide

Mysore, June 3

Mallikarjuna, aged 20 years, committed suicide yesterday in his residence in Ramavilas Agrahar by taking folidol. The reason is stated to be the failure in the recent Second B.E. examinations.

20 CASES OF CHOLERA

Mysore, June 3

20 fresh cholera cases were admitted to the E.D. Hospital on Tuesday, thus bringing the total cases of attacks to 1,099 and deaths 87 since the outbreak of cholera in the city.

1,97 529 persons have so far been inculated.

UPSC EXAMS IN ALL 14 LANGUAGES

ENGLISH AND HINDI AS OFFICIAL MEDIA

CONGRESS WORKING COMMITTEE'S DECISION

The Congress Working Committee yesterday agreed that the Official Languages Act should be amended to provide for the use of English in addition to Hindi for official purposes of the Union.

It also opted for prolonged bilingualism at the Centre and introduction of all the 14 regional languages mentioned in the Eighth Schedule of the Constitution as media of the UPSC examinations.

In the UPSC examinations, there will be compulsory papers in Hindi and English and in the case of candidates appearing in Hindi medium, a paper in any other non Hindi language.

Prime Minister Shastri told newsmen after the meeting that the consensus was in favour of regional languages as media of administration, education and UPSC examinations. Though there were differences initially, he was glad that the outstanding issues had been solved unanimously.

He said the Government will be formulating the bill which will come before the next session of Parliament.

Congress President Kamaraj said that no time limit had been set for the implementation of the resolution by the Government. The present arrangements would obviously continue till the new resolution was fully implemented.

He clarified that English would alone be the media of the UPSC examinations until such time as the regional languages would be in a position to become the media of these tests. English would also continue to be in use at the Centre until the legislatures of non-Hindi States agreed to an unilingual centre.

PROHIBITION ISSUE

The Congress Working Committee yesterday decided that the Government should examine the Prohibition issue in all its aspects, consult the States and then refer the Tek Chand panel report back to the committee.

During the discussion, Bihar, Madhya Pradesh and Jammu and Kashmir expressed their inability to extend it on the grounds of financial difficulties or loss of tourist trade.

West Bengal's Chief Minister Sen said that it was more a question of temperance than of prohibition.

INDIA WILL BE TOUGH

India 'will remain tough' in her basic stand in the current British efforts to bring about a cease fire in Kutch and restoration of status quo ante as on January 1 this year.

An official spokesman said that Pakistan's demand to link all the other border issues in the present cease-fire agreement is absolutely not acceptable to the Government of India'.

BIHAR GOVT. DOCTORS RESIGN

About 1,400 Government doctors yesterday submitted their resignations en masse in pursuance of a decision of the Bihar Service Association demanding parity in scales of pay with officials of other departments.

PAK FIRING

Pakistan has turned down the Indian request for a cease fire in the Latitilla-Dumchari sector of the Assam-East Pakistan border, where unprovoked Pakistani firing continued for the 14th day.

YUGOSLAV AID

Yugoslavia has agreed to increase her present five-year credit of 40 million dollars to India by five million dollars.

2 PAKISTANIS KILLED

Two Pakistanis were killed in an encounter between the Indian patrol and the Pakistani troops on the Indian side of the cease fire line in Jammu and Kashmir on Sunday.

Another Suicide

Mysore, June 3

Mallikarjuna, aged 20 years, committed suicide yesterday in his residence in Ramavilas Agrahar by taking folidol. The reason is stated to be the failure in the recent Second B.E. examinations.

20 CASES OF CHOLERA

Mysore, June 3

20 fresh cholera cases were admitted to the E.D. Hospital on Tuesday, thus bringing the total cases of attacks to 1,099 and death 87 since the outbreak of cholera in the city.

1,97 529 persons have so far been inculated.

240 MINERS KILLED

A total of 240 miners died in Tuesday's gas explosion 1,500 feet below the surface in Japan's southern island of Kyushu.

Badami Caves

Mysore, June 3

The non electrification of Badami and hence the lack of lights in our Rest House, of course, did not take the Newsmen back to the period of the Chalukyan kings,until we arrived at the Badami caves, the next day morning.

What was once the capital of the Chalukyan kings, Badami or Vatapi nestling at the foot of steep hills, today is a small town containing several temples of the early Chalukyan period, both of the structural and rock-cut varieties. Into the sides of hills situated adjacent to the town are cut a group of four pillared halls, three are Brahminical caves edicated to Shiva and Vishnu and the other a Jain cave, excavated in about 578 A.D. by King Mangalesa. The caves show a high standard of workmanship. The walls in the interior have panels of sculptures of excellent quality like those of Narasimha and Ananthashayana. The insignificant small temples near Badami show the early beginnings of the distinctly Dravidian character which eventually matured into Chalukyan style. These temples show how the ancestors of the great temples of the 11th and 12th centuries of Mysore looked like. It was unfortunate we could not go to Aihole which has temples even earlier to that of Badami and also Pattadakal where the 7th century buildingactivity took place.

After meeting the Pressmen at Hubli, we went to Dharwar there we visited the Agricultural College and then we went to the Karnatak University campus. Two things captured our mind in the tour,the old temples of sculptural details Badami temples and caves-and the modern temples of learning-the colleges of the Karnatak University-both in beautiful and peaceful location. One, brought into the mind the details of the past glory, the other, the awareness of building a glorious future by proper education in congenial atmosphere.

The library of this University works, unlike the Mysore University Library, on 360 days a year and from 8 a.m. to 9 p.m. There is an IAS corner where selected eight intelligent students get special training.

After the visits and the Tea given by the Registrar Sri Wadiyar, we left for Dandeli (Contd.)

All-Weather Karwar Port

Mysore, June 4

Dandeli, in 1951, was a small forest village with about 2050 people. Due to increased industrial activity by location of the Paper Mills and the Electro Metallurgical Works to the already existing Saw Mills, Plywood Manufacturing Company and various mining companies, to day it has assumed importance in the industrial map. The State Government has appointed a special officer to establish a township with all modern amenities for a prospective population of 50,000 by disforestment of 680 acres. The Paper Mills,by itself a township, has provided all amenities to its labourers.

On the same day, we left for Karwar. The next day we visited the Kalinadi mouth from where launches take passengers to Goa, about 25 miles from there. After meeting the President of the Press Club and also the President of the North Kanara District Industrial Co-operative Society, we visited the port and were taken 2 miles into the sea in a launch. Here an all-weather port, the second in the State, the first being Mangalore, is coming up. Already half the amount out of Rs. 2 crores has been spent. We also visited the Indo-Norwegian boat building yard where mechanised boats costing about Rs. 30,000 each are being built at the rate of 20 a year. We visited the Fish Research Centre and also the Fishermen School where the children of fishermen study fishing as a subject.

Karwar, with ample scope for locating industries also has a beautiful coastline, 80 miles from Bhatkal to Karwar. Here stayed Rabindranath Tagore for ten years from 1880 and wrote 'Prakriti Pratiodhana'.

From here we went to Gokarna, stopping on the way for some time to see the salt pans at Swamikatta. After an afternoon bath in theArabian Sea and pooja in the Mahabaleswara Temple, we arrived at Sirsi and from there to Jog for night halt.

May 26, the last day of the tour, consisted only of a straight drive to Mysore, to conclude a 10-day tour covering about 2,000 miles.

Wherever we went we had the assistance of the respective District Publicity Officers and other officials. The Pressmen were accompanied on the tour by Sri G. Rudraih, the Local District Publicity Officer.

To conclude, the tour was most enjoyable and educative. It only needed cutting down the mileage done in a day (200-250) and instead putting more places and time at our disposal. The Pressmen look to more such tours to have a first hand knowledge of the projects and works being done by the Government for enabling them to have a better knowledge and make a better report.(Concludes).

10 CHOLERA ATTACKS

Mysore, June 4

Ten fresh attacks and one death due to Cholera was reported from the E.D. Hospital on Wednesday, bringing the total to 1019 attacks and 88 deaths.

MEDICAL HEALTH SERVICES MERGER

The Government of Mysore have decided for the merger of medical and health departments by the end 4 of this month.

Health Minister Alva announced yesterday that the British Medical Council has recognised the degress of the Mysore and Bangalore Medical Colleges for purposes of admissions into colleges in the United Kingdom.

He also disclosed that all districts would be given specialists' services.

Dr Alva inaugurating a three-day annual conference of the States administrative medical and health officers, said certain influential contractors, supplying sub standard and adulterated foodstuffs to hospitals were being allowed to go scot-free. He asked the hospital heads to blacklist such persons.

ENGG. SELECTION PANEL

Mysore, June 4

The State Government has constituted the following committee for selecting students for engineering colleges of the Mysore University.

They are: Director of Technical Education, Principals of B.E.D College, Davangere, Malnad College, Hassan, National Institute, Mysore, representative of the Vice-Chancellor and the Deputy Director of Technical Education.

BHARATA NATYAM

Mysore, June 4

In aid of the building fund of the Bharathi Sthree Samaj in V.V. Mohalla, a Bharata Natyam performance by Kumari Rani Raman had been organised in the Townhall on Wednesday. Dr. Shrimali, Vice-Chancellor of the Mysore University presided.

Smt. Sulochana Sthanunathan, President of the Samaj welcomed the gathering.

LANGUAGE POLICY CRITICISED

Sri C. Rajagopalachari has described the resolution of the Congress Working Committee on the language issue as 'a full-blooded disintegration plan to enforce injustice and ruin the efficiency of the administration, although the intention is Hindi imperialism and the elimination of English.'

Space Swim By U.S. Astronaut

American astronaut Edward White yesterday left his Gemini space craft attached to a gold cord and became the second man ever to walk in space.

The 34-year-old Air Force Major, following the feat in March of Russia's Alexei Leonov, crawled out of the spacecraft, some 150 miles over the Pacific.

He stepped into space at the end of a 25 foot gold-plated cord. After his swim, White returned to the spacecraft.

Pilot Co-Op. Farming

Mysore, June 5

Twenty agriculturists of Hampapura Hobli in H.D. Kote Taluk have formed a pilot co-operative joint farming society at Bachegowdana Halli, about 24 miles from Mysore covering an area of 411 acres.

A party of Pressmen were taken round the farm yesterday by Sri G. Padmanabha Rao, Secretary, of the society and Sri Hiremath, Joint Director of the Co-operative Farming Societies.

The society formed about 4 years back with 53 memberships has been able to reclaim about 170 acres of jungle land, out of which 150 acres had been brought under cultivation.

Besides repairing the two medium-sized tanks and the criss cross channels, three irrigation wells have been dug up. It has also laid a 22 furlong road with the help of the NES. Temporary cottages have been put up. Hand pounding of paddy and oil ghana have been started, besides the construction of three permanent go-downs.

The 20 holders are maintaining cordial relations with one another inspite of their belonging to different castes, creeds, and communities, most of them coming from outside Coimbatore.

The Society is also entertaining landless members and individuals who are experienced in agriculture and also artisans.

It has also organised more than 20 small co operative joint farming societies in and around the area.

Dr. Theodor Bergmann, West-German Agricultural economist, who visited the farm was impressed of the activities. The society was able to get a gift of a tractor from the West German Co-Operative Congress.

There are such 19 pilot co-operative farms in the whole of Mysore State.

Kerosene Shortage

Union Minister for Petroleum yesterday warned that if ever any private company tried to with hold stocks of kerosene anywhere, Government would not permit it to be done.

He said that shortage of kerosene in certain sections in the country had occured due only to faulty distribution.

The Minister took those oil companies to task who were reluctant to handle rupee imports.

CHINA CLAIMING SUPERIOR MIGHT

Sri B. N. Chakravarty, the Indian delegate to the United Nations stated yesterday that the prospect of peaceful relations between India and China was dim as China insisted on its neighbours accepting its 'superior might.' He added that India would not accept such a position.

GIRL KILLED BY TRAIN

Mysore, June 5

A body of a 25 year-old unidentified girl with severed head and body was found on the railway track of the Mysore-Nanjangud line.

It is stated, that she was caught to a goods train and was killed.

SUMMER INSTITUTE

Mysore, June 5

The summer institute in Chemistry for college teachers, organised at Manasagangotri, concluded on Thursday.

Dr. Shrimali, Vice-Chancellor of the Mysore University distributed the certificates.

SCHOOLS CLOSED

Mysore, June 5

The Deputy Director of Education has ordered the closure of schools in the city for a fortnight from today, due to the prevalance of cholera epidemic.

U.S. SPACE SWIM

American astronaut Edward White walked in space on Thursday from the Pacific Ocean to the Atlantic in 20 minutes, the largest space swim so far.

He became the second man ever to walk in space but the United States claimed a first for itself in the space race with the Soviet Union, though Russian cosmonaut Alexei Leonov had walked in space earlier.

11 CASES OF CHOLERA

Mysore, June 5

Eleven cases and one death due to Cholera was reported in the city on Thursday bringing the total to 1,030 attacks and 89 deaths.

The Municipal Health Officer in a Press Note has appealed to the people to get themselves inoculated, as many in the city had not done so.

ROYAL ENGLISH SCHOOL

In connection with the reports appearing in certain sections of the Press, that the recognition granted to "Royal English Shool" has not been renewed the Secretary of the above School has issued a rejoinder to say that the time for application for renewal of recognition for so many schools of Mysore City is the end of this month. So the question of the School having no recognition does not arise. Further the recognition granted to the schools in the year 1963-64 which was renewed during 1964-65 has not been withdrawn at any time.

The Government grants have also been sanctioned to this School. As such the Secretary appeals to the parents not to be mislead by the false and baseless reports and to continue to send their children as usual. Admissions to our School are still being taken.

No New Varsities In Fourth Plan

The Planning Commission has suggested that no new universities should be set up during the Fourth Plan.

The Commission has suggested this to consolidate the position of the existing universities and to secure more effective use of the scare resources.

A memorandum prepared for the Education Ministers Conference, the Commission has said 'unless admissions are regulated very carefully, our universities are likely to deteriorate into institutions for the education of the unworthy rather than the education of the worthy'.

If admissions to universities were restricted only to first and second class matriculates and higher secondary students, additional enrolment during the Fourth Plan would be 2.5 lakhs.

There would be an additional enrolment of about 5 lakhs in arts, science and commerce subjects during the Fourth Plan, raising the enrolment from 11 lakhs by the end of the Third Plan to 16 lakhs by the end of the Fourth Plan.

The Commission has said to reduce rush of students to universities and colleges, it was also proposed to provide diversified and terminal education at the secondary stage.

HOME MINISTER MEET

A conference of State Home Ministers will be held tomorrow at Delhi and Prime Minister Shastri will preside. The question of national security will be discussed in the conference.

Nuclear Tests Deplored

India and 22 other nations has asked the Disarmament Commission to deplore the nuclear tests that had taken place despite the U.N. resolutions.

They called upon those countries which had not signed the partial test ban treaty to do it soon.

Besides, the resolution urges an early reconvening of the 18 Nation Disarmament Conference and asks the ENDC to give priority to underground tests and non-proliferation issues.

Though no country has been named, the resolution deplored the Chinese and French tests and the failure of the nuclear Powers to take note of them. The American and Russian underground explosions were also deplored.

TEACHERS TRAINING

Union Education Minister Chagla announced yesterday that the Government of India has decided to start a one-year course in selected universities for training teachers.

Besides special scholarships for studies in educational methods, correspondence courses will be started to train teachers in large numbers.

He said the regional teachers' training colleges would be expanded to admit large number of teacher-trainees.

The Minister also said that it was proposed to start special summer schools devoted to the study of humanities.

INDIA WILL RISK WAR

SHASTRI WARNS PAKISTAN

Prime Minister Shastri told the executive committee of the Parliamentary Congress Party yesterday that India would not like to go to war with Pakistan on border issues but in circumstances that are forced on us we have no alternative but to take a tough line'.

He made it clear that India stood for peaceful settlement of all the issues with Pakistan and that India would do its utmost to settle the problem in a friendly way.

He, however, regretted that Pakistan had adopted a posture which created difficulty in the way of achieving a peaceful settlement.

Sri Shastri reiterated the Government stand that India has the full right of police patrolling in the whole of the Rann of Kutch and that India would not agree to Pakistan's attempt of linking up other issues with Kutch border.

Master Plan To Check Grain Smuggling

Mysore Home Minister Patil stated yesterday at Mangalore that a master plan has been drawn up to plug loopholes in border arrangements against smuggling of foodgrains.

He said more check-posts under the care of high police officers would be created.

The Minister said a border belt area of five miles in radius had been set up for this (check against smuggling of rice across the border, particularly Kerala) and people living within this area would be supplied with adequate quantity of food articles through recognised dealers.

Danger Of Live Borders

Prime Minister Shastri stated yesterday that the security of the country was in danger and it was necessary to build effective strength to meet the situation.

All the borders of India, were alive today and that though it was the job of the army to defend the country, it must have positive sanctions behind it—the sanction of the people as well as the sanction of peace and communal harmony.

He said he was quite clear that Pakistan would have to vacate the Rann of Kutch and could not remain in any post it had established. He also said that Pakistan was creating difficulties in the way of agreement and that India had told the British Prime Minister that this matter could not continue in this way for long'.

National System Of Medicine

C.M.'s PLEA

Health Minister Alva disclosed yesterday at Bangalore that a condensed course for diploma holders in integrated medicine would be started in Mysore State by July next year.

Medical practitioners who complete such a condensed course in modern medicine would get a diploma called D.M. and S.

Inaugurating the tenth session of the Council of the State Boards and Faculties of Indian Medicine, Chief Minister Nijalingappa called upon doctors practising various systems of medicine to give up their prejudices against other systems and develop a national system of medicine by absorbing the best in every system through research.

Health Minister Alva opposed what is called 'integrated system of Indian medicine' as its practitioners made it a cloak for practising allopathy without sufficient knowledge. Therefore, Government preferred to have Sudha ayurveda being developed with the aid of scientific research and modern clinical and diagnosis methods.

He said the indigenous systems of medicine should be made compulsory subjects of the MBBS degree course. A chair of ayurveda should be started in every university.

As far as the existing graduates on the integrated systems were concerned, Government had decided to appoint them in the various types of dispensaries and health units under the taluk boards.

Check Falling Standards In Colleges

Union Education Minister Chagla stated on Saturday that Rs. 1,400 crores were being allocated for development and expansion of education in the Fourth Plan.

Inaugurating the Education Ministers Conference at Srinagar, he recalled the Centre's decision not to open any new universities during the Fourth Plan and said the main problem was falling standards at college education. Unless this was checked, it was useless to open new varsities, he added.

Sri Chagla said that the Centre had decided that all schemes for bringing about qualitative improvement in education should be its responsibility and would finance all such projects. Teachers who undertook advanced-training study would be given financial aid by the Centre.

Central Border Security Force

The scheme for a unified and Centrally co-ordinated Border Security Force was approved by the conference of State Home Ministers, meeting yesterday at Delhi.

The cost of the force will be met by the Centre. The existing border security forces administered by the States will be taken over by the new organisation.

The Border Security Police will be largely responsible for patrolling the border and not handle normal civil police assignments such as smuggling and performing custom duties.

The conference favoured the suggestion for training people living on the border areas in the use of arms. Arms will be made available to them from nearby police or military installations when necessary.

It was decided to increase the strength of the home guards and other voluntary forces so that they could relieve the police from their more routine duties. It was also decided to increase the training programme for volunteer forces and provide them with more modern equipment.

It was felt that the intelligence system needed re-orientation.

The State Home Ministers were asked to 'deal with the situation with initiative, imagination and curb the subversive attempts from Communalist or Communist sources with an iron hand'.

Avoid Witch-Hunting

GIRI'S PLEA TO VIGIL CHIEFS

Sri V.V. Giri, Governor of Mysore yesterday called upon the Central and State Vigilance Commissioners to evolve a common code of conduct to be applicable throughout the country. He also wanted a procedure to be made applicable to all cases that came up before the vigilance commissioners

He was inaugurating the conference of vigilance commissioners at Bangalore.

The Governor said while the guilty should be punished care should be taken to guard against 'witch hunting' and a kind of Maccarthyism.

He said there was considerable loose talk about the prevalance of corruption in India and often cases of corruption were exaggerated 'embroidering them with fancy and imagination'.

Sri Giri stressed the importance of integrity and character among public servants but he also warned against the loose talks which might mean suspecting the motive of even genuine and honest actions.

The third unit is expected to be commissioned by April or May next year.

A Rs. 35-crore programme has been drawn up by the Mysore State Electricity Board for the Fourth Plan period.

Almost half the amount is proposed to be spent on rural electrification and irrigation pump sets. 10,000 more villages are to be electrified and 30,000 more irrigation pump sets are to be serviced during the plan period.

ADOPT NEW METHODS

Indian agriculture could not make spectacular progress so long as they struck to the bullock-cart age. Indian agriculturists were experts so far as traditional methods of agricul ure were concecned. But scientists and technologis had shown new methods which would give still better results It was now the duty of the State and scholars to educate farmers in new methods. India should break away from the traditional mentality to take the results of research to the fields, stated Union Food Minister Subramaniam yesterday at Bangalore.

He was declaring open the Rs. five-lakh new building of the Forest Research Laboratory in Malleswaram.

Sri M. Mahadevappa, Under Secretary to the Maharaja of Mysore, celebrated the marriage of his eldest daughter Smt. Leela with Sri B.L. Siddiah, son of Sri Lingappa of Pandavapura yesterday at the Maharaja's Choultry.

Leavy On Acerage Basis

The new Mysore Food Minister Jatti hinted yesterday that the Government might opt for levy on acerage basis from next year. It was also proposed to move the Centre for removal of the ban on inter State movement of foodgrains.

Sri Jatti appealed for the fullest cooperation from farmers, merchants, consumers and cooperatives in plugging the loopholes in the present food system and offered to take quick action against any errant person.

MYSORE PLAN

The Mysore Government delegation headed by Chief Minister Nijalingappa will discuss with the Planning Commission the Rs 500-crore draft fourth plan of the State in Delhi on July 6 and 7.

Another Soviet Race

The Soviet Union has fired a new rocket at the moon which may send her leaping ahead once again in the space race.

Luna 6 was blasted off a from secret launching pad. Within a few hours, it was well on its way to its destination, 250,000 miles.

A soft landing, with robot instruments examining the moon's surface and sending their information back to earth, would be a major step in the conquest of space.

Govt. To Regulate Oil Supply

The Government of India yesterday issued an order under the Defence of India Rules, assuring powers to regulate the distribution of petroleum products.

The order empowers the Government to control the distribution and to make searches.

It was also obligatory on the oil companies and refineries to furnish particulars of supplies and stocks to the Government.

Though the petroleum products include eight different products, the main emphasis is on kerosene and high speed diesel oil

The Petroleum Ministry has posted officers at various ports and important distributing centres to ensure proper movement and distribution.

The Government has also arranged to distribute the imported Russian kerosene and diesel which is now arriving on an average one tanker in three days.

Working Class Not Getting Fair Deal

—SAYS SANJIVAYYA

Bangalore, June 12

Union Labour Minister Sanjivayya stated here yesterday that he was not satisfied with the implementation of the labour laws in the public sector undertakings.

The Indian working class were not getting a fair deal. Their salaries and working conditions did not commensurate with the work they did "It was nothing but exploitation. It should be put an end to", he said.

Sri Sanjivayya said that the working class must get united under one banner to acquire enough strength to force a radical change in the basic policies

The Government had decided to constitute a committee to go into the extent of implementations of the labour laws in the public sector, the Minister said.

He said the Central Government was formulating a scheme of pension to the employees contributing to the provident fund. This would benefit about two and half million workers. Another scheme under the consideration was making workers the owners of industries on the principle of co-operation.

The minimum gain to the working class from the Bonus Ordinance would be about Rs. 18 crores every year, benefiting 5 lakh workers.

He appealed to the working class, not to resort to the agitational approach. Those days were over. Under popular governments most of their problems could be solved by discussion.

Library Conference

Mysore, June 12

The fifteenth All India Library Conference will be held here for three days from June 17. It will be inaugurated by Vice-Chancellor Shrimali at 10 30 a.m at the Centenary Hall. Dr. V.K.R.V. Rao will preside.

The programme includes a seminar on "Libraries in the Fourth Plan."

Sri K. Balasundara Gupta, the local Secretary, giving the details of the conference yesterday to the Pressmen, said that over 250 delegates are expected to participate in the conference.

STATES SPEND MORE ON PLAN SCHEMES

Low Standard In Legal Education

Bangalore, June 12

Sri Justice K. Subba Rao, Supreme Court Judge, opening a seminar in Bangalore yesterday on "Legal Education in India" stated that the study of law has fallen without doubt because its education has been defective. The syllabus is not suitably devised, most of the law students are not interested in the profession and the teachers are not of high standard.

He said the main reason for this deterioration was indiscriminate admissions of students into law colleges. He made a strong plea to restrict admissions to the law colleges as in engineering and medical colleges.

MORE HIGH SCHOOLS

Bangalore, June 12

The Education Department has permitted the starting of 130 high schools in the State in this academic year. Permission have been given to 55 high schools to start standard XI, bringing the total number of high schools having standard X to 105.

About 75 per cent of the new high schools sanctioned are in rural areas. So far 630 high schools have been started under the Third Plan. Nearly 40,000 students will be admitted in the PUC this year.

Three Central high schools, two in Bangalore and one in Hubli, would be started this year. They would have four junior high schools, one each in Bhadravathi, Mangalore, Bellary and a town in Bijapur district.

ANOTHER STATUE STOLEN

Bangalore, June 12

The statue of the "veiled angel", one of the four 'guardian angles' of the equestrian statue of Sri Chamaraja Wadiyar in the Lal Bagh was stolen on Tuesday night.

Of the four bronze statuettes two were stolen in Sept. 1963 The only statue with a mutilated wing, which has not been stolen, has been removed to safety.

MOBILE POLICE UNIT

Bangalore, June 12

A mobile police unit has been set up in Mangalore to prevent smuggling of rice and sugar to Kerala from Mysore. A number of check posts have also been opened.

The food cell of the State CID has seized rice and sugar valued about Rs.1.25 lakhs in the State from April 16 to June 11. It has booked 38 cases in Mysore, Bangalore, Mandya, Tumkur and Kolar districts.

HMT LOCK-OUT

Bangalore, June 12

The lock-out in the Hindustan Machine Tools continued yesterday also. Negotiations between the representatives of workers and the management before the Labour Department officials were going on and the lock-out is likely to be lifted today.

SHASTRI PEARSON TALKS

Prime Minister Shastri and Canadian Prime Minister Pearson yesterday discussed the urgent need to get negotiation started to solve the Vietnam issue. During their 100 minute talks, which were described as "extremely friendly and frank," the two leaders covered a wide range of subjects including proliferation of nuclear weapons, the question of possible guarantee to non nuclear powers against nuclear attack and the UN financial crisis.

NEW OILFIELD IN GUJARAT

Union Minister for Petro-Chemicals disclosed yesterday that Gujarat has a new oilfield, which if turns productive, will be the largest in India and one of the largest in the world.

Hopes of finding oil in the Cauvery basin also were very high. The second well in the basin was now being dug, he said.

LOW EXAM. RESULTS

Bangalore, June 12

Education Minister Kanthi on Thursday expressed concern over the low percentage of passes in public examinations, particularly in Government schools and colleges.

The Government took some measures last year by cutting grants to private schools whose performance was less than 20 per cent. The position did not improve and serios measures had to be taken to improve the position in Government schools.

Rs. 40-Crore Food Plan In Malnad

A Rs. 40 crore scheme to increase food production in the Malnad area of Mysore State has been suggested to the Centre by the Speaker of Mysore Assembly, Sri B V. Baliga.

Sri Baliga had accompanied the Union Food Minister on an aerial survey of the region recently.

The scheme aims at the production of 10 lakh tons of rice, 80,000 tons of fish and 150,000 tons of fruits and vegetables.

He expects rice to yield Rs 50 crores, fish Rs 4.8 crores and fruits and vegetables Rs. 4 5 crores.

There is also immense scope for stepping up poultry production. The State's requirement is about 200 lakhs of eggs per day while the present production is only five lakhs.

SWATANTRA DMK ALLIANCE

Sri C. Rajagopalachari stated yesterday that the Swatantra Party would have a full electoral understanding with the DMK to give a stiff fight to the Congress in the 1967 elections.

TALUK BOARD DOCTORS' GRIEVANCES

Mysore, June 15

The President of the Integrated Medical Association, Mysore and a few members working under the Taluk Board and SMP centres along with the Principal, Government College of Indian Medicine, Mysore met Deputy Minister Ramachandra recently at Bangalore and represented their grievances.

The Deputy Minister assured that he would move with the Government for making the MCSK applicable to the Taluk Board doctors and SMPs.

He also assured that all proposals that would be made by the Municipalities and Taluk Boards regarding increase of pay-scales, sanction of more funds for medicines, extra conveyance allowances would be favourably considered by the Government.

The Deputy Minister agreed that the technical administration and inspection of the Taluk Board dispensaries and SMP centres be vested with technical people of the Department of Indian Medicine.

He hoped that there would be uniform dispensaries in the State instead of several categories.

Dr. J. S. Raman, president of the Integrated Medical Association, Mysore thanked the Deputy Minister.

NGOs Ignore Govt.'s Warning

In spite of the Mysore Government's warning against the agitation of NGOs, the Association has decided to hold a mass demonstration in front of the Chief Minister's residence on June 19 to press its demands.

Another memorandum will be presented to the Chief Minister on that day.

If the NGOs did not get a favourable reply, they will take a strike-ballot throughout the State and go on hunger strike in batches before the Vidhana Soudha.

The Association has appealed to the Chief Minister to consider their demands without standing on false prestige.

The Association has decided to create a Distress Relief Fund, each NGO paying a month's salary, in the event of a mass strike.

It has also resolved to form a volunteer corps to carry out its decisions.

India's Border Dispute

CANADA'S SUPPORT

The Prime Ministers of India and Canada Shastri and Pearson yesterday called for renewed efforts to bring about a cease fire leading to negotiations in Vietnam and rejected military solutions as not practicable or desirable.

They expressed their faith in the United Nations and stressed the urgency of finding a way-out to enable the UN to continue its peace keeping role.

Both Shastri and Pearson expressed concern at the increasing tendency to use force for the settlement of disputes and the Canadian Prime Minister reiterated Canada's sympathy and support for India in her border conflict with China.

Mr. Pearson expressed Canada's deep and continuing interest in the economic development of India and success of India's Five-Year Plans.

The communique condemned the Chinese test explosions. Canada expressed satisfaction that India has decided to use nuclear energy for peaceful purposes only and not for production of nuclear weapons.

Vegetable Breeding Station In Mysore

Bangalore, June 16

The Horticulture Department has drawn up an ambitious programme of Rs 387 lakhs for the Fourth Plan. It aims at a comprehensive improvement in the production of cash crops, vegetables, fruits and subsidiary food crops.

Under the proposed plan, a sum of Rs. 9 lakhs has been earmarked for the establishment of a central vegetable breeding station in Mysore. The third plan expenditure in this regard is expected to be a little over Rs. 2 lakhs.

The scheme for intensive cultivation of vegetables and quick growing fruits originally proposed for Bangalore and Mysore will be extended to all urban areas with a population of over 25,000 at a cost of Rs. 25 lakhs.

Coorg district will get Rs. 2 lakhs for increasing fruit production for export. The scheme envisages bringing 500 more acres under fruit cultivation.

Horticultural farms at a cost of Rs. 10 lakhs will be established at Taluk levels.

A potato research station has been proposed to be established at Hassan at a cost of Rs. 5 lakhs. A Rs. 10 lakh fruit research scheme and establishment of a cashew research station in the maidan area have also been proposed.

Four sub-stations, each costing Rs. 1.24 lakhs, will be established for research on vegetables.

Sharavathy Garden

Bangalore, June 16

A 100-acre garden, to enhance the beauty of the giant Sharavathy project, will be laid out by the Horticulture Department. As a first step a nursery will be set up soon in the region to rear rare varieties of plants and flowers.

MORE TOURIST CENTRES

The Government of Mysore proposes to construct rest houses in 16 additional centres of tourist interest including the Biligiriranga Hills in Mysore District.

It has also proposed to put up beach cottages near Karwar, Surathal and Maravanthe to attract tourists to the West Coast.

The Government have also taken measures to provide more facilities at Belur, Halebid and Sravanabelagola to attract maximum tourists.

MINOR IRRIGATION

The Union Government has sanctioned an additional allotment of Rs. 140 lakhs for minor irrigation in Mysore State for this year.

FOURTH PLAN TARGETS

Fourth Plan targets in the draft outline being prepared by the Planning Commission may be very much lower than those indicated in the Plan memorandum.

Three important factors responsible for this are a rise in the estimates of Fourth Plan foreign exchange needs, fresh demands for sectoral allocation without a corresponding increase in physical achievements and the substantial rise in prices since the memorandum was prepared.

According to the Planning Commission's latest assessment, the foreign exchange content of the Fourth Plan may be about Rs. 3,500 crores against Rs. 3,200 crores envisaged in the memorandum.

DELIMITATION TEAM

The Delimitation Commission will tour Mysore State from July 6 to 18.

The Commission will arrive in Mysore City on July 13. There will be a public sitting the same day at 2 p. m. to deal with South Canara, Shimoga, Chikmagalur and Hassan Districts. There will be another sitting on July 14 at 10 a. m. in respect of Coorg, Mandya and Mysore Districts.

HEAT TOLL 150

Nearly 150 persons have died of sunstroke in Orissa, West Bengal and Bihar in Eastern India. In Bihar itself 114 deaths have been reported due to the severe heat wave sweeping for the last three weeks. Fifty persons have died in Nawadah sub-division of Gaya district, where the temperature crossed 120 degrees.

NO PARLEYS ON KUTCH IN LONDON

Prime Minister Shastri hoped yesterday that the Commonwealth Prime Ministers' Conference would continue to observe its convention not to discuss bilateral disputes such as Kashmir and Kutch

Arriving in London to attend the Commonwealth Premiers' Conference, Sri Shastri said the British Prime Minister had intervened in the Rann of Kutch dispute and had made some suggestions. It was now for Pakistan to consider them.

He said that main talks on the Rann of Kutch dispute would have to be held in India not so much in London.

IMPETUS FOR LIBRARY MOVEMENT

MORE FUNDS IN FOURTH PLAN

Mysore, June 17

Prof. V. K. R. V. Rao, member of the Planning Commission, stated here today that our educational planning so far has not given adequate attention to libraries. Libraries constituted as important a sector of education as either elementary or secondary or university or technical or adult education and any educational planning that failed to recognise the place of libraries would be missing one of the basic tiers of the education structure.

Presiding over the 15th All India Library Conference, Sri Rao suggested to the All India Library Association to make a special review of the existing position of the libraries in the 1,800 colleges and assured that the Planning Commission would see that some remedial measures were taken in the Fourth Plan.

He said that they were making provision in the Fourth Plan for the improvement of quality in the secondary education and one of the important ways of doing this was to see that the high schools have better libraries. The Planning Commission will also hope to introduce a phased programme in the Fourth Plan under which high schools in the country would be able to supplement their books with a collection of musical records, prints, and statutes, which would give students an integrated view of our composite Indian culture and thereby not only promote national integration but also help them to develop the aesthetic side of their personality.

Prof. Rao also disclosed that the Fourth Plan laid emphasis on adult literacy and adult education programme. They were making a provision of Rs. 70 crores for this purpose and out of this Rs. 20 crores was being earmarked for public libraries especially in the rural areas.

He also stressed the necessity for States to enact library legislation for the establishment and orderly functioning of a net work of public libraries.

Referring to the importance of book production, he said it now required added significance in view of the recent decision of the Congress Committee on the language problem. The Fourth Plan had already included Rs. 20 crores for the production of books in the Indian languages.

PRESIDENT TO VISIT MYSORE

Bangalore, June 17

President Radhakrishnan will visit the State for three days from Sept. 10. He will vist Belgaum, Bangalore and Mysore. In Mysore he will declare open the University Library Building.

NEW TRANSFORMER FACTORY

A factory to make electrical transformers, motors and switchgears will be located six miles from Bangalore by the State Government in cooperation with a West German electrical firm. The factory will be one of the biggest units of its kind in India.

Dr. K.L. Shrimali, Vice-Chancellor of the Mysore University, inaugurating the conference regretted that the tradition of learning and love of books seem to be disappearing in the present times. He said even though there were greater facilities now and intensive for the writing of books, the creative side seem to be languishing and we are now depending on foreign experts to help us even in writing our own text-books.

Deception Of Hindi Imperialism

—RAJAJI

Sri C. Rajagopalachari stated yesterday at Bangalore that English could not be dismissed from the country and it could happen so only with the division of the nation.

Addressing a public meeting, Rajaji said when we were facing difficulties from all sides external and internal-it was very wrong of the Government to have brought up the Hindi issue. The Hindi issue should have been put in indefinite detention in this hour of grave emergency, when even the Rule of Law had been suspended.

He described the Government's handling of the language question as a very poor game of deception. He told the Hindi advocates that 'if you want Hindi as the national language, you must be content with a part of India and not the whole of it'.

Rajaji characterised the three-language formula-the regional language, Hindi and English as a childish fraud' which would deceive none.

Mushroom Medical Colleges

TO BE ROOTED OUT, SAYS I M

The Medical Council of India, meeting yesterday at Bangalore, has expressed grave concern at the mushroom growth of medical institutions in the country. It urged the Government to suitably amend the Indian Medical Council Act to make it obligatory for any new medical college to get the approval of the MCI in respect of various requirements before admitting students either into the under-graduate or post-graduate courses.

The Council also sought another amendment to the Act to empower it to recommend temporary recognition of any qualification for a specified period. It might even be empowered to withhold recognition altogether if it was not satisfied that facilities existed for the proper training of the students.

Another decision taken by the Council was to fix the period of internship for a candidate after completing his degree course at one year.

Dr. A. L. Lakshmanaswami Mudaliar said the mushroom growth of medical colleges was a crying shame and declared that unless the State Governments were prepared to underwrite the entire responsibility for their standards, no university should give affiliation to any of these colleges. He wanted that private sector should be kept away so far as medical education in India was concerned.

Language As Poll Issue

KAMARAJ ACCEPTS CHALLENGE

Congress President Kamaraj stated yesterday that he would accept the challenge posed by the Opposition parties over the language issue during the ensuing general elections in 1967.

Speaking at the Tamilnad Congress Committee at Coimbatore, he said the three-language formula, evolved by the Congress and accepted by the Government, was a compromise of the several views. He would place the three-language formula as an issue in the general elections.

He said that there could be no dispute about the fact that only an Indian language could be the official language of the country and that for all practical purposes English was a foreign language to them. Only those interested in over throwing the Congress and the disuniting the nation, pleaded for the retention of English. English was the last vestige of the British rule in India.

ALGIERS SUMMIT

Although there was a bloodless coup which ousted Algeria's President Ahmed Ben Bella on Saturday, the new Algerian Government confirmed yesterday that the Afro-Asian Summit Conference will open in Algiers on June 29 as scheduled.

Deposed President Ben Bella, who is in detention, would be tried by a military court on charges of high treason.

The bloodless coup that brought Defence Minister Boumediene to power was carried out with flawless military precision.

The Revolutionary Council has denounced Ben Bella as a 'diabolical dictator, morbidly obsessed with power'. It accused him of high treason and a long list of misdeeds.

Mysore Varsity Threatened

Bangalore, June 22

The Medical Council of India, meeting here yesterday, threatened the Mysore University to withhold recognition to its MBBS degree if the university failed to withdraw from its condensed MBBS course the medical licentiates with matriculation or SSLC qualification.

It also asked the Nagpur University to immediately withdraw students with matriculation qualification from the MBBS course as otherwise recognition to that degree would be withdrawn.

The Council recommended a three year course for the post graduate medical degrees instead of the four year course proposedby the Post-Graduate Medical Education Committee.

It has also urged that for the proper training of post-graduates, there should be a limit to the number of students admitted per year. For this purpose, every unit should consist of at least three full-time post-gradute teachers and could admit not more than three students per year.

WORKERS' FAST

19 workers representing nearly 30,000 employees of the four public sector undertakings in Bangalore began a three-day hunger-strike yesterday before their premises to press their 13-point demands.

All the employees will go on one-day fast today.

Child'S Tragic End

Mysore, June 22

The tragic end of a five-year old child by being thrown into a tank is reported in the city.

It is stated that Doddiah, an employee in theCityMunicipality and his wife, who had returned to her husband's house after an absence of three years, quarrelled with each other and Doddiah in a fit of rage was alleged to have thrown the child into the Dalvoy tank. The body was found on Saturday.

The Mysore Taluk Police have taken Doddiah into custody.

KUDOS TO AIR TECHNICIANS

Indian aviation engineers, mechanics and technicians have acquired a high degree of skill. They have proved that given proper training and equipment, an Indian worker is as good as any other worker.

The modifications and suggestions in the maintenance of aircraft made by our engineers have won praise from the manufacturers themselves.

'We are proud of our workers. Sometimes they outshine their foreign counterparts', said an IAC official

Kalinadhi Hydel Project

Chief Minister Nijalingappa stated on Sunday that Rs. 150 crore Kalinadhi hydel project located in North Kanara District would be taken up and completed before the end of the Fourth Plan. It would generate 18 lakh KWs of power.

According to the original plan, it was proposed to harness the tail waters of the Sharavathi. On a suggestion of Prof. Thacker, the Government decided to take up the Kalinadhi project, which is said to have higher power potential than the Sharavathy.

Commissioning the second unit of the Sharavathy hydel project at Jog, the Chief Minister said that power would be given to all the villages in the State and hoped the people would make full use of it to step up food production and start small-scale industries.

FOOD CORP. VS PRIVATE TRADE

Union Food Minister Subramaniam stated yesterday at Madras that the Food Corporation had not come to displace the entire private trade in food. The Corporation had a strategic role to play in checking malpractices and exploitation. Besides serving the producer and the consumer, the corporation would ultimately serve the trade as a friend and guide.

Meanwhile, British, Pakistani and Indian officials denied news claiming that India and Pakistan had already agreed on the terms of settlement relating to Kutch dispute

Refresher Course To Sub-Inspectors

Mysore, June 23

Sri S.N. Hosali, Inspector-General of Police, today inaugurated the 6 week refresher course for sub-inspectors here at the Police Training College.

All the 900 sub-inspectors in the State, in a batch of 25 each, will receive the training.

He said that the refresher course will be a reorientation for the police officers for their better behaviour towards the public. They go back with a clear knowledge as to how to conduct themselves with the public.

Sri B.N. Mullik, Director General, Security, (Government of India) addressing the trainees paid compliments to the Mysore police and said during the last 4-5 years there was a remarkable improvement in Mysore police.

Stressing the importance of the utility of the refresher course, Sri Mullik reminded the police officers that they were the sentinels of the human being and also a unifying factor in the society. As such they had a great task of checking all evil-doings. So they should be the emblem of everything good in the society.

He told them: "Do not lose what you are and what you represent. You are the sentinels which represent everything good against all evil".

JATTI PROMISES TO END RED TAPISM

Mysore, June 24

Food Minister Jatti declared yesterday evening that red tapism in the food department would be cut down to the barest minimum, as there could not be any delay in dealing with the food problem.

He gave this assurance when he had a free and frank discussion with the members of the local Chamber of Commerce and Industry, on the various difficulties and issues facing the food problem in the State.

Sri Jatti was candid enough to admit that no Minister could solve any problem within a few days of taking over a new portfolio. However, he was hopeful that with the cooperation of ryots, millers, merchants and the consumers, he would be able to solve the food problem by atleast 90 per cent though not fully.

He said that the new pattern of levy for foodgrains would be announced by the end of July and once a decision was taken, it would not be changed for one full year. He knew that there were many difficulties if there were constant changes.

Sri Jatti made it clear that ryot or those who procure from them had to surrender 50 per cent of the stock to the Government.

He said small holders and the ryots had already surrendered their dues. But not the big ones. He would give a final warning that if they did not surrender their dues within 15 days, the Government would take possession of the stocks under the Defence of India Rules.

The question of removing the restrictions on the inter-State movement of foodgrains in the Southern Zone would discussed at the Chief Ministers' Conference on July 29 at Bangalore.

He also made it clear that it was the duty of the Regulated Markets to satisfy themselves about the surrender of the stocks before the produce was auctioned.

Sri Jatti warned that whether co-operatives, associations or individuals dealers, their licenses would be cancelled if they did not behave properly in the distribution of foodgrains to the consumers.

As regards supply of wheat and wheat products, the Minister said that they were not getting enough supply. But he assured that with the existing supply, there would be equitable distribution.

There was enough stock of 'boosa' (cattle feed) and it will be given to any dealer who came forward.

Sri M. S. C. Raghavan welcomed the gathering. Sri R. Vasudeva Murthy, Secretary of the Chamber proposed a vote of thanks.

Science And Spirituality

RECONCILIATION NEEDED

Mysore, June 25

Dr. K.L. Shrimali, Vice-Chancellor of the Mysore University, inaugurating a programme of lectures on Indian Civilisation, organised by the United States Educational Foundation in India, here yesterday at Manasagangotri said that India need not give up her great spiritual heritage in the quest for science.

He said that science and technology were merely tools in the hands of man and it was only faith in Divine life which gave meaning and significance to man's life on earth.

If India could bring about some kind of reconciliation between science and spirituality, she would have solved one of the major problems of modern times. In this, India needed the help of the West as much as the West needed that of India.

The Vice-Chancellor said that the impact of science and technology on Indian civilisation would only result in an outward change but that its spiritual heritage would be retained.

Prof. Roseberg, leader of a group of 20 American participants said that they were happy to be in India which had such an old civilisation.

Dr. K. B. Y. Thotappa, Director of the programme, welcomed the participants.

Pak Planes Force Down Indian Jet

An Indian jet fighter was forced down by Pakistani Air Force fighters yesterday, about 50 miles from Karachi.

Radio Pakistan stated that the Indian plane was intercepted south-east of Karachi.

A New Delhi message said an Indian Air Force aircraft, which took off from the Jamnagar airfield yesterday morning, is reported missing as it had not returned to its base till late afternoon. A Defence Ministry spokesman said it appeared the pilot's direction finding instrument had failed. It was quite likely that the aircraft strayed into Pakistani territory after having lost its bearing.

SHASTRI SEEKS EASIER CREDIT TERMS

Prime Minister Shastri yesterday called for lower interest rates and longer repayment facilities on aid given to developing countries.

He was taking part in discussions on economic development in the Commonwealth.

Sri Shastri welcomed Britain's recent decision to give interest-free loans to certain developing countries. Canada had been very generous in its grants and Australia had recently extended better terms.

The quantum of aid was no so important as the terms attached to it, he said. Loans extended at present generally resembled commercial credits. They were not in fact aid at all, but ordinary money lending on Government to Government basis.

Indian Troops Pulling Out Of Kargil

Indian troops, who captured two Pakistani posts in the Kargil sector of the ceasefire line five weeks ago, yesterday started withdrawing back into Indian side of the ceasefire line.

This follows assurances from the U.N. Chief military observer about the safety of the Srinagar-Leh road, which functions as the life line to the troops in Ladakh facing the Chi-

The two posts on the Pakistani side were captured on May 17 in a remarkable military operation which involved fighting at a height of between 13,000 and 14,000 feet. This followed an armed Pakistani intrusions across the ceasefire line on the night of May 16. The Pakistanis were chased back across the ceasefire line and the two posts were captured in counter-attack.

On May 26 and again on June 6, Pakistani troops crossed the ceasefire line and but beaten back with large casualties.

PM MEETING UAR LEADERS

Prime Minister Shastri will discuss events in Algiers and other effect on the Afro-Asian Conference at a meeting with Egyptian leaders in Cairo tomorrow, before returning to Delhi from the Commonwealth Premiers' Conference at London.

SQUARING A CIRCLE

Sri Asoka Mehta, Deputy Chairman of the Planning Commission stated yesterday that meeting all the plan proposals of States is like squaring a circle.

During a discussion on the draft fourth plan of a State, Sri Mehta pointed out that every State wanted larger provisions and more development projects. 'But with limited resources I am put in a tight position,' he said and quoted a couplet meaning 'I am asked to square a circle.'

DIESEL OIL

Diesel oil imports are expected to stop altogether from the middle of 1966.

Currently, Indian oil Corporation is importing diesel oil from the Soviet Union to cover the gap between refinery production and the demand.

Midday Meals Scheme

About 16 lakh children would be covered by the midday meal programme during the Fourth Plan

Revealing this, Education Minister Kanthi stated yesterday that 7 lakh children in the primary schools in the State are now covered by the programme accounting for a quarter of all children in the primary schools and one lakh more will come under the programme this year.

The CARE organisation provides Rs. 4 crores worth cornmeal, butter, oil and milk powder and the State Government spends Rs.32 lakhs on transport of these goods from Madras to different areas in the State. Private contributions amounting to about Rs. 21 lakhs at the rate of Rs. 3 per child are spent to supplement the food.

MORE STIPEND FOR WOMEN TEACHER-TRAINEES

The Mysore Government has decided to increase the stipend for women teacher trainees to attract more women to the teaching profession. At present they were paid a measure sum of Rs. 15 per month.

The Centre has sanctioned this year Rs. 9 lakhs to take advance action regarding girls' education and adult literacy programmes so that implementation of these schemes will become will become smooth in the Fourth Plan.

MYSORE NEGLECTED BY CENTRE: CM

Chief Minister Nijalingappa regretted yesterday that the Union Government has neglected Mysore State when compared with others.

He disclosed that the Centre was insisting on the State paying interest of Rs. 30 crores on its loans for the Sharavathy and Tungabhadra Projects even before they began to yield results.

This claim, he said, has affected the State's Fourth Plan outlay by Rs. 50 crores.

'I am not happy with the financial condition of the State', he added.

The Chief Minister speaking at Bellary made it clear that the State would start a steel plant at Hospet if the Centre did not set up one.

MORE FUNDS FOR SCIENCE EDN.

Education Minister Kanthi said yesterday that the Centre had sanctioned Rs. 13 58 lakhs this year for the crash programme in education and this amount would be utilised to strengthen science laboratories, training courses for teaching science and libraries in schools.

SCHOOL HEALTH PROGRAMME

An intensive school health programme would be launched on a pilot project basis in one community development block in Mysore State. Already about 108 schools were covered under the general school health service.

MYSORE TEAM TO MEET PLANNERS

Chief Minister Nijalingappa and Finance Minister Ramakrishna Hegde will visit Delhi on July 5 to have the final round of discussions with the Planning Commission on the State's fourth plan.

Mysore, which has already proposed an outlay of Rs. 500 crores for the next plan, will have to lean heavily on the Centre to finance the plan as its internal resources are at a low level.

ACCORD ON KUTCH

India and Pakistan have agreed on the procedure and constitution of the three-member arbitration tribunal, which will give its award on exactly the Kutch-Sind international boundary lines.

All the three members of the tribunal will be outsiders. India and Pakistan will have a nominee on the tribunal.

DISTRIBUTION OF TEXT-BOOKS

Education Minister Kanthi stated yesterday that the Mysore Government proposed to expand both the Government Printing press in Bangalore and the Text-Book Printing press at Mysore at a cost of Rs. 200 lakhs.

He said the distribution of nationalised text-books would be decentralised. About ten godowns would be built in differeat towns to stock and distribute the books.

EMPLOYEES PROTEST

Over 3,000 ministerial employees of the Kerala Electricity Board have been attending office with beards since June 21.

Growing beards is just one step before they take to primitive dress, to protest against the partisan attitude of the Board chairman towards their demands for better pay scales and service conditions.

Bus Waylaid And Robbed

A Mysore State Road Transport Corporation bus proceeding from Gajendragad to Gadag in Dharwar District, was waylaid by highway men and robbed of the passengers' jewels and cash.

The robbers also beat up the conductor and took away his money bag.

PAKISTANI GAME

An example of how Pakistan attempted to use an official of the British High Commission in Karachi for propaganda on border incidents has come to light.

A few days ago, the Pakistanis invited the British official to visit the East Pakistan-Tripura border. When he arrived there, he was persuaded to visit the Belonia sector, scene of Pakistan firing for some time.

But before his arrival, Pakistani troops were temporarily withdrawn from the advanced border posts with a view to getting a clean chit from him. He was told, 'It is the Indians who fire all the time'.

A day or so after the official's stage-managed visit to the sector, Pakistanis resumed firing.

Tips To Stop Smoking

Smokers trying to lessen before giving up cigarettes should avoid their favourite hand and stop smoking after breakfast and with coffee or alcohol.

This technique, leading after three weeks to complete abandonment of smoking, is the one used at a London clinic.

Cigarettes caused between 40,000 and 50,000 deaths a year from lung cancer in Britain.

JAP CREDIT TO INDIA

Japan yesterday extended India a 60 million dollar credit for development programme in the Third Plan.

The loan carrying an interest of 5 75 per cent per annum would be paid back over 15 to 18 years after a five-year period of grace.

Japan has so far given 280 million dollar credit to India for its Third Plan.

Algiers Meet Unlikely

The second Afro-Asian Summit conference will not meet as scheduled on June 29, as several delegations have begun booking their return flights.

Many countries feel that in view of the uncertain atmosphere in Algeria, the conference must be postponed.

It became evident that some countries were prepared to quit if the Foreign Ministers' Conference meeting today, went ahead with the summit.

PEACE MISSION TO GO AHEAD

The Commonwealth Premiers' Conference yesterday agreed on how the members of its peace mission will set about the search for peace in Vietnam.

In a statement sent to Peking, Moscow, Washington and the two Vietnam capitals, the heads of the Government of four nations-UK, Ghana, Nigeria and Trinidad repeated the mission's demand for a cessation of military operations in Vietnam during its peace efforts.

CHINA REJECTS PEACE MISSION

China yesterday rejected the Commonwealth peace mission on Vietnam to visit Peking.

She accused Britain of using the Commonwealth's name for a new peace talks plot to serve the US aggressors.

Steel Plant At Hospet

MPCC'S DEMAND

The Mysore Pradesh Congress Committee, which met yesterday at Bellary, unanimously urged the Centre to locate the fifth steel plant in Hospet region in view of the availability of plenty of best quality iron ore, power, water and superior limestone.

The resolution said the location of the new steel plant in Hospet region would be in keeping with the Union Government policy of proper regional distribution of industries.

It said the Anglo-American consortium experts were reported to have recommended in favour of Hospet in the matter. The Government should not yield to any political and external pressures in regard to the Mysore claim for the fifth steel plant.

SHASTRI AYUB TALKS

Prime Minister Shastri who returned yesterday from London said that during his chat with President Ayub Khan he did not discuss the British proposals on Kutch. But there was a general talk of improving relations between the two countries. President Ayub gave him the impression that there was a change in the attitude of Pakistan towards India and he spoke of improving relations and avoiding conflicts.

The Prime Minister said he was of opinion that in order to reduce tension between India and Pakistan, both the countries would have to reduce considerably the strength of armed forces concentrated on borders. But it would follow the Kutch settlement.

Sri Shastri said there was no prospects of early meeting with President Ayub as yet.

KUTCH ISSUE

Prime Minister Shastri told pressmen yesterday that he had brought no proposals on Kutch with him but the final proposals from the British Prime Minister were expected to be received in a day or two.

"We will consider them here and in case the proposals fit in with our spirit and attitude, we will certainly consider them favourably", he added.

Shortage Of Engineers In Mysore

There will be a shortage of nearly 15,000 engineering graduates in Mysore State at the end of the Fourth Plan.

According to the State Directorate of Manpower Resources, there will be a surplus of 3,000 diploma holders.

In the field of medicine and public health, while the shortage of doctors is estimated at about 100, the deficit of nurses and midwives and health inspectors will be of the order of about 3,000

On the agricultural front, there will be a shortage of about 230 graduates. The surplus found at the end of the Third Plan, about 400, will be absorbed.

There will be no deficit in the educational field. About 33,500 primary school teachers will be required for implementation of the plan scheme. About 35,000 trained teachers will be available then.

DELHI PROTEST

India has strongly protested to the Pakistan Government against the unprovoked and wanton firing on the Indian town of Belonia and urged them to take suitable steps immediately to instruct their forces to desist from such activities.

Pilot Plants For Cashew Apple

The Central Food Technological Research Institute, Mysore, has devised methods for using the cashew apple in preparing beverages and in the canning industry.

The economic uses of the apple and its juice both as a cottage industry and as a small-scale industry, have been worked out. Besides, uses of the juice for fermenting and conversion into alcoholic liquors needs very early attention.

The committee on natural resources of the Planning Commission has recommended that pilot plants should be set up in important producing areas, particularly in forest areas where compact plantations of cashewnut are coming into being.

About 2.54 lakh tonnes of apple are available from the trees annually for commercial uses.

The committee says possible industrial uses of cashew shell liquid within the country, should be worked out. At present, the entire quantity produced in the country is exported in its raw form. Using the shell liquid for producing exportable finished goods will be in the national interest.

Intermittent firing by East Pakistan Rifles at Belonia on the Tripura-East Pakistan border continued yesterday.

Informal Rationing To No More Towns

The Government of Mysore, it is learnt, has decided not to extended informal rationing to other important towns in the State.

The Government considers that with the removal of the inter-district ban on movement of foodgrains and the absence of maximum selling prices, there is no need to extend informal rationing to more towns.

However, a few cities and towns which are already under informal rationing will continue to be so.

PAK SPY RING

A Pakistani spy ring may be operating in Delhi, according to official resources.

18 cases of spying have been detected in the recent past.

RECORD FOOD OUTPUT IN PUNJAB

Punjab has set up new records in production of foodgrains and per yeild this year.

Production of foodgrains shot up to 66.9 lakh tons registering an increase of 21 per cent of the previous year's output.

The yield per acre of wheat rose from 13 maunds to 15 maunds.

RLY. FACILITY

Passengers travelling by upper class from Howrah, Madras and Bombay to New Delhi will now be able to send messages to their relatives and friends if their train is delayed.

This facility is being introduced by the Northern Railway.

The messages will be conveyed over telephone by the railway staff.

Hassan-Mangalore Railway Line

WORK STARTS FROM TODAY

Mysore, June 30

Chief Minister Nijalingappa today turned the first sod near the Hassan Railway Station to formally inaugurate the work on the Rs. 23 70-crore 118 mile Hassan Mangalore rail line.

Dr. Ram Subhag Singh, Minister of State for Railways, presided over the function.

The necessity for the construction of this railway line was felt as early as 1880.

With the decision of the Union Government to develop Mangalore as an all weather port to handle three to four million tons of cargo annually, the construction of Mangalore-Hassan line could not be deferred and the sanction was accorded in Nov 1964.

The line passes through Alur, Sakaleshpur, Subramanya Road, Puttur, Bantaval and Mangalore.

The construction of ghat section-from Sakaleshpur to Subramanya Road involves 38 tunnels, 61 viaducts with very high embankments and deep cuttings. It presents a formidable array of hills and valleys, covered with dense forests, with the average rainfall being about 200 inches.

It is proposed to provide diesel traction on this line for working all through goods and trains.

Although the railway line will be built as metre guage, the tunnel sections and substructures of bridges will be to broad guage standard to facilitate conversion, when found necessary.

With the completion of this long delayed rail line in 1971, hundreds of people who every day travel between Mangalore and Bombay will have a direct rail link. Now they have to travel in buses to Kadur or Haribar to catch trains.

Accord On Kutch

The Union Cabinet yesterday approved of the agreement between India and Pakistan for a ceasefire on the Kutch Sind border.

The agreement will come into effect from 6 30 a.m. tomorrow.

The agreement comprises three clauses dealing with disengagement of forces of both sides, restoration of status quo ante as on Jan. 1, 1965 and ceasefire.

Under the agreement, India would have to vacate Sardar Post and Vigokot and Pakistan Kanjarkot, Biarbet and Point 84.

The agreement also provides for a conference at official level to do preparatory work for a meeting of ministers of the two countries, who will finalise a boundary agreement.

A tribunal to settle differences, should they arise from the ministerial level meeting, has also been provided for.

4 Khadi Centres Closed Down

Mysore, June 30

The 38-year-old Khadi centre at Bedanavel, near Nanjangud in Mysore District, is ordered to be closed down by the State Khadi Board.

The other Khadi centres at Aimangala in Kolar District, Lokapavani and Chikkavakanahalli in Chitradurga District, are also to be closed down.

Nearly 300 employees and 10,000 spinners and weavers will be thrown out of employment.

The Khadi Board Chief Ruddappa stated that the reason for their closure is the persistent loss incurred by them and the stoppage of capital by the Khadi Commission.

He assured that all help would be given to the staff of these centres if they come forward to form co-operatives to continue Khadi production.

SUFFICIENT FOOD STOCKS

Union Food Minister Subramaniam yesterday assured that there were sufficient food stocks to face the lean period "with greater confinedce". Both the Centre and State Governments had a total stock of 1.6 million tons against 5 lakh tons last year. At the same time even with a bumper crop this year, deficits would continue.

Referring to Maharashtra Chief Minister Naik's criticism, he said the Government had fulfilled all agreed commitments in regard to food supplies to Maharashtra this year and there has been no default whatsoever. "I cannot convert a deficit into a surplus by mere policy-making. What I can do is to see that within this dficit economy, there is equitable distribution and difficulties are minimisied. Jugglery cannot produce a surplus", he said.

Locate Electrical Firm In City

ML. COUNCILLOR'S PLEA

Mysore, July 1

At the monthly meeting of the Municipal Council yesterday Sri B N. Kenge Gowda requested for representation in the Central Cabinet for Mysore. He regretted the lack of representation after the death of Sri H.C. Dasappa and hence the interests of the State went neglected.

Sri M.K. Lingiah criticised the attitude of the State and Central Governments for neglecting the interests of the city. The proposed electrical firm to be located near Bangalore should be set up in Mysore to ease the unemployment problem. All the children in the city should be supplied mid-day meals by the Council, he said.

Sri Vedantha Hemmige and Sri Srikanta Sharma supporting the NGOs demands suggested that the Council with the assistance of Bangalore Mayor should intervene and solve the issue, Sri Srikanta Sharma (SSP) said that if it was not solved in one month his party will launch agitation.

Sri T.R. Subba Rao and Sri Srikanta Sharma expressed their dissatisfaction for not celebrating the centenary of Sri Vasudevacharya in the city. Sri Subba Rao wanted the Music College in the city to be named after the same poet.

Kutch Pact Signed

PAK AGREES TO STATUS QUO ANTE

India and Pakistan signed an agreement yesterday for a ceasefire in the Ran d for the restoration of status quo ante as on Jan. 1 this year.

Under the agreement Pakistan will have the right to patrol along with India in the 20 square mile Suraj-Kanjarkot-Ding track within the Indian territory. An official spokesman stated in New Delhi that Pakistan had been given the right to patrol the track, illegally occupied by it, because its Government had provided sufficient evidence to prove that before Jan. 1, 1965 its patrols were there.

DRASTIC CUTS IN IMPORTS

The import policy for 1965 66, announced yesterday, bans the import of 60 items and drastically reduces the import quotas in respect of several items for established importers As a result of the ban of 60 items a saving of about Rs. two to three crores is likely to be effected.

An official spokesman said that neither the ban on the import of certain goods nor the cuts effected would have any "serious effect" on industrial production. Imports from East European countries would be larger than last year. There would also be some increase in the amount of non project aid.

NEW RULE ON CAR BOOKING

Persons registering for purchase of scooters, motor cycles, motor cars and commercial vehicles will now have to furnish, along with their application, proof of security deposit account in a post office in place of a bank guarantee as hitherto.

The amount, which is to be deposited in the post office for this purpose, will, however remain same as at present, that is Rs. 250 for scooters and motor cycles, Rs. 2,000 for motor cars and four-wheeler commercial vehicles and Rs 1,000 for Tempo three wheeler and Rs. 500 for any other kind of three-wheeler commercial vehicles.

SUBRAMANIAM CRITICISES NAIK'S FOOD POLICY

Union Food Minister Subramaniam stated in Bombay yesterday that the Maharashtra Government's monopoly jowar procurement scheme had resulted in creating food scarcity and high prices in the State and it had embarked upon the scheme "without necessary preparation and without realising its implication."

The State Government should have consulted the Centre "before doing this bravado" and should have built up necessary strength to reserve stocks with the assistance of the Central Government to regulate and avoid scarcity, he said.

Grain Movement By Traders

Bangalore, July 2

Food Minister Jatti yesterday discussed with the representatives of the Grain Merchants Association and the Mysore Chamber of Commerce about the proposals for taking the foodgrain trade into confidence in regard to distribution of food in the State.

The Government wanted to know if the traders under the aegis of their own association and the Chamber, could offer any quotations or tenders to move foodgrains from railway station to godowns and also if they could move allotments from Andhra by road in case wagons were not available for transit by rail.

INDIA'S STAND APPRECIATED

Prime Minister Shastri told the nation yesterday that as a result of the cease-fire along the Kutch Sind border India's civic control over the Rann of Kutch will be fully restored and Pakistan aggression in the area would be clearly and fully vacated.

In a broadcast, the Prime Minister said the recent events had not only vindicated India's stand for peace and territorial integrity but had also established that use of force could not really settle any problem.

Referring to his visit to the Soviet Union and other countries, Sri Shastri said that peoples and the Governments of these countries greatly appreciated the fact that India's adherence to peace was not a matter of expediency but of principle. All countries he had visited wanted to help India in its economic development, he added.

President Radhakrishnan yesterday pleaded for 'progress in a rational, equitable and popular way' as against 'economic progress at any cost or by hook or crook'.

No feeling of unfairness should grow in the minds of the ordinary men on the distribution of the benefits of progress. He conceded that while there was tremendous progress, the real needs of the community had not been adequately met yet.

PROPER DISTRIBUTION OF FOODGRAINS

DIVISIONAL COMMISSIONER'S ASSURANCE

Mysore, July 2

The Divisional Commissioner, Sri C. Narasimha Murthy, yesterday assured the citizens that the present system of distribution of foodgrains would be improved.

At a Press Meet, the newsmen pointed out the difficulties experienced by the consumers specially in the first week of the month about the availability of rice, wheat and sugar.

He said that there was not sufficient supply of wheat and wheat products and actually for 600 tons of wheat required for Mysore District per month, they were getting only 200 tons. With this, they had to manage and distribute it evenly.

When his attention was drawn to the scarcity of kerosene and its high price, the Divisional Commissioner said that he would meet the representatives of the oil companies and discuss with them regarding the proper supply of kerosene and selling it at fair price.

NANDA'S WARNING

Home Minister Nanda warned the secessionist forces in Kashmir that their activities would be ruthlessly curbed. The position of Jammu and Kashmir as an integral part of the Indian union "is not matter for debate or discussion". The issue had been finally and irrevocably settled by the facts of history and people themselves and "therefore, any talk of self-determination now is devoid of any meaning or relevance", he said.

Intensive Ragi Cultivation

Mysore, July 3

The intensive Ragi cultivation in Mysore and Hassan districts will be undertaken during the current year.

Sri C. Narasimhamurthy, divisional Commissioner, disclosing this at a Press Meet said that 2 lakh acres in Mysore, H.D. Kote, K. R. Nagar, Kollegal and Hunsur taluks in Mysore district and 2 5 lakhs in Chennarayapatna, Arasikere, Holenarasipur and Hassan taluks will be brought under the intensive ragi cultivation.

Giving details about the developmental programme in Mysore division comprising of Mysore, Hassan, Shimoga, Chickmagalur, Mandya, South Kanara and Coorg districts, the Divisional Commissioner said that during 1964 65 a sum of Rs 56 26 lakhs were spent on which Rs. 5 5 lakhs was for agriculture.

He said that the Japanese method of paddy cultivation had yielded rich dividends.

The additional yield of paddy per acre ranged from 30 to 50 per cent. Out of 10,000 acres, 6.5 lakh acres was brought under the plough, yielding an additional food production of 66,000 tons.

As regards lift irrigation, 1,000 oil pumpsets and 1,230 electric pumps had been supplied to the ryots during the period.

772 irrigation wells were completed and 2,680 wells were under progress. A sum of Rs. 10 lakhs had been sanctioned for the current year for completing the unfinished wells. Rs. 2,50,000 would be given as subsidy to ryots as an intensive measure.

Sri Narasimhamurthy said that the rural manpower programme had been launched and a sum of Rs 5,50,000 was spent as wages for the construction of minor irrigation works, soil conservation and reclamation.

An applied nutrition programme in Mandya and Somvarpet will be undertaken during the current year to increase fruits, vegetables, poultry and fisheries production.

Since the inception of the C. D. movement in the state, a sum of Rs. 1 23 crores had been given as loans for irrigation purposes.

The Package Programme in Mandya district launched about three years back had yielded an additional paddy output of 7,810 tons and 690 tons of ragi.

Tracing the progress of the programme by the end of 64 65 79,633 agriculturists, out of 1,38,000 agricultural families, had been brought under the co operative field.

About 20,000 soil testings had been undertaken and another 30,000 tests will be done during the current year to help intesive cultivation.

A sum of Rs. 197 lakhs had been advanced as short term loans and Rs. 3 lakhs as medium term loans to the ryots since three years.

He was happy that the ryots were fully utilising the loans for agricultural purposes.

Army Thin Out Along Border

The Army Headquarters yesterday ordered a general 'thinning out' of troops along the Indo-Pakistan border in the western as well as the eastern sectors.

This move followed the announcement that Pakistan President had issued orders for the withdrawal of Pakistani troops from positions of confrontation all along the border.

But this withdrawal of troops does not affect the Kashmir ceasefire line where the normal armed strength will be retained.

STAY ORDER

Mysore, July 3

The High Court has issued a stay order to the City Improvement Trust Board on a writ petition filed by Sri Ramiah and ten others on the construction of a direct road from Krishnarajendra Circle to the District Office.

Under the auspices of the local Bharat Sevak Samaj, gift wheat was distributed to poor families in Gandhinagar area by Smt. Leela Anjanappa, Commissioner for National Savings Scheme. Sri M. A. Khadir presided over the ceremony.

Kunzru Attacks Foreign Policy

Mysore, July 3

Dr. H.N. Kunzru, President of the Servants of India Society, yesterday blamed the Government of India for not following a 'vigorous' foreign policy.

Inaugurating the Mysore branch of the Indian Council of World Affairs Dr. Kunzru said that the foreign policy of the country should be firm and at the same time should be of 'enlightened self-interest.'

He said that there was confusion in India's foreign policy. He instanced two cases, where India condemned the American policy in attacking Viet Nam although the U.S. was giving both military and economic said to India. But India was mum with regard to the stationing of troops by UAR in Yemen and Russia's support to Indonesia against Malasia.

Dr. Kunzru said that India was also guilty of not bringing to the notice of the world when Pakistan attacked Rann of Kutch. About the agreement reached in 1952 between the President of Pakistan and Prime Minister of India that border disputes if not settled peacefully should be settled by arbitration.

He hoped that the intelligentia of Mysore would utilise the Council to study the international affairs.

Dr. Shrimali, Vice-Chancellor, presided.

Dr. K. B. Y. Thotappa welcomed the gathering and Sri Sheikh Mohammed proposed a vote of thanks.

OPPOSITION LEADERS REACTION

The Indo Pakistan agreement on the Rann of Kutch has been sharply criticised by the PSP, the SSP and Jan Sangh leaders.

Sri Bachhraj Vyas, Jan Sangh President, has called the truce "insulting". Sri H V. Kamath, Deputy leader of the PSP group in Parliament has said "the reported Kutch pact is a dishonourable document and a humiliation to India".

The Praja Socialist Party in a statement described the Government's performance as "miserable in these delicate negotiations". The Government had "exceeded its mandate" in allowing arbitration over the whole area of Rann of Kutch.

Sri J. B. Kriplani stated in Lucknow that the world must be thankful to India for having saved it from a nuclear war.

The Swatantra and the Communist parties have expressed their support. The Jan Sangh has planned to observe Anti Kutch Agreement Day on July 14.

REVIVE SURPRISE CHECKS

Union Home Minister Nanda yesterday suggested inspection and surprise checks to improve to administrative efficiency. This system had fallen into disuse but should be revived.

PM TO MEET BHAVE

Prime Minister Shastri will meet Acharya Vinobha Bhave at his camp near Wardha on July 7. Sri Shastri will apprise the Acharya of the details of Indo Pakistan agreement on the Kutch-Sind border dispute. The language problem in the light of the proposed amendments to the Official Languages Act will also be discussed.

VIZAG PREFERRED

Visakapatnam in Andhra Pradesh is preferred as the site for India's fifth steel plant by the Anglo-American consortium.

ACCORD WITH HONOUR

President Radhakrishnan stated at Mettur yesterday "It is essential for us to come to terms with our neighbours, China and Pakistan, with honour and dignity. We are spending a great deal of money, Rs. 900 crores, for military expenditure, when our internal needs demand much attention. If we are able to settle with our neighbours, it will be possible for us to divert these funds for internal development", he said.

TALKS ON KASHMIR RULED OUT

Union Home Minister Nanda stated yesterday in Srinagar that we are prepared to live in peace with Pakistan and are ready to be friends but there is no question of entering into any negotiations so far as Kashmir is concerned. He declared Kashmir "is flesh and bone of India and is as good a part of the country as Calcutta, Madras or Kerala".

ENGLISH TEACHING MUST BE IMPROVED

The University Grants Commission's Committee has called for the raising of standards of teaching and learning of English at the school and the pre-university stages.

It said that large number of students who came to the university were 'so ill-equipped in their knowledge of English that they find it difficult to read, and much more difficult to express themselves, in that language.'

The urgent and overriding problem, the committee said, was to teach the students enough to enable them to read simple books on the one hand and to express themselves in correct English on the other. Until such time as the teaching of this subject in schools was radically reorganised and considerably improved, the universities would have to take upon themselves the task of remedying the defects in the English of the students who came to the first year of the pre-university class.

PSP CENSURE MOTION

Sri H.V. Kamath, deputy leader of the PSP group in the Lok Sabha stated yesterday that the PSP will move a no confidence motion against the Shastri Government in the coming session of Parliament on the Kutch agreement.

He said the Government had let down Parliament in so far as the patrolling by Pakistan police in territories belonging to India was concerned, which was never mentioned in Parliament earlier.

COMMUNAL POLL TICKETS DEPRECIATED

Vice President Zakir Hussain yesterday criticised political parties for giving tickets to candidates for fighting election on communal basis.

He said apart from giving fresh impetus to Communalism and casteism, the system led to the development of narrow loyalty among the masses.

The Vice President regretted that during the last 18 years, it had not been possible to bring about a national outlook among the masses.

He said that the present economic structure tended to make people narrow minded. The education system was also defective and suggested that a central authority should be set up to scrutinise text-books particularly those of history.

A sports festival will be organised throughout the State from village level to the State level and the finals will be at Mysore.

LESS HINDI KNOWING PEOPLE

Less than seven per cent of India's 438 million people knew an Indian language other than their mother tongue, according to the 1961 census.

Even though bilingualism covered 30 million people, the actual number of persons who could read, write and speak two languages with fluency was much less.

Mysore Lagging In Farm Output

The joint central team on agricultural production, which visited the State last week and had discussions with the Mysore Cabinet, has stated that the State has not made as much progress as possible in agricultural output.

The team stressed the need for filling up a large number of vacant posts, increasing provision for irrigation programmes, installation of pumpsets and supply of electric power for irrigation on a comprehensive scale, creation of effective arrangements for transport of fertiliser from Madras and other places.

The team also impressed upon the State Government that the programmes of the State for industrial development under the Fourth Plan should take full account of the requirements of agriculture, animal husbandry, fisheries and poultry development and provide for production of fertilisers and plant protection.

The number of persons knowing English is a little more than 11 millions as compared to 9.36 millions knowing Hindi.

It S uthern States, the percentages of Hindi knowing were 1.28(Mysore), 1.21 (Andhra Pradesh), 0.21 (Kerala) and 0.20 (Madras).

INDIA'S ECONOMIC GROWTH FALLEN

The rates of economic growth have fallen perceptibly short of Plan targets in a majority of developing countries.

India, Ceylon, Chile and Indonesia are among the countries 'whose progress towards the achievement of the plan targets has been least favourable', according to a United Nations Report.

While India's planned annual growth rate has been fixed at 5 5 per cent, the performance was 2.7 per cent in 1961, 2 4 per cent in 1962 and 4.5 per cent in 1963.

India's actual growth in this respect was only 1.1 per cent against the planned rate of 3 per cent.

EAST-WEST CRISIS HALTS UN WORK

The U. N. Secretary-General Thant stated yesterday that the East-West political crisis was threatening the United Nations efforts for the developing countries at a crucial time in their struggle against 'progressive misery.'

One of the chief reasons for today's uncertainty was that it reflects a general crisis in the world's political relationships.

He called upon the developed countries to pledge one per cent of their national income to aid the developing countries.

MYSORE WANTS RS. 500-CRORE OUTLAY FOR IV PLAN

The Mysore Government officials who met the Planning Commission yesterday at Delhi told them that Mysore would like to have an outlay of Rs. 500 crores in the fourth plan against Rs 250 crores in the current plan.

They also informed the Commission that the State could raise additional resources of the order of Rs. 71 crores during the fourth plan, Rs. 15 crores through further taxation, Rs. 35 crores by public loans, Rs. 15 crores by small savings and Rs. 6 crores from land revenue.

They pointed out that the State would still be left with a deficit of Rs. 68 crores, unless it was allowed to postpone repayments of the existing loans to the Centre. In that event, there would be a small surplus. The Mysore Government made it clear that the Centre would have to finance a major portion of the State's plan.

Mysore's revenue deficit is placed at Rs 29 23 crores owing largely to the shortfall in mobilisation of resources in the Third Plan. Under capital receipts, the deficit is Rs. 78.99 crores. The total deficit of Rs. 139 crores would be reduced to Rs. 68 crores because of the extra resources the State Government now proposes to raise during the fourth plan period.

In the draft plan submitted to the Planning Commission, irrigation and power have been accorded a very high priority. For irrigation and power, the allocation is 40.7 per cent, for agriculture and community development 25 per cent, social service 20 per cent, industries 7 per cent and transport and communications 7 per cent.

According to the draft, the targets set in the Third Plan would more or less be achieved. The level of food production will be 48.54 tons, oilseeds 8 50 lakh tons and cotton 5.75 lakh bales.

URBAN HEALTH CENTRE

Bangalore, July 7

Union Health Minister Sushila Nayyar will inaugurate the Rs 82 lakh urban health centre first of its kind in India in Bangalore, to be run under the auspices of the City Corporation.

INDIA PROTESTS

The Government of India has lodged a strong protest with the Pakistan Government for high-handed and criminal acts by Pakistanis to oust Indian nationals from the Indian enclave of Bhotbari in the East Pakistan District of Rangpur since May.

Kutch Truce Honourable

Prime Minister Shastri declared yesterday that by signing the Rann of Kutch cease fire agreement, India had in no way bartered away even an inch of her territory and compromised national integrity.

He described the agreement as honourable under the circumstances and said if it had not been signed, he would have gone to the farthest limits possible to preserve the honour and integrity of the country.

Sri Shastri said: "We explored all avenues of a peaceful settlement because a war with Pakistan can be a far more serious and complicated affair for both sides than a war with any other country. As a peace loving country, therefore, we must look at these agreements from a proper perspective".

The Prime Minister said that Pakistan forces had vacated the Rann of Kutch area and India had complete control over that entire region except for patrolling by Pakistan.

He said the Kutch agreement was temporary and not a permanent one. It was intended to facilitate talks with Pakistan.

UNESCO MEET

RS. 500-CRORE MYSORE PLAN OKAYED

The Planning Commission which had discussions with the Mysore Ministers yesterday, accepted Mysore's Rs. 500 crore outlay for the Fourth Plan. But they suggested some readjustment in sectorial provisions.

Deputy Chairman of the Commission Asoka Mehta, however, is believed to have expressed concern about the resources position in Mysore. He was referring to a gap of Rs 58 crores in the preliminary memorandum even after providing for measures to raise additional resources.

Chief Minister Nijalingappa told the Commission that the State's capacity to raise additional resources was limited and listed the reasons why the State had fared badly in regard to mobilisation of extra resources.

First, many backward areas had been added to the former State of Mysore and these had to be brought up to a higher level.

Secondly, owing to inter-State differences on utilisation of waters, irrigation projects had been delayed. It was difficult to improve Mysore's agriculture unless these projects were implemented.

As regards industry, projects in the State had not conferred any benefit on it. The hinterland of Mysore had not been adequately exploited without sound agriculture and industrial development.

The Chief Minister, however, assured the Commission that the State would find another Rs. 50 crores in the fourth plan.

The Commission indicated some adjustments which included a reduction in the outlays for industry, irrigation and power, and an increase in the agricultural outlay, with special emphasis on soil conservation and agricultural organisation. It also wanted greater provision for agricultural and technical education in the State Plan.

FIND YOUR OWN FUNDS

Prime Minister Shastri has suggested that municipal corporations and civic bodies should find ways and means to improve their financial position for providing more amenities to the citizens.

NO WAR OFFER RENEWED

Prime Minister Shastri yesterday repeated India's offer of a 'no war' pact with Pakistan and said that though the offer was made years ago by the late Prime Minister Nehru, it was still open and Pakistan was still welcome to accept it. A 'no war' pact would be of great benefit to both countries. Neighbouring countries could never remain in conflict all the time, he added.

GOA ISSUE

Prime Minister Shastri said yesterday that the issue of Goa's merger with another State had become a 'serious problem'. Different aspects would have to be considered before its merger could be decided.

He said the Union Government had so far not expressed its opinion on Goa's merger. In fact, the parties concerned should express their opinions first on which the Union Government could pronounce its opinion.

STONE AGE FINDS

Six periods of human occupation, starting from the early Stone Age period upto the late medieval period, were found at the site of the Andhra State Archaeological Department near Nagarjunasagar Dam.

WORLD BANK TEAM DISAPPOINTED

The World Bank team is disappointed with India's economic progress following a story of the Third Plan.

It doubted the country's ability to maintain a six or seven per cent rate of economic growth in the fourth plan.

Members of the World Bank team have no doubt that India can spend between Rs 21,500 to 22,500 crores between 1966 and 71, but fear that inefficiency will grow faster than the increase in expenditure and economic growth will be slower than envisaged.

STATE BORDER ROW

Prime Minister Shastri stated yesterday at Nagpur that he would initiate discussions with the parties concerned on the Maharashtra-Mysore boundary dispute within a fortnight.

He appealed to the people of Belgaum and other border areas to desist from resorting to hunger strike and staging demonstration.

The people, he said, should have confidence in their leaders and leave the issue to them to decide. "I will not break my promise if I give it once."

No Arbitration On Kutch

Prime Minister Shastri yesterday made it clear that there was no question of arbitration on the question the Kutch-Sind border. What the Kutch agreement envisaged was a reference of the border issue to a tribunal. The tribunal would consider the evidence and documents produced before it and they were not to arbitrate.

He said the first meeting of officials under the Kutch agreement would be held in Pakistan.

INTEGRATED COURSE FOR XI STANDARD

Bangalore, July 9

The Mysore State Advisory Board for Education has suggested an integrated course of IX, X and XI standards in high schools with a common board of examinations.

The need for having a common curriculum for standards XI was emphasised as there was no uniformity in the course now being conducted by three universities.

The Board also urged the Government to open one junior technical school in each district.

RADIOS FOR ALL HIGH SCHOOLS

Education Minister Kanthi disclosed yesterday that it was proposed to supply radio sets to all the 1,600 secondary schools in the State.

At present, 600 schools have radio sets.

Trollyman Killed

Mysore, July 9

Dodda, a trollyman of the Southern Railway died in the Railway Hospital here as a result of severe injuries received when a trolly railway accident occurred on Monday.

It is reported that the passenger train proceeding from Mysore dashed against a trolly coming in the opposite direction in a curve near Akkihebbal with the result that the trollyman Dodda and Halebeda received severe bleeding injuries. Both of them were rushed to Mysore Railway Hospital where the former succumbed. The other person is progressing.

HOW TO SOLVE ISSUES WITH CHINA

Prime Minister Shastri stated yesterday that he fully endorsed the President's thoughts on establishing better relations with Pakistan and China but 'much depends on the other side'.

He said that he had discussed with the President his recent statement at Metz that India should be ready to settle disputes with her neighbours if this could be done with dignity and honour'.

Sri Shastri said "We naturally attach great importance to the sentiments expressed by the President. Our object is to remain in peace with our neighbours. But how to do it is the real difficulty. There is no easy way to resolve complicated issues. So much depends on the other side.'

No Tight Dresses For Girls

The standing committee of the All India Women's Conference has expressed itself against girl students going to educational institutions wearing tight dresses.

The meeting decided to instruct its branches all over the country to persuade State Ministers and Principals in their respective areas to see that girl students did not wear tight dresses but came to colleges in 'decent' dresses or uniforms.

NEW TAXES TO BRIDGE 3000 CR. PLAN

The National Development Council's Committee which met yesterday at Delhi, agreed that the gap of Rs. 3,000 crores in the financing of the Fourth Plan should be bridged by the Centre and the States jointly raising additional resources.

It was decided that the additional Rs. 3000 crores should be raised through new taxation, enlarged surplus of public enterprises through adjustment of prices of goods and services provided, economies in admiaistrative expenditure and more effective collection of revenues. This would be in addition to the public borrowing.

The panel opposed any pruning of the size of the plan which had been proposed in the range of Rs. 21,500 crores to Rs. 22,500 crores.

Reprimand Killed Two Boys

A severe reprimand by a principal of a school in Ahmedabad has made two teenaged boys to commit suicide by plunging to death in a lake on Friday night.

The two young boys Yunus Mohammadbhai (16) and Pratap Zala (15) were reported to have been seriously warned by their principal for allegedly teasing a girl.

Prime to their committing suicide, they left a note saying that they were innocent and the teasing charge was falsely implicated on them. 'We are committing suicide as the principal refused to grant us pardon even after our tendering an unqualified apology.'

BIG OIL FIND

Union Petroleum Minister Humayun Kabir said yesterday that one of the largest oil structures in the world had been found in the Gujarat region and exploratory drilling would commence in December.

'If oil is found according to the size of the structure, then my Ministry will be able to solve the entire foreign exchange problem of India', he added.

Fresh Water From Sea

Sea water can now be converted into fresh water at a cost of 22 to 30 U. S. cents (about Rs. 1.50) per thousand gallons, according to the San Francisco engineers.

They have suggested a desalting plant using nuclear energy to generate electricity, with the surplus energy available being used to destill sea water. Such a plant could produce 1' million gallons of fresh water a day as well as 1,503 mws of electricity.

LARGE DROP OUTS IN SCHOOLS

For every 100 children in Class I in any given year, only 27 join Class VI, 17 to 18 Class IX and only seven to eight join class XI. The loss comes to nearly 90 per cent.

The possibility of providing compulsory education up to the age of 14 is remote and it may take at least two decades beyond 1970 71 to reach anywhere near this objective.

The reason for this is, however, not the rate of expansion only. The major problem is one of retention within the school system and prevention of drop-outs.

To a large extent, drop-outs at increasing age levels beyond the age of 10 are due to economic considerations.

CAREER PLANNING WEEK

Mysore, July 12

The District Employment Officer has arranged the Career Planning Week for 3 days, commencing from tomorrow in the local Marimallappa's High School, Sri N. Subba Rao, D.D.P.I., will inaugurate the function at 5 p. m.

Prof. B. Krishnan, Sri Mellappa, Sri Dwarakanath, Dr. G. T. Huchappa, Sri B. Rudra Murthy, Sri Albert Manoraj will brief the students.

FIFTH STEEL PLANT

Union Steel Minister Sanjiva Reddy indicated yesterday that a final decision about the location of the fifth public sector steel plant would be taken in a month or two.

He said that he would be happy to set up as many steel plants as possible. There need not be any unnecessary controversy about the size or the place of the steel plants.

ABORTION OPPOSED

The standing committee of the All India Women's Conference at its meeting in Jabalpur yesterday turned down the idea of legalising abortion in the country.

The committee said it felt that in the absence of modernised and sophisticated clinics in the country for carrying out abortion, its legalisation would only result in the deterioration of the health of women.

GIVE UP ENDLESS QUARRELS

Prime Minister Shastri stated yesterday that he was pained to see the States were embroiling themselves in endless quarrels over such small things as supply of irrigation water and power, or location of some particular industry or some boundary dispute. 'These endless quarrels and bickerings force us to have a limited outlook and approach to a problem. Such trends are bad for the country's progress'.

He appealed to the State Governments to ensure that the national approach and out look to problems was not lost sight of in their endeavour to make their States prosperous.

Commissioner Not Co-operating

FIRST CITIZEN'S COMPLAINT

Mysore, July 13

At the Municipal Council meeting yesterday, the President, Sri Venkatalingiah, complained that the Commissioner was not co operating in implementing the various decisions and suggestions of the Council.

When Sri M. N. Thimmiah and others drew the attention of the President on the sorry state of affairs the accumulation of debris, bad roads and unsanitary conditions the President said that though he had requested the Commissioner to join with him in the inspections, he had not done so. Many of the suggestions made by him after inspections, had not been implemented by the Commissioner.

He said: 'I am doubtful whether the Commissioner could extract any work from his subordinates'.

The President added that the Commissioner and the sectional officers were the executive body and they had to implement the various decisions and suggestions of the Council. He, as a President, was helpless in the matter and as such he would place all the matters in this regard before the Council.

Sri Cutinho suggested that 'Operation Broom' should be launched in Mysore City also on the lines of Bangalore Corporation.

Govt. Charged With Retreat

PARTY MEMBERS' ATTACK

Prime Minister Shastri declared yesterday that the Kutch agreement would not be a precedent to settle other Indo-Pakistan problems.

He told the Parliamentary Congress Party Executive that the main issue in the dispute was the determination and demarcation of the international boundary.

Sri Shastri said India had a very strong case to place before the proposed tribunal, the entire Rann formed part of Kutch which merged with Gujarat in 1947 and the international boundary in the area was the Kutch Sind boundary.

Explaining the agreement, he said India's policy was that if the status quo ante was restored, they would be prepared to meet and talk with Pakistan. There was broad agreement on this policy throughout the country. In a sense, Kanjarkot had become a prestige point. Pakistan had now vacated the aggression and there was no point in the Rann where they had any control at present.

He said as matters stood at present, Indian police patrols covered practically the whole area. The question of patrolling by Pakistan of the Surai Ding track was in conformity with the restoration of the status quo ante but it did not in any way prejudice international boundary.

Several members questioned the wisdom of agreeing to a reference to the Pakistani claim on the Rann of Kutch in the pact.

They argued that where as the Government had always recognised only a boundary dispute in this region, it had now allowed a tribunal to examine whether a substantial part of this territory (3,500 square miles) belonged to Pakistan or India.

Floods Havoc

Flood waters of the Bhutahi Balan in Bihar have washed away paddy seedlings to about a dozen villages. The police station, the dak bungalow and the registration office at Phulparas are under flood waters.

The water level in the Brahmapura is rising, inundating low lands. Army boats have been put into action for evacuating marooned population.

About ten lakh people have been affected in the recent floods in six districts of East Pakistan where all rivers and their tributaries are in high floods. Four persons have been drowned and four others are killed by landslides from hills in Chittagong district.

INDIA'S OIL INDUSTRY

India's refining capacity in the public sector would reach 14.5 million tonnes a year by 1968 69, almost double the combined refining capacity in the private sector.

India is expected to reach a dominant position in the sphere of petroleum industry by the third year of the Fourth Plan. The public sector would be producing by the end of the current year, the last year of the Third Plan, seven million tonnes of petroleum products.

PM DECLINED TO MEET CHOU

Prime Minister Shastri refused to meet Chinese Premier Chou En lai in Algiers as suggested by UAR President Nasser.

He revealed this in the Parliamentary Congress Party Executive meeting yesterday.

Sri Shastri pointed out that the meeting would not have been very useful as Chou had taken a position from which he is not prepared to retrace.

NEW STAMP MOTIF

Independence Day will mark the replacement of the Map of India series in postal stamps of 15 paise denomination that had been in existence since April 1, 1957. Instead, stamps of 15 paise denomination will in future have as motif a variety of highly exported commodities, important buildings, plan, projects and places of tourist interest.

FREE TRADE IN FOODGRAINS GONE

Sri T. A. Pai, Chairman of the Food Corporation said yesterday that the days of complete free trade in foodgrains were over.

He said: 'I am afraid the days of complete free trade in foodgrains are over. The shortages will continue for a long time and we have to think in terms of better distribution and scientific storage and transport. By such well-organised efforts alone we would be able to meet this challenge.'

It was not a question of free trade but one of equal distribution of available quantity, he added.

BIG CUT IN GOVT. EXPENSES

Union Finance Minister Krishnamachari has proposed a cut of Rs. 125 crores in the expenditure of the Central Government for 1965 66.

STOP BEGGING FOR FOREIGN AID

Union Industry Minister Singh stated yesterday that it was time India stopped its 'pathetic dependence' on foreign aid and technical know-how.' 'It has gone far enough and it is time to pull ourselves up. It hurts my national pride', he added.

He said some foreigners had reacted insultingly to requests for loans and credits, saying that they could not possibly extend aid because 'we are mismanaging our affairs'. It is a pity some of our own people joined in this chorus. India's motto must be hereafter be that she would import nothing but raw material.

SHAMEFUL CAPITULATION

The National Executive of the Bharatiya Jan Sangh yesterday described the Kutch ceasefire agreement as 'a case of shameful capitulation' of the Indian Government before Pakistan's wanton aggression'.

It urged the Government to rescind the agreement without entertaining any moral compunctions.

If the Government failed to rectify the blunder, then the people should compel the Government either to revoke it or to quit office, the resolution said.

The Sangh decided to organise mass demonstrations and 'Pledge Week' from July 23.

Rehabilitation Centre For Women

Mysore, July 14

The Union Health Minister, Smt. Sushila Nayyar, today commended the good work of the social workers in Mysore State and said that it was always a pleasure for her to visit Mysore.

Inaugurating a Rehabilitation Centre cum Tourist Home for women at Yadavagiri run by the State branch of the Bharatiya Gramina Mahila Sangha, the Health Minister complimented Smt. Yashodaramma Dasappa, Minister for Social Welfare and Smt. Murigamma Nijalingappa President of the State Sangha, and their colleagues for having put new life into the Sangha by evolving original concepts with limited resources available with them.

Dr. Nayyar said that in our country we have limited resources and big problems. It is necessary to find new ways and means for tapping resources for solving many problems.

She was happy that the Sangha has tried a new experiment in combining a tourist home with the rehabilitation centre so that young girls coming from rural places, not only learn some crafts to make them self sufficient, but also give them an opportunity to looking after the guests and thus widen their horizon.

Smt. Yashodaramma Dasappa presided. Smt. Vaz, Chairman of the local sangha welcoming said that about 30 girls of village gramasevaks will be rehabilitated in the centre.

A study of model ports was going on at the K.R. Sagar Research Station in connection with the construction of ports at Kundapur, Malpe and Honnavar.

MASTER PLAN FOR BANGALORE

Bangalore, July 14

Union Health Minister Sushila Nayyar yesterday suggested to the Bangalore Corporation to submit to the Centre a comprehensive city development plan which could dovetail into the national development programmes in the Fourth Plan. She assured the Central Government's help in the Corporation's efforts to give greater civic amenities to the citizens.

AICC TO DECIDE GOA'S FUTURE

The Congress Parliamentary Board which met yesterday, has asked the Prime Minister Shastri to hold talks with the Chief Minister of Goa, Sri Bandodkar, regarding the future status of Goa.

Congress President Kamaraj told Pressmen that a decision on the future status of Goa would be taken by the Bangalore session of the AICC to be held on July 24 and 25.

Chief Minister Nijalingappa commenting on the above decision said "I am very much surprised that the Board should take a decision on Goa without consulting the State PCC or the Chief Minister. It was not necessary to consult Sri Bandodkar who is out and out a Maharashtravadi. It is the people of Goa who matter. The issue should be settled through election".

NO TICKETS FOR REBEL CONGRESSMEN

The Congress Parliamentary Board yesterday decided that all those Congressmen who had been charged with breach of discipline will be admitted into the party on condition that they will not be given party tickets for the general elections. These cases pertained mainly to those rebel Congressmen who had contested against Congress candidates in the last elections.

STATE FINANCE MINISTERS TO MEET

The Union Government will convene a meeting of State Finance Ministers in August to find ways and means of raising funds from additional internal resources.

LEGISLATION FOR RODENT CONTROL

Bangalore, July 14

Sri T. A Pai, Chairman Food Corporation of India, suggested yesterday a legislation for rodent control in the country to preserve food, covering all individuals and agencies including the Government, responsible for the storage of foodgrains.

It was high time we put an end to the menace of the mice. There were 4.800 million rats in the country, multiplying their tribe by 70 for every second. If need be, we should invite foreign collaboration to meet the menace, he said.

Sri Pai added: "It may sound ridiculous but I am making this proposition in all seriousness".

MYSORE HURT BY QUIBBLING ON GOA

EX-PARTE DECISION, SAYS CM

The decision to hold elections in Goa on the issue of whether it should remain as a separate entity or merge with Maharashtra was described as an 'exparte decision' by Chief Minister Nijalingappa.

He said 'it looks as though the Centre is too much under the influence of pro Maharashtrian elements. Mention of Maharashtra only, excluding Mysore, indicates that the Centre is driving Goans into Maharashtra'.

Mysore, he said, was as much concerned with Goa as Maharashtra. Linguistically speaking, Maharashtra had nothing to do with Goa as Goans speak Konkani which was totally different from Marathi.

The Chief Minister added 'They should have consulted us. Any decision to be taken by the people of Goa is acceptable to us. But they should not be faced with a fait accompli.'

SURRENDER

The Mysore Government has described the Delhi move on Goa as 'surrender to the forces of expansionist political revivalism'.

The Mysore Cabinet which met yesterday protested against the 'quibblings in Delhi'.

It noted with surprise and pain the Delhi move to decide the future of Goa in consultation with the Maharashtrawadi Chief Minister of Goa even before the AICC session scheduled to be held in Bangalore.

'The move was neither just nor wise' said the Government resolution, as it belied the solemn assurance given by the late Prime Minister. 'The move also seeks to anticipate the verdict of the people of Goa encouraging the Maharashtrian elements to assail the Goans' right of self determination', the resolution said.

The Mysore Government urged the Centre to refrain from taking any hasty decision on the future of Goa and to leave to the people of Goa to determine their own future.

BLOW TO KANNADIGAS

The Mysore Pradesh Youth Congress has charaterised the decision as a 'serious blow' to the entire Kannada people. It said the Congress Parliamentary Board had yielded to the 'bullying tactics' of Maharashtra and let the rudiments of democracy go down the drain.

It warned that the decision was an open invitation to 'direct action' by the Kannadigas. It called upon all the youths in the State to take up the cudgles and get Mysore justice.

Sri S. Gopala Gowda, Chairman of theSamyukta Socialist Party said that 'naive move of the Congress High Command to decide the future of Goa forthwith will have to be resisted by all concerned'.

'Loop Device' Launched

Mysore, July 15

A family planning week will be observed from today all over the State.

A new family welfare device, 'the loop', which would reduce the birth rate to 50 per cent would be launched in this week.

The 'loop' method was introduced in the State in May and so far 4,000 women had been supplied with the intrauterine contraceptive device.

The IUCD camps carried out in some rural areas and the loop device was found to be very popular among the rural women folk.

The State had asked the Centre for 10,000 loops and the Centre had assured the State to make a continuous supply of the device.

Honours Course In Science

Bangalore, July 15

The Academic Council of the Bangalore University yesterday decided to introduce the three year Honours course in science from this year.

The Council also resolved that the languages should be taught in the Honours courses only during the first year and the teaching hours for the languages should be raised from three to four per week.

Another decision was those who had taken a particular language in the PUC should take the same language during the first year of the Honours course.

DISCIPLINE NEED OF THE HOUR

President Radhakrishnan stated yesterday at Hyderabad that the 'discipline from top to bottom in administration of finance and political groups is the country's greatest need now'.

Stressing the need for unity and discipline of spirit through literature and art, the President said the present day world was a madhouse where no one understood the other. Artistes all over the world formed a brotherhood cutting across spirit and cancelled all differences of political and economic issues.

He was inaugurating the Kala Bhavan of the Sahitya Sangeeta Nataka and LalitKala Academies of Andhra Pradesh.

MYSORE MINISTERS TO QUIT OVER GOA ISSUE

ALL PARTIES JOIN IN PROTESTING ON GOA

Bangalore, July 16

The Mysore Cabinet which met yesterday strongly protested against the Centre's attitude in ignoring Mysore and its interest and accommodating pro Maharashtrian pressure tactics and agree to hold fresh elections in Goa immediately to decide its future.

The Cabinet expressed its readiness to resign if the decision was not objectively reviewed by the Congress High Command.

Finance Minister Ramakrishna Hegde flew toDelhi yesterday with a letter from the Chief Minister to Prime Minister Shastri and Congress President Kamaraj clarifying theviews of the State.

Chief Minister Nijalingappa yesterday telegraphically informed the Prime Minister that the Centre will have to regret its present decision on Goa, if it was not reconsidered and altered.

An emergency joint session of the executive of the Mysore Pradesh Congress Committee and the Legislature Congress Party will be held today to decide on further steps to be taken to make the Centre see reason.

The M.Ps. from Mysore will also meet today.

Leaders of various parties in the State have strongly protested against the decision of the Centre.

Sri Shivappa, leader of the Opposition in the Assembly has called for joint action by all parties, advised PCC to withdraw invitation to hold the AICC session in Bangalore as a retaliatory measure for the manner in which Mysore had been treated by the High Command and demanded the convening of the Legislature session to discuss the Goa problem in the light of the present development.

The Mayor has convened a citizens meeting on July 22 to mobilise public opinion on the Goa issue.

Kannada Protaganists in the city have planned a big demonstration on Sunday to protest against the Centre's decision on Goa.

A mass meeting arranged by the Kannada Samyukta Ranga last evening demanded that the State Cabinet should carry out its resignation threat and not be carried away by any eyewash that might be indulged in by the Centre.

It decided that a demonstration should be held against the decision at the time of the AICC session.

Sri Channappa Wali, MLA from the Champagaon constituency in Belgaum district has resigned from the Assembly in protest against the High Command's decision on Goa.

All MLAs and MPs from Dharwar District have announced their readiness to resign in support of the State Cabinet's demand for reconsideration of the Centre's decision on Goa.

36,000-CRORE RURAL FAMILY ASSETS

60 per cent of the aggregate value of assets of the rural households in India are held by households in the higher income groups (with value of assets of Rs. 10,000and over),who form only about 13 per cent of the total number of rural households.

About 30 per cent of the rural households, who hold assets valued at less than Rs. 1,000 account for only 2.5 per cent of the aggregate asset holdings.

This pattern of distribution of wealth in rural India is revealed by the Reserve Bank of India.

The survey revealed that cultivator households accounted for 91.6 per cent of the total assets of rural households, estimated at Rs. 36,856 crores at the end of 1961.

CHINESE LIES

India has accused China of concocting 'increasingly absurd and baseless allegations' in its attempt to maintain the Sino-Indian border tension and to justify its anti-Indian posture.

Dismissing a Chinese charge that three Indian soldiers crossed the Sikkim-Tibet border on May 29 and forcibly abducted two Chinese women as a baseless fabrication, 'The Government of India has no wish to interfere in the internal affairs of China, but must point out that manufacturing charges against India is no means of combating the popular discontent arising out of Chinese policies in Tibet'.

The two Tibetan women had stated that they had fled from Tibet because of the intolerable economic conditions there and because of the repressive measures adopted by the Chinese against the Tibetan people.

FINANCIAL RULES SHOULD BE CHANGED

Union Education Minister Chagla yesterday pleaded for a new shape in the financial rules followed by the Government in public administration to suit the new conditions.

He said the obsolete financial rules, decision, delaying tactics through the appointment of committees and the falling standards in giving honest advise by officers stood in the way of India's quick progress.

Fatal Mango

A mango concealed in a pitcher by the mother cost the lives of her three children in Pubergram, in Bihar.

The woman after hiding the fruit in the house went for a bath in the nearby river with her youngest son. The two other sons, who had got scent of the mango tried to take it out of the pitcher and they were bitten to death by a poisonous snake in the pitcher.

The mother hurried back home in panic leaving the child on the bank. The child, whose footprints were later found leading to the river, remained untraced.

Hustling Over Goa: Konkanis Resent

The Konkani speaking people of South Canara, meeting at a conference at Mangalore yesterday, protested against the hustling of Goa's merger by a hasty decision.

They said that the merger move was contrary to all assurances given by the late Prime Minister and reiterated by the Union Cabinet and the Congress High Command.

The conference felt that the individuality and cultural genius of Goans were in jeopardy if the 10 year time assured by the previous declarations were not adhered to.

The Konkani speaking people who have long standing religious, language and cultural association with Goa, strongly protested against any move to curtail such assurances and extended their unqualified support to the attitude taken by the Mysore Government on this issue.

SUICIDAL POLICY

At a public meeting held at Bangalore yesterday, several speakers strongly criticised the Congress High Command's decision on Goa and warned that by allowing Goa's future to be decided through an election, the Congress was pursuing a 'suicidal policy'. This would set a bad precedent.

They condemned the 'expansionist' policies of Maharashtra and blamed Mysore Chief Minister Nijalingappa for the crisis and said his 'weak kneed' policies and his readiness to acquiese in all that the Centre did had resulted in Mysore being denied its rights on many occasions.

A resolution passed, while condemning the board's decision on Goa, said that holding of the AICC session in Bangalore was an insult to the honour of the people of the State. It asked the MPCC and AICC not to hold the session in the city if the decision on Goa was not reversed.

The executive committee of the ruling Maharashtrawadi Gomantak Party has decided that the Bandodkar Cabinet will resign if the proposed elections on the future status of Goa are held in six months.

22 attacks and one death due to suspected Cholera were reported in the city.

NGOs MEET GIRI

Bangalore, July 20

Representatives of the State Non Gazetted Employees Association met yesterday Governor Giri and appraised him of their present position.

They explained that the employees had exhausted all constitutional peaceful methods to achieve their demands and told him that the association might be forced to resort to direct action if their demands were not conceded within a reasonable time.

SRINGERI ACHARYA

His Holiness Sri Sankaracharya of Sringeri Peeta will be celebrating the Navaratri this year in Madras.

FOOD COMMITTEE FOR VILLAGES

Bangalore, July 20

Food Minister Jatti has indicated that local committees will be formed in all villages with the panchayat chairman and representatives of agriculturists and consumers, to regulate the distribution of foodgrains.

BASAVA SAMITI CENTRES

The central working committee of Basava Samiti will construct 'Anubhava Mantaps' by securing sites from the Government and the municipal corporations at Bangalore, Hubli, and Gulbarga.

Four regional centres have been constituted in the State Mysore, Dharwar, Gulbarga and Bangalore and three in Maharashtra——Bombay, Sholapur and Nagpur.

Two State level centres, one in Madras and the other at Hyderabad had been formed.

MORE SCOOTERS

Union Industries Minister Singh said yesterday that the manufacture of scooters, trucks and buses will be given priority over small cars during the Fourth Plan.

He said that the Fourth Plan target of 1.25 lakh trucks and buses and 1.5 lakh scooters, if attained, should flood the market with these vehicles at the end of the Plan period.

GOA ISSUE TO BE DISCUSSED AFRESH

SHASTRI'S ASSURANCE

Mysore Finance Minister Ramakrishna Hegde who returned yesterday from Delhi after meeting the Prime Minister said that the Congress Parliamentary Board meeting in Bangalore would discuss the Goa question afresh.

He added that the Congress Board would take a final decision after ascertaining the views of the Chief Ministers of Mysore and Maharashtra and the Goa Congress President.

Sri Hegde was happy that the High Command had realised the necessity of ascertaining the views of all parties concerned in the matter.

Sri Hegde said the Mysore stand was that at least for ten years, the people of Goa should be allowed to remain as they were now so that they would understand the democratic way of life before they were called upon to decide their future.

It was high time, he said, the aggressive linguistic fanaticism of the Maharastrians was put an end to.

He said he had pointed out to the Prime Minister that in the last one and a half years of the Goa mantak Party's regime, the administrative set up in Goa had been systematically 'Maharashtrianised' from top to bottom.

MORE FUNDS FOR DEV. WORKS

The Government of Mysore has sanctioned an additional sum of Rs. 3.5 lakhs for the four divisions in the State for undertaking local development works.

Mysore, Bangalore and Gulbarga divisions will get Rs. 90,000 each, while Belgaum gets Rs. 80,000.

FALL IN BIRTH RATE

India's birth rate may drop to 28.7 during 1976-80 per thousand from the present 40 per thousand if the family Planning programme is geared up in the Fourth plan, according to the estimate of the expert committee of the Union Health Ministry.

The committee feels that if the programme is sustained after the Fourth Plan, the birth rate could fall to 25 per thousand.

ASIAN AID BANK

Mr Eugen Black, President Johnson's economic adviser on South East Asian development, yesterday appealed to European nations to join in the creation of an Asian Development Bank.

Medical Colleges In Rural Areas

PM's PLEA

Prime Minister Shastri yesterday regretted that while medical facilities had expanded in urban areas, the rural areas remained neglected.

He said more attention should be paid to rural areas in regard to medical relief and each State should have at least one big hospital and a medical college in the rural areas.

The Prime Minister said that if medical colleges were situated in rural areas, they would be able to cater to rural surroundings. Students who qualified from these institutions should give an undertaking that they would work in rural areas for at least ten years. And they should be compensated with other incentives so that they could continue their work in the villages. Unless the villagers lot was improved, 'our progress will be practically nil', he added.

Referring to the Ayurvedic and Unani systems, Sri Shastri said there was need to develop all systems of medicines and allocate more funds. Without much interference in their programme of work, these systems should be given an opportunity to serve. It was not advisable to discourage indigenous systems which had served the country all these years.

Shudha Ayurveda should not be neglected. If vaidyas felt that they would like to develop the system in the old way, they would have freedom to do so. The progress could be watched for five or ten years and the position reviewed thereafter.

REDRESSAL OF GRIEVANCES

A sub committee of the special consultative group on administrative reforms has suggested the setting up of a "specific machinery" at the district level for the removal of complaints and redressal of grievances. The machinery is to consist a senior officer of the rank of the Additional District Magistrate.

PLAN HOLIDAY

Sri M.R. Masani, M.P., General Secretary of the Swatantra Party suggested yesterday 'a holiday from planning' as one of the ways to meet inflationary pressures and reduce the increasing foreign exchange gap.

The time had come to "scrap" the Fourth Plan. It should at least be postponed for two years and the Third Plan, many of whose targets were unfulfilled, allowed to spill over the period, he said.

PAK SPY RING SMASHED

A Pakistani spy ring operating in the Leiab valley near the cease fire line in Kashmir has been smashed and the leader of the spy ring has been caught by the Indian police.

KAMARAJ JYOTI

CM Warns Of Revolt Over Goa

Bangalore, July 21

Chief Minister Nijalingappa stated yesterday that he was afraid that the people of Mysore would "revolt" if the status quo in Goa was disturbed and elections forced by the Congress High Command. "Political sagacity" should guide the Parliamentary Board in maintaining the status quo in Goa. "They should not stand on any izzat," he said.

The Chief Minister said Mysoreans were united on the demand of the State Government that the status quo in Goa should be respected for ten years. If immediate merger was forced, it should be with Mysore.

Sri P.S. Kamat, President of the Mysore State Konkanis Parishat, in a statement has said that all Konkani supporterswould come forward to form a common opposition to all elements bent upon merging Goa with Maharashtra.

The North Kanara District Praja Socialist Party meeting at Sirsi yesterday criticised the decision of the Congress Parliamentary Board and said the decision to hold elections in Goa was a "conspiracy".

A meeting of the members of Parliament from Mysore will be held at Bangalore tomorrow to consider the stand taken by the State Cabinet. It will also consider the need for representation in the Central Cabinet.

The Union Cabinet yesterday discussed the Goa question again and felt that the decision to hold fresh elections was not constitutionally incorrect.

Protest Fast By College Teachers

Mysore, July 21

The teachers of the Sarada Vilas College will go on a 12 hour fast daily from 7 a. m. to 7 p. m. from tomorrow as a protest against the "vindictive attitude" of the management.

They have stated that they would observe the fast without prejudicing the normal teaching work.

Their demands include the confirmation of two lecturers whose services was 'unjustly terminated', regularisation of service, payments of increments, dearness allowance and P.F. contribution and representation of teachers on the management.

HOPE FOR HOSPET CLAIM

Bangalore, July 21

Union Steel Minister Sanjiva Reddi, in a communication to Chief Minister Nijalingappa, has appreciated the stand of the Chief Minister and has assured him that a decision on the fifth steel plant would be taken purely on merits.

600 Houses To Be Built In City

Mysore, July 21

Housing Minister Puttaswamy, who was on a four day visit to the city, has advised the Housing Board to take up the construction of 600 houses before the end of this year. He has also asked the City Improvement Trust Board to allot the land required for the purpose.

Accompanied by Trust Board Chairman Narayanaswamy and Housing Board Chairman Thimmegowda, the Minister visited the places in the city where the Housing Board is implementing its schemes.

Sri Thimmegowda assured the Minister that 95 houses already constructed by the Board would be allotted soon and construction of about 300 houses would be taken up within two months.

BIG CUT IN CIVIC BUDGET

Bangalore, July 21

Mayor Naganna yesterday revealed a drastic cut of Rs. 50 lakhs by the Government in the budget provisions of the Corporation.

The Mayor regretting the attitude of the Government said that the State Government motivated by political considerations was trying to sabotage all the welfare activites planned by the Corporation.

Sri Naganna also said: "We will not hesitate to launch an agitation if the Government does not accept the unanimous verdict of the Corporation to abolish the cycle tax".

National Park Near City

Mysore, July 21

A giant national park,on the model of the famous Disneyland, will be located between the Nanjangud and T. Narasipur road and the Chamundi Hills and the Bannur road comprising the vast landscape of the Chamundi Hill slopes, the Karanji tank, the race course, the zoo gardens and the open area around the Lalitha Mahal. The scheme is awaiting the sanction of the State Government.

The park, to be the first of its kind in the country, will be one of the best recreational centres also.

The plan also envisages developing the Palace garage and the armoury as a museum to depict the history and the traditions of the Mysore Maharajas.

Aid will be sought from the Nehru Memorial Fund.

TWO STUDENTS DROWNED

Mysore, July 21

Two students, Shantaraj, aged 19 years, studying in second M.B.B.S. in the Bangalore Medical College and 17 year old Premkumar of first year B.Sc. of the St. Philomena's College were drowned on July 17 in the Melkote Kalyani. Their bodies were recovered later.

PM'S CALL FOR EXPORT DRIVE

Prime Minister Shastri yesterday called upon the public sector undertakings in the country to help ease the foreign exchange situation by finding export markets for their products.

"Every public sector undertaking must make a clear-cut decision to export at least 25 per cent of its production", he said. This should be done "even at some sacrifice" because it was essential to earn more foreign exchange by stepping up exports and cutting imports.

The Prime Minister said that the foreign exchange difficulties had assumed some what serious proportions. We will overcome difficulties", he declared.

NO DOCTORS

Prime Minister Shastri revealed yesterday that more than 800 Community Development Blocks are without primary health centres and more than 400 primary health centres are without doctors.

Goa Congress Chief Meets CM

Bangalore, July 22

Sri Kakodkar, President of the Goa Congress yesterday met Chief Minister Nijalingappa and Pradesh Congress President Mohammed Ali and solicited their support for the continuance of status quo in Goa for the ten year period stipulated by the late Sri Nehru.

Sri Kakodkar, who arrived yesterday from Panjim, said that he was glad that at least now the Parliamentary Board thought of ascertaining the views of the party unit in Goa. In the last few months, the trend of popular opinion had hardened against any merger with Maharashtra. He was afraid that some interested parties outside Goa had stampeded the High Command into a wrong decision.

The active workers of the Goa, Daman and Diu territorial Congress Committee at a meeting in Panjim expressed the opinion that in the interest of economic development of Goa, the status quo should be maintained.

Congress President Kamaraj and Prime Minister Shastri and all the members of the Parliamentary Board are arriving in Bangalore today. The Congress Parliamentary Board is likely to meet today or tomorrow to reconsider the Goa issue.

Working Comt. To Cousider Goa

Bangalore, July 23

The Congress Working Committee meeting today will consider a non official resolution urging the immediate merger of Goa with Maharashtra. It has got the second place in the balloting of the non-official resolutions.

In case the Congress Parliamentary Board does not meet before the AICC session to take a decision on the Goa issue, the Working Committee will have to indicate its stand to the AICC on it.

The date of the meeting of the Congress Parliamentary Board is not yet decided.

Congress President Kamaraj, who arrived here yesterday from Madras, met Prime Minister Shastri and disussed the Goa issue.

Earlier, he told Pressmen that the Goa question was reopened eight months ago. To a question on the date and agenda of the Congress Parilamentary Board, he said: "I don't know". Asked if the Goa issue would be discussed by the Board, Sri Kamaraj said he had to consult the Prime Minister and the other members of the Board.

M. P. C. C. President Mohamed Ali, Secretary S. M. Siddiah and Home Minister M.V Rama Rao apprised the stand taken by Mysore and the "strong feeling of resentment" felt by the people on the High Commands decision on Goa.

Prohibitory Order In Bangalore

BLACK FLAGS GREET PM

Bangalore, July 23

An order prohibiting meetings, processions and demonstrations in the City for a week from today has been clamped down by Commissioner of Police Chandy, following demonstrations and incidents of unsuccessful attempts by some demonstrators to stop the Prime Minister's car.

Prime Minister Shastri, who arrived yesterday, was greeted by hundreds of slogan shouting demonstrators consisting students and DMK demonstrators waiving black flags. The police resorted to a mild lathi charge to disperse a crowd of student demonstrators. Two students are reported to have been injured.

Teachers Fast Continues

Mysore, July 23

Seventeen lecturers of the Saradavilas College, who began yesterday a 12 hour fast to protest against the "vindictive attitude" of the management, continued their fast today also.

The students have abstained from classes in sympathy. Ten of them have joined the teachers in the hunger strike.

Sri T. Venkataramaniah, Secretary of the Governing Council, Sri K. V. Anantharamiah, member, Prof. Srikanta Sastry and Principal Ramaswamy who explained to the newsmen the management's case yesterday, said that seven of the eight demands had been conceded. The only demand on which there was no accord was the appointment of a senior staff member as the principal. As this was a selective post, it was unjust for teachers to make such a demand.

Panel To Evolve Food Policy

Resolving State Disputes

HIGH POWER BODY SUGGESTED

Bangalore, July 24

The constitution of an independent machinery for resolving inter State disputes relating to distribution of river waters and territorial borders is under the consideration of the Prime Minister.

Addressing the Congress Working Committee yesterday Sri Shastri felt that if a high powered independent machinery for resolving disputes between the States is not devised soon they would tend to be magnified out of all proportions and jeopardise the unity of the country.

The Working Committee adopted a resolution that the Union Government should set up an appropriate machinery for the speedy and final settlement of inter State disputes, if the disputing States could not come to an understanding by mutual negotiations.

By another resolution, it recommended the setting up of a panel to resolve differences among rival individual Congress men or groups.

LANGUAGE INSTITUTES

The Planning Commission has proposed to the Education Ministry to set up regional language institutes in all States.

NO MOTION ON KUTCH

Bangalore, July 24

No official resolution on the Rann of Kutch agreement will come up before the AICC meeting. It will seek the endorsement on the basis of a statement to be made by the Prime Minister, which may be discussed.

The working committee arrived at this decision yesterday due to sharp differences of opinion among its members. Sri Morarji Desai is reported to have strongly objected to certain clauses in the agreement.

BOARD TO TAKE UP GOA ISSUE TODAY

Bangalore, July 24

The Central Parliamentary Board will take up the Goa issue for consideration today. The Congress Working Committee which considered the non official resolution yesterday demanding the merger of Goa with Maharashtra left it to the AICC to consider it.

Any decision of the Board on the Goa issue will be announced only from Delhi and not after its meeting today, it is learnt.

Election Only Solution To Solve Goa Issue

—SAYS P.M.

Bangalore, July 24

Prime Minister Shastri told a delegation of Mysore MPs, who met him yesterday, that holding of elections seemed to be the only way out of the present impasse on Goa. "Goa issue should finally decided. It cannot be kept pending for long. It has to be decided according to the wishes of the people", he said.

A public meeting of Goan citizens held yesterday condemned the move to force an election on the unwilling people of Goa.

The Mysore Pradesh Congress Committee has brought out a booklet entitled "Facts About Goa", to be presented to the AICC.

NO PLAN HOLIDAY

Bangalore, July 24

Union Finance Minister Krishnamachari stated yesterday that no suggestion had been made by the Prime Minister to him for "any holiday from planning". There was no use going in for a small plan strictly limited to the fiscal resources in sight at the moment, he said.

Chief Minister Nijalingappa and Maharashtra Chief Minister Naik had separate meetings with Prime Minister Shastri.

REDUCE DEPENDENCE ON FOREIGN AID

Bangalore, July 24

Finance Minister Krishnamachari has warned that the time had come when he plans would have to rely to the minimum on the foreign exchange resources.

In a note to the Working Committee, he said that the foreign exchange situation had become critical now calling for a determined effort to tide over the crisis. There was no escape from framing realistic internal economic policies aimed at generating adequate savings and surplus for export. The only solution was a determination to live within means.

The Minister suggested that aid should be availed only for essential projects reducing the dependence on foreign aid in as many sectors as possible.

He said the Fourth Plan should be based on a realistic assessment of the available resources and those which the Centre and the States jointly agree in advance to raise additionally. It was necessary to keep the overall credit situation under constant review.

NATIONAL FOOD BUDGET

The Agricultural Finance Commission has suggested the need for taking immediate steps for drawing up a comprehensive food budget. It has made it clear that if movement restrictions have to continue, urgent measures are necessary to make a realistic assessment of the surpluses and deficits of foodgrains separately for wheat, rice and coarse grains for each State on an objective basis.

Early Elections In Goa

Bangalore, July 26

Prime Minister Shastri told the AICC yesterday that on the future of Goa "there was no second solution than to have a fresh election". The future of Goa should not be left in suspense for long.

The question of reconsidering or revising the past decision on Goa became a necessity because of the uncertainties everywhere. Almost all sections or groups, including the Mysore Chief Minister and the opposition party in Goa, had agreed that Goa's future could only be decided in an election, he said.

Shri Shastri said it was "far, far" from their minds to ignore the feelings of Mysore when the Congress Parliamentary Board considered the Goan issue.

Defending the decision to hold election in Goa, at an early date, the Prime Minister said that constant uncertainty about its future would lead to instability. He hoped the election would clear the issue and things would settle down.

The Congress Parliamentary Board is likely to take a final decision on Goa within a fortnight but in any case not later than a month.

Another Term For Kamaraj

Bangalore, July 26

The All India Congress Committee unanimously passed an official motion empowering the Working Committee to relax the ban on two consecutive terms for the President and other office-bearers of the party, clearing the way for Sri Kamaraj's reelection as Congress Chief.

Earlier, Sri Morarji Desai, vehemently opposing the motion described it as "a negation of democracy".

But the last minute intervention by Prime Minister Shastri, who appealed to Sri Morarji Desai not to press for a division in the interests of the party, brought the desired effect.

PROTEST MEETING

Mysore, July 26

A public meeting was held on Saturday at the Townhall to protest against the Congress Parliamentary Board's decision on Goa. The meeting presided by Sri B.K. PANEL TO STEEL DISPUTES

Bangalore, July 26

Prime Minister Shastri told the AICC yesterday that the Union Government would study the type of permanent high power machinery necessary to settle inter-State disputes.

The AICC on Saturday unanimously adopted a resolution suggesting the setting up of a high-power machinery to settle differences among the States, should they fail to settle them by themselves.

The Maharashtra-Mysore dispute is not likely to go before the high-power machinery. The Chief Ministers of Mysore and Maharashtra are considering a new formula suggested by Prime Minister Shastri

GROUPISM INEVITABLE-SHASTRI

Bangalore, July 26

Prime Minister Shastri yesterday admitted that there was groupism in the Congress, but differences were inevitable in such a vast organisation. But what hurt him was that differences in the party these days had damaged the organisation and affected its reputation.

He appealed to his partymen not to go beyond the limit but try to eliminate the differences.

The AICC yesterday unanimously passed a resolution asking the working Committee to set up a panel out of which the President may appoint boards to settle differences.

KAMARAJ'S CALL FOR FAIR ELECTIONS

Bangalore, July 27

Congress President Kamaraj yesterday called upon the Pradesh Congress Committees to ensure free and clean organisational elections. He told the presidents, secretaries and the pradesh returning officers from the States, who had assembled to discuss organisational matters and the membership enrolment-drive, that the party constitution and rules provided for fair elections.

Sri Kamaraj appealed to them to steer clear of groupism and give no scope for complaints. They should work together as a team and not suspect each other.

FAIR SOLUTION OF GOA POSSIBLE- P.M.

Prime Minister Shastri yesterday expresed the hope that it would be possible to find a solution to the Goa issue acceptable to all the parties concerned.

Sri Shastri, who returned to New Delhi after attending the two day session of the AICC, said it seemed to him that a solution would be possible. There was no opposition as such to the basic idea of election to know the wishes of the people of Goa.

A second round of high-level talks on Goa between Chief Minister Nijalingappa and Prime Minister Shastri and Congress President Kamaraj is expected to take place at Delhi on Aug. 6 and 7. It is only after this the Central Parliamentary Board will meet to consider the Goa issue.

The Prime Minister stated in Bangalore that the date of the next meeting of the Central Parliamentary Board in Delhi is not yet fixed.

RS.750 CRS. FOURTH PLAN OUTLAY FOR ROADS

Mysore, July 27

Sri Raj Bahadur, Union Minister of Transport, disclosed here today that according to the indications given by the Planning Commission Rs. 750 crores is expected to be made available for roads during the Fourth Plan, as against a total outlay of Rs. 1,150 crores as suggested by the working group set up for assessing road requirements. This will include Rs. 350 crores for roads in Central sector and Rs. 400 crores in State sector.

He was presiding over the sixth meeting of the Transport Development Council.

The Minister said that the Roads and Inland Water Transport Advisory Committee, which met earlier this month in New Delhi, felt that the proposed allocation was inadequate and recommended that this will have to be increased substantially if our urgent and unavoidable social and economic needs have to be met.

Stressing the importance of road transport, Sri Raj Bahadur said that transport facilities must be created in advance of the traffic requirements. It has to look forward and anticipate future needs of the economy. It is roads and road transport alone which can meet the challenge and help in increasing agricultural prosperity, he said.

Hence it was high time that in the Fourth Plan at least a beginning was made by having a specific provision for development of rural roads in the State plans. The Government was also actively considering proposal for creating a Rural Road Fund and amending the Road Transport Corporations Act, 1950, to enable them to spend their income on road construction.

Sri Raj Bahadur said that an allocation of Rs. 100 crores is expected to be made for road transport in the Fourth Plan. Out of this Rs. 30 crores are for the Central sector and Rs. 70 crores for State sector.

During the Third Plan period the number of vehicles increased from 6.75 lakhs to over 10 lakhs and the number of goods vehicles is estimated to rise from 1.71 lakh to 2.55 lakh by March 1966 and the number of passenger buses from 57,000 to 80,000.

It is estimated that at the end of the Fourth Plan 40 per cent of the passenger transport would be nationalised as against 33 per cent at the end of Third Plan.

Road Transport Finance Panel

Mysore, July 27

Mysore Transport Minister Devaraja Urs yesterday urged for setting up a road transport finance corporation for the purposes of developing roads and road transport.

Welcoming the delegates of the All-India Transport Council, Sri Urs referred to the imbalance in the revenue expenditure ratio on roads. While the revenue from road transport is doubled since 1960, the expenditure on roads has increase by 50 per cent only. He pleaded for a more equitable share of expenditure on road transport considering the fact that at present a minor proporation of its revenue is being directly spent on its development.

The Minister also pleaded for increased allocation of cars for Mysore State.

ROLE OF FREE PRESS IN DEMOCRACY

GIRI'S PLEA

Mysore, July 29

Governor Giri yesterday stressed the important role of free press in democracy and said that a press unfettered by any restriction or untrampled by any outside interference could play a significant role. It was the expression of free thought by the press and the platform that could assist democracy in establishing sound traditions and convention to govern the life of a nation.

He warned that a press that was governed or controlled could not command the confidence of the general public. 'If we visulaise the fourth estate as one of the important organs to educate the general public, we cannot allow it to become a hand maiden either of the Government, or of any political party or partisans'.

The Governor who inaugurated the Venkatakrishnayya Memorial Lectures, at the Town hall, paid tributes to the late Venkatakrishnayya, called the Grand Old Man of Mysore, as one of the eminent nationalists who stood in the forefront of the freedom struggle.

He said he had the privilege of enjoying his friendship and associating himself in the great work of organising the workers of the Mysore State Railways in 1930 into a strong trade union movement. Sri Venkatakrishnayya was also the father of journalism in Mysore.

Speaking about the Planning, the Governor said that today planning had become a passion with the people while a few years ago a fashion among our countrymen to talk of planning. It was a necessary and imperative task, he said, for developing our limited economic resources and also in reconstructing our national life on a more equitable and egalitarian basis.

He said the socialist society could not be build merely on platitudes or merely by acting targets. It was essentially on the people and their sense of participation, zeal and cooperation depended the success of all our ventures.

Referring to food scarcity, the Governor said it was necessary that we should tackle the problems of food shortage on a war footing. Every panchayat, every taluk, every district and every State should devote its full attention to make the country not only self sufficient but also create a surplus to meet any emergency arising due to the vagaries of the monsoon.

Dr. K.L. Shrimali, Vice-Chancellor presided.

Sri Agaram Rangiah, president of Journalists' Association, on whose auspices lecture was organised, welcomed the gathering.

SHASTRI TITO TALKS

Prime Minister Shastri and Yugoslav President Tito yesterday reviewed general questions of world peace, including Vietnam, at a 45 minute preliminary discussion, at Belgrade.

Marshal Tito, who received India's Prime Minister said he welcomed Shastri's visit 'on the gloomy international situation today'. He added that it was necessary that all peaceful forces should unite their thoughts and actions to preserve world peace.

EDUCATIONAL GRANTS

The Centre and the States together gave grants worth Rs. 200.2 millions to students in scholarships, stipends and other financial concessions.

The grants, which formed 5.8 per cent of the total educational expenditure, were six times higher than in 1951.

Centre Callous To Co-op Sector

Bangalore, July 28

Mysore Finance Minister Ramakrishna Hegde yesterday charged the Central Government of being in two minds in regard to co-operation and said he wondered whether the Centre had full faith in the cooperative movement or not.

He said 'No doubt, everybody swears by the slogans of socialist democracy and cooperative commonwealth, but when it comes to concerete steps, something goes wrong somewhere and the cooperatives do not get what they deserve'.

Many States in the country had sent in many schemes to start cooperative sugar mills and Mysore had submitted about ten. But so far no license had been received.

He said big sugar syndicates of Uttar Pradesh and Bihar were influential with the Centre and by pressures, they successfully scotched other schemes.

Work As Comrades

GIRI TELLS CITY FATHERS

Mysore, July 30

Governor Giri yesterday called upon the City Fathers to forget their party labels once the elections were over and to work as comrades in providing civic amenities to the people.

Replying to the civic address presented by the City Municipal Council, at the Townhall, the Governor said he was happy that the 'operation broom' campaign had been taken up in Mysore city also. He said that he was not interested in this 'tamasha' being kept going for a week or two. It must be a continuous effort lasting atleast one year so that it could inculcate a habit in the people to keep the city clean.

Sri Giri complimented the citizens of Mysore City, the municipality and the Trust Board for keeping the city clean.

The Governor said that Mysore City was not only the real garden city but also the cleanest city in the country. He hoped that it would become soon an ideal city.

Sri Giri said that municipalities should start cottage industries. We should emulate Japan and Germany in promoting cottage industries, he said.

He hoped that with the availability of Sharavathy power industries would flow from Bangalore to Mysore and link one another.

Sri M. Venkatalingiah, President, presented the address. Sri K. Puttaswamy, Minister for Co operation was also present. Sri B. Baliah, Vice-President, proposed a vote of thanks.

CFTRI WORK PRAISED

Mysore, July 30

Preservation of food by scientific methods and the utilisation of preserved food will to a large extent solve the food problem of India, said Sri V. V. Giri, Governor, addressing the staff of the Central Food Technological Research Institute here yesterday.

He said that he would request all Ministers, both Central and State, to visit the Institute where excellent work is being done in the scientific production of food and food preservation.

Vegetable milk that was being experimented in the Institute is a good substitute for cow or buffalo milk for children. It had a higher dagree of nutrition, he said. He appealed to the workers to undertake effective propaganda to popularise the food products of the institute.

Dr Parpia, Director, received the Governor and took him round the Institute.

Logopedics Institute

Mysore, July 30

CFTRI Crash Plan To End Food Wastage

Mysore. Aug. 2

The Central Food Technological Research Institute, here, has a 'crash programme' of scientific research, to cut down losses, now estimated to amount to 24 million tonnes each year, (Rs. 110 crores) to food stuffs during storage, handling and transport.

The crash programme, as proposed by the Institute in a 15 year perspective plan, involves an annual investment of Rs. 14 crores as against Rs. 1 crore now spent on food technological research.

There are already 94 reserch pokects in the Institute, and the expansion of research programme for the next 15 years would help the country to become a surplus in food.

During the fourth and subsequent plans, the Institute proposes to pay special attention, among other things, to grain conservation and infestation control, utilisation of oilseed meals and fats, preservation of fruits and vegetables, fish meat and poultry, development of cereal industry, utilisation of bran and bran oils and consultancy services for the food industries.

Rice Symposium In Mysore

Mysore, Aug. 2

A four-day symposium on the technology of rice and rice products will be held here from Aug. 19 at the Central Food Technological Research Institute.

Food technologists from all over the country will discuss application of modern scientific methods of techonology in conservation and utilisation of rice with a view to improving quality and preventing wastage.

It is estimated that a total saving of 11 million tonnes of rice, more than a quarter of the estimated crop of 39 million tonnes during 1964 65, can be effected if different types of wastage can be prevented.

About 10 to 15 per cent of rice is lost during storage by the combined action of rodents, insects and micro organisms. Faulty methods of handling and transportation give rise to smaller but avoidable losses.

VILLAGE HOUSING LOAN

The Union Housing Ministry has decided to increase the quantum of loan assistance under the village housing scheme from the present 67 per cent to 80 per cent of the cost of the house as well as the maximum loan amount from Rs. 2,000 to Rs. 3,000 per house.

City Fathers' Concern Over Price Rise

Mysore, Aug. 2

A great concern over the rising price of rice in the city, which is being sold between Rs. 1.20 and Rs. 1.40 per kg. was expressed by both the Congress and Opposition members in the City Municipal Council, on Saturday.

The councillors urged the Government to take immediate steps to check price rise and ensure adequate quantity of rice to the fair price shops.

If the Government was unable to do this, they should not conduct the Dasara festivities, they said.

The Municipal Commissioner, Sri Viswana than refuted all the charges levelled against him during his absence by the President at the last month's meeting. He was discharging his duties according to rules and there was no question of neglect of duty or in competency

ATTEMPT ON BHUTAN KING'S LIFE

100 Million Earn 42 Paise

RURAL HOUSE HOLDS EARNINGS

Over 350 million people in India earn a daily income of only 68 paise and of these 100 million get only 42 paise per head according to the All India rural household survey conducted by the National Council of Applied Economic Research.

The survey reveals that the level of income for 50 million people is 32 paise per capita per day and for the last 10 million only 27 paise.

Rural households are still in the old habit of acquiring gold and silver. The villager tends to invest his savings heavily in land and livestock.

Of the net investment of Rs. 514 crores made in 1962 by all rural households, Rs. 156 crores went in acquisition of land and livestock and farm assets accounted for another Rs. 141 crores. Of the net increase of Rs. 148 crores in financial assets, excluding currency holdings, gold and silver accounted for Rs. 39 crores.

Agriculture and allied activities provide the major part of the income of 77 per cent of the rural households. Only 10 per cent of the households get a major part of their income from crafts, business and professions.

The average number of earners in a rural households is two. The breadwinner of the village household is by and large uneducated and 77 per cent of the heads of households have not received any education.

SWATANTRA'S PROTEST

Mysore, Aug. 3

The Mysore District Committee of the Swatantra Party, at a meeting held on Saturday with Sri H. Ramaraje Urs in the chair, urged the State Government to immediately delete the two clauses of caution contained in the Family Food Card application form that those who gave false information would be punished as per the Indian Penal Code and if the facts mentioned found false, the cards would be cancelled. This, the committee, felt would wound the feelings of the citizens and it was a disrespect to them.

STATUTORY RATIONING IN TOWNS

STATE ZONES TO STAY

All towns with a population of more than one lakh and all areas which have concentration of labour in the country should come under statutory rasioning.

This decision was taken by a committee of Chief Ministers at Delhi on Sunday.

As a preliminary, the States will introduce rationing as early as possible in towns having a population of three lakhs and more.

The proposed ration will consist of 12 ounces per day, providing for an extra quantity of ten per cent for manual labour.

Other important decisions taken were to retain the present single zones and to leave the option for monopoly procurement of foodgrains to the States.

Food Minister Subramaniam told newsmen that informal rationing in areas with population ranging from 5,000 to one lakh, is also envisaged, the quantity of ration in this case being six ounces.

The Minister said that it had been agreed that the Food Corporation would be brought more into the picture in regard to procurement of surpluses.

At present, it is only entrusted with the task of regulating the inter-State movement of foodgrains. Within a State, it is practically having no function.

More Food Output

The Food Minister listed steps being taken by his Ministry to achieve increased output of rice, wheat and other coarse grains. About 25 million tons were proposed to be raised additionally in the fourth plan period mainly through propagation of new varieties of seeds, application of more fertiliser and better plant protection methods. This would represent a major portion of the quantity to be produced to reach the target of 125 million tons by 1970 71.

He said that by the end of the next plan, about 14 million acres would be covered by the new seeds of paddy and 11 million acres of fresh varieties of wheat.

The Minister said the institution of a crop insurance scheme was also under consideration to gurantee the reimbursement of the cost of the impetus of agriculture.

Full Rationing In Mysore City

Mysore, Aug 4

Mysore, Bangalore and Hubli Dharwar cities might come under statutory rationing scheme from January next if introduction of statutory rationing is ratified by the Chief Ministers meet.

At present in Mysore state, 22 towns and cities are under informal rationing.

Informal rationing will be introduced in all towns having a population between one to three lakhs.

Mysore has not been favouring monopoly procurement in the State but has practically drawn up a plan for procurement on slab system on acerage basis.

A clearer picture of the final food policy to be announced in next ten days will be known only after the Chief Minister returns from Delhi.

UNESCO PROJECTS IN INDIA

One of the important projects to be launched in India by UNESCO was for imparting advance training in agriculture in agricultural universities and higher secondary schools.

STUDENTS' VIOLENCE IN INDORE

A 14 hour curfew has been imposed in Indore yesterday following a fresh wave of violence which swept the city.

Shops were closed and buses and other vehicles were withdrawan as mobs went round the city throwing stones and missiles.

Trouble was sparked by earlier clashes between students and police following an unsuccessful attempt by a student crowd to free three students held by the police in preventive custody.

The three boys had just broken a fast to protest against the decision of the Indore Christian College to discontinue some of the post-graduate classes.

A Magistrate and 72 policemen were injured in the violence. About 150 persons were taken into custody.

PADDY MONOPOLY PURCHASE

Bangalore, Aug. 4

Sri T.A Pai, chairman of the Food Corporation yesterday discussed with the State Food Minister Jatti the details of the monopoly paddy purchase to be experimented in the small surplus district of Coorg.

The Corporation hopes to purchase about 18,000 to 20,000 tons of paddy in Coorg in the harvest season.

Sri Pai told newsmen that he favoured advance for fifty per cent of the total expected purchase to be made to the peasant well in advance of the harvest. He wanted at least 20 per cent of the advance to be interest free.

PSP's AGITATION

Bangalore, Aug. 4

Sri Sivappa, Chirman of the Praja Socialist Party would launch a State wide agitation if elections to the panchayat raj institutions are not held before the end of December this year.

He said these elections were due some time towards the end of 1963, but Government postponed the elections on the plea that the Panchayat Raj Act was being revamped. Later, Government assumed powers by a legislation in the last session of the Assembly to further postpone the elections up to a period of the year.

Faithful Tusker

Big in size and in heart as well, the Samsthanam's elephant stood motionless, its eyes filled with tears, when 68-year-old Abdullah, its mahout for 40 years, fell dead after complaining of heart attack

The faithful animal, grieved, placed its trunk on the body of its dear master and would not allow anybody to come near for three hours, till the mahout's son, arrived from Ramnad. The body was later buries in a mosque.

The incient occurred on Saturday when the elephant was about to carry the priest of Sri Naganathswamy Temple at Nainarkoil, near Ramnad, to his home, after the procession of deities was over.

CM SHOULD QUIT ON GOA ISSUE

Sri S. Sivappa, Leader of the Opposition in the Mysore Assembly has called upon Chief Minister Nijalingappa to resign and lead the people of Mysore on the Goa issue. He said Sri Nijalingappa was morally bound to resign if the Parliamentary Board were to decide in favour of early elections in Goa.

Sri Sivappa said that the Chief Minister has no right to accept the proposal for mid term elections in Goa to decide the future of that territory because the Mysore State Assembly has given a verdict for the maintenance of status quo in Goa'.

Sugar Quota Increased

Union Food Minister Subramaniam said yesterday that even though there had been increased production of sugar this year, restrictions on the consumption would not be removed immediately and it would be necessary for the people 'to bear with the present hardship for some more time'.

The Government was aiming at building a buffer stock of six lakh tonnes of sugar and certain steps had been taken to improve the sugar supply to the consumers, he added.

The quotas of the States have been increased by about 15,000 tonnes per month.

UK CONCERN OVER INDIA'S SUBMARINE DEAL

India's decision to buy a fleet of six Soviet submarines has caused considerable concern in British circles.

Defence Minister Chavan's statement that an Indian delegation would visit Moscow on Aug. 15 to negotiate for six submarines for the Indian Navy has brought forth a sharp reaction in London.

A Commonwealth Relations Office Spokesman said 'though British recognises that it is for India to decide what she gets herself and from whom, the British Government hopes that no agreement would be made which would put the close links existing between the Royal Navy and the Indian Navy at risk'.

Music And Milk

Can music induce cows and buffaloes to yield more milk?

The Tirupati Devasthanam, which owns a large dairy farm and experimented by providing music at the farm avers that music does not rise milk production.

Andhra Chief Minister Brahmananda Reddy told the state Assembly that Devasthanam started playing flute and veena recitals to the animals at the time of milking and the famous 'Suprabatha tam' in praise of Lord Venkateshwara.

The result was in one year yield rose from 16,871 to 26,291 pounds.

FELED

Scarcity Condition In Mysore & Bangalore Divisions.

Bangalore, Aug. 4

A number of pockets in Mysore and Bangalore Divisions are in the grip of 'conditions akin to scarcity' following the failure of monsoons.

Kolar District is one of the worst hit districts along with other pockets like Kollegal, Holenarasipur and Nelamangala.

The Government of Mysore has directed the Deputy Commissioners of the affected districts and foodgrains immediately to the people.

Works such as contou bunding, afforestation and minor irrigation works will be undertaken in these pockets.

In addition to this, the Divisional Commissioners can order scarcity relief works for which they have both the power and the finances.

In contrast to the situation prevailing in the southern and eastern parts of the State, conditions in North Mysore are quite satisfactory. Even the chronic famine tract of Bijapur has reported a normal seassion.

Condition in the coastal districts of South and North Kanara are described as 'very good'.

The Hyderabad Karnataka region, one of the backword areas in the State, has also reported normal conditions.

ATOMIC POWER STATIONS

All the three atomic power stations to be set up by the Atomic Energy Commission at Tarapur (Maharashtra), Rana Pratap Sagar (Rajasthan) and Kalpakkam (Madras), with an aggregate capacity of 1190 mw will be completed by the end of the Fourth Plan.

That means India will generate about 1.2 million kw of electricity through atomic energy by 1971.

STATUTORY RATIONING IN 8 CITIES

BANGALORE ALSO TO BE COVERED

Eight major cities, with a population of a million or more will soon come under statutory rationing as a first step towards an integrated national food policy.

The eight cities are Bangalore, Hyderabad, Ahmedabad, Madras, Bombay, Kanpur, Delhi, and Calcutta which has already statutory rationing.

This was announced by Union Food Minister Subramaniam yesterday after the Chief Ministers' Conference which accepted with slight modifications the rationing programme announced earlier.

Rationing will be on the basis of 12 ounces of wheat and rice per day.

Though preparations to launch the rationing system will start immediately, actual rationing will come into force only after about six months. A phased rationing programme for other cities with a population of one lakh and above will be implemented in 12 months.

Some of the industrially important urban areas like Jameshedpur, Rourkela and Ranchi will also be covered by rationing along with the cities of one million population.

The first phase of rationing will embrace 17 million people and the operation of the scheme is estimated to cost Rs. 6 crores.

CM ACCUSED OF 'DOUBLE TALK'

Sri D. S. Desai, Home Minister of Maharashtra yesterday called upon Chief Minister Nijalingappa and other leaders of Mysore to give up their "double talk" and accept "a principled line of reasoning" with regard to Goa.

Commenting on the reported statement of Sri Nijalingappa on Thursday that his utterances on the question of elections to decide the future of Goa were "torn out of context" at the recent AICC meeting at Bangalore, Sri Desai said that to "drag in" the Prime Minister was "the limit of double talk and falsification".

PRESERVATION OF FOOD NEEDS TOP PRIORITY

Mysore, Aug. 7

Union Education Minister Chagla today urged that top priority should be given for the preservation of food in the country.

Addressing the members of the staff of the CFTRI, Sri Chagla said that the real problem today was not so much of increased food production but preservation of foodgrains as 50 per cent of them were wasted.

The Minister was happy that the institute was doing excellent work in preservation of foodgrains. He said that it had given him great pleasure to see a band of dedicated young scientists working in the institute and congratulated them for doing a most important national work, for food was everything.

Sri Chagla said we are too much depending on foreign aid and if all foreign aid is stopped "it will do us good". He had every confidence in our young scientists and given opportunities they would do everthing in stopping import of machinery and food.

The Union Minister also inaugurated the pilot plant for the manufacture of Pectin from raw papaya. At present the country is importing Rs. 4 lakh worth of pectin every year and this is the first pilot plant in the whole of Asia.

Dr. Parpia, Director, took the Union Minister round the Institute.

Non-Aligned Policy Endorsed

The Prime Ministers of India and Uganda in their recent talks in Delhi have agreed that efforts should be made in concert with other non-aligned countries to find peaceful solution of the Vietnam problem.

Both sides condemned all nuclear weapon tests in environments, prohibited by the test ban treaty and appealed that all tests, including underground tests, should be discontinued immediately.

The joint communique issued reaffirmed in clear terms the principle of respect for the territorial integrity and sovereignity of States and declared that historic and well-defined boundaries of States should be regarded as inviolable. It condemned the threat or use of force in settling territorial or boundary disputes and affirmed that these disputes should be settled by peaceful negotiations.

Both countries reaffirmed their faith in the policy of positive non-alignment and peaceful co-existence, followed by most of the newly independent countries of Asia and Africa.

Need For Teacher Training

CHAGLA STRESSES IMPORTANCE

Mysore, Aug 9

Union Education Minister Chagla declared open the new building of the Regional College of Education here on Saturday.

He said the vital problem in education today was the education of teachers and their training. One of the easiest, quickest and simplest methods of training the large number of trained teachers was to start correspondence courses and summer schools. The Government would earnestly consider the question of starting such courses in the Regional Colleges of Education in the country.

Sri Chagla stressing the importance of secondary education said it was the real base of education. 'If we improve the standard of secondary education, the university education will be improved'.

There was a heavy rush in the colleges and universites and the future of education depended upon the cutting down the number of students going to the colleges. Here he stressed the need for vocational bias to remove the pressure on universities.

The Minister said that in the past, the teacher used to be held in high esteem. So far as payment was concerned, he used to receive exgratia payment from his pupils. Today the teacher had neither status nor payment. This had resulted in efficient men preferring other jobs. "With all emphasis at my command, I must sayt hat the noolest, and important profession is that of teaching. The future of India lies in their hands. If the teacher is incompetent and inefficient the future is dark", he added.

Earlier, Sri Chaurasia, Principal, welcomed the Minister. Sri P.M. Sapre proposed a vote of thanks.

REPRESENTATION IN CENTRE

Bangalore, Aug. 9

Chief Minister Nijalingappa, who returned from New Delhi after talks with the Prime Minister reiterating Mysore's claim for adequate representation in the Central Cabinet, maintenance of status quo in Goa for ten years and the setting up of the fifth steel plant at Hospet, told newsmen yesterday that he hoped the Central Goverment would soon accede for representation of Mysore in the Central Cabinet. He also asserted that the fifth steel plant should come to Hospet.

Role Of Engineers

Mysore, Aug. 9

Union Education Minister Chagla stated here on Saturday that the future of India was tide up with the future of engineers.

He was declaring open the administrative block of the National Institute of Engineering.

The Minister said that if the country had to progress it was the duty of the engineers to design and fabricate machinery in India so that the country need not depend upon the vicissitudes of foreign exchange.

Sri Chagla said the Indian Council for Technical Education had recommended the enhancement of salaries to the teaching staff in the engineering colleges But the Mysore Government was lagging behind in implementing it. Turning to the Deputy Minister for Information, Sri Kondajji Basappa, who was present, Sri Chagla said "If you want engineering education in Mysore to improve you must accept those scales".

The Minister paid tributes to the band of dedicated engineers who had started the college as early as in 1946 on their own. He described the Institute as one of the best and finest engineering colleges in the country.

PATNA STUDENTS HARTAL TURNS VIOLENT

ARMY CALLED IN: CURFEW CLAMPED DOWN

The army was called in last evening at Patna to help the civil authorities in maintaining law and order.

Curfew was clamped down in the evening after use of lathis and firearms failed to check students violence.

An unruly mob of over 5,000 students besieged the Secretariat, battled with the police for full four hours and set a corner of the Secretariait on fire.

In the evening the police opened two rounds of fire near Patna junction to disperse a crowd which set fire to a railway compartment and the parcel godown in the railway yard.

The mob also attacked a railway police inspector and two constables and inflicted serious injuries. They ransacked the station.

In the afternoon, the police fired 69 rounds of teargas shells and 25 rounds of unaimed firing to disperse the student mob. But it continued to swell and induled in brickbating in which IGP and DIG received serious injuries.

The mob looted three truck loads of Government foodgrains unloaded at the Bankipore railway station platform and set on fire a petrol pump near the Secretariat.

The trouble started over a strike call given by the Bihar Students Federation against the recent increase in school fees.

There was complte hartal in the city in response to the 'Patna Bundh' movement call given by jointly by the Communist Party and the Revolutionary Socialist Party.

The student mob forced passengers on State transport to disembark. They stoned and damaged four buses, as a result of which buses were taken off the roads.

25 injured were admitted in the Patna Medical College hospital. About a donzen of them had bullet injuries.

Hooligans who were stated to have mixed up with the studeut demonstrators let loose an orgy of arson, loot and plunder while returning from the Secretariat.

Suicide For Luxury

Unable to afford luxuries like air-conditioned bungalow and a car, a married couple in Bombay put an end to their lives by asphyxiation.

Police found the bodies of Thomas Mathai (28), an employee of the Atomic EnergyEstablishment of Trombay and Mary (25), a clerk in the State Home Department in a decomposed state in their flat in a city suburb.

According to a letter left behind by Mathai, both of them were fed up with the day-to-day difficulties in life like standing in long queues for food rations and travel by bus and train. Their ambition was to live in a modern air conditioned bungalow and own a car but could ill afford them though both of them earned, the letter said.

Pak Guerillas Flee Pell-Mell

Pak Sabotage Bid Fails

Nearly 1.200 heavily armed Pakistani infiltrators and saboteurs who launched a large-scale guerilla attack in different sectors of the Jammu and Kashmir ceasefire line fled when the Indian Army units launched an attack on various places on Monday.

The Pakistani attack, which began on last Tnursday, brought some armed bands of infiltrators deep into Indian territory.

The deepest penetration by the raiders reached a village 42 miles from the ceasefire line and only 22 miles from Srinagar.

The Pakistani campaign, timed to coincide with projected hartal which incidentlly fizzled out, was completely smashed by the Indian security forces with the assistance of the local population along the ceasefire line.

An official spokesman in New Dehli described the situation as completely under control.

A Government spokesman said that except for two 'head-on' clashes between our forces and the groups of infiltrators in Jaurian, in the Kargil sector, the incidents were mainly in the nature of hit-and-run raids and attempts at sabotage.

In the last 24 hours, apart from the Badgan incident, the infiltrators fired on a police station at a place 15 miles south-west of Srinagar and attempted to demolish a bridge.

Indian Army patrols have fanned out all along the ceasefire line to apprehend the infiltrators.

Rush Foodgrains

CITY FATHERS' PLEA TO GOVT.

Mysore, Aug. 13

The City Municipal Council which met here on Saturday to discuss the food situation in the city and the soaring prices, urged upon the Government to arrange immediate supply of foodgrains.

It warned the Government that the situation would worsen if sufficient stocks were not rushed to Mysore before the ensuing Dasara festivities.

It also urged the preparation of a new list for the issue of declaration forms.

The President Sri Venkatalingiah moving the resolution said that it was not known what arragement the Government had made for supply of foodgrains to the City.

The Councillors expresed their concern and demanded that regular and adequate quantity of foodgrains should be supplied to the fair price shops and co operative stores.

Sri M. N. Thimmiah criticising the food policy of the Government said that co-operatives should not indulge in profit-making.

Sri Srikanta Sharma suggested that in view of the present difficult conditions, the celebration of the Dasara festivites should be cancelled.

The introduction of statutory rationing will entail more hazards and also will result in bad quality of foodgrains being supplied and in black marketing, stated Dr. B.G. Dis and Sri Ramakrishniah.

Sri Abdul Gaffar Khan suggested that the Government should compete in the open market through co-operatives and fair price depots with its present stocks.

Sri K. Siddiah hoped that the introduction of statutory rationing may enable the selling of foodgrains at lesser prices.

Opposing the levy system, Sri D. Lingiah, blamed the Union Government for the present scarcity. He joined Sri Doddathammiah in blaming the defective distribution system.

Sri Belliappa said that the Central Government, instead of giving attention to problems like food and unemployment, was paying more attention to problems like Goa and inter-State boundary disputes.

Sri B.K. Puttiah said that the defective policies and lack of moral standard in the Government was the cuase for the failure in solving the food problem.

Sri Kempe Gowda agreeing that there was scarcity in the city appealed to the people to give their valuable suggestions to the Government and co operate with it in solving the difficult food problem.

Spiritual & Secular Education Stressed

Mysore, Aug. 13

Sri Jayachamaraja Wadiyar, Governor of Madras, yesterday commended the endeavours of Sri Shivaratreswara Mutt in the national ideal of fostering education both spiritual and secular and undertaking generous schemes of public service.

He was declaring open the laboratory blocks and laying the foundation stones of B. Chandrashekharappa Library Block and Marisamappa Chemistray Block of Sri Jayachamarajendra College of Engineering in the new premises near Manasagangotri.

Sri Wadiyar said spirituality and true education should always remain as the basis of human happiness and security, as they were of the utmost value in this age of strong temptations in the spheres of physical power and material ambitions.

Earlier, Sri M. B. Basaviah welcomed the gathering,

Sri Parashiva Murthy, Principal of the College presenting a report said that Shri Shivarateshwara Mutt was running 14 educational institutions besides the engineering college and 15 boarding homes and feeding nearly 3,000 students every day.

POLICE TEAR-GAS STUDENTS

Fortyfive persons, including 15 policemen, were injured when police fired tear-gas shells thrice and lathi-charged on two occasions in the Osamania University campus at Hyderabad yesterday.

MLAs WRESTLE WITH POLICE

12 suspendeed members of the Maharashtra Assembly yesterday clashed with the police guards at the gates in a bid to enter the legistature compound.

The trouble started when the members, squatting outside the gate, tried to enter the compound. Sri Dhote, a member had a duel with a policeman and tried to snatch his lathi.

The donors, Sri B. Chandrashekharappa and Sri M. Marisamappa presented addresses to the Maharaja.

The senior Swamiji of the Mutt who was present gave his blessings.

Dr. Mariswamy proposed a vote of thanks.

LENIN PRIZE FOR ARUNA

The Soviet Union yesterday honoured Smt. Aruna Asaf Ali by conferring on her the Lenin Peace Prize for services to the cause of peace.

She received the gold medal and a cash price of 25,000 roubles (Rs. 1,25,000).

Smt. Asaf Ali announced that she would donate the cash prize to the Nehru Memorial Fund, the Baliga Memorial Friendship House, the All-India Peace Council and the Afro-Asian Solidarity Committee.

Plan Size Fixed At 21,500 Crores

The Planning Commission on Wednesday decided that the fourth plan should be the order of Rs. 21,500 crores.

Prime Minister Shastri has directed that the plan should give top priority to agriculture to bring an end the country's dependence on external assistance for food. He has suggested a new organisation should be created to achieve food self-sufficiency so that the people did not have to experience scarcity or soaring prices.

He has also directed for utmost economy in administration and efficiency in the public sector projects.

SMALLSCALE OUTPUT

Nearly 40,000 small-scale enterprises in the country produced goods worth Rs. 1,400 crores annually.

LEVY SYSTEM FOR PADDY AND JOWAR

New Food Policy Announced

Bangalore, Aug. 14

The procurement of paddy and jowar on the acreage levy basis, minimum support prices for paddy and jowar, statutory rationing in Bangalore and informal rationing in other important towns, free movement of grains within the State and non-stipulation of maximum selling prices were the high lights of the new food policy of the State announced by Food Minister Jatti yesterday.

The Government will not resort to monopoly procurement and hopes to build a small buffer stock with the grains procured otherwise.

In fixing the compulsory levy for paddy and jowar, the first acre of all holdings has been totally exempted.

The grower is free to dispose his grain in any manner he liked after handing over to Government the quantity stipulated under the levy order.

The Food Corporation will step in as the agent of the Mysore Government in the Mysore Division for procurement. In respect of other divisions, cooperative agencies will be utilised.

The Government hopes to procure about three lakh tons of paddy and one lakh ton of jowar.

Sri Jatti made it clear that Government had no intentions of resorting to compulsory procurement for other foodgrains like ragi

PM WARNS PAKISTAN

Prime Minister Shastri warned Pakistan yesterday that any challenge Pakistan might throw to India's sovereignty would be met "with all might and force" and never be allowed to succeed.

In a nation-wide broadcast, he said that Pakistan infiltrations into Kashmir, coming as it did after its naked aggression along the Kutch-Sind border last April, necessitated a re-examination of Indo-Pakistan relations as a whole.

The Prime Minister declared: "Pakistan has probably taken a deliberate decision to keep up an atmosphere of tension. We have, therefore, to reckon with the situation in a realistic manner."

125 Pak Intruders Killed

17 more Pakistani infiltrators have been killed in the Mendhar area in Poonch sector.

In the Rajouri area, in addition to the 12 killed, 50 intruders have been rounded up.

This rises to 126 the numbers of infiltrators killed. A total of 83 have been captured.

In Srinagar, there was an exchange of fire between Indian police and the intruders near the Tatoo ground yesterday. Four policemen were injured.

Some infiltrators indulged in intermittent sniping under cover of darkness in the outskirts of Srinagar from two directions at the Kashmir armed police lines situated on the road to Baramula.

KASHMIR IS CALM

Union Home Minister Nanda who returned from Srinagar yesterday said 'there is complete calm and normal life in Kashmir'.

Sri Nanda told newsmen that he could 'emphatically aver' that the infiltrators in Kashmir 'are sponsored by Pakistan. They have come from the occupied area and are a part of the forces of Pakistan. There can be no doubt whatever on that question. Some of their uniforms have the marking 'Akrf' (Azad Kashmir Reserve Force)'.

MISGIVING ABOUT U. N. OBSERVERS

Smt. Indira Gandhi, Union Minister for Information and Broadcasting yesterday expressed the Government's misgiving regarding the attitude of the U. N. observers along the ceasefire line, amidst the spate of Pakistani infiltration and sabotage.

She said that the U.N. observers did not seem to be excited about what is happening at the ceasefire line.

She recalled that, some time ago, when the Indian army units captured two posts near Kargil, the U.N. was 'all excited.' She added that 'we withdrew on the explicit understanding that U.N. observers would be right there and they would prevent any untoward development'.

The Minister said: 'The U.N. commitment was that the observers would be stationed there. But when a major development has taken place, nobody seems to be excited about it.'

RELAX CONTROLS

Leaders of industry and trade yesterday called for a relaxation of the controls over industry and advocatad a realistic formulation of the Fourth Plan.

As members of the Central Advisory Council of Industries, they suggested steps to get over the 'economic crisis' in the country, one of them being greater emphasis on production of fertilisers and other inputs needed for agriculture.

INSURANCE IN RURAL AREAS

The Union Ministry of Community Development and Cooperation has asked the State Governments to launch a drive to promote life insurance business in rural areas through cooperative societies and panchayat raj institutions.

He said the insurance rules have been modified to enable cooperatives and panchayats to take out licences and act as agents.

ELECTRIFICATION OF RAILWAYS

Sri O.V. Alagesan, Minister of State in the Ministry of Petroleum and Chemicals has stated that the decade ending with 1965 had seen rapid strides being taken with regard to electrification on the Indian Railways. Up to date, as much as 1,900 R. kms length had been electrified, which was five times the original route length to be electrified, and work on another 1,300 R.kms was in progress. During the Fourth Plan, it was proposed to electrify a further 2,600 R. kms for which studies relating to traffic density etc. had been undertaken.

He said that by the end of 1965 66 about 16.5 per cent of the route length of the entire Indian railway system would have been dieselised.

He felt that as far as the Southern Railway was concerned, electrification should also be undertaken, in addition to Madras-Vijayawada section, on other broad gauge sections such as Madras Bangalore andMadras-Cochin and on sections of the metre gauge system south of Tiruchirapalli which were at present proposed for dieselisation.

Petrol and Diesel To Cost More

NEW LEVY OF RS. 100 CRORE BUDGET

Union Finance Minister Krishnamachari yesterday presented a supplementary budget in the Lok Sabha, which would fetch an additional revenue of Rs. 100 crores in the rest of the financial year.

He said he was aware that his proposal represented a formidable figure, but the exigencies of the situation demanded nothing less.

He added: 'Our current needs, the claims of the Fourth Plan and the every increasing threat to our national security add up to a challenge which has to be met squarely and with a resolute heart'.

The Finance Minister said the object of the proposals was the rationalisation of the entire import tariff and the mobilisation of additional resources for the fourth plan. He added that Government wanted to avoid deficit financing with its attendant evils.

The duty on inferior kerosene remains unchanged but that on superior kerosene will go up by about Rs. 52 per kilo litre.

The duty on high speed diesel oil is to be raised by Rs. 60 per kile litre and on motor spirit by about Rs. 50 per kilo litre.

POLITICAL TRUCE TO MEET PAKISTAN MENACE-P.M.'s CALL

Prime Minister Shastri yesterday called upon the people 'to put aside our disputes and differences, to say the least, for a later date' to face the unprecedent challenge posed by Pakistan in Kashmir.

He said the country would have to be watchful in regard to the Kashmir situation. In many ways the challenge was unprecedented.

The Prime Minister condemned 'the fighting which has been deceitfully unleased by Pakistan through armed personnel in civilian disguise'.

He decalred: 'By now, Pakistan must know that these adventures will cost them dearly. They will never be allowed to succeed. Their attempts have been effectively foiled. The whole world now knows the whole truth about the situation in Kashmir. The complicity of Pakistan has been exposed'.

HOSPET's CLAIM

Union Minister for Steel Sanjiva Reddy assured in the Rajya Sabha that Hospet's claim for a steel plant will not suffer because of the absence of a Minister from Mysore State.

He said: I will certainly try to do justice to all the areas and place the case before the Cabinet before any final decision is taken.

A decision would be taken by the Government within a month, he added.

Black Money

Union Finance Minister Krishnamachari yesterday introduced a fresh scheme for voluntary disclosure of unaccounted income which will be in operation until March 31, 1966.

There will be further facilities for payments of the tax by appropriate instalments extending over a period of not more than four years.

The first instalment should be not less than ten per cent of the tax due.

The identity of the person who makes the disclosure will not be revealed.

The Minister told the Lok Sabha that a sum of Rs. 52.13 crores had been disclosed and most of it had been from medium-type business houses.

Union Finnnce Minister Krishnamachari told the Lok Sabha that demonetisation was neither feasible nor would it produce the desired result of bringing out black money. He said most of the unaccounted money is held in the form of stocks, bogus hundis or property.

Hoteliers Demands

Mysore, Aug. 20

The President of the City Hotel Owners' Association Sri Om Prakash and its Secretary yesterday met the Divisional Commissioner and urged for his assistance to supply the foodgrain requirements of the Hoteliers.

They have written a letter to the State Food Minister that if the Government did not come to their rescue by supplying them their requirement of rice, wheat and wheat products immediately they would be forced to raise the prices of eatables or close down the hotels.

5 KILLED IN FIRING

Five persons were killed when police opened fire yesterday on mobs looting foodgrain shops in Kolhapur. The Leftist Opposition parties had given a hartal call to protest against the Government food policy.

Fifteen people were injured, two seriously and 125 persons have been taken into custody.

The Maharashtra Home Minister Desai stated that mobs looted at least 70 foodgrain shops and set fire to ten. They also made a bonafire of bags of foodgrains at several places.

PIG IRON CONTROL REMOVED

The Government of India has decided to lift the controls on the price and distribution of pig iron.

HEAVY PAK CASUALTIES

The Indian forces engaged Pakistani infiltrator and regular troops yesterday in theGulmarg, Chhamb, Uri, Tithwal and Naushera sectors of the ceasefire line in Kashmir. In these clashes 48 infiltrators and Pakistani troops were killed and a number of rifles and sten guns were captured. Another attempt by the Pakistani infiltrators to damage the Wuyil bridge, near Srinagar, was foiled.

5.30 CRS. FOR HOUSING IN MYSORE

Mysore State will get Rs. 5.30 crores for housing schemes during the fourth plan as subsidy from the Centre. A sizable amount, out of this, would be given to set up a building material industry.

Parboiling Paddy Urged

Mysore, Aug. 21

The second day of the symposium on the Technology of Rice and Rice Products held at the CFTRI was devoted to discussions on the problems of milling and processing of rice.

Mr. D.D. Brown of the Ford Foundation, pointed out that the loss of potential rice supplies on account of rodent, bird and animal damage, both in the field and in storage, has been estimated as ranging from 10 to 30 per cent. He said that the prevention of even half of the estimated loss would make a major contribution to solving the problem of recurrent food shortages.

Parboiling paddy before husking would increase the out-turn of of most Indian paddies by preventing milling losses. Praboiled rice also retains a higher proportion of selected nutrients.

That rice yields of 68 to 72 per cent are possible for most of India's commercial paddy crop, through technological improvements, he said.

FINANCIAL ADVISER FOR MYSORE

Mysore Finance Minister Ramakrishna Hegde disclosed yesterday that an eminent economist with administrative experience will be appointed as financial adviser to the State Government.

On other days it will be at Kallasapura, Medarkeri, Yarekatte, second division of fort mohalla, Veerangere and K.G.Koppal respectively.

Cut In Govt. Spending

A ten per cent cut in departmental expenditure and slahing of non-development and non-plan spending have been proposed by the Mysore Finance Minister Hegde to reduce the gap between resources and targets for the last year of the Third Plan.

It is expected that there would be a saving of Rs. 9 crores, as a result of these proposals,

The Finance Minister is haviag discussions with the heads of various department for economy measures and formulating schmes for a go-slow policy without basically effecting the plan implementation.

Water Rate To Be Enahanced

The Mysore Cabinet which met yesterday considered the question of enahancing the water rate and the betterment levy during the next year for raising additional resources for the fourth plan estimated at about Rs. 50 crores.

The Finance Minister said that they hoped to get about Rs. 3 crores annually from the water rate and betterment levy.

Other resources contemplated are rationalisation of the sales tax structure and a vigorous savings drive.

Union Finance Minister Krishnamachari and Deputy Chairman of the Planning Commission Asoka Mehta will be arriving in Bangalore on Aug. 28 to hold discussions with the State Government on the resources of the State.

ANNIVERSARY

Don't Mix Stones In Rice

Mysore, Aug 21

Sri T. A. Pai, chairman of the Food Corporation stated here that the problems facing the rice-growing industry in the country was no properly understood.

Speaking at the Rice symposium at CFTRI, Sri Pai said how to develop rice industry was the problem facing us.

He said that there should be an all-India policy regarding the modernisation of rice industry so that storage and milling losses could be prevented.

He revealed that the corporation has constituted a committee under the chairmanship of Dr. Parpia to suggest steps to modernise rice mills.

Referring to the argument of a few rice millers that it was the producer who mixed tones in the rice, Sri Pai said it was the miller who should see that there was no stones in the rice. This would save a lot of work which would otherwise be wasted in spearating stones from rice.

CANADIAN WHEAT

Canada will supply nearly 150,000 tonnes of wheat to India this year.

Failure In Kharif Crop

30 to 40 per cent of the kharif crop is feared lost owing to the failure of rains in recent weeks, according to the Union Food Ministry.

It was admitted at even if the rains came in the next few days, only 60 to 70 per cent of the crops would be saved.

The Food Ministry in a note said: 'The progress of food production over the first three years of the Third Plan has not been satisfactory, mainly because of adverse weather.'

The Ministry has complained that there have been shortfalls in physical inputs in respect of major and minor irrigation schemes, fertilisers and improved seeds.

Another defect pointed out was the lacunae in the administrative organisation for agricultural programmes. The note said that a sound industrial backing is necessary for increase in agricultural production.

OFFICIAL DISMISSED

VARSITY MEDIUM

The University Grants Commission Standards Committee has said that unless anIndian language has grown to its full academic stature, it would be unwise to introduce it as the medium of instruction.

The change-over to regional languages at the university level, according to the committee, requires careful preparation as the area of pertinent knowledge to be covered is large and the technology of acquiring knowledge in the universities differs widely from the one used in schools.

As regards examinations, the committee says that the present system lacks sufficient reliability and validity. There should be combination of different methods of evaluation as well as the objective and written types of examinations.

Change Attitude Towards Farmers

PAI'S PLEA

Mysore, Aug. 23

Sri T.A. Pai, Chairman of the Food Corporation of India, winding up the symposium on Technology of Rice and Rice Products on Saturday at CFTRI, said that unless there was a change in the attitude of the nation towards the farmer and an understanding of his problems, there would be no substantial change in the present food situation.

He regretted that there was no national consciousness as to the magnitude of our food problems, but the present food crisis had awakened the nation to the necessity of increasing food production. No nation with any sense of self-respect could ever think of remaining dependent on imports for its food needs, he said.

Sri Pai said that if only a part of the money spent for import of foodgrains has been used to help the farmers financially then we would have been in a happier position. Although we have spent a lot of money for the industrial development of the country, the amount spent on agriculture is negligible, in spite of the fact that half of the national income comes from agriculture. He urged for proper leadership in providing help, assistance and advice to the farmer in improved methods of cultivation.

He felt that when we say agriculture has priority, it is only in the paper and not in actual practice. If only the nation had a basic policy that we should be self-sufficient in food, the problem could be solved. We have to see that not only the country produces enough food but it could export also. Our research workers and extension workers should accept this challenge. He cautioned that no country was in a position to supply us enough rice. There was also lack of national consciousness in wasting lot of food materials at lunch and dinner parties.

He also urged for the use of good quality seeds, better and improved methods of agricultural practices, extensive and organised irrigation and intensive use of fertilisers.

RECEPTION

Mysore, Aug 23

A public reception in honour of Sri Chinamayanandaji, whohas returned from a successful global tour, has been arranged tomorrow at 9-30 a. m. in the Town Hall under the presidentship of Sri B. D. Jatti, Minister for Food.

STUDENTS' ASSN. INAUGURATED

Mysore, Aug. 23

Home Minister Rama Rao inaugurated on Saturday the students' association of the Maharani's college at the Centenary Hall. Smt. M. Jayalakshmmanni, Principal, presided.

Sri Rama Rao said that in the present day circumstances more educated girls should come forward to take up any kind of work in the different fields of public service. After their graduation most of them took up either to teaching or clerical jobs and very few came forward to take up executive posts.

The Minister said that though the number of girl students were increasing in colleges their general performance was much better than the boys.

An educated mother was more useful than the father since she becomes the teacher for all the children in the house. The future generation will be a better one since their education starts at home, he added.

Earlier, Smt. Geetha Nagaraj welcomed the gathering.

PIG IRON PLANT AT HOSPET

A note prepared by the Ministry of Steel and Mines on the establishment of the fifth steel plant at Vishakapatnam, a pig iron plant in Hospet and an alloy steel plant in Salem will be placed before the Cabinet. The Cabinet will decide in a fortnight's time whether all the three projects can be taken up in the fourth plan.

PAK ATTACKS CONTINUE

The Pakistani attempts to attack Indian posts were foiled on Saturday in the Chhame sector. Twelve attackers were killed in one of two clashes.

In the Mendhar sector the security forces clashed with the infiltrators who tried to ambush a country. Two Pakistanis were killed and four captured.

Clashes have taken plance in various other sectors of the ceasefire line, near Mendhar, Tithwal and Akhnur. There was also sporadic exchange of fire between the security forces and the infiltrators in the Kashmir valley.

Mysore-Banglore Electric Trian Urged

Mysore, Aug. 24

Public Works Minister Veerendra Patil yesterday pleaded for electrification of the Mysore Bangalore line to enable for the establishment of more industries and to avert concentration in one Centre.

He was inaugurating the relaid railway track between Chitradurga and Chikjajur at the Chitradurga railway station yesterday. Sri B.C. Ganguli, General Manager, Southern Railway, presided.

The Minister said that if the electrification of this line was taken up the State Government would supply electricity at cheaper rates.

Sri Patil said that the Union Government had neglected the State in providing new railway lines. So far not even a single new line had been constructed.

He urged construction of new lines between Harihar Kottur, Chitradurga-Rayadurga and conversion of Hospet-Goa line via Hubli into broad guage.

Divisional Superintendent Sthanunathan welcomed the gathering and Divisional Engineer Ananthanarayana proposed a vote of thanks.

RECEPTION TO CHINMAYANANDAJI

Mysore, Aug 24

Food Minister Jatti stated here today that there was need for people who can explain in a proper scientific manner and convince the people about the real knowledge of spirituality.

He was presiding over a function in honour of Sri Chinmayanandaji, who has retunred from a successful global tour, at the Townhall.

He said it was not correct to say that the younger generation was not eager to know about our philosophy and religion. What lacked was the explanation of the same in a scientific way so as to convince them.

Sri Jatti said that religion is the only way through which we can carry on our life happily. With-out 'shanti' and 'ananda' life is not worth living.

Sri Chinamayanandaji said that there was no country in the world as a spiritual India and this had been accepted by the western countries.

Speaking about his impressions, he said that there was a great awareness and also an eagerness in the western countries to know more about Hindu culture and philosophy.

City Congress Comt. To Meet Food Minister

PLEA FOR INFORMAL RATIONING

Mysore, Aug. 24

The City Congress Committee will meet the Food Minister Sri Jatti today and apprise him of the increasing food scarcity conditions in the City.

The Congress Committee which met on Sunday to discuss the scarcity conditions, specailly of the availability of rice, urged the Government to introduce informal rationing in the City. It urged the supply of foodgrains to the citizens as per the qutoa at present being given to the people of Bangalore City.

Sri K. Puttaswamy, Minister for Co-operation, who was present said that names of nearly 5 lakh people had been registered for identity cards where as population was only 2.5 lakhs. This had created difficulty in the distribution of foodgrains, he said.

President Sri H.Kempe Gowda and Secretary Sri B.Narayanaswamy spoke.

Earlier, Sri M. Venkatalingiah, Municipal President, welcomed the gathering. Sri Rattehalli Ramappa presented an address. Sowcar T. Thimmappa presented a casket. Dr. Mariswamy proposed a vote of thanks.

Nationalisation Of Food Trade

FAVOURS FINANCE MINISTER

Bangalore, Aug. 23

Finance Minister Ramakrishna Hegde stated here yesterday that in his personal opinion the only way of reducing the speculative price rise was nationalisation of the foodgrain trade by handing over the distribution, at least at the wholesale level, to the co operative sector.

The would have the effect of reducing the rising food prices and hoarding of stocks by big dealers.

This Minister called upon the business community to use its wealth, energies and intelligence in productive enterprises instead of in commerce and middlemen's trade with an eye on quick profits.

RISE IN FOOD PRODUCTION

Bangnlore, Aug. 24

Finance Minister Hegde stated here yesterday that food production in the State was expected to increase by about 5.8 lakh tonnes during the Third Plan as against a projected target of 10 lakh tonnes. This was due to a series of unfavourable seasons and also because of insuffieient supply of fertilisers, which was only 50 per cent of the actual requirements.

Considering all these the achievement on the food front should be considered satisfactory he said.

New Measure To Check Rice Smuggling

Mysore, Aug. 25

Sri B.D. Jatti, Food Minister, disclosed here yesterday that a new measure would be tried to check the smuggling of rice to Kerala.

He told Pressmen that at all border check-posts 'hamals' would be appointed in sufficient numbers to unload all the goods carried in the lorry to find out whether any foodgrains were being smuggled. They would be again re-loaded by the 'hamals'.

Sri Jatti said that the exact cost for the scheme was being worked out.

SILK INDUSTRY OUTLAY

A working group of the Commerce Ministry which has formulated proposals for the fourth plan has proposed a provision of Rs. 15 crores for the development of sericulture industry.

Out of Rs. 12.50 crores, the allocation proposed for the States, Mysore will get Rs. five crores.

SUPPLY OF RICE: CHECK PRICE RISE

JATTI'S PROMISE

Mysore, Aug. 25

Food Minister Jatti assured the people of Mysore that he would try to release rice as far as possible through the co operative stores and try to check the soaring prices.

As an immediate measure, some quantity of jowar and also ragi would be supplied soon, he said. As soon as imported wheat was received by the Government it would be also supplied.

Sri Jatti said that the price rise of foodgrains had come to his notice. The Government would find out the reasons for the same.

He told the whole sale co-operatives to lift the foodgrains allotted to them in time and distribute it to the consumers. Any illegal business will result in 'black listing' them.

The first step in the food policy was to see that sufficient stocks were available in the open market. He was glad that due to the lifting of the inter-district movement ban and the removal of maximum prices, foodgrains were available in the open market. With the possibility of increased flow of foodrains into the market the prices may come down, the Minister indicated.

Sri Jatti warned that if the maximum prices were fixed again foodgrains would go underground and prices would further increase.

When the Pressmen asked whether he was in favour of nationalising the foodgrain trade, Sri Jatti said he would not say anything as it was an all-India policy.

GRAM & GRAM DAL SUPPLY

Mysore, Aug. 25

About 15,000 tons of gram and gram dal have been allotted to the State and the distribution would be entrusted to the Consumers Co operative Federation, said Food Minister Jatti here yesterday.

If the Federation failed to lift them, they would be supplied through the merchants recommended by the Chamber of Commerce, he added.

Honest Officials To Be Protected

Mysore, Aug. 25

All the honest officials who took legal action against persons who committed food offences would be fully protected.

This assurance was given by Food Minister Jatti yesterday at the news conference.

He said that he did not want any interference from anybody in solving this food problem

The Minister reiterated that any person could bring to his notice either by writing, even without specifying his name, regarding the complaints of black marketeers, hoarders and other food offenders. The informants would never be disclosed, he assured.

Asked whether any stern action had been taken against food offenders, the Minister said that four big merchants of Mangalore had been punished and even the High Court had upheld the Government's decision.

SELF-SUFFICIENCY IN FOOD

CM Warns Grain Traders

Bangalore, Aug. 26

Chief Minister Nijalingappa warned here yesterday that if merchants did not behave, the State might be forced to nationalise the foodgrain trade and hand it over exclusively to the co-operatives.

The rising price level of rice was causing anxiety to the State Government, he said.

He told pressmen that the recent rise in prices was an evidence of the traders not behaving well. The maximum prices were lifted on account of the suggestions made by traders and it was expected that they would behave well. 'We will watch for a few weeks more. We will not hasitate to resort to stringent measures later," he added.

2 HILL POSTS CAPTURED

INDIA CROSS TRUCE LINE

Defence Minister Chavan informed the Lok Sabha yesterday that 'in order to push out all infiltrators and to prevent further infiltration and to keep a watch on the retreat routes of the infiltrators, our security forces have crossed the cease fire line at two points and established new positions.

'In this process, they have captured huge arms.'

Pakistan has been denied the use of one of the major routes of infiltration of its regular troops and majahids by the latest Indian move.

The two posts, which are of great strategic importance, are close to each other and situated at an altitude of 9,000 feet.

The Indian action took the enemy, completely by surprice. There was some brief firing on the Indian forces, after which the enemy abandoned the posts and fled.

Change Teaching Methods

LAROIA'S PLEA

Mysore, Aug. 27

Dr. B.D. Laroia, Vice-Chancellor, Bangalore University, yesterday, called for a revolutionary change in the present system of university teaching. Unless this was done, our country would not advance.

He was inaugurating the Medical College Association at the Exhibition buildings.

The present day text books contained the same knowledge what they had 40years ago and it was taught in the same old way, whereas there were tremendous changes in the filed of science and technology. "Unless we shake off the past methods of teaching we cannot compete with the western countries," he said.

He called upon the medical men to strive to widen their knowledge.

They should not also forget the past. Ayurveda, which was over 2000 years old, still had its own merits and many of the recent developments were based upon it. Stressing its importance, Dr. Laroia said that it should be a compulsory part of the study of medicine.

Congratulating the Medical College for starting PostGraduateCourses, he warned that mere starting post-graduate courses would not serve the purpose, without qualified staff, equipment and best students.

Dr. Laroia regretted that contribution made by India in expanding field of science and tecnology was very little. The universities had failed in their prime objective of turning out skilled, cultured and knowledgeable youngsters.

He advised the doctors to have compassion in their profession.

Dr. T. Manickam, Dean of the College, welcoming said that with the completion of the gigantic new surgical block, the bed strength in the hospitals would increase from 1150 to 1500.

Sri H. Puttadasa, General Secretary, read a report and Sri T. Narayana Reddy, Joint Secretary, proposed a vote of thanks.

HOUSING SCHEMES

The Lok Sabha was told by Minister Mehr Chand Khanna that Rs. 27.98 crores were incurred during the first four years of Third Plan against the total allocation of Rs. 35.20 crores under the low income group housing.

Under the middle income group housing Rs. 16.81 crores were spent against an allocation of Rs. 22.50 crores.

Plea For Stopping Dasara

Mysore, Sept. 1

At the monthly meeting of the Municipal Council held yesterday, the councillors expressed their deep concern over rising prices of foodgrains in the city. They urged for immediate release of food stocks to check further rise.

Sri B. G. Das suggested that preparations of eatables by rice in the hotels should be stopped.

He said that when the Food Minister visited Mysore recently he should have met the city fathers to have a fair knowledge of the food situation.

Sri Srikanta Sharma wanted the State Government to supply foodgrains at a low rate by subsidising. He also wanted the cancellation of the Dasara celebrations. If the celebrations were not stopped the opposition parties would launch agitation, he said.

Sri Vedantha Hemmige supporting Sri Sharma said that the State procession was opposed to democratic methods. In view of the rising prices, the Dasara celebrations and the exhibition should be stopped.

Sri K. Siddiah said that the food supply system in the city should be arranged properly to see that foodgrains were made available in all places regularly.

Sri B. K. Puttiah said that though a buffer stock of 90,000 tons had been built up yet the city had not received sufficient supply.

Sri B. C. Lingiah claimed that after the visit of the Food Minister to the city the price of rice in the market had gone down by Rs. 6-8. In about two months time the position would improve further and also there would be a fall in prices.

Sri Belliappa said that lack of proper food policy was the sole reason for all these hardships.

Sri M. K. Lingiah said in important tourist spots in the city the nuisance of beggars and lepers had increased very much. The condition of urinals and public lavatories were deplorable, he said.

Sri B. N. Kenge Gowda who is the chairman of the Beggars' Releief Committee, said that whether to admit the leper beggers to the beggar relief homes or not was being considered.

Sri Cutinho wanted the starting of Home Science subject in the Municipal Girls High School.

CUT GOVERNMENT SPENDING

The Congress Parliamentary Party's executive yesterday expressed great anxiety over the price situation in the country.

While members welcomed the Government's desire to curb deficit financing they drew the attention to the need for curbing non-productive expenditure on administration.

They said that though taxation was necessary for implementation of the plans, the Government must give a lead by checking the mounting expenditure on its own administrative apparatus.

Mandya Farm Praised

Union Finance Minister Krishnamachari yesterday praised the work done in Mandya, where there is an intensive agricultural development.

He told the Lok Sabha that the experiment of Mandya is a good one and added 'in the fourth plan we must multiply these Mandyas'.

The Finance Minister said that while he was discussing the progress of sugarcane cultivation in Mandya, when he visited recently, someone asked for a cooperative sugar mill. Under the rules if they contributed Rs. 10 lakhs for the purpose, they could ask for a loan of Rs. 130 lakhs. He suggested that if they could make a contribution of Rs. 50 lakhs, he would try his best to get the balance sanctioned by the Government.

Pak Raiders Snuffed Out

115 Pakistani raiders have been killed by the Indian security force in two major clashes in Kashmir on Sunday.

Over 1,000 dead bodies have been picked up in the last two days alone.

Indian troops are consolidating their positions after capturing the strategic Haji Pir Pass and also in adjoining areas of the Uri-Poonch sector.

BLAST FURNACE FOR HOSPET

Union Steel Minister Sanjiva Reddy stated yesterday that even if the Government decided to finally locate the fifth steel plant at Visakhapatnam, a blast furnace complex would be set up at Hospet during the Fourth Plan.

He added that the final decision regarding the location of the fifth steel plant would be announced in the first week of this month.

STATES HAVE TO CHECK PRICE RISE

Sri T. T. Krishnama chari, Union Finance Minister, stated in the Lok Sabha that the Union Government had very little to do with the rising prices. It was the States which had the power and the means to arrest prices, whose rise was partially due to a lot of money circulating outside the normal channels of banking.

The Finance Minister said it would be good if the Chief Ministers kept their ears "to the ground" as it were in the matter of foodgrains and the broad policy.

VAGUE COMPLAINTS

Sri Nittoor Srinivasa Rao, Central Vigilance Commissioner, in his first annual report presented to the Lok Sabha yesterday, has stated that a large proportion of complaints of corruption made to him against public servants were either vague or of an unverifiable nature.

The number of complaints he had, therefore, to file was 1,665 out of 2032 anonynous complaints and 783 out of 1 482 complaints made by persons who identified themselves.

NUCLEAR UMBRELLA

India was firmly opposed to all forms of military pacts or nuclear umbrellas declared Prime Minister Shastri and External Affairs Minister Swaran Singh in the Lok Sabha.

Asked about a nuclear umbrella for the protection of Asian countries against any nuclear attack, Sri Shastri said: "India's position has been made absolutely clear. We have been against it and we will continue to remain against it."

PRICE THREAT

The Indian economy was under considerable pressure during 1964-65, according to the Reserve Bank's report.

The three aspects which caused anxiety were the rising trend in prices, difficulties in raising adequate resources for investment and sharp decline in foreign exchange reserves.

The report stated that the prices situation continued to pose a serious problem for the Indian economy.

READERS' FORUM:-

People Groan Under Price Rise

Sir, The price of rice in open market has been rising to alarming proportions daily. Every morning the people in Mysore city hear a rise by five paise per kilo. With no other means, a sense of sheer helplessness and agitation has gripped the minds of people. Today it is Rs. 1-50 and within next few days it will be Rs. 2-00.

People groan, curse the Government and the traders, discuss in coffee hotels and disperse. Beyond this no organised attempt has been made to let know the Vidhana Soudha the people's sense of frustration and helplessness.

The only solution to provide relief to helpless people of Mysore, as I see, is to ensure adequate and required stocks through cooperatives The practice of mockery of supply of grains by distributing 1 8 kilo per unit or ten paise worth of rice should be replaced by regular supply of required quotas. It looks as though Government is supremely indifferent to the grave sufferings of the people, the way the people have to grudgingly pay the amount to the dictations of the crafty traders.

There is a limit for patience and the cup of patience is now overflowing. The Government should act immediately.

DORMANT COOPS.

A large number of primary credit societies. 36,824 out of a total of 2.21 lakhs, are dormant.

Excessive official interference, haphazard planning, inadequacy of resources, the low level of agricultural production in some of the areas and local factions based on village politics or considerations of caste and communities were factors that caused dormancy.

The Ram Nivas Mirdha Committee on Cooperation has suggested measures to strengthen the cooperative movement, eliminate vested interests and weedout non-genuine societies.

Situation Very Serious

Prime Minister Shastri stated yesterday that the situation in Kashmir is very serious following the large-scale armed aggression by Pakistan.

He told the opposition members of Parliament that in view of the very grave situation, 'our whole strategy has to be reviewed and the next steps will have to be considered in a much wider context'.

Sri Shastri revealed that in the fighting on Wednesday, four Indian Air Force planes were lost two shot down by the enemy and two lost for 'different reasons'.

After a 45-minute meeting, all the parties pledged their full support to the Government's Kashmir policy and assured the Prime Minister that they stood solidly behind the Government.

INDIAN QUARTZ

The Central Glass and Ceramic Reaserch Institute, Jadavpur has prepared synthetic quartz crystals.

This will save a huge foreign exchange and give fillip to the optical industry by stepping up production of optical instruments. Besides, quartz, a strategic material, is widely used in radio and television transmitters and such other defence equipment.

AIR BATTLE OVER CHHAMB

PAK PLANES DRIVEN OUT

Indian Air Force fighters, yesterday, drove away Pakistani sabre jets, which attempted to intercept them and returned to the base unscathed from the air battle.

Pakistani Air Force used for the first time, American-made F.86 Sabre jet fighters in attacking an Indian Air Force reconnaissance mission over the Chhamb sector.

The aerial action took place in the midst of heavy land fighting in which the Indian forces inflicted heavy casualties on the Pakistani infantry and tank forces that penetrated nearly six miles deep into Indian territory on Wednesday. Further Pakistani advance had been halted and fighting in the Chhamb area is now on a subdued scale.

Pakistani guns opened up in Kargil and Mendhar sectors on Monday. In Jhangar sector on Wednesday the enemy laid a barrage with 25-pounder guns and 81 mm. mortars. The Indian army hit back everywhere and destroyed six bunkers and set two vehicles on fire. In Kargil, three Pakistanis were killed, three others wounded and four bunkers and three sangars destroyed.

In the Uri-Poonch bulge, the clearing operations by the Indian troops continued.

Our Jawans To Meet Any Situation

Defence Minister Chavan told the Lok Sabha that 'our troops are fighting bravely and confidently and they are competent to meet any situation.'

He said that the Pakistanis by their massive attack had been able to make a salient about five miles deep. The situation was under control and necessary counter-measures had been initiated.

RELIEF TO PAK MIGRANTS

Nearly 20,000 families of East Pakistani migrants are expected to be rehabilitated during the working season 1965-66.

Unite & Meet Pak Challenge

PM's CALL TO THE NATION

Prime Minister Shastri yesterday made a clarion call to the nation to unite and meet the Pakistani challenge.

In a broadcast to the nation, Sri Shastri said that at this critical hour, it was the duty of every one to ensure that peace within the country was not disturbed and that communal harmony was maintained. They must be on guard against mischief-makers and enemy agents who might try to instigate communal disturbances. He appealed to workers to maximise production in industry.

The Prime Minister repudiated Pakistani charge of Indian colonialism in Kashmir and challenged whether President Ayub Khan would be prepared for a plebiscite in Pakhtoonistan or in East Bengal or any part of Pakistan.

Sri Shastri said that while the Government was giving careful consideration to the U. N. Secretary-General's appeal for peace, India cannot go from one ceasefire to another.

WOMAN DROWNED

Mysore, Sept. 4

Smt. Sitalakshamma, wife of Sri Balasundara Mudaliar of N.R.Mohalla was drowned in a tank at Kesare block while immersing the idol of Ganapathi on Thursday evening. She was 45 years old.

TWO PAK JETS DESTROYED

In an air battle with Indian planes over the Chhamb sector, yesterday, two Pakistani F- 86 Sabre jets were destroyed.

Pakistan used the F.104 supersonic star fighters to reinforce their subsonic Sabres.

An Indian-made Gnat fighter destroyed one Pakistani Sabre jet. Ground forces downed a second Sabre, which crashed in flames well inside Indian territory.

Land fighting in the Chhamb sector, where Pakistan has committed an infantry brigade and two regiments of tank, was on a subdued scale. The Pakistani attack has been stopped near the Manawar Tawi river. The Pak forces made repeated attempts to cross the river and probed the Indian defences near the Mandalia bridge. All the attacks were beaten back.

Our forces have further pushed forward from the Haji Pir Pass and set up pickets eight to nine miles across the Kashmir ceasefire line.

PLEA FOR KANNADA MEDIUM IN VARSITY

Mysore, Sept. 4

An appeal to make Kannada as the medium of instruction in the Mysore University was made yesterday by Dr. K. V. Puttappa.

Releasing the Mendel's Special number of 'Prabudha Karnataka' on the occasion of the centenary of the publication of Mendel's paper, in the Maharaja's College Centenary Hall, he said that the Vice-Chancellor should take a bold step and introduce Kannada and make the Mysore University show that it was possible to educate with regional language.

Sri Puttappa said that he was not against English. English has to be compulsorily taught. It was also safe to make use of the international signs and words used in science and technology as they are, instead of trying to change them to regional languages.

Vice-Chancellor Shrimali, who presided, praised the contribution of Mendel. More and more scientific books should be translated into regional languages, he said.

"It is my earnest desire that we should have Kannada as the medium of instruction as early as possible and set an example to the other universities". For this, there was a favourable atmosphere at present, he said.

Sri Bole Gowda speaking said Mendel, born in 1822 in Czechoslovakia had published his paper in 1865 which threw new light on the laws of inheritence and made him famous.

Earlier, Sri Javare Gowda welcomed the gathering.

Sri Prabhu Shankar, Director of Prasaranga, proposed a vote of thanks.

Pak Bomb Mosque: 50 Killed

A mosque in Jaurian village in Chhamb sector was razed to the ground by Pakistani planes. There was a prayer congregation in the mosque when it was attacked by the enemy. About 50 persons are feared to have been killed.

People of the village had earlier refused to harbour Pakistani infiltrators.

Blackmarketing In Mysore Engg. Colleges

Union Education Minister Chagla declared in the Rajya Sabha that capitation fee charged by seven engineering colleges in Mysore is nothing but 'blackmarketing in education'.

He said that the Centre has asked the Mysore Government to bring the seven colleges into the all India scheme.

He added: 'We hope to persuade the Mysore Government either to take action against these colleges or to stop this vicious practice of charging capitation fee'.

Trunk Route Trains To Run 100 m.p.h.

The Indian Railways have decided to equip all their trunk routes and trains for a speed of 100 miles per hour. As a first step, it is proposed to make a few sections of some of the trunk routes and rolling stock fit for a speed of 75 miles. The first such section will be Delhi-Agra. With effect from Oct. 1. the Taj Express will run at a speed of 65 miles per hour.

No Cut In Power Tariff

Mysore, Sept. 6

Sri G. Sambasiviah, Chairman, State Electricity Board, told the local Chamber of Commerce yesterday the proposed rise in electricity tariff was inevitable in view of the increasing cost of production of power.

Addressing he said that the Board was running under loss and was borrowing loans at high rates of interest.

The Chairman said that there was a mistaken notion that because of abundant power generated at Sharavathi it should be supplied at cheaper rate. The cost of generating at Sharavathi was also rising, he said.

Frequent interruption and cut-downs were brought to his notice. He said that they would try to minimise them. Advance information will be given in future as far as possible. There were more interruptions in Mysore because of the lines being improved.

As regards the demand for a sub-station in the industrial estate, he said that it would depend upon the load.

His attention was drawn to the dim street lights in the city and also non-replacement of failed bulbs. Sri Sambasiviah said that the bulbs would be replaced within 48 hours. As regrds the dimness it was because the Municipality had requested them to put bulbs only of lower power.

As regards the maintenance of uniform voltage, he said it would be maintained as far as possible. But the industries, specially which have machinery which may get affected due to fall in voltage, should have 'voltage regulators'.

Earlier, Sri M.S.V. Raghavan welcomed the Chairman. Sri R.R. Sastry proposed vote of thanks.

PAK ROCKET ATTACKS FOILED
IAF POUNDS PAK LINES

Pakistani F 86Sabre jets yesterday approached an Indian Air Force unit over Amritsar area and fired two rockets. But no damage was caused and anti aircraft guns drove the enemy aircraft away.

In the Jammu area also Pakistani aircraft launched rockets against Bisnah and Saror villages and the projectiles failed to hit any installation.

Indian Air Force Mysteres pounded targets deep inside the enemy lines, silenced a light anti aircraft battery and set an army camp ablaze.

City Fathers' Pledge

Mysore, Sept. 10

The City Municipal Council yesterday pledged its support to the Government's action taken to throw out the Pakistani aggressors.

Unanimously adopting a resolution moved by the Chair, Sri Venkatalingiah, it condemned the Pakistani aggression and praised the jawans for their gallant fight against the enemy.

The Council decided to donate Rs. 5,000 to the National Defence Fund as a token contribution.

Sri T.V. Srinivasa Rao wanted the Municipality to economise its expenditure by stopping tea parties etc. and donate the same to the welfare of the jawans.

Smt. Soundaramma wanted the cancellation of the Dasara festivities including the Exhibition. She wanted the Council to start first aid classes.

Sri Masood wanted that prayers should be offered in all religious institutions for victory and to the jawans who laid their lives for the sake of the nation.

Sri H. Kempe Gowda said that measures should be taken to see that food supplies were made regular in order to stop any possible disturbance to peace.

Sri Khalil suggested the setting up of vigilance committees in all mohallas.

Dasara Cancelled

Bangalore, Sept. 10

The State Cabinet, yesterday, it is understood to have decided, not to hold the Dasara festivities in Mysore, in view of the serious emergency.

Rationing In All Cities

Statutory rationing in cities with a population of one lakh and above will be introduced as soon as possible and areas with less population would be covered by informal rationing stated Union Food Minister Sri Subramaniam in the Rajya Sabha. This measure will be taken to meet the emergency created due to Pakistan's aggression.

Sri Subramaniam said it was now our responsibility to see that food supplies to jawans gallantly fighting the Pakistani aggression, were continued unhindered.

He said he had already written to Chief Ministers asking them to start preparations, such as printing the cards, etc, for implementing rationing.

He, however, warned that due to the delay in rains, the khariff crop might not be as good as expected and, therefore, there may be a shortfall. In that case, the quota of 12 ounce of foodgrains might have to be reduced, if necessary.

CPI DEMANDS PAK GUARANTEE

The Communist Party of India (Rightist) stated yesterday that a ceasefire between India and Pakistan in the present context could not be divorced from what preceded and what followed it.

Referring to the resolution of the UN Security Council, the Party said ceasefire has to be prelude to real peace and not a mere manocuvre to help Pakistan to secure better vantage ground for new aggression and resumption of war in the future in one form or another, as had happened more than once in the past.

It was only on the basis of the creation and implementation of certain gurantees or securing India's borders against direct and indirect attacks the withdrawal to the positions before Aug. 5 could be accepted by India following a ceasefire.

10 Passengers Killed In Pakistan Raid

Pakistani planes yesterday bombed a passenger train near Gadra Road in Barner District, killing ten passeagers and injuring eight.

The Pak Air Force dropped three bombs near Saloh, about 15 miles from Hoshiarpur. No damage was caused to property or human life but a tree was burnt.

PAK PARATROOPERS IN ASSAM

Army and police are hunting the armed enemy paratroopers who have landed at several places between Gauhati and Shillong in Assam yesterday night. Their number is about 300.

The paratroopers have also been dropped near Silguri in north Bengal.

Two Pakistani planes raided over Gauhati airport and the Brahmaputra bridge near Pondu twice last evening. The planes were driven off by heavy anti-aircraft firing.

MOSQUE REPAIR BY A HINDU

A Hindu of Ranch has offered to meet the entire cost of repairing the mosque bombed by Pakistani jets in Kashmir.

NO SHORTAGE OF KEROSENE

The Rajya Sabha was informed by Minister Kabir that the present position of stock of kerosene and diesel oil was satisfactory.

Mysore's Plan For Small Car

The Lok Sabha was told by Deputy Minister Mishra that the Mysore Chief Minister has suggested that the Centre and Mysore State should pool their resources and start a factory at Hospet or any other suitable place in the State for the production of small cars.

He said that Sri Nijalingappa has stated that this car would not cost more than Rs. 5,000 (without taxes) and Rs. 7,000 (with taxes). The cost of the project has been estimated at Rs. 23 crores, including Rs. 15 crores in foreign exchange.

The proposal was being examined by the Union Government.

46 Pak Tanks Knocked Out

In the fierce fighting which is going on in the Lahore sector, Indian forces yesterday destroyed another 40 Pakistani tanks.

In the Chhamb sector, the attacking Indian ground forces knocked out six tanks.

PUBLIC MEETING

Mysore, Sept. 11

A public meeting under the auspices of the Janata Party will be held tomorrow at 6 30 p.m. in the Townhall maidan to condemn Pakistani aggression. Sri S. Channiah will preside.

FIERCE FIGHTING IN SIALKOT SECTOR

Indian Army patrols have crossed the Ravi in the Dera Baba Nanak area, where the Pakistani forces blew up the bridge over the river a few days ago in a desperate hit to stem the Indian advance.

A heavy gun duel is now in progress in this area, about 50 miles north-east of Lahore.

In the ground fighting in the Wagah sector on the road to Lahore, Pakistanis launched fierce counter acts.

The Pakistanis also attacked in the Sulemanki sector but they were repulsed with heavy losses to them. After one battle alone the Indian forces counted 70 dead Pakistanis.

The Indian Army recorded a substanial advance in the Jammu-Sialkote sector in the face of a wall of armour hurriedly erected by the enemy and took 150 prisoners including two officers.

With the capture of two more posts in the Uri Poonch bulge on the Pakistani side of the ceasefire line in Kashmir, the Indian troops are now dominating this entire 200 square-mile area which was being used by Pakistan as a base for its army of infiltration.

Pakistan heavily shelled the positions now held by the Indian forces on the border near Ferozepore but 'we are holding our position'. Some shells fell on Ferozepore town.

Pakistan yesterday took another step in escalating the conflict by extending the air war to north Bengal. Pak Sabre jets attacked the Bagdora airfield and destroyed one IAF Packet and a Vampire on the ground and seriously injured two officers. Atleast two Pak jets were destroyed over Bagdogra and the other in an aerial fight over Pasrur, 20 miles from south of Sialkot.

Rs. 202 Crore Gain For Mysore

Mysore will get Rs. 202 crores annually for the next five years as per the recommendations of the Fourth Finance Commission.

Out of this, Rs. 91 crores will be given as adhoc gift and Rs. 111 crores will come as transfer from the Centre to the State out of the divisible pool of income tax and excise duty.

THANT ARRIVING TODAY

The UN Secretary-General U Thant is arriving in Delhi today in his bid to bring about ceasefire between India and Pakistan.

Pak Deception

Pakistani's duplicity in the current operations have come to light.

In an air battle, one of our pilots was about to open fire on a Pakistani plane. Suddenly he restrained himself as he saw IAF markings on the aircraft he was about to nab. He blinked, took a second look and discovered that the plane was an F 86 sabre jet. Pakistani's strategists had put IAF markings on their planes to deceive our pilots.

Pakistanis are practising similar deceit in another direction also. Pakistani paratroopers have in some cases been clothed in Indian Air Force uniforms. In some cases, they have taken the garb and other characteristics of Sikhs so as to mislead the Indian security forces and the public.

25 PAK PLANES DESTROYED

Having lost more than 25 planes, the Pakistani Air Force is indulging in unsuccessful hit-and-run tactics.

On Friday might, it again attempted to bomb Delhi, but did not succeed.

In a bombing raid over Amritsar yesterday, three enemy jets were brought down by our anti-aircraft guns.

HOSTILE ACT

India will consider as a highly hostile act the supply of arms and men by any country to Pakistan while its aggression on India continues, said Minister Swaran Singh in the Lok Sabha.

Referring to the mob attack on the Indian Mission at Jakarta, he said the portraits of Mahatma Gandhi, the President and the Prime Minister were smashed and the Indian Flag was hauled down.

India has strongly protested with the Indonesian Government against ransacking of Indian embassy at Jakarta.

GIRL'S GESTURE

A 12-year-old girl, Ranjana of Bijapur, yesterday, gave all her pocket money to the National Defence Fund.

She had Rs. 87 as pocket money and persuaded her parents to give Rs. 14 more. She sent the amount by money order to the Prime Minister.

Students' Pledge

Mysore, Sept. 13

The students of the city colleges, at a meeting on Saturday, offered their services in whatever capacity required to defend the motherland. The meeting organised by the Coorg Students' Association at the Maharaja's College Centenary Hall under the presidentship of Dr. K. L. Shrimali, Vice Chancellor, gave its unequivocal and unconditional support to the Government in its efforts to fight the Pakistani aggression.

Dr. H. A. B. Parpia, Director, CFTRI, speaking said that Pakistan had challenged our basic principle of secularism.

Prof. C.D. Narasimhiah said Pakistan had to be fought today on three grounds- geographically, culturally and politically.

Kashmir by throwing away Pakistani aggression had shown its belief in secularim. India had showa that it was possible to live as citizens of one country irrespective of religion, said Sri J. Anagol, Controller of Mysore University.

Lt. Col- C. T. Madappa, Dr. M.H. Gopal and Sri D.V. Urs also addressed the gathering.

Dr.Shrimali said Pakistan since 18 years had developed a 'hate India' policy. By joining blocks it had started a war now against India. India had no alternative except to fight force with force. "When war is forced on us, when our freedom is threatened, we have no other option but to fight."

Earlier, Sri M.G. Subbiah welcomed the gathering. Sri K. P. Subbiah proposed a vote of thanks.

JANATHA PARTY'S SUPPORT

The Janatha Party at a public meeting yesterday urged the Centre to set up a national Government in view of present emergency.

Meeting under the presidentship of Sri S. Channiah at the Townhall, it gave its full support to the action taken by Government in throwing out Pakistani aggressors.

Sri S. Channaiah said that at present situation all party factions should be set aside and complete support to the Government should be extended.

Messrs. A. Ramanna, K. S Suryanarayanarao, Deviah and M.R.C. Basappa also spoke.

212 Pak Tanks Destroyed

In the fierce tank battle in the Lahore and Sialkot sectors, our reforces destroyed 40 Pakistani tanks and captured 15 in the past 24 hours. Including these figures, Pakistan has lost to date 246 tanks--212 destroyed and 34 captured in tact. India has lost 33 tanks so far.

PAKISTAN ARMY LICKED

TWO STRATEGIC POSTS TAKEN

The Indian Army's onward march in the Sailkot sector has thrown the Pakistan Army into disarray. The enemy has suffered heavy casualties and has left behind a large number of prisoners.

The Indian forces have destroyed as well as captured substantial quantities of Pakistani armour and equipment including tanks.

In the Lahore sector, from Wagah to Kasur, the troops are going forward despite heavy counter-attacks.

Indian troops occupied two important positions, eight miles north-west of Uri. In the Poonch sector they captured another Pakistani post north of Poonch.

SHASTRI-THANT TALKS

The Secretary-General of the United Nations U Thant had two hours discussion with Prime Minister Shastri yesterday at Delhi.

Sri Shastri is reported to have told Thant that India attached the greatest importance to the prevention of recurrence of events such as the present massive infiltration by Pakistani armed personnel before considering a ceasefire in the current conflict with Pakistan.

STUDENTS' UNION INAUGURATED

Mysore, Sept. 13

Transport Minister Devaraje Urs delivered the inaugural address of the Sarvajanika High School Students Association at Kyathanahalli in Heggadadevanakote taluk on Saturday. Sri Subramanyaraje Urs presided.

The Minister said that since 3-4 years the standard of education had come down to a very low level. In education field it was not only the teachers but even the parents had to play an important role.

Sri Subha Bhatta, Head Master, welcomed the gathering. Sri Keshava Murthy proposed a vote of thanks.

MARTIAL LAW IN PAKISTAN KASHMIR

The Government of Pakistan has arrested nearly 1,000 Kashmiris on suspicion of disloyalty towards Pakistan. The Raja Sultan Haider of Bhimber and nine of his active supporters have been arrested, for making anti-Government speeches in public meetings.

Martial law has been imposed on Pak-occupied Kashmir.

Unsuccessful Pakistan Raids

Pakistan aircraft, which raided Pathankot area has used bombs weighing 500 to 1,000 pounds. Two bombs fell near Sarna in Gurdaspur district. Some houses were damaged in the outskirts of Pathankot town.

They also dropped bombs on Beas area of Amritsar district but there was no damage.

33 heads of cattle were killed in a village in Amritsar district in an air raid. One person was killed and 13 injured in an air raid over Amritsar.

Anti-aircraft guns went into action in Bombay yesterday morning as one unidentified plane flew over greater Bombay.

One Pakistani plane was shot down yesterday by ground fire when Pak planes attacked a goods train at the Gurdaspur railway station.

An unsuccessful attemp to bomb a passenger train betwen Ludhiana and Ferozepore was made by a Pakistan jet. Two bombs were dropped but no damage was caused.

Pakistani planes carried out one of the biggest raids so far in Jodhpur area and dropped 30 bombs.

23 bombs were dropped by Pak aircrafts during four air raids on Jamnagar without causing any damage.

STEADY MARCH IN SIALKOT SECTOR

VITAL POSTS CAPTURED

The Indian Army is going ahead in the direction of Sialkot and the enemy was dislodged from two of its fortified positions after fierce fighting in this sector.

Indian troops, pressing north in the Tithwal sector of the ceasefire line in Kashmir, have destroyed a vital road bridge on the Krishanganga river near Mirpur village on the Pakistani side of the line and are now dominating the entire Pakistani-occupied area to the east of the river.

In their advance to the river, the troops captured two more strategic enemy posts, about five miles north east of Tithwal and inflicted about 40 casualties on enemy.

In the Chhamb-Jourian sector, Indian troops were in contact with the enemy and destroyed three of his tanks.

The commander of the Pakistani Armoured Division artillery was killed in Saturday's battle near Kasur.

A Pakistani Major fled in his pyjamas without offering any resistance when his company post was stormed by the Indian forces in the Haj Pir Pass area.

The Pakistanis were taken by surprise when Indian troops suddenly attacked two of their posts at a height between 7,000 and 10,000 feet in the Uri sector. The company commander was seen fleeing for his life.

In the Uri-Poonch bulge now under the complete domination of the Indian forces, 25 Pakistani soldiers were killed and one taken prisoner when an enemy unit attempted to break through the Indian ring. Two more enemy posts have been cleared in this area.

A force of nearly 50 Pakistani rangers intruded into Indian territory in Rajasthan and attacked a civil post. The small Indian troops fought valiantly though outnumbered and put the raiders to flight. Seven Pak bodies were found in the area.

START RURAL INDUSTRIES

Mysore, Sept. 14

Transport Minister Devaraje Urs inaugurated the district level industrial conference and an exhibition in Chamarajanagar on Saturday. Sri S. Subbarao, President of Nanjangud Taluk Development Council presided.

The Minister stressing the importance of such conferences said that there was a need for greater understanding of the importance of rural industries. He told them to make use of the available raw materials and start handicrafts.

Sri K.B. Shiviah, Chamarajanagar Taluk Board President, welcomed the gathering and Sri Pattaswamiah proposed a vote of thanks.

POLICE PARADE

Mysore, Sept. 14

The passing-out parade of the sixth batch of Probationary Sub-Inspectors of Police was held this morning at the Police Training College Parade grounds.

Sri Kagal, D. I. G. of police, taking the salute told the trainees that with the Pakistani aggression their responsibility was now greater.

He told them to give a proper leadership and create healthy traditions by selfless dedication to work. He told them to develop humility, a great quality to be imbued. Win the confidence of the people and respect, he added.

Sri Kagal dsitributed prizes to the winners.

Earlier, Sri A.Manoraj, Principal of the training college, welcoming, said that 54 cadets had been imparted training in one year period.

CONG. WORKERS' MEET

Mysore, Sept. 14

A meeting of the Congress workers will be held tomorrow at 7 p.m. in the city congress office. Sri Shankare Gowda, General Secretary, MPCC, will address.

PAK PERFIDY EXPOSED

Gen. Nimmo, Chief of the U. N. Military observer group in Kashmir has confirmed the crossing of armed Pakistani raiders to the Indian side of the ceasefire line from Aug. 5 onward.

Gen. Nimmo's findings have borne out India's complaints aboutthe crossing of the ceasefire line by Pakistani armed infiltrators in an attempt to destroy strategic points of communications.

A summary of his findings along with U.Thant's report was presented to the Lok Sabha yesterday.

ACTION AGAINST HOSTILE NAGAS

The Lok Sabha was informed by Defence Minister Chavan that the activities of the hostile Nagas in obtaining arms from Pakistan certainly goes against the spirit of truce agremeent which they had signed with the Government for peace talks. He said the Government was free to take strong action against the hostile Nagas who left for Pakistan and re entered India after getting arms.

EAST PAK EJECTS HINDUS

The Rajya Sabha was told by Minister Lakshmi Menon that East Pakistan Government has planned to drive out all those Hindus who had migrated to India after Jan. 1, 1964 and subsequently returned to East Pakistan after March 31, 1964. She said that during the past few months some minorities from the border areas of East Pakistan had come over to India.

PEACE FORCE OPPOSED

Union Education Minister Chagla rejected yesterday any stationing of the U. N. peace force in Kashmir and said while India would agree to strengthening and increasing the U. N. observers, she would not agree to a UN peace force, Standing of such a force would violate Indian sovereignty.

He was replying in a television interview at Washington.

IRONY OF EXPORTS

For exporting about Rs. 2.16 lakhs tonnes of sugar this year to earn a foreign exchange, the total loss sustained by the country was about Rs. 11 08 crores.

Deputy Food Minister Chavan told the Rajya Sabha that realisation of the international price was only Rs.448 per tonne, while the price to be paid in India was about Rs.965 per tonne. The loss per tonne was, therefore, about Rs. 507. The entire loss had to be borne by the Government.

PESHAWAR AIR BASES POUNDED

The Indian Air Force yesterday pounded the Pakistan's major rear bases at Peshawar and Kohat near the Afghan border.

Fuel dumps were set ablaze and enemy aircraft parked on the ground hit. The aircraft dispersal areas at both these bases were damaged.

These raids, destroyed valuable stocks of aviation fuel and other stores which are reported to be in short supply.

The strategic bombing of Peshwar, headquarters of the Pakistan Air Force, and Kohat, is a serious blow to Pakistan since it was drawing its war planes back to the relatively safer bases after many of the air fields nearer India were put out of commission by the Indian Air Force.

AIR RAID OVER JODHPUR

Pakistani planes raided Jodhpur yesterday night and dropped bombs

Three civilians were injured by splinters of anti-aircraft shells fired by Pakistani aircraft that attacked Barrackpore yesterday. One Pakistani Sabre jet was shot down by our anti-aircraft guns. Two of our planes on the ground were slightly damaged.

Pakistani planes also raided Srinagar twice. They made an unsccessful attempt to bomb a bridge on the Rajasthan canal on the Ludhiana Ferozepore railway section.

Land Reforms From Oct. 2

The Mysore Land Reforms Act will come into force on October 2, according to an official press note.

8-OUNCE RATIONING MOOTED

The Union Food Minister, in a communication to the Chief Ministers has proposed an austere scheme of rationing under which no adult will get more than eight ounces of cereals per day. He has said because of the dwindling foodgrain stocks, the uncertainty about PL 480 imports and the unforeseen pressures on the food front caused by the armed conflict with Pakistan, the next three months will be critical.

ENEMY ARMS USED

Indian troops are using the captured anti tank recoilles guns, machine guns jeeps and other equipment in the Chhamb sector against the Pakistanis.

At several places, the captured equipment replace the losses suffered in the battle. Most of the equipment is brand new.

Heavy Toll Of Pak Armour In Lahore

In the Lahore sector, our forces are firmly holding their positions breaking up waves of Pakistani counter-attacks. A sizable portion of their heavy armour has been destroyed.

The Pakistanis have begun blowing up bridges on the Khagiri canal about six miles from Lahore, as a measure of defence.

Our troops continue to move forward inspite of heavy resistance in the Jammu-Sialkot sector.

In the Uri-Poonch sector our troops are mopping up the remnants of Pakistani troops to their hide-outs. In the process, our forces have occupied three more features north of Poonch. At one place, our troops recovred a dump of three tons of rations and some khaki uniforms from fleeing Pakistanis.

When our forces capturred Ziarat, three miles south-east of Haji Pir Pass, the Pakistanis ran away without putting up a fight. Our troops took possessionof alarge dump of arms and ammunition, which included about 17,000 rounds of ammunition, over 100 hand grenades, more than200, 33-mm rockets and 30 two-inch mortar bombs.

Pak Planes Straffs Villages

Pakistani jets attacked civil vehicles several times yesterday on roads in Jammu area and straffed indiscriminately villages on the road side.

Pakistani aircraft carried air raids over Amritsar eight times yesterday. Our anti-aircraft guns drove them away.

They also attacked Halwara, Adampur and Bhikniwind village in Amritsar district.

Pakistani planes attacked Adampur and one of the enemy aircraft was hit by our ground gunfire and crashed near Alwalpur.Its pilot and co-pilot, who bailed out, were captured by the police.

Of the six bombs dropped on Batala, three exploded. Slight damage was caused to a school building.

There were two air raids over Pathankot and there was no damage.

Enemy aircraft flew over Sangrur and over Barnala yesterday morning.

One bomb was dropped in Ferozeshah area in Ferozepore district.

Two Pakistani jets made about half a dozen raids in Jagraon area of Ludhiana district. One person was killed.

Unidentified planes were sighted twice off Visakhapatnam but on both occasions our anti-aircraft guns drove them away.

Some balloons and battery packs believed to have been dropped by the enemy was found by the police in Baijnath Paprola in Kangra district.

Similar balloons and battery packs were found near Dharmasala district.

Indian Jawans Near Lahore

Indian troops are just six to seven miles from Lahore. Our forces are poised east of the Ichogil Canal midway between Wagah and Lahore. Pakistanis have destroyed a number of bridges across the canal which is over 100 feet wide and about 15-foot deep. Indians, excepting some patrols, have not crossed the canal.

The Indian Army is dominating Lahore airfield.

MYSORE'S PLEA FOR REFINERY

Mysore Chief Minister made a proposal in 1963 for setting up an oil refinery in Mysore. It had not been possible to provide a refinery for Mysore during the Fourth Plan. This was stated by Minister Kabir in the Lok Sabha.

FARMERS PANEL

The Government of India has set up a panel of farmers to advise the Agricultural Prices Commission.

SIALKOT RAIL LINK CAPTURED

Indian forces in Sialkot sector have struck a severe blow at the enemy's communications and have captured the strategic Sialkot-Pasrur rialway line.

Pasrur is 21 miles south-east of Sialkot on the line to Narowal, near the Indian border.

The enemy's defences on the Lahore front have weakened following the destruction of the supply line feeding the Pakistani forces near Lahore.

A Defence Ministry spokesman said the edge of the enemy has been blunted in all sections.

HEAVY LOSSES

Apart from the heavy loss of lives and disruption of civil administration in large areas of West Pakistan, the enemy forces have lost in the past 14 days of fighting, 284 tanks and 55 aircrafts. India has lost 50 tanks in the engagements.

In the air, India had won a definite edge over Pakistan by compelling the Pakistani aircraft to withdraw to rear bases and then bombing the rear.

Indian aircraft yesterday carried out four intense raids on Sargodha air base and other airfields in West Pakistan. Hangers and installations in Sargodha were destroyed. All our planes returned to the base.

Thant's Mission Fails

Sri Swaran Singh, External Affairs Minister declared yesterday that Pakistan's intransigence has foiled U Thant's peace mission and India's defence operations against aggression will continue with unabated vigour.

He said that India was agreeable to a ceasefire, or temporary peace, on the basis of the armies of the two countries holding to the present positions. But Pakistan insisted on its three-point conditions, viz, withdrawal of all forces, Indian and Pakistani from Jammu and Kashmir, induction of foreign forces, preferably Afro-Asian under UN auspices and the holding of a plebiscite in Kashmir within three months of the ceasefire.

Sri Swaran Singh said that if Pakistan insisted on to three points, India's reply was only one point: 'Jammu and Kashmir is an integral part of India and hands off the State of Jammu and Kashmir'.

NO ANTI-INDIAN ACTIVITY IN NEPAL

Nepal will not allow Pakistan to use her soil for any anti-Indian activity, declared Sri S.B. Thapa, chairman of Nepal Council of Ministers.

MEASURES TO CONSERVE FOOD

The Union Government has suggested to the State Governments to take immediate steps to conserve food materials through austerity in food consumption during the present emergency.

In the two orders suggested, the first restriction limits the hosts to be entertained to 25 for ordinary parties and 100 for marriages and funerals. The second restricts the number of courses to be served to two dishes, one substantial and the other subsidiary, in hotels and other catering establishments.

GARUDA FLIGHTS CANCELLED

Union External Minister Swaran Singh told the Lok Sabha that the Indonesian-owned airlines, Garuda, will operate no more in India. Air India had suspended flights to Indonesia as about 300 hooligans destroyed the office equipment and records of Air India in the recent demonstrations in Indonesia.

BLACK-OUT TRAGEDY

One police constable on patrol duty in Bombay lost his life when he fell into a deep well.

The 24-year-old constable, along with three others was detailed for patrol duty to enforce black-out regulations. When they approached a stable whose light was showing the policeman fell into a deep well and drowned.

MISUSE OF KEROSENE AN OFFENCE

Sri Humayun Kabir, Minister of Petroleum, told the Lok Sabha that to make the use of kerosene for purposes other than lighting and cooking a criminal offence had become necessary in view of the complaints about the non-availability of kerosene in many parts of the country. Cases had come to the notice of the Government of people mixing kerosene with high speed diesel oil.

NO NEW VARSITIES

The Lok Sabha was informed yesterday that the Planning Commission was of the view that no new universities should be established by the State Governments during the Fourth Plan. The University Grants Commission has expressed the opinion that before any new university was established a perspective plan of five to ten years might be prepared in consultation with the commission.

Lahore Last Defence Tumbles

Indian Army have crossed the Ichhogil Canal, the inner line of Lahore's defences, about seven miles east of the city.

The crossing was at several places including near the small town of Barki, on the east bank of canal, which the Indian forces wrested from the Pakistanis last week after bitter fighting.

The Pakistanis contested almost every inch of ground at the bank before retrating to the other side of the canal and blew up the vital road bridge to Lahore.

14 GODOWNS IN MYSORE

The Food Corporation of India will construct 14 godowns in Mysore State, at a cost of Rs. 1.04 crores.

The godowns will be located at Bangalore, KGF, Maddur, Srirangapatna, Mandya, Nanjangud, K.R. Nagar, Ponnampet, Mangalore, Shimoga, Bhadravathy, Sagar, Hubli and Gangavathy.

RED CROSS APPEAL

TheMysore State Branch of the Indian Red Cross has appealed to all philanthropic public and welfare organisations in the State for liberal donations to enable it to organise relief work in the present conflict.

INDIA NOT TO BOW TO ANY PRESSURE

NO ENDING WAR ON PAKISTAN TERMS

Prime Minister Shastri declared in the Lok Sabha that no threat or pressure would deflect India from its resolve to maintain the territorial integrity of India of which the State of Jammu and Kashmir was an integral part.

Sri Shastri said that India accepted the U. N. Secretary-General's call for an immediate ceasefire and end to hostilities. It just meant that the parties would occupy the areas they hold.

India had clearly indicated that the ceasefire did not mean not taking action against infiltrators from Pakistan.

He said Pakistan is intent upon continuing the fight unless its plan involving withdrawal of the armed forces of India and Pakistan from the entire State of Jammu and Kashmir, the induction of a UN force and plebiscite within three months is agreed to.

Sri Shastri declared: "let me state that not one of these conditions is acceptable to India.'

Leaders of the Opposition groups in both the Houses welcomed the Prime Minister's statement and expressed their full support to the Government in defending the sovereignty and integrity of the country.

Dasara Off

Bangalore, Sept. 17

The public celebrations of the Dasara festivities in Mysore city have been cancelled, according to an official press note issued on Thursday.

The exhibition, the cultural and the sports events have been cancelled. The illuminations at the Palace, the Brindavan gardens and other public buildings have also been cancelled.

The religious ceremonies to be performed by the Maharaja will however be observed in the palace.

CIVIC CHIEF ELECTION

Mysore, Sept. 17

The Congress Party has decided to set up Sri D. Lingiah and Sri Dodda Thammiah as President and Vice-President, respectively, for the City Municipal Council.

The Council having a strength of 32 has 22 Congress members.

The election is likely to be held at the end of this month.

Pak Bombs Bus: 3 Killed

Pakistani aircraft dropped bombs on a passenger bus near Samba in Gurdaspur district when three passengers were killed and seven were injured.

The enemy aircraft strafed a goods train between Dina Nagar and and Gurdaspur but the bombs fell off the mark.

Pakistani planes attempted to raid Pathankot but were driven away by anti-aircraft guns.

Air raid sirens were sounded in Hashimara, North Bengal when an unidenitified plane was seen over the area.

PAK ARMS HAUL

Enormous dumps of arms and ammunition, which had obviously been created for the replenishment of the stocks of the Pakistani raiders in Kashmir, are being discovered by the Indian forces in the Uri-Poonch and other sectors of the ceasefire line.

A single haul in the Poonch yielded more then 1,000 hand grenades, over 90,000 rounds of ammunition, 68 boxes of rifle grenades, 83 rockets, 120 mortar bombs and a number of anti-tank mines.

★The Indian Air Force bombers carried out raids yesterday on Pakistan's air bases at Peshawar and Sargodha and damaged the runways and installations.

THANT SUGGESTS INDO-PAK SUMMIT

United Nations Secretary General U Thant in a letter to Prime Minister Shastri before his departure for New York has proposed an Indo-Pakistan summit meeting to reach an honourable settlement of the diputes between the countries.

The letter along with other correspodence between U Thant and Sri Shastri was placed before Parliament by the Prime Minister yesterday.

U Thant has said the proposal for a Shastri-Ayub's meeting had been made since his appeal to both sides for a cease-fire had failed to bring about an effective result.

BONN TURNS BACK ARMS FOR PAK

West German authorities have turned back a truck carrying 700,000 rounds of light weapon ammunition that was on its way to Frankfurt for shipment to Pakistan.

The truck from the Swedish factory had crossed Denmark but was refused entry into West Germany.

PAK MIGHT STULTIFIED

The New Delhi correspondent of London Times writes: 'The Indian Army and Air Force have not won their war of attrition but in the nine days of battle they have kept the initiative, they have not suffered any serious reverse and they have destroyed much Pakistani armour and artillery'.

He adds: 'Those who like your correspondent believed that superiority of Pakistani armour would be telling wherever it could be brought to bear have been stultified'.

US WARNS CHINA

The United States has warned China not to intervene in the India-Pakistan conflict.

The warning was delivered by Mr. John Cabot to Chinese Ambassador Wank Kuo Chuan at Warsaw.

Inner Defence Of Lahore Cracking

Heavy fighting is in **progress** in the Sialkot **sector,** where our forces **pushed** the enemy west of the Sialkot-Chawinda **railway** line, blocking **traffic** on the Pasrur-Sialkot loop line.

Our troops have captured **large** quantities of **ammunition** in the vicinity of Chawinda, 60 miles of Lahore.

The Pakistanis resorted to the stratagem of putting their army personnel in civilian clothes. A Pakistani Major was spotted in civilian clothes in the Sialkot sector.

In the Lahore sector, our aircraft carried out a number of sorties over the Lahore area in support of our ground forces. They destroyed a number of enemy vehicles, besides blowing up bridges over the Ichhogil canal, the inner defence of Lahore city.

Our forces are engaged in mopping up operation on the Lahore front and vigorous patrolling is continuing unabated. In this sector, the enemy withdrew to the other side of the canal and is resorting to shelling.

ML. OFFICIALS GESTURE

Mysore, Sept. 18

The officers and officials of the City Municipality, at a meeting held under the chairmanship of Sri Viswanathan, decided to contribute two days and one day's salary respectively to the National Defence Fund from Sept. 1. Even the sweepers and gangmen agreed to donate the same.

Pak Uses 1000-Pound Bomb

In a Pakistani air attack a 1,000-pound bomb was dropped near Dhanaura, a village in Patiala District. The bomb fell at a distance from the village and made a 15 feet wide and eight deep crater. There was no damage.

Enemy planes raided Sangrur, Ferozepore, Hissar and Patiala. A goods train was shelled between Dhariwal and Chhina stations. Five bombs were dropped three of which exploded.

PUBLIC MEETING

Mysore, Sept. 18

A public meeting under the auspices of Jan Sangh will be held tomorrow at 6-30 p. m. at the Townhall maidan to condemn Pakistan aggression and extend whole-hearted support to the Government in meeting the Pakistan menace.

Under the auspices of the City Municipal Council, a public meeting will be held tomorrow at 6 p. m. at the Townhall maidan to condemn Pakistan aggression.

CHINA'S THREAT WILL BE MET

INDIA READY FOR JOINT BORDER PROBE

Prime Minister Shastri declared yesterday that the 'might of China will not deter us from defending our territorial integrity.'

Sri Shastri's firm declaration was the first official reaction to the Chinese demand for the dismantling of Indian military installation on or over the Sikkim-Tibetan border within three days or face serious consequences.

This virtual ultimatum, based largely on groundless allegations and baseless charges of Indian violations of Chinese territory and airspace, was handed to the Indian Charge d'Affairs in Peking yesterday morning.

The Prime Minister said 'we are informing China that its contention is incorrect. Nevertheless, as an earnest of India's desire for peace and to give no ground to the Chinese to make it a pretext for aggression, we are informing them that we have no objection to a joint inspection of those points on the Sikkim-Tibetan border, where Indian personnel are alleged to have set up structures in Tibetan territory.'

Sri Shastri hoped that China would not take advantage of the present situation and attack India.

OPPOSITION PARTY NOT CONTESTING

Mysore, Sept. 10

In view of the emergency in the country, the Opposition party in the City Municipal Council, has decided not to contest the election for President and Vice-President of the Council, for the coming year.

Sri D. Lingiah and Sri Dodda Thammiah, Congress nominees for President, will be elected unanimously.

SIKKIM WILL RESIST

Sikkim's Chogyal (Maharaja) Palden Thondup Namgyal stated in Calcutta yesterday that the people of Sikkim would "resist to the last man any aggression into our country".

"There is no foundation for the allegations regarding military personnel or fortifications on the other side of the border between Sikkim and China. The Chinese demand for withdrawal of fortifications has no basis whatsoever", he said.

Austerity On Food Front

The Centre has urged all State Governments to gear their administrative machinery to ensure stability on the food front and prepare the public for austerity and sacrifice for meeting the Pakistani challenge.

Union Food Minister Subramaniam in a communication to the Chief Ministers has outlined main features of the emergency food plan.

CEASE FIGHTING: THANT FOR BINDING ORDER

UN Secretary General U Thant yesterday proposed that the Security Council issue a binding order for a ceasefire between India and Pakistan and that it request heads of the two Governments to hold peace talks in a third country.

The action propsed by him would invoke the penalty provisions of the UN Charter by formally declaring that a breach of peace exists. But he did not suggest any immediate application of sanctions.

Edited, Printed & Published by G. L. SWAMY at Samachar, Press, J.M. Palace Road, Mysore.

UN WORRIED

The United Nations diplomats were worried about China's ultimatum to India. They all believe that the threat of an invasion was serious and Chinese would cross the border unless India gave in.

Otherwise, one argued, China would lose face and it should have taken this risk into account in setting the time limit.

On the other hand, said another, if the China go into India in strength, they will risk bringing on massive US aid to India or even a US air raid on their Sinkiang atomic bomb installation.

Earlier, Jan Sangh participants took out a procession from the Marigudi Temple, near the Palace to the Townhall in which nearly 1000 people participated.

The City Fair Price Dealers' Association has extended its support to the Prime Minister in repelling Pakistan aggression and has contributed Rs. 5,000 to the NDF.

2 Pak Sabre Jets Downed

In the Lahore sector, the enemy has resorted to flooding the canal, in order to stem the Indian Army advance.

The Indian artillery set fire to an enemy depot across Ichhogil Canal on the ouskirts of Lahore.

The Indian Air Force was active during the forenoon giving close support to the ground troops in the Pasrur and Chhamb-Jaurian sectors.

Pakistan lost two more Sabre jets in an air battle over the Sialkot sector.

Advancing westward from Rajasthan, Indian troops carried out a successful raid in an area west of Khokhropar, which is about eight miles from the international border inside West Pakistan. The troops blew up a railway line in this assault.

Sargodha and other Pakistani bases were pounded by our air force.

In a new thrust to isolate Sialkot from the north, Indian troops captured three Pakistani posts on the Sialkot Chappar road in Tilakpur area and cut the road.

China Extends Deadline

China yesterday extended the deadline of its ultimatum to India to midnight on Wednesday, to demolish certain military structures alleged to be on the Tibetan side of the border in Sikkim or face grave consequences.

China has rejected India's proposal for joint inspection as there was no longer any need for investigation. It said India had admitted that it was possible there were Indian military works on the Chinese side.

CHINA'S EXPANSIONISM CONDEMNED

Capitation Fee Denounced

Mysore, Sept. 21

Vice Chancellor Shrimali yesterday strongly criticised the practice of collecting capitation fee in private engineering and medical colleges and said that the University could not be indifferent to this system which kept away poor and deserving students from the professional colleges.

He was speaking in the Academic Council when a letter from the State Government requesting the University to examine the desriability of making necessary provisions in the ordinance to end the system was taken up.

Dr. Shrimali said that the State Government has decided to take action to end this system. He said he has discussed the question with Chief Minister Nijalingappa who has agreed on this.

Sri S. Sivappa, leader of the Opposition in the Assembly, criticising the practice said they were not colleges but shops where seats were sold.

Sri Parasivamurthy, Principal of Sri Jayachamarajendra Engineering College, said that if the Government came forward with sufficient grants the system could be given up. Sri K. S.N. Adiga and Ganji Veerappa supported the collection of capitation fee. Sri Bandi Gowda, Prof. Venkatachala Iyengar and Prof. Adiki wanted time-limit for private colleges to end the system.

CHINESE FIRING ON BORDER

HEAVY MASSING AT SIKKIM AND LADAKH SECTORS

The Chinese yesterday fired stray shots across the border in Ladakh and Sikkim.

The first shots came across two mountain passes on the Sikkim Tibet border--Nathu-La and Dongchui-La, three miles south east of Jelep-La.

In Ladakh, the Chinese fired in Dumchele area, north west of Demchok and 50 miles south east of Chushul from well within the demilitarised zone.

Indian forces have so for refrained from any retaliation.

Chinese forces have come quite close to all the passes on the eastern and northern borders of Sikkim.

UN Orders Ceasefire

The UN Security Council yesterday adopted a resolution demanding that India and Pakistan should halt their fighting by 12 noon on Wednesday and issue cease-fire to that effect.

The Council also called for subsequent withdrawal of all armed personnel back to the positions held by them before August 5.

Teachers' Gesture

Mysore, Sept. 21

The teachers and staff of the Sarada Vilas College have decided to contribute a day's salary to the National Defence Fund. The students have also resolved to donate liberally to the Fund.

A 9-member defence council of teachers and students has been formed, for enlisting blood donors, holding first aid classes and assisting students who are dependents of armed personnel.

Mehta's Plane Shot Down By Pakistan

Gujarat Chief Minister Balwantrai Mehta, his wife and six others flying in a civilian aircraft, were killed on Sunday, when an enemy plane shot it down over the Kutch area.

It was officially stated by the Gujarat Government that the villagers of the area reported that they had seen two unidentified planes flying high over the ill-fated aircraft. One of the planes swooped down and hit the Chief Minister's aircraft and flew off in the direction of Badin in West Pakistan.

FOLK LORE IN M.A. DEGREE

Mysore, Sept. 21

The Academic Council meeting here yesterday decided to institute 'Folklore' with special reference to Kannada as an optional paper for M. A. Degree in Kannada.

It also agreed to institute a two-year post-graduate diploma course in foreign languages and ten merit scholarships in the under-graduate classes for the benefit of students studying in the institutions under the administrative control of the University from this year.

The Council turned down the plea for permitting the third class master degree students to reappear for the same examination to improve their class.

Pakistani Navy Retreats

An Indian naval aircraft spotted the Pakistani naval flotilla about hundred miles from the Gujarat coast last weekend. The Pak navy was lying waiting for an opportunity to bombard Indian ports. An Indian Navy task force which was already scouting the Arabian Sea, in an offensive sweep immediately set out in the direction of the enemy. Pakistani ships immediately sped swiftly towards Karachi.

UK ATTITUDE RESENTED

Members of Parliament of various political parties yesterday expressed deep resentment to the 'blatant partisan attitude especially of Britain, in favour of Pakistan and its continuing blind spot to Pakistan's repeated acts of aggression against India.'

XI STANDARD POPULAR

Mysore, Sept. 22

Education Minister Kanthi stated yesterday that the eleventh standard had become popular and there was more demand for starting the courses.

He was inaugurating the eleventh standard in the Banumiah's High School.

The Minister said that next year over 2 lakh students would appear for SSLC examination. About 65,000, comprising 87 per cent of the passed SSLC students, would seek admission in the colleges. If at least 20,000 students out of this were provided admission in the eleventh standard rush to colleges would lessen to a great extent. This year only 6,500 students had been entertained in the eleventh standard.

Sri Kanthi said this year 106 schools had been permitted to start these classes. But schools which had a strength of 25 for the eleventh standard were demanding permission. This would not be economical. There should be atleast 45 minimum students.

Earlier Sri B. V. Banumiah welcoming said that there were 41 students in the eleventh standard.

Sri T. S. Raghavachar proposed a vote of thanks.

CHINESE OPEN FIRE IN SIKKIM

Chinese troops intruded across the border near the terminus of the Nathula-Gangatak Road, yesterday. Nathula is 34 miles east of Sikkim capital Gangtok.

Indian troops exchanged fire with the Chinese near the 14,500-foot Nathulla, when Chinese troops opened fire at an Indian position across the border.

There was no casualties on either side. The Indian troops were entirely on our side of the border.

This is the first exchange of fire between Indian and Chinese forces since the massive invasion of India by China in 1962.

In the Ladakh area, Chinese troops and vehicles have been noticed in the Khurnak Fort and Sirijap area and also in the vicinity of Demchok.

Chinese In UP-Tibet Border

Chinese troops intruded into Indian territory across the Uttar Pradesh Tibet border.

60 Chinese soldiers were seen coming down the LipuLekh pass into Uttar Pradesh near the trijunction of India, Nepal and Tibet, on Tuesday.

But there has been no exchange of fire anywhere on India's northern borders since the minor skirmish at Nathule on Tuesday.

China in its latest announcement has accused India of crossing the Sikkim Tibet border and demolishingsome installations on the Chinese side. Prime Minister Shastri described this accusation as 'a product of their imagination'.

TROOPS WILL REMAIN

Sri. M.C. Chagla, leader of the Indian delagation th rhe U.N. Security Council, stated yesterday that with the coming into effect of the ceasefire our troops will stop shooting but will remain in where they are.

Indian Army has penetrated 15 to 16 miles deep into Pakistani territory in Sialkot sector, 8 miles in the Lahore sector and 30 miles inside Sind in West Pakistan in the Rajasthan secror. Pakistani forces hold about 10 miles in the Chhamb Jaurian sector.

Pak Savage Raid

Within a few hours of acceptance of the UN proposal for ceasefire, the Pakistani Air Force made a savage air raid on the thickly populated areas in Amritsar and killed 40 civilians including women and children and injured at least 50.

In the small hours of the morning Pakistani planes bombed the jail hospital at Jodhpur and killed 33 persons-as many as 31 of them patients.

In all a dozen bombs were dropped in civilian areas and nearby villages.

On Monday, the Pakistani planes tried to hit Gurudwar Sangrana Sahib on the Amritsar-Taran road but missed. They killed one child and damged five houses in Gadhapur village.

DEATH SENTENCE

Mysore, Sept. 23

Principal Sessions Judge Panchakshariah sentenced yesterday Doddiah, an employee of the City Municipality to death for murdering his 3 year-old child Devendra alias Chandrasekha.ra

The prosecution alleged that the accused threw his child into the Dalvoy tank in the city on July 3, this year,, on suspicion that it was not his child.

PAKISTAN ACCEPTS TRUCE

Pakistan informed the U.N. Secruity Council yesterday of its acceptance of the U. N. ceasefire resolution. The Council extended until 3-30 a.m. today its dead line for implementation of the accord.

Be Alert: PM's Call To Nation

Prime Minister Shastri announced in the Parliament yesterday that orders were being issued to Field Commanders to effect a complete ceasefire at 3 30 a.m. (Thursday) following Pakistan's acceptance of the ceasefire terms of the U. N. Security Council.

He,however,warned that in the light of the statement of the Pakistan Foreign Minister Bhutto in the Security Council, India had to be watchful and vigilant.

The Prime Minister said that India viewed with great concern the armed Chinese intrusion into our territory. He hopedeven that at this late hour the Chinese Government would return to the path of peace and prevent a major war.

He asked the nation to remain vigilant all along the frontier.

JAWANS PRAISED

Sri Shastri paid glowing tributes to the valour and heroism of the fighting forces who by their act had lifted the nation to new heights.

Modern Hotel In City

PRIVATE INITIATIVE TO BE ENCOURAGED

Mysore, Sept. 28

Hotel facility available in Mysore City from the point of view of tourism was inadequate and if any private party came forward to put up a modern hotel the Government would encourage it, stated Sri D. Devaraj Urs, Minister for Tourism, here yesterday.

Inaugurating a private travel concern, he said that on a plot of 10 acres in Kumarakrupa in Bangalore a 5 star hotel will be constructed soon with the assistance of the Tourist Hotel Corporation of India.

The lack of appreciation to some extent at the Government level and lack of consciousness of utility of tourist industry in the minds of certain officials in charge of tourism was one of the reasons for poor development of the industry, he said.

STUDENTS' CENTRE OPENING

Mysore, Sept. 28

Chief Minister Nijalingappa will inaugurate the Gruntwig students' centre built under the Denmark plan at Shivaragudda, near Maddur, tomorrow at 5 p.m. He will also preside over the farewell function for the outgoing students of the Vidyapeeth.

Medical Exhibition

Mysore, Sept. 28

A Medical Exhibition organised by the Mysore Medical College Association at the college premises was inaugurated yesterday by Transport Minister Devaraj Urs.

Dr. Manickam, Dean, welcoming the Minister said that so far Rs. 5,000 had been collected for theNational DefenceFund and they intended to collect Rs. 25 to 30,000. The collections from the exhibition would also be donated to the NDF.

The Dean said that 25 doctors, 52 nurses and about 100 house surgeons had come forward to join the defence services.

Sri Devaraj Urs complimented the organisers for not only providing medical check-up at cheaper rates also for deciding to donate the collections to the NDF.

It was heartening to note that medicos had come forward to join the army. Mysore State compared to Madras and other States had performed very badly in providing men to the defence forces, he said.

The Minister said more than money we need men. Now was the time to make best possible efforts for strengthening the nation.

Sri Puttadasa, Secretary, proposed a vote of thanks.

The exhibition organised for 15 days works from 9 a.m. to 12 noon and 3 to 8 p.m. and the admission fee is 25 paise. General Check-up Rs.2, E.C.G. Rs. 5, X' Ray Re.1, Blood Sugar Level Re. 1, and Urine Examination 50 paise.

Fresh Pak Intrusions

In the deliberate and pre-planned attack on Fazilka, an Indian officer, one JCO and nine Jawans were killed. 50 Pakistanis were also killed.

The Fazilka incident was by far the most serious ceasefire violation by Pakistan.

There were pitched battles with the infiltrators in the Rajasthan sector and several Pakistanis were killed and the others fled into Pakistan. The infiltrators had been supplied with powerful arms.

Pakistani troops also intruded into Indian territory near Burki and were forced to withdraw west of Ichhogil canal after exchange of fire. Enemy suffered heavy casualties.

The Pakistanis have also been making persistent attempts to improve their positions on the ceasfire line in Kashmir by infiltration. They tried to occupy the hill feature four miles north-west of Poonch and also certain areas in the Mendhar sector. They were driven back and some of their arms and ammunition were captured.

War On Food Front

MYSORE's THREE-POINT PLAN

Bangalore, Sept. 28

The State Government is launching a three point plan to boost food production on a war footlng.

The programme consists of extension of lift irrigation, sinking of irrigation wells and conversion of areas under cash crops into food crops.

Chief Minister Nijalingappa who returned from Delhi, yesterday, announcing the 'war on the food front' said that the Govcrament had prepared a comprehensive scheme of lift irrigation costing Rs. 2.5 crores. The Centre has promised to assist the State.

He said that efforts would be made to increase crops under the Bhadra and Tungabhadra irrigation projects by allowing ryots to use more water.

The Centre had promised to give the State more fertiliser for raising the second crop.

ONE DAY'S WAGES TO NDF

Mysore, Sept. 28

The Mysore Hospital Employees' Association and Sri Krishnarajendra Mills' Workers Union members have decided to contribute one day's pay to the National Defence Fund.

Biggest Ship

The world's biggest ship, the 150,000 ton tanker Tokyo Maru. was launched at Tokoshama yesterday

The giant vessel, nearly quarter of a mile long, will be ready for service in December.

MOCKERY OF TRUCE

The Government of India have told the UN Secretary General Thant, in its latest protest, that Pakistan had made a mockery of the Security Council's resolution by violating the ceasefire line in Lahore andFazilka areas in Punjab, Jaisalmir and Barmer areas in Rajasthan and at various places in Kashmir.

In the face of these Pakistani violations, India considers it ironic that Pakistan should call a meeting of the Security Council to consider the political aspect of Kashmir.

UK FLAYED

Mr. Frank Anthony, MP and Anglo Indian leader has described as 'sordid' the role played by the British Government and press during the Pakistani aggression on India.

He said the British press has carried on a vicious campaign denigrating India's magnificent fighting men and relaying with malicious glee blatant lies.

PRESIDENT'S TOUR

President Radhakrishnan will leave Delhi on Sept. 30 on a state visit to Yugoslavia, Czechoslovakia, Rumania and Ethiopia. He will return on Oct. 14.

CHINESE KIDNAP ARMY MEN

One NCO and two others were surrounded by about 40 Chinese and kidnapped on the Indian side in Dongchui La area of Sikkim on Sunday. The incident took place within 40 yards of the Indian side of the border. India has lodged a strong protest.

Digging activities by the Chinese have been noticed all along the Sikkim-Tibet border. Their intention appear to be to stay on the border for long and to continue their confrontation.

China has protested to India against Friday's demonstration in which a flock of sheep was driven to the Chinese Embassy in Delhi by a crowd.

PRIMARY SCHOOLS TO PRIVATE HANDS

The Government of Mysore was seriously considering the question of transferring the administration of primary schools to private institutions, stated Sri T. Vasudeviah, Director of Public Instruction, recently at Bijapur.

NO COMMITMENT

Mr. Arthur Goldberg, U. S. Ambassador and President of the United Nations, has declined to be pinned down or committed to the idea of plebiscite for solving the Kashmir problem.

He said that the US 'stands by what the Security Council did the other day as part of a general reliance upon the UN as an instrument for bringing about an honourable peace in the sub-continent'.

He, however, said that the first things must come first and the very first thing was to get effective ceasefire and the second was to get withdrawal of troops to the lines that existed before Aug. 5.

He emphasised that the Security Council should take steps to bring about an honourable peace between the two countries and this should be done with all deliberate speed.

NO PEACE-KEEPING FORCE

Prime Minister Shartri told the Parliamentary Congress Party Executive yesterday that the UN Secretary-General had assured him that the observers now being sent to maintain ceasefire are not a "peace-keeping force". They were "only observers on the old pattern".

VIOLATIONS RESISTED

Wherever the Pakistani troops had violated the ceasefire "we have resisted and they have gone back" said Prime Minister Shastri to the Parliamentary Congress Party Executive.

NO PULL OUT BY PAK

Mr. Syed Amjad Ali, the resident representative of Pakistan in a letter to the UN Secretary-General has refused to withdraw Pakistani troops to positions they occupied before the undeclared war with India and warned that unless "immediate steps" were taken to settle the Kashmir issue there was the risk of a worse conflict.

UNION MINISTER WANTS A-BOMB

Sri Mehar Chand Khanna, Union Minister for Works and Housing, suggested yesterday that India should start making atom bombs. "We do not want it, but we have to make it to strengthen our defences", he added.

Pakistan Forces Burn Towns

Khem Karan, a small Indian town, north of Ferozepore, was set on fire by Pakistani troops on Monday night and destroyed the town.

In the Chhamb Jaurian area of Jammu also, they have burnt five villages and lifted grains and cattle from the area under their occupation.

The Pakistan forces have already taken possession of a large number of villages in Jaurian, north of the line of actual control, as it existed at the time of the ceasefire.

An Indian platoon commander was over powered and kidnapped by Pakistani forces in an area south of Burki in the Lahore sector, They also tried to cross the Ichhogil canal oppositie the Jehwan village but withdrew when forces warned them.

A Pakistani observation plane flew over Bedian.

A Pakistani column which had intruded into Rajasthan had been liquidated by the Indian forces.

Sachu. a village 78 miles northwest of Bikaner, which had been occupied by the enemy was recaptured.

WORLD HINDU MEET

King Mahendra of Nepal will inaugurate the two day World Hindu Religious Conference at Allahabad on Jan. 22. His Highness Jayachamaraja Wadiyar. Governor of Madras, will preside over the conference.

NO UNILATERAL ACCEPTANCE

Prime Minister Shastri stated yesterday that India had accepted the ceasefire as proposed by the U. N. Security Council "unconditionally but surely not unilaterally". Deploring the war-like intentions of Pakistan as revealed from its stand in the Security Council, he said, "I think the most urgent task now facing the Council is to ask Pakistan to eschew the path of aggression".

NEW GUJARAT LEADER

Sri Hitendra Desai, now heading the caretaker Government after the death of Chief Minister Bhalwantrai Mehta in an aircraft of Sept. 19, was yesterday elected unanimously the leader of the Gujarat Legislature Congress Party.

UN APPEALS AGAIN

The UN Security Council, yesterday, in another consensus statement demanded of India and Pakistan to urgently honour their commitments and called upon both Governments promptly to withdraw all armed personnel as necessary steps in full implementation of the resolution of Sept. 20.

NO LINKING OF POLITICAL ISSUES

India would never accept any linking of matters for restoring peace in the India-Pakistan fighting with political question, said Sri Swaran Singh, External Affairs Minister in Bombay before emplaning to New York as leader of the Indian delegation to the U.N. General Assembly.

He said that our forces were now subjected to the third phase of Pakistani aggression in the form of surreptitious and sneaking attacks and infiltration behind our lines.

ADDRESS IT TO PAK

India has informed the UN Secretary-General Thant that it would be prepared to withdraw its forces, provided Pakistan is first persuaded to withdraw its armed infiltrators and regular forces.

The call by the Security Council for the cessation of hostilities made yesterday should be addressed to Pakistan alone as India had agreed long ago to a simple, unconditional ceasefire.

The question of withdrawal of Indian forces on a phased basis will arise only after Pakistan agreed to abide by the Security Council's decision.

India's permanent representative at the UN, Sri Parathasarathy told the emergency meeting of the Council 'Does the Security Council or Pakistan expect India to ceasefire unilaterally? The Council cannot expect our forces to stand idly by. They have clear instructions to meet every attack with determination in defence of their positions and themselves.'

Grain levy Order

Bangalore, Sept. 29

The Government of Mysore yesterday promulgated five orders pertaining to foodgrains procurement, minimum prices and distriation to come into effect from today.

Pak Arms Ship Impounded In Suez

The Pakistani ship, Garden of Karachi, has now been impounded at the Suez Port with 10,000 tons of explosives including mine laying equipment sent by Turkey to Pakistan.

The ship coming from Istanbul port, did not manifest explosives while passing through the Suez Canal as required by the canal regulations.

But the ship's officials disclosed the nature of the cargo only after a request made to the Suez Court by the Indian Embassy to impound the ship until it unloaded about a million-dollar worth of peace-time cargo like railway equipment bound for Indian ports.

The ship, which set sail from England before the recent hostilities with the Indian cargo, took refuge at the Turkistan port and there loaded military equipment shipped by the Turkish Government for Pakistan.

Increasing Pak Intrusions

Pakistan is continuing its intrusions violating the ceasefire all along the line from Kashmir to Rajasthan.

Nearly 500 Pakistani Rangers have concentrated at a place in Jaisalmer district and more reinforcements are being sent. The enemy on Sept. 27 attempted to occupy a Rajasthan armed constabulary post, about 45 miles south-east of Gadra Road. The attack was repulsed by Indian forces. In the Akhnoor sector they shelled two posts.

India has lodged protests with the U.N. observers. U. N. Secretary General U Thant's attention has been drawn to further violations of the ceasefire by Pakistan.

Pakistani troops have also intensified patrolling the border areas.

Plea For Amending Municipal Act

Mysore, Oct. 2

Sri M. Venkatalingiah, the out-going President of the City Municipal Council, urged here yesterday for the amendment of the City Municipalities new Act in order to decentralise powers to local-self bodies instead of concentrating under one official.

Giving the details of the developmental works done during his tenure of office at a Press Meet, he said that the new Act was a blow to the democratic ideals. The powers vested in the Council and the President had been reduced. Local bodies represented the Government and hence they should be given more powers.

As regards the civic amenities, the President said that the scheme of supplying complete filtered water to the citizens costing Rs. 30 lakhs was in progress. Schemes costing Rs. 14 93 lakhs for the supply of water to residents of the Eastern extensions and Jayalakshmipuram had also received Government's sanction.

In order to avoid octroi evasion godowns would be constructed at a cost of Rs. 1.20 lakhs.

A Municipal Calony for the municipal employees would be constructed on a 50 acre plot by the side of Mysore Nilagiri road.

The betel leaves garden would also be shifted soon as the Government had sanctioned the aciquisition proceedings.

The Government had also sancttioned the long-awaited scheme of constructing a Stadium at the Doddakere maidan.

A Health Gang to attend intensive cleaning would also be created.

Sri Venkatalingiah said that by efficient administration Rs. 8 10 lokhs could be saved a year.

DASARA SPORTS

COUPS IN INDONESIA

SUKARNO SAFE

An uprising against President Sukarno of Indonesia by an army junta led by Lt.-Col. Untung yesterday was crushed by Sukarno's Defence Minister Gen. Nasution. Jakarta Radio claimed that all those "responsible for the coup have been arrested".

Earlier a group of young officers headed by Untung had seized power, disbanded Sukarno's cabinet and set upa revolutionary council of 45 members in charge of theState affairs. It consisted himself as leader and included Foreign Minister Subandrio.

Untung had broadcast that American-inspired rightist Generals had tried to overthrow the Sukarno regime and the attempt had been smashed. But later reports said Untung's counter-coup was also smashed by a third one.

Both Untung and Dr. Sabandrio had fallen into the hands of loyal military leaders, a statement by the army leaders indicated. Gen. Sukarto in his announcement over the radio said that any act which attempts to transfer power from President Sukarno was contrary to the revolution.

Exhibition On Nehru Inaugurated

Mysore, Oct. 2

"Gandhiji reminded us the past culture of India. Nehru drew our attention to the present and the future, to the great upsurge which was taking place all over the world, democracy, socialism etc. There is great stability today because of this synthesis" observed Vice-ChancellorShrimali.

He was inaugurating 'Jawarharlal Nehru's Vision and Our Goal" exhibition today at the Dasara Exhibition buildings organised by the Directorate of Advertising and Visual Publicity, Ministry of Information and Broadcasting, Government of India.

Sri D. Devaraj Urs, Minister for Transport, presided.

Calling it a day of rededication, Dr. Shrimali said that both these great leaders have left behind a great legacy. Following this great legacy India can move forward with courage and determination and our progress is assured.

The Vice Chancellor said that it was Nehru's faith, courage, determination and foresight which has given us today a stable democracy, when there is instability all around us.

Earlier, Sri Shantesh Patil, Director of Publicity and Information, welcomed the gathering. Sri M. V. Salimath, Field Exhibition Officer, proposed a vote of thanks.

Pak Attacks Repulsed

An official spokesman said yesterday that Indian forces repulsed on Sept. 30 Pakistani attack on some Indian pickets including Raoke and Illoke on the Ferozepore border. Pakistani troops used three-inch mortars in the attack

Pakistani troops were believed to have suffered some casualties. There was no casuality onIndian side,

Pakistanis yesterday made another bid to cross into the Indian territory near Ghatti Baur police post on the Ferozepur border shelling our positions. The attack was successfully beaten back.

More Pakistani dents were reported from all along the truce line extending from Kashmir to Rajasthan during the last 24 hours.

In Uria, Pakistani attack was repulsed with heavy losses to the enemy. Enemy troops attcked and occupied three places near Indian posts north of Jhangar. They were chased away. In Mendhar and Guluti areas the enemy casualty was 24.

PAK PLANES OVER JODHPUR

A few enemy planes were sighted yesterday morning in Jodhpur. An air raid warning was sounded and after 15 minutes the all clear signal was given.

HOSTILITIES MAY BREAK OUT AGAIN: PM

Prime Minister Shastri stated yesterday that the military preparations Pakistan is making and the threats it is directing at India could only man one thing-that Pakistan is not interested in living in peace with India. "I am afraid the way Pakistan is behaving, hostilities may break out again".

"The nation has stood like one man and has risen to the occasion. I am sure that during whatever spell of peace we may now have, it will devote itself to more production in farms and factories which are essentially the sinews of defence", he said.

The Prime Minister said his message to the nation on the eve of his birthday was: "Just as we have won the war, we must win the peace".

President Tito of Yugoslavia has supported India's stand on Kashmir.

He has extended his country's support and sympathy for India's desire for peaceful settlement with Pakistan without third party's interference.

This has been revealed in a joint communique issued after President Radhakrishnan's talk with President Tito.

The communique blames that the present Indo-Pak conflict was due to outside pressures.

GANDHI JAYANTI

Mysore, Oct. 5

A 7-day Gandhi Jayanti celebrations organised by the City Congress Committee, was inaugurated at the Townhall on Saturday by Dr. K.L. Shrimali, Vice Chancellor.

He said that this should be a day of heart searching for the ideals which Gandhiji stood. The world today was not the type of world Gandhiji dreamt. There was violence and distrust.

Gandhiji himself had told us that we had to take to violence when our freedom and our basis of life were in danger. It would be cowardice not to resort to arms. For him non violence was not a sign of weakness. It was also a weapon, the Vice-Chancellor said.

NO SURRENDER OF TERRITORY

Prime Minister Shastri declared yesterday that India would not allow anybody to impose a military decision on the Kashmir issue. "We will fight and not rest till such an aggressor is defeated".

Addressing a public meeting in Delhi, Sri Shastri said: "I want to tell the world that India does not want even an inch of territory belonging to any other country but will not likewise tolerate seizure of an inch of our territory by anybody".

He said that this recent conflict between India and Pakistan had made one thing clear to the world that India would not brook any unfair treatment or injustice.

Asking people to be prepared for more sacrifices to uphold national prestige and honour, the Prime Minister said: "the danger is not yet over. We should train ourselves to face hardships with courage and smiles".

DESPERATE BID

Pakistan is negotiating with Portugal in a desperate bid to buy arms and equipment to replenish its losses in the recent conflict with India.

It has also been contacting a number of professional gun-runners both in Europe and Latin America to buy military hardware.

Insurance For Cows

Dr. ALWA's PLEA

Mysore, Oct. 6

Sri K. Puttaswamy, Minister for Cooperation yesterday stressed the need for rearing the cows well so that they might yield more milk.

Presiding over the first anniversary of the Mysore City Dairy scheme, the Minister asked the people to drink more milk so that they could be healthy. He also asked the farmers to take more interest in rearing their cows.

Health Minister, Dr. Nagappa Alwa speaking on the occasion said that like population, cows were also increasing. But the yield of milk was very low. So it was important that cows should be given nutritious food to yield more milk.

Dr. Alwa also suggested the introduction of cow insurance like in western countries, so that they could be protected well.

Sri Jayadevaraje Urs, President of the Mysore Taluk Board welcoming said that ten cooperatives were functioning under the scheme.

Sri Channappa proposed a vote of thanks.

POPE'S CALL

Pope Paul VI yesterday called on the nations of the world to droop their offensive weapons and work out plans for international security without recourse to arms.

In an address to the 117-nation U.N. General Assembly, the Pope reaffirmed his faith in the world organisation and called on the nations to swear an oath to change future history of the world: "No more war, never again war".

In a dramatic history-making appearance to UN and in continuation of his appeal to nations made in Bombay, the Pontiff said: 'If you wish to be brothers, let arms fall from your hands.One cannot love while holding offensive arms'.

He told the UN delegates that the end of offensive weapons was a noble goal and declared the world expects the UN to achieve it.

The Pontiff urged the UN to do its utmost to feed the hungry of the world but he spoke out against a UNendorsement of birth control.

Welcoming the Pope, U Thant said that the historic visit was taking place at a time of grave dangers to the peace of the world.

Prepare For More Sacrifice

CM's CALL TO PEOPLE

Mysore, Oct. 8

Chief Minister Nijalingappa yesterday called upon the people to be prepared for greater sacrifices as Pakistan had not stopped hostilities though there was ceasefire.

He was participating in the Gandhi Jayanthi celebrations at the Townhall.

The Chief Minister recalled Gandhiji's statement that when our freedom was at stake we had to resort to violence as non-violence was not a weapon of coward. By following this, our leaders had shown that Gandhiji's ideals were being followed and they would remain for ever.

He also praised the Bangalore 'Gnats' in bringing down many enemy planes.

UK UNFRIENDLY ATTITUDE

Prime Minister Shastri has expressed the hope that the India-wide indignation against Britain's attitude on Pakistan aggression would force the British Government to take a more objective attitude.

He said Pakistkn seemed to be determined to sabotage the ceasefire and the future seemed uncertain. 'We must be ready for action if, it is forced upon us again'.

The Prime Minister said that it would be most unfortunate for the world and cause of peace if the crime of aggression were compounded. It would be worse still if the aggressor was rewarded.

NO MIXING UP FOOD AND POLITICS

Union Food Minister Subramaniam said yesterday that India had informed the United States that wheat and politics could not be mixed. 'We are very clear we would not accept any political strings to the food supplies under the PL-480 programme'.

Women's Pledge For Nation's Defence

Bangalore, Oct. 11

At a women's mass rally held here yesterday under the auspices of the National Defence Council, more than 5000 women, young and old, took pledge to sacrifice every thing to preserve the hard won freedom and territorial integrity of the country.

Inauguratiag the rally, Chief Minister Nijalingappa called upon the women to foster patriotism among their menfolk.

Indian women, known for their sacrifices down the ages,now had to help swell the defence fund. It might become necessary even to miss a meal a week.

He asked the working women to put forth maximum efforts to step up production and also join the first-aid classes in large numbers.

Smt. Sudha Reddy suggested ban on the sale of stainless steel as every bit of it was required for manufacturing war materials.

Smt. Yashodara Dasappa advised people to sink their differences and put united effort to step up production.

Toil And Sweat

PM's CALL TO KISANS

Prime Minister Shastri yesterday called for self-sufficiency in food.

In a broadcast to the nation, the Prime Minister said that self-sufficiency in food is no less important than an impregnable defence system for the preservation of freedom.

He said: 'Our long term objective must to achieve sufficiency in food, not by self denial but by producing enough within our country in order to feed and build up a nation which is healthy and strong. Dependence on food imports is not only bad for the economic health of our country but it undermines also our self-confidence and self-respect. We have to stand on our legs and a beginning has got to be made right now towards self-sufficiency in food'.

He asked the farmers to fall back on more and more compost as it might not be possible to import as much fertilisers as was necessary due to scarcity of foreign exchange.

He told the kisans: "The jawan is giving his blood, he is staking his life for the country. I am asking the kisans to give their toil and their sweat".

India Should Have A-Bomb

JAN SANGH LEADER'S PLEA

Mysore, Oct. 13

Sri Jagannatharao Joshi, General Secretary of the Bharatiya Jan Sangh, said here yesterday that India should possess atomic weapons to equate the balance of power.

Addressing a public meeting in the Townhall, he said China which was our common enemy may soon blast its third atomic weapon.

Sri Joshi called for realigning our policy with other countries like New Zealand and Australia which no longer wanted to toe the line of Britain but wanted to follow their own policy. This would serve our interest.

"We should also have a plain talk with U.K. and U.S.A. and tell them not to equate the aggressor with the aggressee. Pakistan is the aggressor in Kashmir and it should not be allowed to enjoy the fruits of aggression." he said.

He said that China was our common enemy. Pakistan was playing to the tunes of China. China by creating conflict in many parts of the world wanted to set up countries one against the other.

Sri Joshi also wanted that the people in the border areas should be provided with arms to fight the enemy. We should not depend for foodgrains on other countries. Hence the ryots had to fight their battle on the field and support the jawans.

TURKISH GIRL's GESTURE

A turkish Girl, Miss Gaulten Tanik, has sent ten dollars to the Indian Prime Minister through a pen friend in New Delhi, as her donation to the National Defence Fund.

In a letter, the girl said the small contribution was intended to show that India had friends in Turkey.

NO CLOSURE OF SILK FILATURES

Chief Minister Nijalingappa assured in the Mysore Assembly yesterday that the Government would not close down the Silk Filatures even though they were incurring heavy loss. The filatures provided employment to nearly two lakhs of people and the Government hoped to see that they yielded profits in future.

EX-RULER ENDS LIFE

Thakore Saheb of Bikha Darbar, Sri Ravatwala of the former State of Bikha in the Saurashtra region died yesterday from bullet wounds.

The police said they believed it was a case of suicide. The Thakore was arrested recently and released on bail for alleged possession of foreign liquor without a permit.

PROHIBITION POLICY

Bangalore, Oct. 12

The State Assembly was informed by Finance Minister Ramakrishna Hegde that a final decision on the question whether to continue or modify the prohibition in the State would be taken very soon.

He said that the State had already communicated its views on the recommendations of the Tekchand Committee to the Centre.

SUPRABHATAM IN TEMPLES

Bangalare, Oct. 12

Suprabhatham, harikathas and bhajans will be introduced in important temples in the State shortly.

A pamphlet containing 'Do's and Dont's' during pooja time in temples has already been issued.

These steps form part of the programme of the State Government to develop places of pilgrimage as tourist centres.

HOMAGE TO JAWANS

Bangalore, Oct. 12

The Mysore Legislative Assembly which commenced its session yesterday, paid homage to the jawans who had laid down their lives for the country in the recent Indo-Pakistani hostilities and reaffirmed the determination of the people of the State to be prepared for all eventualities.

WOMAN MURDERED

Mysore, Oct. 15

The Nanjangud police have taken into custody 13 persons in connection with the murder of Smt. Sharadamma, wife of Sri H.S. Subba Rao.

On the evening of Sunday, some miscreants entered the house when she was alone, gagged and fatally stabbed her and decamped with money and jewellery.

Sri Ramalingam, SP, has sent fingerprint experts to the scene.

WORKERS GESTURE

Mysore, Oct. 12

The workers and staff of the Ideal Jawa factory have contributed Rs. 1,908 to the Indian Air Force Benevolent Fund.

PSC CRITICISES GOVT. ACTION

The Mysore Public Service Commission has observed that the tendency on the part of the Government to obtain 'ex-post facto' concurrence of the commission was on the increase.

In its report for 1963-64, the commission has said that it had now become a matter of routine to ask for such concurrence.

CHECKING WASTE IN HOTELS

A conference of hotel proprietors in the four Southern States to devise measures to avoid waste in eating houses will be convened at Madras on Oct. 21.

Give Up Wrong Notions of Food

PAI's PLEA

Sri T.A. Pai,Chairman of the Food Corporation stated yesterday at Bangalore that it was time to stop complaining about the food problem and blaming the Government. Instead, people must realise that they, too, had a certain responsibility and try to solve it in a rational way.

He felt that if only people could manage to eat a handful of rice less everyday, there would be no food problem. But, in India, people were learning to eat more and had made 'wastage' into an institution.

It was also time, he said, to do away with false ideologies, fads and wrong notions about what constitutes food. People felt that only wheat and rice were food and refused to consider fruits, vegetables, etc. as such.

Sri Pai said what mattered was not the amount of food produced in the country, but the quantity that actually reached the mouths.

He said: 'We must underst and what food is, realise that the consumer, too, has a share in it. And food must become a mass movement'.

He suggested a levy on cash crops to be used for subsidising food crops. He said there was need for some kind of parity between prices of the two. No amount of subsidy would help food production, so long as cash crops brought bigger returns for the ryots.

Pak Warned Of Sea Blockade

Union Minister of Law and Social Security A.K. Sen warned Pakistan yesterday that if it carried out its threat to launch "prize court proceedings" in respect of Indian cargo illegally seized by Pakistan, India will be free to institute such action as blockade and seizure of Pakistani ships or cargo destined for Pakistani ports.

In a broadcast to the nation, Sri Sen accused Pakistan of flouting "every canon of international law" in its hostilities with India. If Pakistan continues to flout the canons India may be forced to take appropriate measures of reprisal under international law. Prize court proceedings cannot be instituted without the declaration of war.

PAK MOBILISING MORE RAIDERS

TO ATTACK KASHMIR

India yesterday informed the United Nations that 14,000 raiders from the North-West Frontier have been recruited and despatched to Pakistan-occupied Kashmir by Pakistan.

India's letter handed over to the Secretary-General said that the recruitment driver for infiltrators was in full swing in Pakistan-occupied Kashmir.

'It must be clearly understood that any effort by Pakistan to send fresh waves of armed raiders into Kashmir must be treated by India as a gross violatinos of the ceasefire and an act of aggression and that in such circumstances India would be free to take suitable action in self defence', warns the Indian note.

It has been pointed out that only two major 'infiltration routes were closed during the last operations, namely those in Tithwal and Uri-Poonch areas. Several other routes were still open to infiltrations.

Shastri Warns Left Reds

Prime Minister Shastri yesterday warned against the double talk indulged in by the left Communists who, he said, equated India and Pakistan on the current conflict between the two countries.

He said the left Communists were saying that both Pakistan and India werecorrect in their stand on this issse. Such an attitude was totally opposed to the national policy and the united opinion in this country. If they persist in this attitude of questionable loyalty to the motherland, why should they at all stay in this country, he asked.

MILK COLONY NEAR ANEKAL

Bangalore, Oct. 19

Revenue Minister Krishnappa informed the Legislative Assembly that the State Government proposed to set up a colony on the lines of Aarey colony of Bombay near Anekal in Bangalore and the work had already started.

Dairy projects on a smaller scale were contemplated for Mangalore, Hubli Dharwar, Gulbarga and Shimoga-Bhadravathi.

He said that giant projects were the only insurance against recurring scarcity conditions and major projects alone could result in substantial increase in food production.

E. PAK NOT INTERESTED IN KASHMIR

The independent East Bengal Revolutionary Council has said that the people of East Bengal are not interested in the Kashmir issue. This problem is being used by President Ayub Khan to strengthen politically the position of West Pakistanis.

The Council's pamphlet speaks of a secret alliance between the Pakistan Government and China. President Ayub, it says, has promised China the use of East Bengal as a base for war against India in return for Chinese military help to get Kashmir by force.

7 YUGO SHIPS FOR INDIA

India will buy from Yugoslavia on a high priority basis seven ships of half a-million gross tonnage, petroleum products and othe r essential raw materials.

Union Commerce Minister Manubhai Shah returned from Belgrade yesterday after cnncluding a trade agreement.

PAKISTAN'S INTERNATIONAL PIRACY

Transport Minister Raj Bahadur yesterday accused Pakistan of "international piracy" in seizing Indian cargoes from all ships calling at Karachi and other Pakistani ports.

The Government of India would have to consider suitable action to get redress for "breeches" by certain shipping lines who carried Indian cargoes to Pakistani ports against the wishes of the Indian authoritics. Unless these grievances of India were not redressed then we would have to consider seriously what steps to take as "our faith and confidence in these shipping conferences and agreements would be seriously shaken, he said."

Revive Swadeshi Gospel

SHASTRI'S CALL

"The old gospel of Swadeshi which Gandhiji preached then is as valid today as it was 40 years ago. We must revive the same spirit and with the same enthusiasm" stated Prime Minister Shastri yesterday.

In a nationwide broadcast on the occasion of National Solidarity Day, he said that the shortage of external resources was critical. We must make an united effort to attain self-reliance.

The Prime Minister announced the Government's decision to introduce National Defence Loan in two series and a new series of Gold Bonds called the National Defence Gold Bonds to mobilise the nation's resources to meet the needs of defence and development.

"The money, the foreign exchange and the gold are all needed to strengthen the country. Let every man contribute according to his means the utmost that he can in the knowledge that by doing so, he will make the nation self-reliant", he added.

VERY GOOD RESPONSE

Mysore, Oct. 20

The Recruitment for Army and Navy held here on Oct. 15 was quite successful, as the response to the call of the nation was great. The Recruitment Officer says that the number of candidates recruited was quite appreciable and all previous records of Mysore were surpassed.

PROBE INTO PUC POOR RESULTS

Bangalore, Oct. 20

Education Minister Kanthi told the Assembly yestreday that theGovernment was inquiring into the reasons for the low percentage of passes in the PUC and Eleventh Standred examinations in the State.

The large number of failures might be on account of lack of properly-equipped laboratories, good teachers and sudden switch-over from Kannada to English, he said.

The Minister made it clear that the Government would withdraw permission to run XI standard if there was no immediate improvement.

COMMEMORATION PARADE

Mysore, Oct. 21

The police commemoration parade of combined forces to pay homage to the ten Indian policemen killed in Ladakh on Oct. 21, 1959 by the Chinese and others who had laid down their lives in the recent hostilities, was held this morning at the Government House Parade Grounds.

Police forces all over the country are observing the day in memory of those policemen and soldiers who had died for the cause of nation.

Sri Kagal, D.I.G., after laying a wreath, said the sacrifice of these soldiers was a matter of pride and inspiration for police forces in the country.

MARP Commandant Ramdev read the names of those who had laid down their lives between Sept. 16, 1964 to Sept. 30, 1965.

After the last post and reverse arms, two minutes silence was observed.

FIRM CEASEFIRE FIRST

India has rejected U.N. Secretary General U Thant's suggestion for chalking out plans for withdrawal of the troops from 'areas of conflict'.

In a letter to U Thant, Prime Minister Shastri has said that the ceasefire must be established and stabilised before any consideration of the withdrawal of troops Pakistan had shown no inclination to observe the ceasefire and was showing scant regard for it, he said.

Rs. 1 CRORE TARGET FOR CITY

Mysore, Oct. 21

A traget of Rs. one crore for National Savings Scheme for Mysore City, was decided at the meeting of the Municipal Councillors, officers and others yesterday. It was also decided that the Municipal President should be entrusted the formation of a committee for the purpose.

Divisional Commissioner Narasimha Murthy, Municipal President Lingiah, Trust Board Chairman Narayanaswamy, Smt. Leelavathi Anjanappa, Sri A. Ramanna and other councillors spoke.

SOLIDARITY DAY

Mysore, Oct. 21

National Solidarity Day was observed in all the Government Offices yesterday.

On this occasion, all the staff of the Divisional Commissioner's Office contributed Rs. 300 to the National Defence Fund.

The staff of the Information and Publicity Department, Mysore and the Deputy Commissioners' office agreed to contribute a day's salary to the National Defence Fund.

N.S.S. SECURITIES

Mysore, Oct. 21

Rs. 59,77,200 (gross) and Rs. 42,19,300 (net) was collected by the sale of National Savings Securities in Mysore Division, during August. The target for the month was Rs. 286 lakhs (gross) and Rs. 81 lakhs (net).

NEW DIRECTORS

Mysore, Oct. 21

The following have been elected new directors for the Nazarbad Consumers Cooperative Stores, for 1965-66:

Messrs. L. Chikkarangappa, L. J. Thammiah, V. Kapaniah, P. Shivananju, M. S. Eswararao, Sheffi Ahmed, A. Joseph, S. Krishniah, M. Mahadevu, D. Appaji, S. Chikkanarasiah, N. Subbanna and K.V.R. Balaji.

It was decided to contribute Rs. 101 to the National Defence Fund.

20 CEASEFIRE VIOLATIONS

Pakistani forces violated the ceasefire for 20 times in the Lahore sector alone in the last 48 hours.

In their attempt to strengthen their defence along the Ichhogil canal, they infiltrated into the Indian-held area north of Bedian, opened fire at Indian posts north of Burki and tried to erect fortifications north west of Fakilka.

In the Sialkot area, the Pakistani troops violated the ceasefire six times.

EVENING COLLEGE

Mysore, Oct. 21

The classes in the Evening College will commence from Nov. 1 at the Maharaja's College and the students are advised to join the college on or before Oct. 26.

ACTION AGAINST K. R. MILLS

Bangalore, Oct. 21

The Assembly was told by Labour Minister Devaraj Urs that the Government Labour Departmnet was taking steps under the Payment of Wages Act to get the wages of the workers of Sri Krishnarajendra Mills, in Mysore, for September, which had not been paid.

The management had paid some advances on Oct. 2 and distributed cloth.

The reason given by the amnagement for nonpayment of wages were the accumulation of large stocks in the mills.

There are 3,845 workers in the mills and the monthly wages is Rs. 38 lakhs.

Dry Law To Be Relaxed

Bangalore, Oct. 22

The Legislature Congress Party yesterday asked the Government to relax the prohibition policy in the State.

The party felt that the prohibition policy had worked unsatisfactorily and it was not possible to implement it successfully and effectively. It had to be relaxed but not scrapped.

It favoured that the production and sale of drinks with less than 5 to 6 per cent alcoholic contents should be allowed freely, meaning that toddy and beer could be manufacttured and sold freely.

As regards Indian-made liquor and foreign liquor, the party favoured liberalisation of issue of permits.

PAK'S RELIGIOUS GARB UNCIVILISED

Pakistan's war against India to annex Kashmir on the plea that its people were mostly Muslims was "uncivilised". No civilised Muslim country in the world except Pakistan wanted to wage war on the ground of religion to grab part of another country's territory said Prime Minister Shastri yesterday.

Addressing the students of Allahabad University, he made it clear that a plebiscite in Kashmir was not acceptable to India because Pakistan had all along flouted the Security Council resolutions on Kashmir.

KIDS PAINTING COMPETITION

Mysore, Oct. 22

The Rotary's Children's Library Association is conducting competition for children between the ages of six and sixteen, in water colour and crayon pictures of "life in Mysore." Prizes will be awarded to the first three best pictures in each division.

These pictures will further be sent to West Rotary Club in Amarillo, Texas, U.S.A. for exhibition in that country.

The Amarillo Club have agreed to send pictures drawn by children of their country for exhibiton in Mysore City. Both the exhibitions will be held in the Children's Library hall.

The drawings and paintings should be sent to the Association before Dec. 5.

MISCHIEF-MONGERS ARRESTED

Maulana Sayed Masoodi of the Holy Relic Action Committee, Mohiuddin Kara, Political Conference Chief and 25 others were taken into custody yesterday at Srinagar.

This is sequel to Wednesday's demonstration in Srinagar and to prevent activities of anti-national elements.

PM WARNS PAKISTAN

Prime Minister Shastri yesterday warned Pakistan that if it ever dared to attack India again, our forces would give a smashing reply.

Addressing a public meeting at Allahabad, he said if Pakistan wanted to take Kashmir by force they were badly mistaken. As Kashmir was an integral part of India it would not be tolerated. 'If anybody tries to take Kashmir by force, our answer is that force will be met with force. This is the reason why we took the decision to march into Pakistan territory'.

CURB ON COLLEGE ADMISSIONS

Mysore, Oct. 23

The Vice-Chancellors of Mysore, Bangalore and Karnataka universities, meeting on Sunday at Hubli, have decided that students should get atleast 40 per cent marks in aggregate in SSLC examinations to secure admission to colleges in the State.

Among the other decisions taken are: Tutorials and seminars in all universities should be made compulsory and teachers should take up this work in addition to lecture work. Permission should not be given to start colleges which charge capitation fees.

SUGAR DECONTROL

The Sugar Inquiry Commission has recommended that the control over sugar should continue during 1965-66 in view of the emergency and that a switch over in policy should take place from 1966-67 season.

SOCIAL SERVICE

Mysore, Oct. 23

The members of the Social Service Samaj of St. Philomena's College visited Kyathamarnahalli on Sunday.

Besides conducting an economic survey and sports for children, the students cleaned up the village. The women students visited the houses and spoke about health and sanitation to the womenfolk. Prizes and sweets were distributed to the children.

SPECIAL FARM PLAN

The Planning Commission has approved a special programme for boosting up agricultural production in 1965-66 estimated to cost about Rs. 36 crores. The amount would be given to the States in the form of loans.

This was the fourth time the UN or its officials have been honoured by the Nobel Committee.

BIG LIQUOR HAUL

Mysore, Oct. 26

In one of the biggest prohibition raids in the city on Saturday and Sunday, the police seized Rs. 18,000 worth of liquor in ten houses in different localities.

The haul consisted of 386 bottles of brandy, 906 drams of arrack, 1000 gallons of illicit liquor and 5000 gallons of fermented wash.

Eleven persons were taken into custody.

PAK AIR VIOLATIONS

Pakistani forces continue to violate ceasefire all along the line, while Pakistani Air Force planes persist in the violation of Indian airspace.

The Pakistani troops continued to intrude into the territory under Indian control in various sectors in Jammu and Kashmir and Punjab and Rajasthan sectors.

Four Pakistani soldiers were killed when they tried to encircle an Indian patrol west-northwest of Akhnur.

Pakistanis tried to intrude north-east of Keran in Jammu and one enemy soldier was killed.

In the Sialkot sector, three Pakistani jet aircrafts flew over our positions. Pakistani troops were also seen digging in north-west of Ranbir area.

LAW TO CURB EDN. EVILS

A draft model Bill for eliminating corruption in educational institutions is being drawn up by the Union Education Ministry.

Among the evils which the legislation will seek to cure are the pernicious system of capitation fees under which admissions are not made on merit but on the basis of donations and fees which the students agree to pay.

The model legislation will also prohibit people from starting institutions, conducting examinations, awarding diplomas and calling their 'teaching shops' universities and colleges.

ESSAY COMPETITION

Bangalore, Oct. 26

SECOND CROP PLAN IN MYSORE

3-LAKH ACRES UNDER PROJECT AYACUTS

Bangalore, Oct. 27

The Government of Mysore, yesterday, took a decision, to raise a second crop in three lakh acres under the Bhadra and Tungabhadra Projects.

Chief Minister Nijalingappa said that the Government's measures would assure self sufficiency in food for the State in another two or three years.

A concerted move to tap all resources for agricultural production is to be made immediately and a comprehensive plan for intensive cultivation in areas having water supply, is to be prepared immediately.

The Cabinet also finalised a proposal to have a special development officer exclusively for the development of ayacuts under the Tungabhadra and Bhadra Projects.

About 40 schemes providing for lift irrigation along the banks of many rivers have been sanctioned by the Centre.

Another scheme is the irrigation wells sinking programme and the Government hopes that by the year-end, about 8000 irrigation wells would have been sunk in the State. Already about 3,500 wells have been serviced during the current year.

ROTARY'S AID TO DEFENCE

Mysore, Oct. 27

Rotary Governor of District 317 T. Venkatarama Sastry yesterday explained to newsmen the defence efforts undertaken by 67 clubs of his district.

The Rotary Clubs besides making collections for Defence Fund had organised first aid classes, blood banks and collected clothes for the jawans. A proposal to rehabilitate four or five children of the jawans by each Rotary Club was also being considered.

Sri Venkatarama Sastry prasing the local club for stopping its tea and dinner parties and donating the amount saved, said that this was being emulated by other clubs.

Rotary Clubs in the district had undertaken community serive to the tune of Rs. 25 lakhs per year, in terms of money value.

President of the Icoal club Capt. K. R. Krishna and Secretary M. L. Nanda were present at the Press Conference.

Later, a function had been arranged by the Rotary Club in honour of the visiting Governor.

Bhutto, The Historian

India was under slavery for ten centuries, according to Pakistan Foreign Minister Bhutto.

He told the Security Council that, for eight hundred years India was under Pakistan and for two hundred years under the British.

He boasted that 'we are responsible for civilising India and building the Taj Mahal and all the grandeur and glory of today'.

JAKARTA WARNS CHINA

The Indonesian Army yesterday served notice on China that it will seize all Chinese property, expel Chinese nationals and isolate China from international politics if it helped those responsible for the September 30 coup.

THANT OVERSTEPS

The Soviet Union told the Security Council that Secretary-General Thant has exceeded his authority by setting up the new organisation, UN Observer Missions in India and Pakistan and said they were completely beyond the terms of the Council authorisations.

FAMILY PLANNING

The Planning Commission has asked the States to give first priority to family planning in their annual plans for 1966-67.

India Walks Out Of UN Council

BHUTTO'S TIRADE

India walked out of the Security Council protesting against the interference in India's internal affairs by Pakistan Foreign Minister Bhutto.

In defiance of appeals from the chair and an earlier understanding, Bhutto launched a tirade against India and threatened that Pakistan would rather face extermination than give up its efforts to bring about the union of Jammu and Kashmir Muslims with Pakistan.

INDIA RESENTS

India has decided to lodge a protest with the President of the Security Council against the UN forum being permitted for anti Indian propaganda by Pakistan.

Bhutto's outburst in the Security Council and his abusive reference on the Indian delegates as 'Indian dogs running away from the Security Council' have been strongly resented by India.

An official spokesman said at Delhi that Bhutto's performance 'was an outrage on the Security Council itself'.

He said 'Bhutto's abusive statement, which is unparalleled in the history of the UN for its vulgarity, only goes to show the insane hatred and fanaticism which consumed the ruling clique in Pakistan.'

12 PAK INTRUDERS KILLED

Twelve Pakistani soldiers were killed and two captured in the Poonch and Mendhar sectors in Jammu and Kashmir when they tried to intrude into the Indian side of the ceasefire line last week-end.

During the last two days Pakistanis have violated the ceasefire in Jammu and Kashmir ten times. In the Lahore and Sialkot sector in last 24 hours Pakistanis have committed 13 ceasefire violations.

NATIONAL SERVICE

The Government of India is considering a scheme of one-year compulsory national service for all students leaving schools before they join higher educational institutions.

TIBET'S FATE

The Dalai Lama stated yesterday that Tibet has been turned into an armed camp for use in China's traditional expansionist programme aimed at its neighbours. In order of priority, India is at the top as was made clear by the events in 1962.

He said apart from army, a massive colonisation is taking place and if it goes on at the present pace, there will be no Tibet.

'The only hope I can give to the people of Tibet is to again appeal to the conscience of the world through the United Nations to give its support to the Tibetan cause', he said.

Relief Works In Drought Area

Bangalore, Oct. 28

Chief Minister Nijalingappa yesterday described the scarcity conditions prevailing in the State at present as 'worst in his experience'. Rains have totally failed and crops have withered over large tracts.

The Government has taken many decisions to afford relief to the affeted people.

Relief works which are agriculture-oriented will be undertaken to provide labour to jobless. The wages of labour employed in scarcity relief works has been raised from 83 paise per cubic metre of earth work to Re. one.

To feed the cattle, which are the worst sufferers, the Government has decided to allow the free grazing of cattle in all developed forests. In forests where the trees have been recently planted, the people will be allowed to cut grass free. In the interior forest areas, the department will itself cut grass and arrange to sell fodder in big cities. The sugar factories are requested to make available 'bagasse' which is now being used mostly for the manufacture of paper to be used as cattle fodder.

To meet the paucity of labour in certain developing areas, the Government has issued instructions to Deputy Commissioners to evolve a scheme to encourage planned migration of the labour force from scarcity tracts to the developing project areas.

India Continue To Boycott

India has informed the United Nations Security Council that she would continue to boycott the current series of the meetings so long as the Council was unable to prevent the misuse of its forum by Pakistan Foreign Minister Bhutto.

India's Foreign Minister Swaran Singh has told the Council President that Bhutto's performance had proved India's worst forebodings. He said: 'In view of our past experience and in view of the Council's inability to restrain Bhutto, I do not see any useful purpose will be served on our attending the Council's meetings'.

WORKERS' MITE

Mysore, Oct. 28

The employees of the Modern Hindu Hotel have contributed Rs. 55 to the National Defence Fund.

SECOND CROP ON FALLOW LANDS

Bangalore, Oct. 28

The Government of Mysore is considering, whether under the law, orders could be issued compelling farmers to grow a second crop on land normally left fallow.

Cane Area Cut: Boost To Paddy

Bangalore, Oct. 28

The Government of Mysore will soon promulgate an order under the Defence of India Rules cutting down the area under sugarcane cultivation by 25 per cent.

This is one of the measures taken by the Government to increase the area under paddy cultivation to meet the needs of the present emergency.

The State Government also decided to allow the dried up river beds and tank-beds to be cultivated to grow quick crops at a nominal rate of 25 paise per acre. The tahsildars of the area will permit the ryots to cultivate the dried up beds The Government also hopes to undertake the experiment of digging a well in the tank-bed to provide water.

PAK VIOLATIONS IN LAHORE SECTOR

Pakistani forces violated ceasefire for 17 times in one day on Oct. 25 in Lahore sector.

Three violations have been reported from the Sialkot sector.

Pakistani troops from the west bank of Ichhogil canal crossed to the east bank and occupied positions north west of Barki.

In Jammu and Kashmir, 12 infiltrators were killed and 17 captured in Poonch sector.

The Pakistani Air Force has been active in Lahore sector violating Indian air space.

Further, a special public meeting will be held at the office on that day and fresh enrolment of Home Guards between the ages of 20and 50is proposed to be made. All the intending candidates are requested to join this organisation to serve our Country.

SUGAR WITOUT SULPHUR

Crystal sugar was manufactured without sulphur for the first time in India last week. Specimen of the sugar produced in the Pandavapura Cooperative Sugar Mills were exhibited at the National Sugar Institute in Kanpur at the opening of the 33rd anual convention of the Sugar Technologists Association of India.

CHAGLA REPLIES BHUTTO

Union Education Minister Chagla yesterday described Pakistan Foreign Minister Bhutto's performance in the Security Council as 'disgraceful'.

"In the annals of international diplomacy, I have not known of such a performance which is so demeaning and so unworthy of any country", he said.

Sri Chagla said: "Mr. Bhutto forgets that almost every Pakistani was a convert to Islam and that in the blood of every Pakistani, there flows Hindu blood. Therefore, when Mr. Bhutto denigrated India and Indian culture, he was really libelling and defaming his own forefathers".

"It is rank ingratitude for Mr. Bhutto to forget that it was the heroic efforts of Mahatma Gandhi and his followers which made Pakistan possible", he said.

FOOD AID BY U.S.

The United States administration is considering renewal of surpuls food aid to India on a long-term basis. The New York Times reported yesterday that the administration was under diplomatic pressure from New Delhi and a White House decision on a new food-for-peace commitment to India was expected in the next few days.

DETENTION OF LEFT REDS VALID

The Supreme Court yesterday held that Rule 30 (1) B of the Defence of India Rules under which a person could be detained for activities prejudicial to the security of the State was constitutionaly valid.

It dismissed a writ petition filed by Messrs. A K. Gopalan, Anandan Nambiar and R. Umanath, M. Ps. and 62 other Left Communist internees.

The judgment said: "In our country a member of Parliament or any legislature could not claim immunity from being arrested under the Preventive Detention Act".

MYSORE'S CLAIM UPHELD

Union Minister for Irrigation Rao stated yesterday that the area under the Tungabhadra project should get preference before water was left into the Krishna river for the second crop.

He said the only guiding principle was how best the water in the river could be put to use in the production of foodgrains. Naturally, the areas under the Tungabhadra project should get preference.

GOLD BONDS

Over nine kilograms of gold, valued at Rs. one lakh were subscribed to the Defence Gold Bonds at the Reserve Bank of India office at Bombay, on the opening day yesterday.

An 11 year-old girl was among the first subscribers by giving nine pieces of gold.

In Bangalore, one applicant deposited about 135 grams of gold, in jewels.

BITE IS BETTER

'The Indian bite is better than the Pakistani bark', observed four members of Parliament!.

They said Bhutto's slander against India in the Security Council was the 'ignoble tactics of a frustrated politician, psychologically upset over smashing defeat his country suffered in the battlefield'.

Give Up Dinner On Mondays

Prime Minister Shastri yesterday appealed to the people to forego their dinner every Monday.

He told a women's meeting at Jaipur that this would not only save food but would also inculcate feeling of unity among people throughout the country.

PAK's EYE ON A SECOND ROUND

External Affairs Minister Swaran Singh declared that Pakistan's 'aggressive activities' as demonstrated by its Foreign Minister Bhutto posed a grave threat to the precarious ceasefire.

In a letter to the President of the Security Council, Sri Swaran Singh reiterated India's 'full cooperation' with the U. N. in its efforts to stabilise the ceasefire and in drawing up plans for the withdrawal of all armed personnel.

He said: "However, attempts of Pakistan to inch forward despite the ceasefire, its aggressive activities, its preparations to launch thousands more of infiltrators into Kashmir, its efforts to improve its tactical positions with an eye on a 'second round' which has been threatend by Mr. Bhutto, all those activities stand in the way of stabilisation of the ceasefire".

NO DISCUSSION ON KASHMIR

Prime Minister Shastri made it clear yesterday that India would not take part in any meeting of the Security Council till Pakistan gave an assurance that it would not raise matters relating to the domestic jurisdiction of Kashmir therein.

Addressing a public meeting at Jaipur, he reiterated India's stand thatshe would take part in the meeting of the Security Council only when the question of ceasefire and witdrawal of armed forces was discussed.

The Security Council, he said, could not discuss political matters relating to Kashmir which was an integral part of India. No power on earth could take Kashmir from us, he said.

COMPULSORY SCHOOLING

The Education Commission, appointed by the Government of India, has suggested making first seven years of schooling compulsory for all children.

CALL FOR GOLD

The Congress General Secretary in a circular letter has appealed to all Congressmen to launch a door to door campaign to bring in as much gold as possible under the gold bond scheme.

GOVERNORS MEET

The Governors of States will meet in Delhi for their annual conference on Nov. 17 and 18.

ROTARY DONATIONS

Mysore, Oct. 29

The Mysore Rotary Club has donated Rs. 250 each to the National Defence Fund and the Air Force Benevolent Fund.

It has also contributed Rs. 430 to Nehru Memorial Fund and Rs. 1,600 to LahariMemorial Fund. The late Lahari was the first Rotary President in India.

PAK CAN NEVER TAKE KASHMIR

Prime Minister Shastri yesterday condemned Pakistan's abusive outbursts in the Security Council and declared that Pakistani abuses would not be met with abuses but with India's arms and might.

He told a public meeting at Jodhpur that Pakistan could not take Kashmir with the strength of its army and must abandon the hope of ever doing so.

Sri Shastri said that our army and people had shown the strength of India during the recent conflict. If we want peace, it is not because we are weak but because, we are interested in international amity and we want to avoid destruction.

HOUSES FOR GOVT. OFFICIALS IN VILLAGES

Mysore, Oct. 29

Health Minister Nagappa Alva yesterday declared open a hospital building at Harohalli.

The Mysore Taluk Board has constructed the building at a cost of Rs. 12,000.

Dr. Alva said that the Government was considering a proposal to provide housing facilities within the next five or six years to Government officials serving in rural parts of the State. He said the Government would seek the assistance of the Housing Corporation and Life Insurance Corporation for this housing scheme.

The Minister appealed to the people to avail of the family planning facilities provided by the Government.

Sri M. Rajasekhara Murthy, MLA presided.

Sri B. Chinnaswamy welcomed the gathering, Sri Jayadevaraj Urs, Board's President proposed a vote of thanks.

800 KR Mill Workers Dismissed

Mysore, Oct. 30

Sri A. Ramanna, Vice-President of the State unit of INTUC, in a statement, has expressed his concern over the reported discharge of 800 workers of K. R. Mills, Mysore, by the management. He has condemned the action of the management.

The statement has pointed out that the INTUC has decided that at the present juncture, there should be no labour agitation in the country. The labour has so far abided. Still the K. R. Mills management in dismissing the workers has thrown a challenge. At this time of emergency, the Government should interfere and see that the workers are reinstated. Otherwise the workers will have to launch an agitation.

CMs TO MEET

Union Home Minister Nanda has called a conference of Chief Ministers for Nov 8 to consider matters arising from the emergency. In the one day conference specific problems like concerning border and integral security will figure.

It will also finalise the scheme to strengthen the centrally coordinated Border Security Force and the plan of providing extensive military training to people in the border areas.

Fake Currency Gang: 4 Held

Mysore, Oct. 30

Periaswamy, Perumal, Shivaram and Pangian of Salem have been arrested by the police at Kollegal on charges of trying to palm off one-rupee currency notes.

It is stated that they were bargaining to sell the bundes of one-rupee notes at half the prize. It was found that the bundles contained blank papers of the size of the notes intermingled with few currency notes.

Pomogeneous Blood

Investigations on the distribution of blood groups carried out by the Anthropological Survey of India shows that the Muslims and Hindus of Kashmir are homogeneous.

The findings tally with Kashmir's history that there was not a single Muslim in Kashmir up to 1340.

The proselytes to Islam in Kashmir were mostly from the original Hindu population.

The blood samples from 614 Muslims and Hindus of Kashmir, who were not related, were taken.

Earlier investigation on the body measurement showed close uniformity between the two communities of Kashmir. Both are of fair complexion, medium stature and long headed, and have black wavy hair.

Drive To Raise Second Crop

Union Food Minister Subramaniam stated yesterday in Bangalore that a nation-wide drive is being launched to raise additional crop wherever water is available as part of the campaign to tide-over the present difficulty.

He said that the failure of rains throughout the country had been upsetting the calculations.

Sri Subramaniam made it clear that there was no escape from control and equitable distribution of available foodgrains throughout the country.

He said that rationing would be introduced under a phased programme to cover all towns with a population of over a lakh. But he said: 'We have to have at least six weeks stocks on hand before we start rationing. We cannot afford to have a breakdown. This would be attended to on the basis of our building up the stocks needed and that was why we have introduced procurement by levy from the farmers instead of market arrangements'.

UN Faces Crisis

The United Nations Security Council adjourned till Monday after it got hitched on a constitutional tangle on the question of the Secretary-General's power and the immediate need for ensuring ceasefire and withdrawals in the India-Pakistan conflict.

The Soviet Union warned that it would veto any resolution challenging its views on the powers of Secretary General.

America wants endorsement of action taken by U Thant in pursuance of the UN resolution of Sep. 20 to bring about a ceasefire.

The resolution had said the Council would consider what steps could be taken to 'assist towards settlement of the political problem underlying the present conflict'.

Malaysia emphasised that the Council should concentrate its attention on the immediate problem, namely, strengthening of the ceasefire and enforcing steps to arrange withdrawals.

CHAMBER'S GESTURE

The Indian Chamber of Commerce has decided to subscribe Rs. one crore to the National Defence Loan through West Bengal Chief Minister Sen, on the occasion of the Prime Minister's visit to Calcutta on Sunday.

4 PAKISTANIS KILLED

One Pakistani army officer and three other ranks were killed and four wounded in a series of encounters in the Lahore sector on Wednesday. Pakistani forces attempted to advance across the ceasefire south of Burki and north of Bhasin and in the Fazilka area. All these moves were foiled by the Indian troops.

PAK TACTICS DANGEROUS

Prime Minister Shastri stated yesterday that if Pakistan's tactics were allowed to succeed then no country in the world would be safe from outside interference.

Speaking at Gauhati, he said that the U.N. Security Council had no authority to discuss the internal situation in Kashmir which was as much a part of India as Assam. If in spite of this, UN engaged itself in discussing the internal developments in Kashmir, India would have no option but to dissociate herself from such discussions. This would not mean any disrespect to the world organisation.

GLUT IN TEXTIFE MILLS

Labour Ministers of various States who met yesterday in New Delhi discussed the threat of retrenchment of industrial workers following recent accumulation of stocks in textile mills. It was suggested that some State agency like the State Trading Corporation should purchase a part of the accumulated stocks.

SCANT RESPECT FOR TRUTH

Pakistan shows scant respect for truth if it suits propaganda abroad.

The latest example is her claim that the majority of the Buddhists of the Indo-Pakistan sub continent live in Pakistan and not in India, the original birthplace of Buddhism.

Pakistan puts the total number of Pakistani Buddhists as 3,76,312.

But it conveniently ignores that there is a Buddhist population of 32,50,000 in India.

INCENTIVE TO JOIN DEFENCE FORCES

Mysore, Nov. 1

At the Municipal Council meeting, on Saturday, Sri B.K. Puttiah suggested increasing the number of seats in the Medical College by hundred and alloting them to such of those who were willing to join defence forces after the completion of their studies. This had been adopted by Madras Government, he said.

Sri Vedantha Hemmige suggested that free sites should be given to those who were willing to serve in the defence forces, as an encouragement.

He said houses constructed by the Housing Board were of high value and the Board demanded the payment in lumpsum. This was beyond the such of middle and the poor clases. It should construct houses of cheaper variety and collect the money in small instalments.

Smt. Soundaramma said that there were some unauthorised NDF collections being made in the city.

Sri M.N.Thimmiah said that though the Council had passed a resolution to the effect of bringing down the Cycle tax by one rupee, so far the Government had not sanctioned. The Council should pursue the matter and see that it was reduced atleast from the coming year.

Canal Waters Row

Bangalore, Nov. 1

The question of Mysore allowing Andhra to use the Tungabhadra waters for raising second crop was discussed here yesterday by Union Food Minister Subramaniam with Mysore Chief Minister Nijalingappa and Andhra Food Minister Subba Reddy.

The meeting asked the Chief Engineers of Electricity and Irrigation of both the States to assess the extent of water available for raising a second crop.

Give 3 Paise Per Day

PM's CALL TO PEOPLE

Prime Minister Shastri yesterday called upon every Indian to contribute three Paise per day for the country's defence efforts.

He told a public meeting at Calcutta that if this contribution was forthcoming, the Government would be able to mobilise Rs. 500 crores a year for national defence.

FILM SHOW

Mysore, Nov. 1

A small savings and national defence film show has been arranged tomorrow at 9 a.m. at the Prabha Picture House by the Department of Publicity and Information, Government of Mysore, under the presence of Sri C. Narasimhamhoorthy, Divisional Commissioner.

Don't Mix Up Political Issue

SHASTRI TELLS UN

Prime Minister Shastri yesterday reminded the Security Council that Jammu and Kashmir was an integral part of India and it could never be separated.

Addressing a public meeting at Calcutta, Sri Shastri hoped that the Security Council would appreciate India's position and not mix up the political issue with stabilisation of ceasefire and withdrawal of forces from the Indo-Pak border in the west.

The Prime Minister declared that 'every inch of our territory is dear to us and we shall fight to defend it with all our might. Pakistan should once and for all understand that she cannot play with our sovereignty. We shall reply to words with words and meet arms with arms'.

GUARDIANS' DAY

Mysore, Nov. 1

The annual guardians' day of Avila Nursery, Primary, Middle and High Schools, was celebrated here yesterday.

POWER FAILURE

Sir,—The shops in the northern wing of Visweswariah Bhavan, K. R. Circle, are experiencing a lot of difficulty as the electric current failure have become to frequent of late. The M.S.E.B. has not taken adequate steps to prevent such failures. The shop flats taken at high rentals would be put to great loss if lights fail in the evening hours which are the peak hours for business.

Newsprint Plant Near Mysore

Mysore, Nov. 2

Chief Minister Nijalingappa stated yesterday that the State Government is actively considering a proposal to put up a newsprint or paper plant in private sector at Krishnarajasagar area, at a cost of Rs. 30 crores.

He also disclosed that Mysore Nanjangud area had been chosen as one of the eight locations in the State for developing industries.

The Chief Minister was inaugurating the Rs. 30-lakh second stage of water supply scheme for the city, at Hongalli, on the bed of the Cauvery at K R. Sagar.

Praising the efforts of the Municipality to supply complete filtered water to the city, Sri Nijalingappa said there was no need to increase per capita water supply, as the present 35 gallons was enough. He was referring to the plea for taking up the third stage for increasing water supply. This could be thought of, he said, when the population of the city increased to four lakhs.

Sri D. Lingiah, Municipal President welcoming the gathering said that with the completion of Rs. 30 lakh scheme, the city would be supplied with complete filtered water.

QUARTERS FOR WOMEN TEACHERS

Mysore, Nov. 2

The District Development Council which met on Saturday, under the presidentship of Sri Vasudevarao, Deputy Commissioner, decided to distribute Rs. 50,000 to ten taluks except Yelandur for the construction of class rooms in junior primary schools.

It also sanctioned Rs. 800 each to Mysore, K.R. Nagar, Hunsur and T. Narasipur taluks for constructing sanitary blocks for girls primary schools under the Third Plan.

When the subject of selecting two persons from the Council as members to the District Adult Education Council came up, Sri Veera Bhadrappa criticised the working of the Adult Education Council.

Messrs. Sidda Nanjiah and Hombe Gowda were nominated as members to the Education Council.

The Council also gave sanction to distribute Rs. 12,500 for construction of residential quarters to women teachers in five taluks Gundlupet, Yelandur, T. Narasipur, Kolegal and Hunsur and also a grant of Rs.50,000under loans and Rs. 5,000 under subsidy for sinking wells in seed and non-seed areas during 1965-66.

Sri B.S. Krishnamurthy, Executive Engineer explained the scheme.

Sri Doddathammiah, Vice President proposed a vote of thanks.

Worst Days Ahead

C.M.'s WARNING

Mysore, Nov. 2

Chief Minister Nijalingappa yesterday cautioned that worst days were ahead and the people had to face the food front bravely.

He said the rains have completely failed and 'I have not seen such scarcity in my life'.

He said with the chances of getting foodgrains from outside very remote, they should make efforts to be self reliant and distribute properly the available grains.

The Chief Minister said that the Centre and the State Governments were considering taking over the food trade. As for himself, he said, he was a firm believer in State trading in foodgrain.

FOOD DEALERS RAPPED

Sri Nijalingappa blamed some of foodgrain dealers in the city for their anti-social activities and said he had lost confidence in them. They seemed to be incorrigible.

LABOUR SUPPORT

Prime Minister Shastri yesterday appealed for the cooperation of the trade union leaders in rallying the support of workers for the national defence efforts.

Addressing the leaders of the major trade unions, he asked for the need for permanent industrial peace.

JOIN ARMED FORCES

Mysore, Nov. 2

Chief Minister Nijaiingappa yesterday regretted the poor response from the youths in the State to join the armed forces.

On this day of Karnataka Rajyotsava Day, he would appeal to the youths to join the armed forces in large numbers.

Rationing From January

Union Food Minister Subramaniam stated yesterday that the first of January next year will be the target date for the introduction of statutory rationing in all cities with a population of one million and more. The phased programme envisaged the covering of cities with one lakh population by May next year.

He said that rationing of food in cities had become inevitable. Even improved and assured deliveries under PL-480 agreements would not affect the plan for introduction of rationing but quantum of rationing could be influenced by the size of PL 480 deliveries.

RURAL SERVICE BY STUDENTS

Union Education Minister Chagla has appealed to the Vice-Chancellors of all universities to mobilise students to help develop rural and semi-urban areas.

He has said that the scheme of social service camps by the universities has not always left a lasting mark on the rural scene'.

RICE MILL PLANT

A rice and flour mill machinery plant will be established near Delhi in collaboration with East Germany. The plant will build machinery worth Rs. 2 5 crores annually.

ABOLISH LAND REVENUE

Mysore, Nov. 3

The village officers of Mysore Taluk who met recently under the presidentship of Sri B. Lingappiah, Tahsildar, decided to request the Government to abolish the land revenue in view of the failure of rains affecting jola, ragi and groundnut crops.

It also decided to take up programmes of increasing collections for NDF and protecing the interests of the drought-affected ryots.

A sum of Rs. 138 was donated to the NDF.

AGGRESSION WILL BE MET

Prime Minister Shastri stated yesterday that the overall situation in regard to ceasefire 'has improved slightly' though Pakistan is continuing its violations.

He said Pakistan's violations of ceasefire are promoted by a desire to show to the world that they also held sizable Indian territory.

All the same, he warned that 'ceasefire or no ceasefire, India will firmly meet any aggression by Pakistan'.

The Prime Minister also said that he had informed the UN Secretary-General that ceasefire should be stabilised first and then steps initiated to secure the withdrawal of forces.

ROTARY SCHOLARSHIPS

Mysore, Nov. 3

Readers' Forum :

DISRESPECT TO NATIONAL ANTHEM

Sir, Every picture house exhibits the National Flag with the National Anthem as the last lap of the entertainment. This is commendable. Quite a good number of people move out of the picture, as the National Anthem is on. This is usually due to ignorance of the decorum they should observe. Will the concerned authorities post a few responsible people at the doors of the picture houses, when the National Anthem is on, so that this disgrace to the National Anthem, though not intentional, is nipped in the bud?

DRY LAW RELAXED

Bangalore, Nov. 5

The State Cabinet yesterday approved the first of the two-stage programme to relax Prohibition in the State.

Finance and Excise Minister Ramakrishna Hegde announcing the unanimous decision of the Cabinet to Pressmen said that the Government hoped to get about Rs. 1 crore of additional revenue if the permit holders' number goes up ten times the present figure.

The second stage proposals will be submitted to the Cabinet by January next.

Under the liberalised scheme, for people of 30 years of age or above, liquor permits will be issued of health grounds on the basis of a certificate from any registered medical practitioner. The permit which will be valid for two years will be charged Rs. 20 per annum. For those below 30, the permit valid for one year only will be issued by the Medical Board contemplated in the Prohibition Act.

Permit holders below 30 will get two units per month. Those who are between 30 and 40 three units and above 40 will get four units.

Rs. 25-Crore Gold Bond Target

Bangalore, Nov. 5

The State Government has fixed Rs. 25 crores worth of gold as its collection target for theGold Bonds scheme.

The Cabinet has decided to organise gold collection under the leadership of Minister Yashodara Dasappa.

Finance Minister Hegde said that all temples and mutts would be requested to invest their gold and jewellery in Gold Bonds.

Sri Hegde said that as a lead in this direction, it has been decided that the wives of Ministers, Deputy Ministers and Parliamentary Secretaries would contribute their quotas of gold for the bond.

Smt. Shakuntala Ramakrishna Hegde has decided to give all the gold jewellery she had except her 'Mangala Sutra' for the Gold Bonds.

ADMN. REFORM PANEL

Home Minister Nanda told the Lok Sabha that he would shortly make an announcement on the constitution of a high-power commission to go into the question of reorienatation of the administration.

GOLD BOND

The Government has so far received 381 kilos of gold in response to the National Gold Bond scheme, announced Minister Bhagat in the Lok Sabha.

Rs. 2-Crore Drought Relief Plan

Bangalore, Nov. 5

The Government of Mysore has decided to divert Rs. 2 crores from its plan schemes for drought relief pregramme.

Finance Minister Hegde who announced the Government's eight point relief measures said emphasis would be on encouraging quick yielding agricultural schemes and salvaging what remained on the parched country side.

The Deputy Commissioners have been given powers to suspend collections of land revenue dues and other arrears in the drought hit areas.

Besides, the Government has sanctioned Rs. 43 lakhs for giving loans to formers to buy pumpsets.

HIDDEN INCOME

The Rajya Sabha was told by Minister Bhagat that so far Rs. 124.08 lakhs have been disclosed under the new scheme of voluntary disclosure of hidden income. West Bengal tops the list with Rs. 98.85 lakhs while Bihar and Orissa trail at the end with Rs. 0.20 lakhs.

WOOL GIFT

Australia will make to India a gift of four million pounds of wool valued at about Rs. 2 crores over a period of three years. The gift will enable India to set up a revolving pool for increasing the export of woollen textiles.

PROTEST TO PAK FOR BREACHES

PAK PREPARING FOR FRESH ATTACK

SHASTRI ASKS FOR UN PROBE

Pakistan is making preparations in Pakistan-occupied Kashmir for unleashing a fresh were of infiltrators into India.

Prime Minister Shastri announcing this in the Lok Sabha, said that he has invited the UN Secretary-General for immediate investigation of Pakistan's preparations.

He said that all available evidence showed that Pakistan had no desire yet to prefer peace to war.

Pakistan, he said, has treacherously occupied territory after ceasefire and as such India had no alternative but to take remedial action in such cases.

'Our taking such remedial action cannot be considered violation of the ceasefire', he added.

Sri Shastri said especially in south west of Rajasthan, fresh posts and villages had been occupied by Pakistan after ceasefire.

The Prime Minister said that if Pakistan wanted to put an end to the present tense situation, it should first honour and respect the ceasefire. It should also put an end to the daily violation of the ceasefire.

He asked Pakistan to stop the various things which they are doing apparently, in preparation for a fresh trail of strength, such as recruitment of regular forces in Pakistan-occupied Kashmir and digging of trenches and military installations which were going on at several places just across the ceasefire line. It should also give up its attempts to acquire arms and ammunition and release Indian goods and cargo it had impounded.

Sri Shastri asked Pakistan to give up its collusion with China which was based only on common hatred against India and aimed at weakening and disintegrating India.

"Pakistan should first restore normal relations before we can discuss how to establish better relations, he said.

DRIVE AGAINST CORRUPTION

Union Home Minister Nanda told the Rajya Sabha that he never claimed that corruption would be rooted out completely. If the test to be applied was that the whole country was not rid of corruption in a very quick time, that had not been achieved. 'I wish the progress had been better. It was not as good as I felt it should be'.

He said a survey of what had been attempted and done was being prepared and would be placed before the Parliament.

Asked whether any assessment had been made to find out the percentage of corruption that had been rooted out during the last two years, Minister Hathi said that to 'measure' it in terms of percentages, the total amount of corruption would have to be assessed.

The Home Minister pointed out that the measures taken to check corruption had yielded certain results. He cited measures such as administrative reforms, fixation of time schedules and minimising of delays in disposal and procedural simplifications.

NDF CONTRIBUTION

Kerala Governor A. P. Jain stated yesterday that the attitude of the Leftist Communist Party was anti-Indian. He indicated that some action to restrict their activities would be taken.

HOME GUARDS

A proposal to raise the strength of Home Guards to ten lakhs is under consideration, stated Deputy Minister Misra in the Rajya Sabha.

AHMEDABAD BANS NAMBOODRIPAD

Sri E.M.S Namboodripad, Left Communist leader, has been banned from entering into Ahmedabad city for a month from yesterday. The ban order was issued as Sri Namboodripad's visit was likely to endager peace and tranquility in the city.

EMERGENCY PLAN

The Planning Minister, Sri B.R. Bhagat, told both the Houses of Parliament that the Fourth Plan was being redrafted to meet the emergent situation by Pakistan's aggression by ensuring that the requirements of defence were met as far as possible by the development of productive resources in the country. Every effort would be made to step up import substitution and export promotion.

PAK WARNED

Union Transport Minister Rajbahadur warned Pakistan that if it persisted in its present attitude of intransigence and impounds Indian vessels and cargo, India would take retaliatory steps.

While India had offloaded 17,277 tons of Pakistani cargo, Pakistan had detained 32,394 tons of cargo meant for India.

Pak Will be Pushed Out

Prime Minister Shastri made it clear yesterday that India would not put up with any ceasefire violation by Pakistan and 'we have a right to push them out from any area occupied by Pakistan after Sept. 24

In accordance with this policy, he said, Pakistanis have already been thrown out from several areas in Rajasthan. As far as the question of Haji Pir Pass, Tithwal and other areas in Kashmir was concerned, the Prime Minister said that conditions had to be created which would remove any apprehension of a further influx of infiltrators. No question for discussion in this concern arises till such a situation had been created, he added.

PRODUCE MORE AND CONSERVE FOOD

The Congress Working Committee yesterday appealed to all Congressmen other people to act as a 'link between administration of the various States and the farming community' in breaking through the bottle neck to better food production. 'Produce more and conserve food' should become the national programme.

It also called upon all State, district and village committees to embark on a national movement to organise contribution of gold and money to the cause of defence and development.

Gold Bonds Or Heavy Taxation

Prime Minister Shastri warned yesterday that if the three loans--gold bonds and two other defence loans--did not succeed, 'we cannot escape heavy taxation'. The resources needed for defence will have to be found through loans and small savings if possible, and through taxation, if necessary.

NO CONGRESS PARTY ELECTIONS

The Congress Working Committee yesterday decided to suspend organisational elections indefinitely in view of the present emergency.

Besides the Congress President, office-bearers of other levels, district and pradesh, will also continue as they are.

PAK FELONY

India is now in possession of documentary evidence to prove that the armed raiders who crossed the ceasefire line and committed acts of sabotage, arson and looting in Jammu and Kashmir in August, are Pakistani nationals who were raised, trained and equipped by the Pakistan Government.

These documents nail the Pakistani lies about the 'spontaneous upsurge of the people of Kashmir' and the 'great revolution launched by the freedom fighters' in the State.

Evening College In City

Mysore, Nov. 8

The Evening College started by the University of Mysore was inaugurated yesterday at the Maharaja's College Centenary Hall by Vice-Chancellor Shrimali.

He said that to give facilities for higher education to those who on account of various reasons are not able to take advantage of the day colleges and when the percentage of educated people is very small in our country compared to western countries we had to think of devices like the Evening Colleges.

"It is often said that by starting evening colleges the standard of education will go down But people who join these colleges come with a responsibility of learning. Hence there is no reason why the standard should go down. It is my hope that it will be much better than the day colleges", he said.

The Vice-Chancellor said that democracy demands that education should not be a privilege of a particular class. The doors of university should be kept wide open. The evening college provides a new out look in education, new life and inspiration in the professions of such of those who are seeking education while earning.

TOUGH LINE AGAINST PAKISTAN

The Congress Working Committee, meeting at Delhi yesterday, urged the nations of the world to appreciate that 'India cannot tolerate aggression' on its soil and it must fight the aggressor with all its strength to preserve its territorial integrity.

It also pointed to the serious threat posed by the aggressive expansionism of China and to the Pindi-Peking axis against India in recent months.

Members of the committee demanded a tough line towards Pakistan since, in the past, India's tolerance had been mistaken for weakness.

Dr. Shrimali hoped the evening college will not confine only to the study of arts but extend to science and technology also.

Registrar Ramachandran welcoming said that a long felt need of the city is being met with the opening of the evening college.

Dr. Ross Ensminger of USAspoke about the evening colleges in his country.

Principal Shantaveerappa proposing a vote of thanks said thatabout 200 persons had already joined the college and another 100-150 were expected.

IAF Makes Up War Losses

Air Marshal Arjan Singh told newsmen yesterday that India had already made up the losses suffered by its Air Force in the recent Indo-Pakistani conflict.

He said that the damage done to our aircraft were mostly as a result of Pakistani strafing. There was no bombing at all in West Bengal and where there was, the bombs mostly did not hit the targets or explode. Most of our aircraft were damaged and pierced by machinegun bullets and were repairable.

Asked whether India's air strength was strongeenough to meet a combined Pak-China attack, the Air Marshal said 'I don't think we should be unnecessarily concerned'.

Hd said 'there is a tendency in our country to over rate Chinese ability, to which I no not agree.'

LEVY ON PRODUCERS

Union Food Minister Subramaniam told the Rajya Sabha that a common procurement policy has been evolved in discussions with the Chief Ministers

They agreed on a levy on the producers and if necessary on the mills and traders.

He said that levy on producers was absolutely necessary in the present context of building up stocks. If any State would like to go in for monopoly procurement it could do so.

TUNGABHADRA WATERS TO ANDHRA

Mysore will make available the waters of the Tungabhadra canal to enable Andhra Pradesh raise a second crop in one lakh acres.

The decision was taken when the Chief Ministers of Mysore and Andhra Pradesh met and reached agreement yesterday at Delhi.

Both of them agreed that the water level in the river was low and the most judicious use should be made of the avilable waters.

SUBSIDY FOR PUMPSETS

The Government of India has decided to subsidise 50 per cent of the cost of diesel pumpsets of five horse power capacity and below to enable the State Governments to implement the emergency food production programme.

Expenditure Tax Will Go Up

Union Finance Minister Krishnamachari yesterday hinted that it would be possible to lower the rate of income-tax still further through improved collections.

He said that the tax on earned income might be lowered, but warned that the expenditure tax would be made a little more effective.

The Finance Minister said that there was something to be said in favour of the dictum that earnings should not be penalised but only spending.

Society did not want people not to earn, for earnings which led to savings were available to community. It was spending which had to be checked as extravagant expenditure led to social inequlities.

CHINA STILL MENACING

Defence Minister Chavan told the Lok Sabha that China was still continuing its military buildup on the Ladakh-Sikkim border, posing a danger to India's security.

PAKISTAN WARNED

India has warned Pakistan to desist from provocative activities in East Pakistan as they 'might lead to serious consequences'.

Reader's Forum:

NATIONAL SAVINGS SCHEME

Sir, My congratulations to the members of the Municipal Council, and our Divisional Commissioner, for collecting a sum of Rs. 1,11,000 within a short period of three hours at the Town Hall on Nov. 3 in a drive for the National Small Savings Certificates.

But the approach for collection of money could have been made without selecting only the 'Haves' and leaving out the 'Have-nots' in severe seclusion. Patriotism is not the monopoly of only the rich. Even an individual who cannot afford one square meal a day is patriotic. Therefore, I suggest that, in future, the organisors come down from the platform and approach the public sitting in rows instead of asking a selected few to come to the platform. There is dignity in every labour, and labour in life.

Dr. P.D. Krishna Swamy,
Mysore, 8-11-65.

PEACE IN DANGER

Soviet Defence Minister Marshal Rodion Malinvosky yesterday declared that the danger to peace was becoming more and more serious.

He said with the support of Western ruling circles, the Bonn 'revenge seekers' were trying to lay their hands on nuclear weapons. He warned that the Soviet armed forces were always ready to crush any aggression to defend the freedom and independence of their motherland and with armies of other Communist countries, the entire Communist world.

Edited, Printed & Published by G.L. SWAMY at Samachar Press, J. M. Palace Road, Mysore.

LEGAL ACTION AGAINST INTRUDERS

Defence Minister Chavan told the Lok Sabha that legal action would be soon started against the Pakistani infiltrators in Jammu and Kashmir.

He said that the armed infiltrators would be shot at sight if they failed to surender.

The Defence Minister said 3,000 infiltrators had heen rounded up.

RUSSIAN NEW ROCKETS

The Soviet Union yesterday unveiled some of its newest rockets at the traditional Red Square parade to mark the 48th anniversary of the October Revolution.

These huge snub nosed rockets could not be caught by enemy rockets and could deliver a nuclear blow at an aggressor at any moment.

INDIA BREAKS TRADE WITH WHITE RHODESIA

India yesterday announced the severance of all economic relations with Rhodesia with immediate effect.

Minister Swaran Singh told the Parliament that the illegal seizure of power by the white minority Government of Mr. Smith was an 'outrageous action in defiance of world opinion and accepted cannons of civilised behaviour'.

The Minister made it clear that India would support even resort to arms by the Organisation of African Unity to undo this illegal declaration of independence by the Rhodesian whites.

The Government of India's decision will entail a net loss of trade of about Rs. one crore. India, at present, exports to Rhodesia goods worth of Rs, 2 crores while the imports from Rhodesia total Rs. 11 crores annually.

AFRICANS' CHALLENGE

The Rhodesian African Nationalist Movement, the Zimbabwe African National Union, has called on Rhodesian Africans to be ready with their bows and arrows to fight the illegal Rhodesian white minority's government.

It has called on the Africans to withdraw their savings from post offices, refuse to pay taxes and rents and withdraw their children from educational institution.

SMITH BRANDED

President Johnson has strongly criticised Rhodesia's declaration of independence from Britain. The U. S. Government considered the unilateral declaration of independence by Rhodesian, 'an illegal seizure of power'.

The UK General Assembly yesterday reiterated its call to Britain to use force to put down the racist authorities of Southern Rhodesia and establish the rights of the African majority.

DOOR TO-DOOR COLLECTIONS

Congress President Kamaraj stated yesterday that the Government was considering a proposal to make door-to-door collections of gold for investment in Gold Bonds.

He said the idea was that volunteers of non-official agencies would visit houses and make a list of persons who were willing to invest in the Gold Bonds. This list would be sent to the Reserve Bank which would send its own men to collect the gold.

Can't Play With Lives of People

Union Food Minister Subramaniam stated in the Lok Sabha that he was not prepared to play with the lives of people.

He was intervening in the debate on a resolution of Sri Hiren Mukherjee criticising the country's continued dependence on PL-480 imports as 'derogatory to our honour and injurious to our economy'.

The Minister said; 'We will be taking a dangerous step and committing political suicide'.

India, he said, had a deficit economy in grain. The production of the khariff crops had gone down and the prospects for the rabi crop were bleak. As such assistance from friendly countries would be absolutely necessary.

The Food Minister made it clear that India would not in any case accept food from any country which tried to attach political strings.

He gave an assurance to the House that the Government would do evrything possible to put the country on the road to self-reliance in food and do away with imports of foodgrains as early as possible.

The House adopted a substantial resolution moved by Sri Shivajrao Deshmukh calling upon the Government to take all measures to increase food production to progressively curtail and ultimately stop PL 480 imports.

PAK PROPERTY TAKEN OVER

The Lok Sabha was told by Minister Shah that the Custodian of the Enemy Property has taken over all immovable and movable properties owned by Pakistan nationals in India.

He said that the movable properties included 10 buildings. the movable properties four ships, shares and securities of the face value of Rs. seven lakhs, two used buses and four cars, 15 commercial firms, including three banks and three railway locomotives and three coaches.

HEAL THYSELF

India has told Pakistan that she should look into the conditions of its own people held under subjection against their will instead of 'concocting stories of disunity and rioting in India'.

In a note sent to Pakistan, Indian Government has nailed the Pakistani charge of genocide by pointing out that the Muslims population in India had grown from 35 million to over 50 million during the last 14 years whereas the population of minorities in Pakistan had shrunk from 18 million to 9 million during the same period.

Indian note said: 'For a Government with its notorious record of oppression of Muslims of Pakhtoonistan, Baluchistan and East Bengal, it is indeed grotesque to pretend to be champion of Sikhs and Muslims in India'.

JAWAN'S BODY FOUND

An Indian patrol party yesterday recovered the body of the Indian soldier, who was killed as a result of wanton firing by the Chinese who intruded into the Indian tarritory on Nov. 13 in the Yak La area. The body had two bullet wounds and one bayonet mark, suggesting that the soldier was done to death by the Chinese.

Talk On Kashmir Out Of Indo-Pak Summit

Prime Minister Shastri declared yesterday that although it was not the appropriate time for any meeting between him and President Ayub Khan, he would not turn down the Soviet Prime Minister Kosygin's suggestion for talks provided the discussions were on the overall relations between India and Pakistan.

But, if the talks were going to be on the status of Kashmir, they 'will not bear any fruit', he said.

Sri Shastri said India had already accepted Mr. Kosygin's suggestion for a meeting with President Ayub Khan in the Soviet Union. Pakistan's attitude was not known but if they wanted Kashmir to be handed over to them, it would be "wholly unacceptable to us".

RUSSIA LASHES AT CHINA

The Soviet Union yesterday launched a bitter attack on the Chinese for their malicious attacks on Soviet party and policies and rejected Peking charges of U.S.-Russian collaboration as a "slanderous provication".
